BEARD ON PASTA

Open Road Media Classic pasta dishes from America's 1st and most beloved master chef Whether you're entertaining guests or simply cooking for 1, pasta is sure to delight. The ultimate comfort food, it can be found in the cuisines of nearly every culture. James Beard, heralded by the New York Times as "the dean of American cookery" enriches our understanding of this culinary staple with his collection of recipes and commentary on store-bought versus homemade pasta, wine pairings, choosing the perfect cheese, and other insights. From familiar spaghetti entrées to more adventurous fare, such as udon noodle soup and spätzle, Beard brings meals from all over the globe into the home chef's kitchen. Under the guidance of America's original gastronomic genius, the basic noodle is elevated in dishes such as basil lasagna, Portuguese fish stew with orzo, and cheddar angel hair soufflé. Beard on Pasta is full of easy-to-follow recipes, along with tips on preparation, sauce, and serving that you'll be eager to try. This comprehensive cookbook provides all the tools you need to make delectable and unforgettable pasta for any occasion.

THAT CLOSE

Quercus Suggs is one of pop music's most enduring and likeable figures. Written with the assured style and wit of a natural raconteur, this hugely entertaining and insightful autobiography takes you from his colorful early life on a North London council estate, through the heady early days of Punk and 2-Tone, to the eighties, where Madness became the biggest selling singles band of the decade. Along the way he tells you what it's like to grow up in sixties Soho, go globetrotting with your best mates, to make a dead pigeon fly and cause an earthquake in Finsbury Park.

Pearson Education Master practical strategic marketing analysis through real-life case studies and hands-on examples. In Cutting Edge Marketing Analytics, three pioneering experts integrate all three core areas of marketing analytics: statistical analysis, experiments, and managerial intuition. They fully detail a best-practice marketing analytics methodology, augmenting it with case studies that illustrate the quantitative and data analysis tools you'll need to allocate resources, define optimal marketing mixes; perform effective analysis of customers and digital marketing campaigns, and create high-value dashboards and metrics. For each marketing problem, the authors help you: Identify the right data and analytics techniques Conduct the analysis and obtain insights from it Outline what-if scenarios and define optimal solutions Connect your insights to strategic decision-making Each chapter contains technical notes, statistical knowledge, case studies, and real data you can use to perform the analysis yourself. As you proceed, you'll gain an in-depth understanding of: The real value of marketing analytics How to integrate quantitative analysis with managerial sensibility How to apply linear regression, logistic regression, cluster analysis, and Anova models The crucial role of careful experimental design For all marketing professionals specializing in marketing analytics and/or business intelligence; and for students and faculty in all graduate-level business courses covering Marketing Analytics, Marketing Effectiveness, or Marketing Metrics

CAMERON'S REDEMPTION

KSA Publishing Consultants *Sexy, listless playboy Cameron Beran has a secret. Everyone assumes that things just come easily to him, that he's not serious about settling down or finding a mate. In truth, he's just been waiting for the right moment, the right woman. When the stars align and put Alexandra Hansard in his path, he knows that his time has come. Independent, no-nonsense Alex is new to the world of werebears, and she's only looking for a mate to further her own political aims. When she's thrust into Cam's life, she sees an opportunity - for a business relationship, nothing more. If she happens to find Cameron wildly arousing, that'll be her little secret. After destiny throws them together, they embark on the beginnings of a newfound relationship... a term that means very different things to both Alex and Cameron. Trust is hard to come by, especially for a playboy and his fiercely stubborn mate. When all the secrets come out, Alexandra and Cameron will have to choose, and the stakes couldn't be higher...*

GEOLOGICAL REPORT OF PROGRESS IN THE LABORATORY OF THE SURVEY AT HARRISBURG

DACHSHUND DAD

GENKOUYOUSHI NOTEBOOK

Genkouyoushi is a traditional manuscript paper for Japanese writing. It is especially useful to students for practice or formal assignments. Each page is printed with vertical columns of squares, with each square designed to accommodate a single Japanese character or punctuation mark. Unlike other Genkouyoushi, our notebook may be used with any type of writing instrument (pencil, pen or ink brush) with or without a shitajiki (under-sheet) and each template square allows for correct spacing of characters to fit one kanji, hiragana or katakana. A perfect tool to learn Japanese writing.

