### THE NEW YORK TIMES BOOK REVIEW

#### 125 YEARS OF LITERARY HISTORY

Clarkson Potter "From the longest-running, most trusted book review in America comes a celebration of The New York Times Book Review, including reviews, essays, and interviews, showcasing the best, worst, funniest, strangest, and influential literary coverage since its beginnings in 1896"--

### NEW YORK, NEW YORK, NEW YORK

#### FOUR DECADES OF SUCCESS, EXCESS, AND TRANSFORMATION

Simon and Schuster A New York Times Notable Book A lively, immersive history by an award-winning urbanist of New York City's transformation, and the lessons it offers for the city's future. Dangerous, filthy, and falling apart, garbage piled on its streets and entire neighborhoods reduced to rubble; New York's terrifying, if liberating, state of nature in 1978 also made it the capital of American culture. Over the next thirty-plus years, though, it became a different place—kinder and meaner, richer and poorer, more like America and less like what it had always been. New York, New York, New York, Thomas Dyja's sweeping account of this metamorphosis, shows it wasn't the work of a single policy, mastermind, or economic theory, nor was it a morality tale of gentrification or crime. Instead, three New Yorks evolved in turn. After brutal retrenchment came the dazzling Koch Renaissance and the Dinkins years that left the city's liberal traditions battered but laid the foundation for the safe streets and dotcom excess of Giuliani's Reformation in the '90s. Then the planes hit on 9/11. The shaky city handed itself over to Bloomberg who merged City Hall into his personal empire, launching its Reimagination. From Hip Hop crews to Wall Street bankers, D.V. to Jay-Z, Dyja weaves New Yorkers famous, infamous, and unknown—Yuppies, hipsters, tech nerds, and artists; community organizers and the immigrants who made this a truly global place—into a narrative of a city creating ways of life that would ultimately change cities everywhere. With great success, though, came grave mistakes. The urbanism that reclaimed public space became a means of control, the police who made streets safe became an occupying army, technology went from a means to the end. Now, as anxiety fills New Yorker's hearts and empties its public spaces, it's clear that what brought the city back—proximity, density, and human exchange—are what sent Covid-19 burning through its streets, and the price of order has come due. A fourth evolution is happening and we must understand that the greatest challenge ahead is the one New York failed in the first three: The cures must not be worse than the disease. Exhaustively researched, passionately told, New York, New York, New York is a colorful, inspiring guide to not just rebuilding but reimagining a great city.

### MERCY STREET

HarperCollins NATIONAL BESTSELLER "Ms. Haigh is an expertly nuanced storyteller long overdue for major attention. Her work is gripping, real, and totally immersive, akin to that of writers as different as Richard Price, Richard Ford, and Richard Russo."—Janet Maslin, New York Times The highly praised, "extraordinary" (New York Times Book Review) novel about the disparate lives that intersect at a women's clinic in Boston, by New York Times bestselling author Jennifer Haigh For almost a decade, Claudia has counseled patients at Mercy Street, a clinic in the heart of the city. The work is consuming, the unending dramas of women in crisis. For its patients, Mercy Street offers more than health care; for many, it is a second chance. But outside the clinic, the reality is different. Anonymous threats are frequent. A small, determined group of anti-abortion demonstrators appears each morning at its door. As the protests intensify, fear creeps into Claudia's days, a humming anxiety she manages with frequent visits to Timmy, an affable pot dealer in the midst of his own existential crisis. At Timmy's, she encounters a random assortment of customers, including Anthony, a lost soul who spends most of his life online, chatting with the mysterious Excelsior11—the screenname of Victor Prine, an anti-abortion crusader who has set his sights on Mercy Street and is ready to risk it all for his beliefs. Mercy Street is a novel for right now, a story of the polarized American present. Jennifer Haigh, "an expert natural storyteller with a keen sense of her characters' humanity" (New York Times), has written a groundbreaking novel, a fearless examination of one of the most divisive issues of our time.

### THE DAYS OF AFREKETE

#### A NOVEL

Farrar, Straus and Giroux "I didn't feel like I was reading this novel—I felt like I was living it." —Ann Patchett, author of The Dutch House From award-winning author Asali Solomon, The Days of Afrekete is a tender, surprising novel of two women at midlife who rediscover themselves—and perhaps each other, inspired by Mrs. Dalloway, Sula, and Audre Lorde's Zami Liselle Belmont is having a dinner party. It seems a strange occasion—her husband, Winn, has lost his bid for the state legislature—but what better way to thank key supporters than a feast? Liselle was never sure about her husband becoming a politician, never sure about the life of fundraising and stump speeches. Then an FBI agent calls to warn her that Winn might be facing corruption charges. An avalanche of questions tumbles around her: Is it possible he's guilty? Who are they to each other; who have they become? How much of herself has she lost—and was it worth it? And just this minute, how will she make it through this dinner party? Across town, Selena Octave is making her way through the same day, the same way she always does—one foot in front of the other, keeping quiet and focused, trying not to see the terrors all around her. Homelessness, starving children, the very living horrors of history that made America possible: these and other thoughts have made it difficult for her to live an easy life. The only time she was ever really happy was with Liselle, back in college. But they've lost touch, so much so that when they ran into each other at a drugstore just after Obama was elected president, they barely spoke. But as the day wears on, memories of Liselle begin to shift Selena's path. Inspired by Mrs. Dalloway and Sula, as well as Audre Lorde's Zami, Asali Solomon's The Days of Afrekete is a deft, expertly layered, naturally funny, and deeply human examination of two women coming back to themselves at midlife. It is a watchful celebration of our choices and where they take us, the people who change us, and how we can reimagine ourselves even when our lives seem set.

### COLD ENOUGH FOR SNOW

New Directions Publishing Winner of the inaugural Novel Prize, an elegant and subtle exploration of the mysteries of our relationships to others A mother and daughter travel from abroad to meet in Tokyo: they walk along the canals through the autumn evenings, escape the typhoon rains, share meals in small cafes and restaurants, and visit galleries to see some of the city's most radical modern art. All the while, they talk: about the weather, horoscopes, clothes, and objects, about family, distance, and memory. But uncertainties abound. Who is really speaking here—is it only the daughter? And what is the real reason behind this elliptical, perhaps even spectral journey? At once a careful reckoning and an elegy, Cold Enough for Snow questions whether any of us speak a common language, which dimensions can contain love, and what claim we have to truly know another's inner world. Selected from more than 1,500 entries, Cold Enough for Snow won the Novel Prize, a new, biennial award offered by New Directions, Fitzcarraldo Editions (UK), and Giramondo (Australia), for any novel written in English that explores and expands the possibilities of the form.

