## Dark Eyes

*Penguin* *Wally was adopted from a Russian orphanage as a child and grew up in a wealthy New York City family. At fifteen, her obsessive need to rebel led her to life on the streets. Now the sixteen-year-old is beautiful and hardened, and she's just stumbled across the possibility of discovering who she really is. She'll stop at nothing to find her birth mother before Klesko - her dark-eyed father - finds her. Because Klesko will stop at nothing to reclaim the fortune Wally's mother stole from him long ago. Even if that means murdering his own blood. But Wally's had her own killer training, and she's hungry for justice. The Girl with the Dragon Tattoo for teens, this debut thriller introduces our next big series heroine!*

## Tiger

## A Dark Eyes Novel

*Penguin* *A vigilante fights for justice at any cost. Wallis Stoneman isn't like other teenage girls. She's beautiful, fearless, and deadly. Wally lives alone in her Brooklyn loft. She'd be a regular teenager, except that she's the daughter of a Russian assassin. Crime is in Wally's blood, but she uses her legacy for good: she solves missing persons cases for the Ursula Society, an under-the-radar organization that uses oft-illegal tactics to find people the police have given up on. The person Wally most wants to find? Tiger, her own fugitive brother. But the closer Wally gets to finding Tiger, the more dangerous her search becomes. And Klesko, Wally and Tiger's sadistic father, is again at large. With two highly-skilled con men against them, Wally and Tiger band together to destroy a conspiracy in which they—and their hearts—are mere pawns.*

## Dark Eyes

*Penguin UK* *Dark Eyes is The Girl with the Dragon Tattoo for teens. Perfect for fans of Stieg Larson and Sophie McKenzie, it's an adrenaline-pumping and epic crime thriller with a dramatic personal mystery at its heart. Born in Russia but adopted by a wealthy American family as a baby, Wallis Stoneman was brought up in a world of glamorous luxury. Then at the age of sixteen, beautiful and rebellious Wallis rejects the life that doesn't feel like her own and lives as a street-kid on the gritty streets of New York. But the streets throw up more than she bargained for and she discovers a deadly secret to her past that will change Wallis' life forever. Her real father is a terrifyingly dangerous Russian gangster. And he is on the hunt for her mother. He will stop at nothing and no one - even his own blood - to find her. Can Wallis find her mother before her father kills them both? Praise for William Richter: 'Murder, action, intrigue and the toughest female vigilante since Lisbeth Salander.' - Pittacus Lore, author of I am Number Four William Richter is a veteran Hollywood screenwriter. He has several film projects in development and has worked for Ron Howard and Tom Hanks, among others. He was nominated for an Emmy Award as Producer of the documentary episode of the HBO mini series Band of Brothers. Dark Eyes is his first novel.*

## Facing East from Indian Country

## A Native History of Early America

*Harvard University Press* *In the beginning, North America was Indian country. But only in the beginning. After the opening act of the great national drama, Native Americans yielded to the westward rush of European settlers. Or so the story usually goes. Yet, for three centuries after Columbus, Native people controlled most of eastern North America and profoundly shaped its destiny. In Facing East from Indian Country, Daniel K. Richter keeps Native people center-stage throughout the story of the origins of the United States. Viewed from Indian country, the sixteenth century was an era in which Native people discovered Europeans and struggled to make sense of a new world. Well into the seventeenth century, the most profound challenges to Indian life came less from the arrival of a relative handful of European colonists than from the biological, economic, and environmental forces the newcomers unleashed. Drawing upon their own traditions, Indian communities reinvented themselves and carved out a place in a world dominated by transatlantic European empires. In 1776, however, when some of Britain's colonists rebelled against that imperial world, they overturned the system that had made Euro-American and Native coexistence possible. Eastern North America only ceased to be an Indian country because the revolutionaries denied the continent's first peoples a place in the nation they were creating. In rediscovering early America as Indian country, Richter employs the historian's craft to challenge cherished assumptions about times and places we thought we knew well, revealing Native American experiences at the core of the nation's birth and identity.*