GEOGRAPHICAL KNOWLEDGE AND IMPERIAL CULTURE IN THE EARLY MODERN OTTOMAN EMPIRE

Ashgate Publishing, Ltd. *Exploring the reasons for a flurry of geographical works in the Ottoman Empire in the sixteenth century, this study analyzes how cartographers, travellers, astrologers, historians and naval captains promoted their vision of the world and the centrality of the Ottoman Empire in it. It proposes a new case study for the interconnections among empires in the period, demonstrating how the Ottoman Empire shared political, cultural, economic, and even religious conceptual frameworks with contemporary and previous world empires.*

SHADOWRUN SPRAWL WILDS

You live in any sprawl long enough, you'll find out that there's a lot more to it than businessmen and soykaf stalls. Any sprawl worth its mettle has its dark corners, its forgotten places, its spots that are just as wild and untamed as the deepest rainforest. Seattle, the prime metroplex in the world for shadowrunning, is filled with such places, and Sprawl Wilds gives shadowrunners a chance to tour them. From a fortress-like Barrens farm recovering from a mysterious attack to a dark secret hidden in a clinic, runners have a chance to see the sites most people never encounter, and uncover information that some people want to stay secret at any cost. They'll meet jaded smugglers, wary police officers, passionate activists, hardened criminals, wounded warriors, and at least one deranged killer. The questions are, will they survive long enough to collect a paycheck and how much of the sprawl will be nothing more than dust when they're done with it? Sprawl Wilds is a collection of Shadowrun Missions developed for major summer gaming conventions. These adventures have been adapted for both Shadowrun, Twentieth Anniversary Edition and Shadowrun, Fifth Edition, and they provide hours of shadowrunning goodness for experienced street veterans and new shadowrunners alike. With complete game information, including NPC stats, these adventures are poised to plunge players into urban chaos!

THE COMPANY DAUGHTERS

A HEART-WRENCHING COLONIAL LOVE STORY

Bookouture *'Blew my mind... so magically written and most of all that it is based on true events... a hard-hitting, soul-crushing book... I loved every moment of it... immersive, heart-wrenching, I feel emotional writing this review.'* Goodreads reviewer, 5 stars *Wanted: Company Daughters. Virtuous young ladies to become the brides of industrious settlers in a foreign land. The Company will pay the cost of the lady's dowry and travel. Returns not permitted, orphans preferred. Amsterdam, 1620. Jana Beil has learned that life rarely provides moments of joy. Having run away from a violent father, her days are spent searching for work in an effort to stay out of the city brothels, where desperate women trade their bodies for a mouthful of bread. But when Jana is hired as a servant for the wealthy and kind Master Reynst and his beautiful daughter Sontje, Jana's future begins to look brighter. Then Master Reynst loses his fortune on a bad investment, and everything changes. The house is sold to creditors, leaving Jana back on the street and Sontje without a future. With no other choice, Jana and Sontje are forced to sign with the East India Company as Company Daughters: sailing to a colonial Dutch outpost to become the brides of male settlers they know nothing about. With fear in their hearts, the girls begin their journey - but what awaits them on the other side of the world is nothing like what they've been promised... Based on true history, this is a gripping and unputdownable historical novel, perfect for fans of Girl with a Pearl Earring, The Miniaturist and The Indigo Girl. WINNER OF THE 2021 GOLDEN CROWN LITERARY SOCIETY AWARD FOR DEBUT FICTION. FINALIST FOR THE 2021 BISEXUAL BOOK AWARDS. LONGLISTED FOR THE 2021 HWA DEBUT CROWN AWARD. What readers are saying about The Company Daughters: 'Blew my mind... a book I've told so many people about purely because I'm still in disbelief that it exists, that it's so magically written and most of all that it is based on true events... a hard-hitting, soul-crushing book of a woman's struggle to survive... I loved every moment of it. Breathlessly, and in a way that took up my entire brain... immersive, heart-wrenching, and I feel emotional writing this review.'* Goodreads reviewer, 5 stars *'From the moment I started reading The Company Daughters, I was captivated by this historical tale. Although it does contain a love story, it's not a romance...This was a gripping read.'* Goodreads reviewer *'This book is so stunningly tender and beautiful, all mixed in with some seriously tragic and heart-wrenching events... Rajaram is an extremely skilled writer, and I love her writing style... The themes of sisterhood and female love were so present in this book and I found it very moving.'* Goodreads reviewer *'I was enchanted by this book! It's a delightful read that will have your emotions all over the place.'* Goodreads reviewer *'I love historical fiction, and this book touched on a topic and time I knew nearly nothing about...There's love, there's loss, there's surviving, there's thriving... It was a very beautiful book.'* Goodreads reviewer *'The Company Daughters is a beautifully written love story... a perfect example of the power of human will and the endurance and hope that love can give a person.'* Goodreads reviewer, 5 stars *'This book has a beauty and grace to it. The author's writing just flows off the page, and although there are struggles and upsets by the time you close the book over you are filled with a warm glow.'* Goodreads reviewer *'A powerful and insightful read. I look forward to reading more historical work by Samantha Rajaram!'* Goodreads reviewer *'Heartbreaking... a moving book... vivid, with amazing characters... This is a great read.'* Goodreads reviewer