### GIRL IN ICE

Simon and Schuster "From the author of The River at Night and Into the Jungle comes a harrowing new thriller as a linguist, broken-hearted after the apparent suicide of her glaciologist brother, ventures hundreds of miles north of the Arctic Circle to try to communicate with a young girl who has thawed from the ice alive"--

### PACHINKO (NATIONAL BOOK AWARD FINALIST)

Grand Central Publishing A New York Times Top Ten Book of the Year and National Book Award finalist, Pachinko is an "extraordinary epic" of four generations of a poor Korean immigrant family as they fight to control their destiny in 20th-century Japan (San Francisco Chronicle). NEW YORK TIMES NOTABLE BOOK OF 2017 \* A USA TODAY TOP TEN OF 2017 \* JULY PICK FOR THE PBS NEWSHOUR-NEW YORK TIMES BOOK CLUB NOW READ THIS \* FINALIST FOR THE 2018DAYTON LITERARY PEACE PRIZE\* WINNER OF THE MEDICI BOOK CLUB PRIZE Roxane Gay's Favorite Book of 2017, Washington Post NEW YORK TIMES BESTSELLER \* #1 BOSTON GLOBE BESTSELLER \* USA TODAY BESTSELLER \* WALL STREET JOURNAL BESTSELLER \* WASHINGTON POST BESTSELLER "There could only be a few winners, and a lot of losers. And yet we played on, because we had hope that we might be the lucky ones." In the early 1900s, teenaged Sunja, the adored daughter of a crippled fisherman, falls for a wealthy stranger at the seashore near her home in Korea. He promises her the world, but when she discovers she is pregnant--and that her lover is married--she refuses to be bought. Instead, she accepts an offer of marriage from a gentle, sickly minister passing through on his way to Japan. But her decision to abandon her home, and to reject her son's powerful father, sets off a dramatic saga that will echo down through the generations. Richly told and profoundly moving, Pachinko is a story of love, sacrifice, ambition, and loyalty. From bustling street markets to the halls of Japan's finest universities to the pachinko parlors of the criminal underworld, Lee's complex and passionate characters--strong, stubborn women, devoted sisters and sons, fathers shaken by moral crisis--survive and thrive against the

indifferent arc of history. \*Includes reading group guide\*

## OUR COUNTRY FRIENDS

---

### A NOVEL

Random House **NEW YORK TIMES BESTSELLER • GOOD MORNING AMERICA BUZZ PICK • ONE OF THE BEST BOOKS OF THE YEAR:** The New York Times Book Review, Financial Times, The Washington Post, Time, Los Angeles Times, New York Post, Town & Country, Good Housekeeping, Kirkus Reviews “A perfect novel for these times and all times, the single textual artifact from the pandemic era I would place in a time capsule as a representation of all that is good and true and beautiful about literature.”—Molly Young, The New York Times (Editors’ Choice) Eight friends, one country house, and six months in isolation—a novel about love, friendship, family, and betrayal hailed as a “virtuoso performance” (USA Today) and “an homage to Chekhov with four romances and a finale that will break your heart” (The Washington Post) In the rolling hills of upstate New York, a group of friends and friends-of-friends gathers in a country house to wait out the pandemic. Over the next six months, new friendships and romances will take hold, while old betrayals will emerge, forcing each character to reevaluate whom they love and what matters most. The unlikely cast of characters includes a Russian-born novelist; his Russian-born psychiatrist wife; their precocious child obsessed with K-pop; a struggling Indian American writer; a wildly successful Korean American app developer; a global dandy with three passports; a Southern flamethrower of an essayist; and a movie star, the Actor, whose arrival upsets the equilibrium of this chosen family. Both elegiac and very, very funny, *Our Country Friends* is the most ambitious book yet by the author of the beloved bestseller *Super Sad True Love Story*.

### A NOVEL

Random House Two sisters unite to survive a traumatic upbringing—from absentee parents to a wilderness camp for troubled teens—in this “relentless and spooky” (Joy Williams) debut from an essential new voice. **ONE OF THE MOST ANTICIPATED BOOKS OF 2022**—Good Housekeeping, *Autostraddle*, *The Millions* “When the Juvenile Transportation Services come for you in the night in a preordained kidnapping, complete with an unmarked van and husky guardsmen you can’t outmatch, you have been sold for a promise.” A young woman thinks she has escaped her past only to discover that she’s been hovering on its edges all along: She and her younger sister bide their time in a dilapidated warehouse in a desolate town north of New York City; their parents settled there with dreams of starting an art commune. But after the girls’ father vanishes, all traces of stability disappear for the family, and the girls retreat into strange worlds of their own mythmaking and isolation. As the sisters both try to survive their increasingly dark and dangerous adolescences, they break apart and reunite repeatedly, orbiting each other like planets. Both endure stints at the Veld Center, a wilderness camp where troubled teenage girls are sent as a last resort, and both emerge more deeply warped by the harsh outdoor survival experiences they must endure and the attempts by staff to break them down psychologically. With a mesmerizing voice and uncanny storytelling style, this is a remarkable debut about two women who must struggle to understand the bonds that link them and how their traumatic history will shape who they choose to become as adults.

### A TRUE STORY AND OTHER LIES

Vintage Truth and lies are two sides of the same coin. But who’s flipping it? A thought-provoking and brilliantly entertaining work of nonfiction from one of the world’s leading deceivers, the creator and star of the astonishing theater show and forthcoming film *In & Of Itself*. Derek DelGaudio believed he was a decent, honest man. But when irrefutable evidence to the contrary is found in an old journal, his memories are reawakened and Derek is forced to confront—and try to understand—his role in a significant act of deception from his past. Using his youthful notebook entries as a road map, Derek embarks on a soulful, often funny, sometimes dark journey, retracing the path that led him to a world populated by charlatans, card cheats, and con artists. As stories are peeled away and artifices are revealed, Derek examines the mystery behind his father’s vanishing act, the secret he inherited from his mother, the obsession he developed with sleight-of-hand that shaped his future, and the affinity he felt for the professional swindlers who taught him how to deceive others. And once he finds himself working as a crooked dealer in a big-money Hollywood card game, Derek begins to question his own sense of morality, and discovers that even a master of deception can find himself trapped inside an illusion. **A M O R A L M A N** is a wildly engaging exploration of the fictions we live as truths. It is ultimately a book about the lies we tell ourselves and the realities we manufacture in others.