## Beautifully Cruel

*Pinnacle Books* *The New York Times bestselling true crime author investigates a shocking case of a wife, mother, and murder in the Iowa suburbs. Iowa housewife Tracey Pittman Roberts seemed to have it all: natural beauty, three loving children, and a fairy tale second marriage to a wealthy businessman. But beneath the happy façade was a woman who used lies, manipulation, sex, ugly allegations, blackmail—and even murder—to serve her own selfish ends. On December 13, 2001, police rushed to Tracey's home after a shooting left her young neighbor dead. Tracey claimed it was an act of self-defense. Nine gunshot wounds—and a decades-long trail of extortion, fabrication, fraud, and intimidation—said otherwise. Ten years after the crime, Tracey's case finally went to trial in an explosive courtroom showdown. In a searing exploration of the criminal mind, acclaimed investigative journalist M. William Phelps traces the saga of a psychopath who hid in plain sight—until her wicked ways caught up with her. “Phelps is one of America’s finest true-crime authors.” —Vincent Bugliosi “Phelps is the Harlan Coben of real-life thrillers.” —Allison Brennan*

## The Ordeal of the Longhouse

## The Peoples of the Iroquois League in the Era of European Colonization

*UNC Press Books Richter examines a wide range of primary documents to survey the responses of the peoples of the Iroquois League--the Mohawks, Oneidas, Onondagas, Cayugas, Senecas, and Tuscaroras--to the challenges of the European colonialization of North America. He demonstrates that by the early eighteenth century a series of creative adaptations in politics and diplomacy allowed the peoples of the Longhouse to preserve their cultural autonomy in a land now dominated by foreign powers.*

## Bioweapon

*Canelo A death that doesn't make sense. A forgotten experiment. The world's most devastating weapon. A weapons scientist in Cambridge is found dead under suspicious circumstances. Then a researcher at military science centre Porton Down goes missing. Paul Richter is on assignment in Amsterdam, chasing a lead from the GRU. What he finds is deeply worrying. Old weapons research is being unearthed, and powerful people blackmailed to keep the truth behind the two incidents hidden. As events spiral out of control, leading to an epic culmination on the Red Sea, Richter must battle against time to unravel this sinister plot, or face the full, unimaginable consequences... From bestselling author James Barrington comes the next scintillating installment in the Paul Richter thriller series, perfect for fans of James Deegan, Chris Ryan and Andy McNab.*

## Overkill

*Canelo The Cold War is far from over... A group of disgruntled Russian supremos decide the time has come to deploy their secret nuclear arsenal. They team up with al-Qaeda in order to neutralise America and take political and economic control of western Europe. Only one man can stop them - a British intelligence agent: Paul Richter. Richter discovers that Europe has been seeded with neutron bombs, with more lethal nuclear devices planted in strategic cities throughout the US... Now the American government is about to be handed an ultimatum - abandon Europe to Russian forces or see millions of its citizens destroyed. Richter is the only man that can stop them. But time is running out. From thundering plane chases above Siberia, to a thrilling showdown in Gibraltar, this gripping espionage thriller is perfect for fans of Robert Ludlum, Tom Cain and Andy McNab.*

## Will and June Rankin, New York's Sportswriting Brothers

*McFarland "Helms Hall of Fame's brothers William M. and Andrew B. "June" Rankin lived exciting lives covering sports for papers like the New York Sunday Mercury, New York Herald, New York World, Brooklyn Daily Eagle and New York Clipper from 1870 -1930. Filled with sporting details, this book sets the brothers into a period of great change in athletics"--Provided by publisher.*

## The Earthquake Observers

## Disaster Science from Lisbon to Richter

*University of Chicago Press Earthquakes have taught us much about our planet's hidden structure and the forces that have shaped it. This book explains how observing networks transformed an instant of panic and confusion into a field for scientific research, turning earthquakes into natural experiments at the nexus of the physical and human sciences.*

## Curt Richter

## A Life in the Laboratory

*JHU Press From identifying the biological clocks that govern behavior and physiology to observing the self-regulation of nutrient levels by the body, the cyclical nature of some mental illnesses, and the causes of hopelessness, Curt Richter's wide-ranging discoveries not only influenced the burgeoning field of psychobiology and paved the way for later researchers but also often had implications for the treatment of patients in the clinic. Here, Jay Schulkin presents an engaging portrait of a "laboratory artisan" in the context of his work.*