GATHER TOGETHER IN MY NAME

Simon and Schuster *From the nationally bestselling and Hurston/Wright award-winning author Tracy Price-Thompson comes a heartbreaking story of loyalty and love that goes beyond the ultimate sacrifice. Coming of age in the heart of crime-ridden Brooklyn, Shyne Blackwood is one in a set of triplets born into poverty and great tragedy. While his brothers are raised to seek a life of promise, Shyne's path veers early on. A street-seasoned hustler, he becomes known as a liar, a thief, and ultimately, a killer. Personifying many of the negative stereotypes attributed to black men, Shyne is accused and convicted of the brutal murder of a child, and an entire city demands vengeance as he's sent to death row in a cold New York state prison. On the eve of Shyne's execution, five people travel to Quincy Correctional Facility to witness the event. As the clock counts down to midnight, and while everyone has long since abandoned Shyne to his fate, a secret at the heart of this unthinkable crime remains to be discovered. It is a secret that will test the bonds of family, the strength of one man's character, and the redemptive power of a love worth dying for.*

GEOMETRIC ANALYSIS OF THE BERGMAN KERNEL AND METRIC

Springer Science & Business Media *This text provides a masterful and systematic treatment of all the basic analytic and geometric aspects of Bergman's classic theory of the kernel and its invariance properties. These include calculation, invariance properties, boundary asymptotics, and asymptotic expansion of the Bergman kernel and metric. Moreover, it presents a unique compendium of results with applications to function theory, geometry, partial differential equations, and interpretations in the language of functional analysis, with emphasis on the several complex variables context. Several of these topics appear here for the first time in book form. Each chapter includes illustrative examples and a collection of exercises which will be of interest to both graduate students and experienced mathematicians. Graduate students who have taken courses in complex variables and have a basic background in real and functional analysis will find this textbook appealing. Applicable courses for either main or supplementary usage include those in complex variables, several complex variables, complex differential geometry, and partial differential equations. Researchers in complex analysis, harmonic analysis, PDEs, and complex differential geometry will also benefit from the thorough treatment of the many exciting aspects of Bergman's theory.*

WHEN LIFE FALLS APART

Revell *When life falls apart, where is God? Does he care? Can he fix things? Does he really love us? In an uncertain world, people need to know that God is still in control, that he cares for us and even suffers with us, and that he has a plan that cannot be defeated. In his compassionate and caring style, Warren W. Wiersbe offers discouraged readers a positive treatment of suffering that reveals the Bible's authoritative and comforting answers to big questions. His faith-bolstering insight will show readers that, with God as their source of comfort, strength, and hope, they can weather the storms of life--and come out on top.*

GLOBAL RIGHTS AND PERCEPTIONS (EXPANDED FIRST EDITION)

Cognella Academic Publishing The readings by prominent literary authors and journalists chosen for the anthology *Global Rights and Perceptions* highlight the many ways in which human rights are being violated through practices such as human trafficking, intellectual piracy, organ trade, and female feticide. In "Mutilation by Any Other Name," Sarah Ameigh argues why it is important to refuse to accept any act that demeans and endangers young women. Thomas Friedman sheds light on the role of contemporary America on the world stage in the article "That Used to Be Us: How America Fell Behind in the World It Invented and How We Can Come Back." In *Global Rights and Perceptions* students read from a wide variety of original sources--foreign policy journals, non-fiction books, medical journals, and current affairs magazines, including the *New Statesman*, the *Journal of Medical Ethics*, *Foreign Policy*, and the *Journal of American and Comparative Culture*. The textbook also includes representative student papers on global issues to stimulate students' imaginations and exemplify compelling writing strategies. This varied exposure gives students several gateways through which to approach complex social issues, and raises awareness about how widespread these issues are and how seriously they are being considered by academic, journalistic, literary, and social entities.