## THE PESSIMISTS

---

Grove Press From Center for Fiction First Novel Prize finalist Bethany Ball comes a biting and darkly funny new novel that follows a set of privileged, jaded Connecticut suburbanites whose cozy, seemingly picture-perfect, lives begin to unravel amid shocking turns of fate and revelations of long-held secrets. Welcome to small-town Connecticut, a place whose inhabitants seem to have it all — the status, the homes, the money, and the ennui. There’s Tripp and Virginia, beloved hosts whom the community idolizes, whose basement hides among other things a secret stash of guns and a drastic plan to survive the end times. There’s Gunter and Rachel, recent transplants who left New York City to raise their children, only to feel both imprisoned by the banality of suburbia. And Richard and Margot, community veterans whose extramarital affairs and battles with mental health are disguised by their enviably polished veneers and perfect children. At the center of it all is the Petra School, the most coveted of all the private schools in the state, a supposed utopia of mindfulness and creativity, with a history as murky and suspect as our character’s inner worlds. With deep wit and delicious incisiveness, in *The Pessimists*, Bethany Ball peels back the veneer of upper-class white suburbia to expose the destructive consequences of unchecked privilege and moral apathy in a world that is rapidly evolving without them. This is a superbly drawn portrait of a community, and its couples, torn apart by unmet desires, duplicity, hypocrisy, and dangerous levels of discontent.

### WHAT RACISM COSTS EVERYONE AND HOW WE CAN PROSPER TOGETHER

One World **NEW YORK TIMES BESTSELLER • LONGLISTED FOR THE NATIONAL BOOK AWARD •** One of today’s most insightful and influential thinkers offers a powerful exploration of inequality and the lesson that generations of Americans have failed to learn: Racism has a cost for everyone—not just for people of color. **WINNER OF THE PORCHLIGHT BUSINESS BOOK AWARD • ONE OF THE BEST BOOKS OF THE YEAR:** Time, The Washington Post, St. Louis Post-Dispatch, Ms. magazine, BookRiot, Library Journal • **LONGLISTED FOR THE ANDREW CARNEGIE MEDAL •** “This is the book I’ve been waiting for.”—Ibram X. Kendi, #1 New York Times bestselling author of *How to Be an Antiracist* Heather McGhee’s specialty is the American economy—and the mystery of why it so often fails the American public. From the financial crisis of 2008 to rising student debt to collapsing public infrastructure, she found a root problem: racism in our politics and policymaking. But not just in the most obvious indignities for people of color. Racism has costs for white people, too. It is the common denominator of our most vexing public problems, the core dysfunction of our democracy and constitutive of the spiritual and moral crises that grip us all. But how did this happen? And is there a way out? McGhee embarks on a deeply personal journey across the country from Maine to Mississippi to California, tallying what we lose when we buy into the zero-sum paradigm—the idea that progress for some of us must come at the expense of others. Along the way, she meets white people who confide in her about losing their homes, their dreams, and their shot at better jobs to the toxic mix of American racism and greed. This is the story of how public goods in this country—from parks and pools to functioning schools—have become private luxuries; of how unions collapsed, wages stagnated, and inequality increased; and of how this country, unique among the world’s advanced economies, has thwarted universal healthcare. But in unlikely places of worship and work, McGhee finds proof of what she calls the Solidarity Dividend: the benefits we gain when people come together across race to accomplish what we simply can’t do on our own. *The Sum of Us* is not only a brilliant analysis of how we arrived here but also a heartfelt message, delivered with startling empathy, from a black woman to a multiracial America. It leaves us with a new vision for a future in which we finally realize that life can be more than a zero-sum game.

### A RECKONING WITH THE HISTORY OF SLAVERY ACROSS AMERICA

Little, Brown Instant #1 New York Times Bestseller Winner of the National Book Critics Circle Award for Nonfiction Winner of the Stowe Prize Winner of 2022 Hillman Prize for Book Journalism PEN America 2022 John Kenneth Galbraith Award for Nonfiction Finalist A New York Times 10 Best Books of 2021 A Time 10 Best Nonfiction Books of 2021 Named a Best Book of 2021 by The New York Times, The Washington Post, The Boston Globe, The Economist, Smithsonian, Esquire, Entropy, The Christian Science Monitor, WBEZ’s Nerdette Podcast, TeenVogue, GoodReads, SheReads, BookPage, Publishers Weekly, Kirkus, Fathom Magazine, the New York Public Library, and the Chicago Public Library One of GQ’s 50 Best Books of Literary Journalism of the 21st Century Longlisted for the National Book Award Los Angeles Times, Best Nonfiction Gift One of President Obama’s Favorite Books of 2021 This compelling #1 New York Times bestseller examines the legacy of slavery in America—and how both history and memory continue to shape our everyday lives. Beginning in his hometown of New Orleans, Clint Smith leads the reader on an unforgettable tour of monuments and landmarks—those that are honest about the past and those that are

not—that offer an intergenerational story of how slavery has been central in shaping our nation's collective history, and ourselves. It is the story of the Monticello Plantation in Virginia, the estate where Thomas Jefferson wrote letters espousing the urgent need for liberty while enslaving more than four hundred people. It is the story of the Whitney Plantation, one of the only former plantations devoted to preserving the experience of the enslaved people whose lives and work sustained it. It is the story of Angola, a former plantation-turned-maximum-security prison in Louisiana that is filled with Black men who work across the 18,000-acre land for virtually no pay. And it is the story of Blandford Cemetery, the final resting place of tens of thousands of Confederate soldiers. A deeply researched and transporting exploration of the legacy of slavery and its imprint on centuries of American history, *How the Word Is Passed* illustrates how some of our country's most essential stories are hidden in plain view—whether in places we might drive by on our way to work, holidays such as Juneteenth, or entire neighborhoods like downtown Manhattan, where the brutal history of the trade in enslaved men, women, and children has been deeply imprinted. Informed by scholarship and brought to life by the story of people living today, Smith's debut work of nonfiction is a landmark of reflection and insight that offers a new understanding of the hopeful role that memory and history can play in making sense of our country and how it has come to be.

When brothers Tushar and Nakul Khurana, two Delhi schoolboys, pick up their family's television set at a repair shop with their friend Mansoor Ahmed one day in 1996, disaster strikes without warning. A bomb—one of the many "small" bombs that go off seemingly unheralded across the world—detonates in the Delhi marketplace, instantly claiming the lives of the Khurana boys, to the devastation of their parents. Mansoor survives, bearing the physical and psychological effects of the bomb. After a brief stint at university in America, Mansoor returns to Delhi, where his life becomes entangled with the mysterious and charismatic Ayub, a fearless young activist whose own allegiances and beliefs are more malleable than Mansoor could imagine. Woven among the story of the Khuranas and the Ahmeds is the gripping tale of Shockie, a Kashmiri bomb maker who has forsaken his own life for the independence of his homeland. Karan Mahajan writes brilliantly about the effects of terrorism on victims and perpetrators, proving himself to be one of the most provocative and dynamic novelists of his generation.

