Furrries are anthropomorphic characters—animals who have human traits (not to be confused with kemonomimi, or humans with some animal features!). They're widely popular in manga, anime and cosplay—from fan favorites like Wolf's Rain and Lackadaisy to the newer Beastars and BNA: Brand New Animal. The genre allows creators to be more imaginative, freeing artists from traditional human personality traits, actions and physical appearance. With the help of the expert authors, you'll learn to draw: Anatomically correct furry manga bodies, skulls, faces, appendages and tails with human proportions Characters based on cats, dogs, wolves, foxes, goats, birds, whales, sharks, crocodiles, dragons—and more! Furrries seen from their most powerful perspective—from muzzle to rump to flipper tip Illustrations shown from many various angles with different poses, positions and movements And so much more! With this book as your guide, your imagination will run wild as you create memorable heroes, wicked villains and compelling sidekicks with your pen or on screen. *Recommended for artists 10 & up** **My Little Island, Level 2** Longman **Today! 2 Students Book Standalone** *Today is a four-level course that shapes learning around the individual, understanding that no two students are the same. Kumaravadivelu presents a macrostrategic framework designed to help both beginning and experienced teachers develop a systematic, coherent, and personal theory of practice. His book provides the tools a teacher needs in order to self-observe, self-analyze, and self-evaluate his or her own teaching acts. The framework consists of ten macrostrategies based on current theoretical, empirical, and experiential knowledge of second language and foreign language teaching. These strategies enable teachers to evaluate classroom practices and to generate techniques and activities for realizing teaching goals. With checklists, surveys, projects, and reflective tasks to encourage critical thinking, the book is both practical and accessible. Teachers and future teachers, researchers, and teacher educators will find the volume indispensable.* **Megatrends Interchange Level 2 Video Resource Book** Cambridge University Press *Interchange Third edition is a four-level series for adult and young-adult*
