## **BELLE IN THE BIG APPLE**

---

### **A NOVEL WITH RECIPES**

---

Simon and Schuster When Belle Lee, a vivacious, tart-tongued daughter of Mobile, Alabama, decides that the only way she'll ever make a name for herself as a journalist is to leave the family paper and head to New York, she soon realizes just how daunting life in the big city can be. An outsider desperate to carve a place for herself in the cutthroat world of New York journalism, Belle marches all over town in her kitten heels and her single Chloé suit to hand-deliver résumés and smiles, and to beg for a job from the indifferent or downright hostile office drones. She refuses to give up. With heroic persistence, a wicked sense of humor and a taste for the gourmet, Belle sees what it takes to become a New Yorker. She flirts with a gorgeous young man on the subway, only to learn later that he's stolen her purse; braves the judgmental stares of her neighbors; goes on a series of hilariously disastrous dates and then, finally, she catches her big break: a job as a production assistant at a conservative twenty-four-hour news network. Belle throws herself into her work, sure that her talents will be noticed. All the while, she suffers the sexually suggestive commentary of one of the station's better-known male anchors, doggedly fetches scripts and pulls footage in the wee hours of the morning while working the midnight shift. Belle even maintains her Southern charm, baking cakes for her coworkers and befriending the office security guard. Things start to look up when Paige Beaumont, the channel's star female news anchor, takes Belle under her wing. Paige shows Belle the ropes, dispenses career advice, includes her in the office gossip and also sets her up on dates at restaurants where, before, Belle had only dreamed of one day being inside. But when Belle uncovers the truth behind an illegal network deal that may jeopardize the election of female presidential candidate Jessica Clayton, she realizes that intelligent and ambitious women need to stick together -- and she has no choice but to take matters into her own hands. With thirty recipes for everything from Bribe-Your-Coworkers Pound Cake to Single-Girl Sustenance and how to make the perfect Manhattan -- all told in the delightful and plucky voice of a determined and saucy young woman -- Belle in the Big Apple is about finding love in the most unlikely places, following your dreams and staying true to yourself.

### **A CHARMING NOVEL OF SECOND CHANCES, DELICIOUS RECIPES AND LOVE**

---

Hachette Australia A surprising, smart, charming novel that shows every day is a second chance. If you love Offspring and the 'opposites attract'

charm of The Rosie Project, you will love this story! Lucy Muir is leaving her husband. It's complicated. They're joint owners and chefs at one of the best restaurants in town, so making a clean break is tough. But, let's face it, a woman can only take so much cheating, recipe stealing and lack of good grace. Despondently driving around the back streets of Woolloomooloo one night, Lucy happens upon an old, empty terrace that was once the city's hottest restaurant: Fortune. One minute she's peering through grimy windows into an abandoned space, the next she's planning a pop-up bistro. When Lucy fires up Fortune's old kitchen she discovers a little red recipe book that belonged to the former chef, the infamous Frankie Summers. As she cries over the ingredients for Frankie's French Onion Soup, she imagines what Fortune was like in its heyday. It's strange, Lucy can sense Frankie beside her, almost see him there ... This fiery chef, who lived with a passion for food and women in almost equal measure, just might help Lucy cook herself up a better life. But is she brave enough to believe? **\*\*INCLUDES an extract from J.D.'s new novel, The Upside of Over, publishing in July 2018\*\***