## THE FINAL REVIVAL OF OPAL & NEV

---

Simon and Schuster An electrifying novel about the meteoric rise of an iconic interracial rock duo in the 1970s, their sensational breakup, and the dark secrets unearthed when they try to reunite decades later for one last tour. A GOOD MORNING AMERICA BUZZ PICK NAMED A BEST BOOK OF 2021 BY BARACK OBAMA \* THE WASHINGTON POST \* NPR \* ESQUIRE \* ENTERTAINMENT WEEKLY \* GOODREADS \* THE MILLIONS \* READER'S DIGEST \* PHILADELPHIA INQUIRER \* EERIE READER \* PUBLIC RADIO TULSA \* CHICAGO PUBLIC LIBRARY \* KIRKUS REVIEWS "Feels truer and more mesmerizing than some true stories. It's a packed time capsule that doubles as a stick of dynamite." —THE NEW YORK TIMES BOOK REVIEW *Opal* is a fiercely independent young woman pushing against the grain in her style and attitude, Afro-punk before that term existed. Coming of age in Detroit, she can't imagine settling for a 9-to-5 job—despite her unusual looks, *Opal* believes she can be a star. So when the aspiring British singer/songwriter Neville Charles discovers her at a bar's amateur night, she takes him up on his offer to make rock music together for the fledgling Rivington Records. In early seventies New York City, just as she's finding her niche as part of a flamboyant and funky creative scene, a rival band signed to her label brandishes a Confederate flag at a promotional concert. *Opal's* bold protest and the violence that ensues set off a chain of events that will not only change the lives of those she loves, but also be a deadly reminder that repercussions are always harsher for women, especially black women, who dare to speak their truth. Decades later, as *Opal* considers a 2016 reunion with Nev, music journalist S. Sunny Shelton seizes the chance to curate an oral history about her idols. Sunny thought she knew most of the stories leading up to the cult duo's most politicized chapter. But as her interviews dig deeper, a nasty new allegation from an unexpected source threatens to blow up everything. Provocative and chilling, *The Final Revival of Opal & Nev* features a backup chorus of unforgettable voices, a heroine the likes of which we've not seen in storytelling, and a daring structure, and introduces a bold new voice in contemporary fiction.

### POVERTY, SURVIVAL & HOPE IN AN AMERICAN CITY (PULITZER PRIZE WINNER)

Random House PULITZER PRIZE WINNER • A "vivid and devastating" (The New York Times) portrait of an indomitable girl—from acclaimed journalist Andrea Elliott "From its first indelible pages to its rich and startling conclusion, *Invisible Child* had me, by turns, stricken, inspired, outraged, illuminated, in tears, and hungering for reimmersion in its Dickensian depths."—Ayad Akhtar, author of *Homeland Elegies* ONE OF THE TEN BEST BOOKS OF THE YEAR: The New York Times • ONE OF THE BEST BOOKS OF THE YEAR: The Atlantic, The New York Times Book Review, Time, NPR, Library Journal In *Invisible Child*, Pulitzer Prize winner Andrea Elliott follows eight dramatic years in the life of Dasani, a girl whose imagination is as soaring as the skyscrapers near her Brooklyn shelter. In this sweeping narrative, Elliott weaves the story of Dasani's childhood with the history of her ancestors, tracing their passage from slavery to the Great Migration north. As Dasani comes of age, New York City's homeless crisis has exploded, deepening the chasm between rich and poor. She must guide her siblings through a world riddled by hunger, violence, racism, drug addiction, and the threat of foster care. Out on the street, Dasani becomes a fierce fighter "to protect those who I love." When she finally escapes city life to enroll in a boarding school, she faces an impossible question: What if leaving poverty means abandoning your family, and yourself? A work of luminous and riveting prose, Elliott's *Invisible Child* reads like a page-turning novel. It is an astonishing story about the power of resilience, the importance of family and the cost of inequality—told through the crucible of one remarkable girl. Winner of the J. Anthony Lukas Book Prize • Finalist for the Bernstein Award and the PEN/John Kenneth Galbraith Award

### A NOVEL

Vintage NEW YORK TIMES BESTSELLER • A TODAY SHOW #ReadWithJenna BOOK CLUB PICK • WOMEN'S PRIZE FOR FICTION NOMINEE • The unforgettable story of a daredevil female aviator determined to chart her own course in life, at any cost: an "epic trip—through Prohibition and World War II, from Montana to London to present-day Hollywood—and you'll relish every minute" (People). After being rescued as infants from a sinking ocean liner in 1914, Marian and Jamie Graves are raised by their dissolute uncle in Missoula, Montana. There—after encountering a pair of barnstorming pilots passing through town in beat-up biplanes—Marian commences her lifelong love affair with flight. At fourteen she drops out of school and finds an unexpected and dangerous patron in a wealthy bootlegger who provides a plane and subsidizes her lessons, an arrangement that will haunt her for the rest of her life, even as it allows her to fulfill her destiny: circumnavigating the globe by flying over the North and South Poles. A century later, Hadley Baxter is cast to play Marian in a film that centers on Marian's disappearance in Antarctica. Vibrant, canny, disgusted with the claustrophobia of Hollywood, Hadley is eager to redefine herself after a romantic film franchise has imprisoned her in the grip of cult celebrity. Her immersion into the character of Marian unfolds, thrillingly, alongside Marian's own story, as the two women's fates—and their hunger for self-determination in vastly different geographies and times—collide. Epic and emotional, meticulously researched and gloriously told, *Great Circle* is a monumental work of art, and a tremendous leap forward for the prodigiously gifted Maggie Shipstead.

## WAYWARD

---

### A NOVEL

Vintage A NEW YORK TIMES NOTABLE BOOK OF THE YEAR • A "furious and addictive new novel" (The New York Times) about mothers and daughters, and one woman's midlife reckoning as she flees her suburban life. "A virtuosic, singular and very funny portrait of a woman seeking sanity and purpose in a world gone mad." —The New York Times Book Review "Riddled with insights into aging, womanhood, and discontent, *Wayward* is as elegant as it is raw, and almost as funny as it is sad." —Philadelphia Inquirer "A comic, vital new novel." —The New Yorker Samantha Raymond's life has begun to come apart: her mother is ill, her teenage daughter is increasingly remote, and at fifty-two she finds herself staring into "the Mids"—that hour of supreme wakefulness between three and four in the morning in which women of a certain age suddenly find themselves contemplating motherhood, mortality, and, in this case, the state of our unraveling nation. When she falls in love with a beautiful, decrepit house in a hardscrabble neighborhood in Syracuse, she buys it on a whim and flees her suburban life—and her family—as she grapples with how to be a wife, a mother, and a daughter, in a country that is coming apart at the seams. Dana Spiotta's *Wayward* is a stunning novel about aging, about the female body, and about female complexity in contemporary America. Probing and provocative, brainy and sensual, it is a testament to our weird times, to reforms and resistance and utopian wishes, and to the beauty of ruins.

## REIGN OF TERROR

### HOW THE 9/11 ERA DESTABILIZED AMERICA AND PRODUCED TRUMP

Penguin A New York Times Critics' Top Book of 2021 "An impressive combination of diligence and verve, deploying Ackerman's deep stores of knowledge as a national security journalist to full effect. The result is a narrative of the last 20 years that is upsetting, discerning and brilliantly argued." —The New York Times "One of the most illuminating books to come out of the Trump era." —New York Magazine An examination of the profound impact that the War on Terror had in pushing American politics and society in an authoritarian

direction For an entire generation, at home and abroad, the United States has waged an endless conflict known as the War on Terror. In addition to multiple ground wars, the era pioneered drone strikes and industrial-scale digital surveillance; weakened the rule of law through indefinite detentions; sanctioned torture; and manipulated the truth about it all. These conflicts have yielded neither peace nor victory, but they have transformed America. What began as the persecution of Muslims and immigrants has become a normalized feature of American politics and national security, expanding the possibilities for applying similar or worse measures against other targets at home, as the summer of 2020 showed. A politically divided and economically destabilized country turned the War on Terror into a cultural—and then a tribal—struggle. It began on the ideological frontiers of the Republican Party before expanding to conquer the GOP, often with the acquiescence of the Democratic Party. Today's nativist resurgence walked through a door opened by the 9/11 era. And that door remains open. *Reign of Terror* shows how these developments created an opportunity for American authoritarianism and gave rise to Donald Trump. It shows that Barack Obama squandered an opportunity to dismantle the War on Terror after killing Osama bin Laden. By the end of his tenure, the war had metastasized into a bitter, broader cultural struggle in search of a demagogue like Trump to lead it. *Reign of Terror* is a pathbreaking and definitive union of journalism and intellectual history with the power to transform how America understands its national security policies and their catastrophic impact on civic life.

### ESSAYS

HarperCollins The beloved New York Times bestselling author reflects on home, family, friendships and writing in this deeply personal collection of essays. "The elegance of Patchett's prose is seductive and inviting: with Patchett as a guide, readers will really get to grips with the power of struggles, failures, and triumphs alike." —*Publisher's Weekly* "Any story that starts will also end." As a writer, Ann Patchett knows what the outcome of her fiction will be. Life, however, often takes turns we do not see coming. Patchett ponders this truth in these wise essays that afford a fresh and intimate look into her mind and heart. At the center of *These Precious Days* is the title essay, a surprising and moving meditation on an unexpected friendship that explores "what it means to be seen, to find someone with whom you can be your best and most complete self." When Patchett chose an early galley of actor and producer Tom Hanks' short story collection to read one night before bed, she had no idea that this single choice would be life changing. It would introduce her to a remarkable woman—Tom's brilliant assistant Sooki—with whom she would form a profound bond that held monumental consequences for them both. A literary alchemist, Patchett plumbs the depths of her experiences to create gold: engaging and moving pieces that are both self-portrait and landscape, each vibrant with emotion and rich in insight. Turning her writer's eye on her own experiences, she transforms the private into the universal, providing us all a way to look at our own worlds anew, and reminds how fleeting and enigmatic life can be. From the enchantments of Kate DiCamillo's children's books (author of *The Beatryce Prophecy*) to youthful memories of Paris; the cherished life gifts given by her three fathers to the unexpected influence of Charles Schultz's Snoopy; the expansive vision of Eudora Welty to the importance of knitting, Patchett connects life and art as she illuminates what matters most. Infused with the author's grace, wit, and warmth, the pieces in *These Precious Days* resonate deep in the soul, leaving an indelible mark—and demonstrate why Ann Patchett is one of the most celebrated writers of our time.

#### THE ELITE CHARADE OF CHANGING THE WORLD

Vintage NEW YORK TIMES BESTSELLER • The groundbreaking investigation of how the global elite's efforts to "change the world" preserve the status quo and obscure their role in causing the problems they later seek to solve. An essential read for understanding some of the egregious abuses of power that dominate today's news. "Impassioned.... Entertaining reading." —*The Washington Post* Anand Giridharadas takes us into the inner sanctums of a new gilded age, where the rich and powerful fight for equality and justice any way they can—except ways that threaten the social order and their position atop it. They rebrand themselves as saviors of the poor; they lavishly reward "thought leaders" who redefine "change" in ways that preserve the status quo; and they constantly seek to do more good, but never less harm. Giridharadas asks hard questions: Why, for example, should our gravest problems be solved by the unelected upper crust instead of the public institutions it erodes by lobbying and dodging taxes? His groundbreaking investigation has already forced a great, sorely needed reckoning among the world's wealthiest and those they hover above, and it points toward an answer: Rather than rely on scraps from the winners, we must take on the grueling democratic work of building more robust, egalitarian institutions and truly changing the world—a call to action for elites and everyday citizens alike.

#### MOON WITCH, SPIDER KING

Penguin "Masterfully flips the first installment on its head... James makes the mythic tantalizingly real." —*Esquire* "Even more brilliant than the first." —*Buzzfeed* An Instant New York Times Bestseller From Marlon James, author of the bestselling National Book Award finalist *Black Leopard, Red Wolf*, the second book in the *Dark Star* trilogy. In *Black Leopard, Red Wolf*, Sogolon the Moon Witch proved a worthy adversary to Tracker as they clashed across a mythical African landscape in search of a mysterious boy who disappeared. In *Moon Witch, Spider King*, Sogolon takes center stage and gives her own account of what happened to the boy, and how she plotted and fought, triumphed and failed as she looked for him. It's also the story of a century-long feud—seen through the eyes of a 177-year-old witch—that Sogolon had with the Aesi, chancellor to the king. It is said that Aesi works so closely with the king that together they are like the eight limbs of one spider. Aesi's power is considerable—and deadly. It takes brains and courage to challenge him, which Sogolon does for reasons of her own. Both a brilliant narrative device—seeing the story told in *Black Leopard, Red Wolf* from the perspective of an adversary and a woman—as well as a fascinating battle between different versions of empire, *Moon Witch, Spider King* delves into Sogolon's world as she fights to tell her own story. Part adventure tale, part chronicle of an indomitable woman who bows to no man, it is a fascinating novel that explores power, personality, and the places where they overlap.

#### NO ONE IS TALKING ABOUT THIS

### A NOVEL

Penguin FINALIST FOR THE 2021 BOOKER PRIZE & A NEW YORK TIMES TOP 10 BOOK OF 2021 WINNER OF THE DYLAN THOMAS PRIZE "A book that reads like a prose poem, at once sublime, profane, intimate, philosophical, witty and, eventually, deeply moving." —*New York Times Book Review*, Editors' Choice "Wow. I can't remember the last time I laughed so much reading a book. What an inventive and startling writer...I'm so glad I read this. I really think this book is remarkable." —David Sedaris From "a formidably gifted writer" (*The New York Times Book Review*), a book that asks: Is there life after the internet? As this urgent, genre-defying book opens, a woman who has recently been elevated to prominence for her social media posts travels around the world to meet her adoring fans. She is overwhelmed by navigating the new language and etiquette of what she terms "the portal," where she grapples with an unshakable conviction that a vast chorus of voices is now dictating her thoughts. When existential threats—from climate change and economic precariousness to the rise of an unnamed dictator and an epidemic of loneliness—begin to loom, she posts her way deeper into the portal's void. An avalanche of images, details, and references accumulate to form a landscape that is post-sense, post-irony, post-everything. "Are we in hell?" the people of the portal ask themselves. "Are we all just going to keep doing this until we die?" Suddenly, two texts from her mother pierce the fray: "Something has gone wrong," and "How soon can you get here?" As real life and its stakes collide with the increasingly absurd antics of the portal, the woman confronts a world that seems to contain both an abundance of proof that there is goodness, empathy, and justice in the universe, and a deluge of evidence to the contrary. Fragmentary and omniscient, incisive and sincere, *No One Is Talking About This* is at once a love letter to the endless scroll and a profound, modern meditation on love, language, and human connection from a singular voice in American literature.

#### WE DON'T KNOW OURSELVES: A PERSONAL HISTORY OF MODERN IRELAND

Liveright Publishing "[L]ike reading a great tragicomic Irish novel." —James Wood, *The New Yorker* "Masterful . . . astonishing." —Cullen Murphy, *The Atlantic* "A landmark history . . . Leavened by the brilliance of O'Toole's insights and wit." —Claire Messud, *Harper's Winner • 2021 An Post Irish Book Award — Nonfiction Book of the Year •* from the judges: "The most remarkable Irish nonfiction book I've read in the last 10 years"; "[A] book for the ages." A celebrated Irish writer's magisterial, brilliantly insightful chronicle of the wrenching transformations that dragged his homeland into the modern world. Fintan O'Toole was born in the year the revolution began. It was 1958, and the Irish government—in despair, because all the young people were leaving—opened the country to foreign investment and popular culture. So began a decades-long, ongoing experiment with Irish national identity. In *We Don't Know Ourselves*, O'Toole, one of the Anglophone world's most consummate stylists, weaves his own experiences into Irish social, cultural, and economic change, showing how Ireland, in just one lifetime, has gone from a reactionary "backwater" to an almost totally open society—perhaps the most astonishing national transformation in modern history. Born to a working-class family in the Dublin suburbs, O'Toole served as an altar boy and attended a Christian Brothers school, much as his forebears did. He was enthralled by American Westerns suddenly appearing on Irish television, which were not that far from his own experience, given that Ireland's main export was beef and it was still not unknown for herds of cattle to clatter down Dublin's streets. Yet the Westerns were a sign of what was to come. O'Toole narrates the once unthinkable collapse of the all-powerful Catholic Church, brought down by scandal and by the activism of ordinary Irish, women in particular. He relates the horrific violence of the Troubles in Northern Ireland, which led most Irish to reject violent nationalism. In O'Toole's telling, America became a lodestar, from John F. Kennedy's 1963 visit, when the soon-to-be martyred American president was welcomed as a native son, to the emergence of the Irish technology sector in the late 1990s, driven by American corporations, which set Ireland on the path toward particular disaster during the 2008 financial crisis. A remarkably compassionate yet exacting observer, O'Toole in coruscating prose captures the peculiar Irish habit of "deliberate unknowing," which allowed myths of national greatness to persist even as the foundations were crumbling. Forty years in the making, *We Don't Know Ourselves* is a landmark work, a memoir and a national history that ultimately reveals how the two modes are entwined for all of us.

#### AMERICAN DIRT

OPRAH'S BOOK CLUB PICK "Extraordinary." --Stephen King "This book is not simply the great American novel; it's the great novel of Americas. It's the great world novel! This is the international story of our times. Masterful." --Sandra Cisneros También de este lado hay sueños. On this side, too, there are dreams. Lydia Quixano Pérez lives in the Mexican city of Acapulco. She runs a bookstore. She has a son, Luca, the love of her life, and a wonderful husband who is a journalist. And while there are cracks beginning to show in Acapulco because of the drug cartels, her life is, by and large, fairly comfortable. Even though she knows they'll never sell, Lydia stocks some of her all-time favorite books in her store. And then one day a man enters the shop to browse and comes up to the register with a few books he would like to buy--two of them her favorites. Javier is erudite. He is charming. And,

unbeknownst to Lydia, he is the jefe of the newest drug cartel that has gruesomely taken over the city. When Lydia's husband's tell-all profile of Javier is published, none of their lives will ever be the same. Forced to flee, Lydia and eight-year-old Luca soon find themselves miles and worlds away from their comfortable middle-class existence. Instantly transformed into migrants, Lydia and Luca ride the trains that make their way north toward the United States, which is the only place Javier's reach doesn't extend. As they join the countless people trying to reach the north, Lydia soon sees that everyone is running from something. But what exactly are they running to? *American Dirt* will leave readers utterly changed. It is a literary achievement filled with poignancy, drama, and humanity on every page. It is one of the most important books for our times. Already being hailed as "a *Grapes of Wrath* for our times" and "a new American classic," Jeanine Cummins's *American Dirt* is a rare exploration into the inner hearts of people willing to sacrifice everything for a glimmer of hope.

### BUSTER KEATON, THE DAWN OF CINEMA, AND THE INVENTION OF THE TWENTIETH CENTURY

---

Simon and Schuster From the chief film critic of *Slate* comes a fresh and captivating biography on comedy legend and acclaimed filmmaker Buster Keaton that also explores the evolution of film from the silent era to the 1940s. As one of the most famous faces of silent cinema, Buster Keaton was and continues to be revered for his stoic expressions, clever visual gags, and acrobatic physicality in classics such as *Sherlock Jr.*, *The General*, and *The Cameraman*. In this spirited biography, every aspect of Buster Keaton's astonishing life is explored, from his humble beginnings in vaudeville with his parents to his meteoric rise to Hollywood stardom during the silent era. Based on vigorous research of both Keaton and the film industry, it also delves into the dark sides of fame, such as Keaton's ill-advised business deals and alcoholism, to his unexpected resurgence in the 1940s as his contributions as both an actor and director were finally celebrated. This is a fascinating and uniquely astounding look at both the classic era of Hollywood and one of its most beloved stars.

## STATE OF TERROR

---

### A NOVEL

Simon and Schuster AN INSTANT #1 NEW YORK TIMES BESTSELLER Named one of the most anticipated novels of the season by *People*, *Associated Press*, *Time*, *Los Angeles Times*, *Parade*, *St. Louis Post-Dispatch*, *The Guardian*, *Publishers Weekly*, and more. From the #1 bestselling authors Hillary Clinton and Louise Penny comes a novel of unsurpassed thrills and incomparable insider expertise—*State of Terror*. After a tumultuous period in American politics, a new administration has just been sworn in, and to everyone's surprise the president chooses a political enemy for the vital position of secretary of state. There is no love lost between the president of the United States and Ellen Adams, his new secretary of state. But it's a canny move on the part of the president. With this appointment, he silences one of his harshest critics, since taking the job means Adams must step down as head of her multinational media conglomerate. As the new president addresses Congress for the first time, with Secretary Adams in attendance, Anahita Dahir, a young foreign service officer (FSO) on the Pakistan desk at the State Department, receives a baffling text from an anonymous source. Too late, she realizes the message was a hastily coded warning. What begins as a series of apparent terrorist attacks is revealed to be the beginning of an international chess game involving the volatile and Byzantine politics of Pakistan, Afghanistan, and Iran; the race to develop nuclear weapons in the region; the Russian mob; a burgeoning rogue terrorist organization; and an American government set back on its heels in the international arena. As the horrifying scale of the threat becomes clear, Secretary Adams and her team realize it has been carefully planned to take advantage of four years of an American government out of touch with international affairs, out of practice with diplomacy, and out of power in the places where it counts the most. To defeat such an intricate, carefully constructed conspiracy, it will take the skills of a unique team: a passionate young FSO; a dedicated journalist; and a smart, determined, but as yet untested new secretary of state. *State of Terror* is a unique and utterly compelling international thriller cowritten by Hillary Rodham Clinton, the 67th secretary of state, and Louise Penny, a multiple award-winning #1 New York Times bestselling novelist.

## CLOUD CUCKOO LAND (LARGE PRINT EDITION)

---

### LARGE PRINT

Simon and Schuster From the Pulitzer Prize-winning author of *All the Light We Cannot See*, perhaps the most bestselling and beloved literary fiction of our time, comes a triumph of imagination and compassion, a soaring novel about children on the cusp of adulthood in a broken world, who find resilience, hope, and story. The heroes of *Cloud Cuckoo Land* are trying to figure out the world around them: Anna and Omeir, on opposite sides of the formidable city walls during the 1453 siege of Constantinople; teenage idealist Seymour in an attack on a public library in present day Idaho; and Konstance, on an interstellar ship bound for an exoplanet, decades from now. Like Marie-Laure and Werner in *All the Light We Cannot See*, Anna, Omeir, Seymour, and Konstance are dreamers and outsiders who find resourcefulness and hope in the midst of peril. An ancient text—the story of Aethon, who longs to be turned into a bird so that he can fly to a utopian paradise in the sky—provides solace and mystery to these unforgettable characters. Doerr has created a tapestry of times and places that reflects our vast interconnectedness—with other species, with each other, with those who lived before us and those who will be here after we're gone. Dedicated to "the librarians then, now, and in the years to come," *Cloud Cuckoo Land* is a hauntingly beautiful and redemptive novel about stewardship—of the book, of the Earth, of the human heart.

## THE RISE AND FALL OF AMERICAN GROWTH

---

### THE U.S. STANDARD OF LIVING SINCE THE CIVIL WAR

Princeton University Press How America's high standard of living came to be and why future growth is under threat In the century after the Civil War, an economic revolution improved the American standard of living in ways previously unimaginable. Electric lighting, indoor plumbing, motor vehicles, air travel, and television transformed households and workplaces. But has that era of unprecedented growth come to an end? Weaving together a vivid narrative, historical anecdotes, and economic analysis, *The Rise and Fall of American Growth* challenges the view that economic growth will continue unabated, and demonstrates that the life-altering scale of innovations between 1870 and 1970 cannot be repeated. Robert Gordon contends that the nation's productivity growth will be further held back by the headwinds of rising inequality, stagnating education, an aging population, and the rising debt of college students and the federal government, and that we must find new solutions. A critical voice in the most pressing debates of our time, *The Rise and Fall of American Growth* is at once a tribute to a century of radical change and a harbinger of tougher times to come.

## BOOTH

---

Penguin Best Book of the Year Real Simple • AARP • USA Today Longlisted for the 2022 Booker Prize From the Man Booker finalist and bestselling author of *We Are All Completely Beside Ourselves* comes an epic and intimate novel about the family behind one of the most infamous figures in American history: John Wilkes Booth. In 1822, a secret family moves into a secret cabin some thirty miles northeast of Baltimore, to farm, to hide, and to bear ten children over the course of the next sixteen years. Junius Booth—breadwinner, celebrated Shakespearean actor, and master of the house in more ways than one—is at once a mesmerizing talent and a man of terrifying instability. One by one the children arrive, as year by year, the country draws frighteningly closer to the boiling point of secession and civil war. As the tenor of the world shifts, the Booths emerge from their hidden lives to cement their place as one of the country's leading theatrical families. But behind the curtains of the many stages they have graced, multiple scandals, family triumphs, and criminal disasters begin to take their toll, and the solemn siblings of John Wilkes Booth are left to reckon with the truth behind the destructively specious promise of an early prophecy. Booth is a startling portrait of a country in the throes of change and a vivid exploration of the ties that make, and break, a family.

## YOU NEVER GET IT BACK

---

University of Iowa Press The linked stories in Cara Blue Adams's precise and observant collection offer elegantly constructed glimpses of the life of Kate, a young woman from rural New England, moving between her childhood in the countryside of Vermont and her twenties and thirties in the northeast, southwest, and South in pursuit of a vocation, first as a research scientist and later as a writer. Place is a palpable presence: Boston in winter, Maine in summer, Virginia's lush hillsides, the open New Mexico sky. Along the way, we meet Kate's difficult bohemian mother and younger sister, her privileged college roommate, and the various men Kate dates as she struggles to define what she wants from the world on her own terms. Wryly funny and shot through with surprising flashes of anger, these smart, dreamy, searching stories show us a young woman grappling with social class, gender,

ambition, violence, and the distance between longing and having.

#### THE CITY WE BECAME

---

#### A NOVEL

Orbit Three-time Hugo Award-winning and New York Times bestselling author N.K. Jemisin crafts her most incredible novel yet, a "glorious" story of culture, identity, magic, and myths in contemporary New York City. In Manhattan, a young grad student gets off the train and realizes he doesn't remember who he is, where he's from, or even his own name. But he can sense the beating heart of the city, see its history, and feel its power. In the Bronx, a Lenape gallery director discovers strange graffiti scattered throughout the city, so beautiful and powerful it's as if the paint is literally calling to her. In Brooklyn, a politician and mother finds she can hear the songs of her city, pulsing to the beat of her Louboutin heels. And they're not the only ones. Every great city has a soul. Some are ancient as myths, and others are as new and destructive as children. New York? She's got six. For more from N. K. Jemisin, check out: *The Inheritance Trilogy* *The Hundred Thousand Kingdoms* *The Broken Kingdoms* *The Kingdom of Gods* *The Inheritance Trilogy* (omnibus edition) *Shades in Shadow: An Inheritance Triptych* (e-only short fiction) *The Awakened Kingdom* (e-only novella) *Dreamblood Duology* *The Killing Moon* *The Shadowed Sun* *The Dreamblood Duology* (omnibus) *The Broken Earth* *The Fifth Season* *The Obelisk Gate* *The Stone Sky* *How Long 'til Black Future Month?* (short story collection) "A glorious fantasy." —Neil Gaiman

#### THE OVERSTORY: A NOVEL

W. W. Norton & Company Winner of the Pulitzer Prize in Fiction Shortlisted for the Man Booker Prize New York Times Bestseller A New York Times Notable Book and a Washington Post, Time, Oprah Magazine, Newsweek, Chicago Tribune, and Kirkus Reviews Best Book of 2018 "The best novel ever written about trees, and really just one of the best novels, period." —Ann Patchett *The Overstory*, winner of the 2019 Pulitzer Prize in Fiction, is a sweeping, impassioned work of activism and resistance that is also a stunning evocation of—and paean to—the natural world. From the roots to the crown and back to the seeds, Richard Powers's twelfth novel unfolds in concentric rings of interlocking fables that range from antebellum New York to the late twentieth-century Timber Wars of the Pacific Northwest and beyond. There is a world alongside ours—vast, slow, interconnected, resourceful, magnificently inventive, and almost invisible to us. This is the story of a handful of people who learn how to see that world and who are drawn up into its unfolding catastrophe.

#### LOVE IN THE TIME OF CONTAGION

#### A DIAGNOSIS

Pantheon In this timely, insightful, and darkly funny investigation, the acclaimed author of *Against Love* asks: what does living in dystopic times do to our ability to love each other and the world? COVID-19 has produced new taxonomies of love, intimacy, and vulnerability. Will its cultural afterlife be as lasting as that of HIV, which reshaped consciousness about sex and love even after AIDS itself had been beaten back by medical science? Will COVID end up making us more relationally conservative, as some think HIV did within gay culture? Will it send us fleeing into emotional silos or coupled cocoons, despite the fact that, pre-COVID, domestic coupledom had been steadily losing fans? Just as COVID revealed our nation to itself, so did it hold a mirror up to our relationships. In *Love in the Time of Contagion*, Laura Kipnis weaves (often hilariously) her own (ambivalent) coupled lockdown experiences together with those of others and sets them against a larger backdrop: the politics of the virus, economic disparities, changing gender relations, and the ongoing institutional crack-ups prompted by #MeToo and Black Lives Matter, mapping their effects on the everyday routines and occasional solaces of love and sex.

#### MRS. MARCH: A NOVEL

Liveright Publishing "I read Virginia's novel in one sitting and was so captured by it I knew I had to make it and play Mrs. March. As a character, she is fascinating, complex, and deeply human and I can't wait to sink my teeth into her." —Elisabeth Moss A Jenny Lawson "Fantastic Strangeling Book Club" Selection Oprah Daily • Best of the Month USA Today • Books Not to Miss Who is Mrs. March? George March's latest novel is a smash. No one could be prouder than his dutiful wife, Mrs. March, who revels in his accolades. A careful creature of routine and decorum, she lives a precariously controlled existence on the Upper East Side until one morning, when the shopkeeper of her favorite patisserie suggests that her husband's latest protagonist—a detestable character named Johanna—is based on Mrs. March herself. Clutching her ostrich leather pocketbook and mint-colored gloves, she flees the shop. What could have merited this humiliation? That one casual remark robs Mrs. March of the belief that she knew everything about her husband—and herself—thus sending her on an increasingly paranoid journey that begins within the pages of a book. While snooping in George's office, Mrs. March finds a newspaper clipping about a missing woman. Did George have anything to do with her disappearance? He's been going on a lot of "hunting trips" up north with his editor lately, leaving Mrs. March all alone at night with her tormented thoughts, and the cockroaches that have suddenly started to appear, and strange breathing noises . . . As she begins to decode her husband's secrets, her deafening anxiety and fierce determination threaten everyone in her wake—including her stoic housekeeper, Martha, and her unobtrusive son, Jonathan, whom she loves so profoundly, when she remembers to love him at all. Combining a Hitchcockian sensibility with wickedly dark humor, Virginia Feito, a brilliantly talented and, at times, mischievous newcomer, offers a razor-sharp exploration of the fragility of identity. A mesmerizing novel of psychological suspense and casebook insecurity turned full-blown neurosis, Mrs. March will have you second-guessing your own seemingly familiar reflection in the mirror.

#### CRAZY SORROW

Simon and Schuster A lyrical novel, spanning four decades in New York City, about a couple torn apart and the lengths to which they will go to be reunited. Vince Passaro's first novel, 2002's *Violence, Nudity, Adult Content*, was a provocative book that explored the darkest human emotions and the traumas of mental illness, sexual assault, and murder. Now, nearly twenty years later, Passaro is back with his follow-up, *Crazy Sorrow*, a novel that is equally explosive and more grand in scope. The story opens in the shadow of the new World Trade Center, on July 4, 1976, when students George and Anna meet on the weed- and wine-fueled night of the nation's Bicentennial celebration. George, haunted by his upbringing, instantly falls for the sensual, magnetic Anna. Soon, they couple up, dropping acid, swapping music, exploring the city and each other. Yet their romance is short-lived, and they go their own ways. Passaro chronicles the next four decades, following George and Anna through their various relationships, their sex lives both youthful and mature, their failed marriages, and the travails of parenthood and their careers. Yet as the years go by one thing remains constant: the former lovers wonder what happened to each other. Finally, miraculously, they reconnect as the new century is beginning, only to discover that history itself will have a say in whether they can stay together. *Crazy Sorrow* is an ambitious examination of the forces that draw people together and drive them apart—yet it also expands beyond the points of view of its characters to capture the movement of time and to reveal a living, breathing New York that is both constantly changing and always familiar. *Crazy Sorrow* stands as Passaro's powerful love letter to his characters and to the city that has shaped them.