## America on Suicide Watch

## The Rise of the Progressive Superstate and the Fall of the American Idea

[Createspace Independent Publishing Platform](#) Richter Watkins' powerful non-fiction political analysis *AMERICA ON SUICIDE WATCH* describes the self-inflicted wounds that destroy great nations. America is sleepwalking toward anarchy. We are one major crisis away from falling apart. Watkins' eye-opening revelations shed light on how the radical left is systematically destroying the American 'idea'. He advocates a national resurgence of the fundamental American values and a rebellion against the corrupt Washington establishment oligarchy. It may be our last opportunity to save everything we have fought for throughout our history. *America On Suicide Watch* is an 'I'm mad as hell' anti-establishment wakeup call. From our near fatal birth at Plymouth Rock to our historic battles against slavery, Nazism and Communism he reveals who we are and what our current battle for survival demands of us. It's time to return America to its innate greatness and stop bowing to the progressive agenda.

## The Working Man's Friend, and Family Instructor

## The Dark Half

## A Novel

[Simon and Schuster](#) Master storyteller Stephen King presents the classic "wondrously frightening" (*Publishers Weekly*) #1 *New York Times* bestseller about a writer's horrific and haunting pseudonym. "I'm back...I'm back from the dead and you don't seem glad to see me at all, you ungrateful son of a bitch." After thirteen years of international bestseller stardom with his works of violent crime fiction, author George Stark is officially declared dead—revealed by a national magazine to have been killed at the hands of the man who created him: the once well-regarded but now obscure writer Thad Beaumont. Thad's even gone so far as to stage a mock burial of his wildly successful pseudonym, complete with tombstone and the epitaph "Not a Very Nice Guy." Although on the surface, it seems that Thad can finally concentrate on his own novels, there's a certain unease at the prospect of leaving George Stark behind. But that's nothing compared to the horror about to descend upon Thad's new life. There are the vicious, out-of-control nightmares, for starters. And how is he able to explain the fact that everyone connected to George Stark's untimely demise is now meeting a brutal end of their own in a pattern of homicidal savagery...and why each blood-soaked crime scene has Thad's fingerprints all over it? Thad Beaumont may have once believed that George Stark was running out of things to say, but he's going to find out just how wrong he is...

## Running with Scissors

## A Memoir

[St. Martin's Press](#) Now including an excerpt from *Lust & Wonder*, a new memoir coming in March 2016. *Running with Scissors* is the true story of a boy whose mother (a poet with delusions of Anne Sexton) gave him away to be raised by her psychiatrist, a dead-ringer for Santa and a lunatic in the bargain. Suddenly, at age twelve, Augusten Burroughs found himself living in a dilapidated Victorian in perfect squalor. The doctor's bizarre family, a few patients, and a pedophile living in the backyard shed completed the tableau. Here, there were no rules, there was no school. The Christmas tree stayed up until summer, and Valium was eaten like Pez. And when things got dull, there was always the vintage electroshock therapy machine under the stairs.... *Running with Scissors* is at turns foul and harrowing, compelling and maniacally funny. But above all, it chronicles an ordinary boy's survival under the most extraordinary circumstances.

## Modanizumu

## Modernist Fiction from Japan, 1913–1938

[University of Hawaii Press](#) Revisits such luminaries as Kawabata, Tanizaki, and the detective novelist Edogawa Ranpo. This title includes Funabashi Seiichi's *Diving*, Hagiwara Sukataro's *Town of Cats*, Ito Sei's *Streets of Fiendish Ghosts*, and Kawabata's film scenario *Page of Madness*.

## Mein Kampf

[Diamond Pocket Books Pvt Ltd](#) 'MEIN KAMPF' is the autobiography of Adolf Hitler gives detailed insight into the mission and vision of Adolf Hitler that shook the world. This book is the merger of two volumes. The first volume of MEIN KAMPF' was written while the author was imprisoned in a Bavarian fortress. The book deals with events which brought the author into this blight. It was the hour of Germany's deepest humiliation, when Napoleon has dismembered the old German Empire and French soldiers occupied almost the whole of Germany. The book narrates how Hitler was arrested with several of his comrades and imprisoned in the fortress of Landsberg on the river Lech. During this period only the author wrote the first volume of MEIN KAMPF. The Second volume of MEIN KAMPF was written after release of Hitler from prison and it was published after the French had left the Ruhr, the tramp of the invading armies still echoed in German ears and the terrible ravages had plunged the country into a state of social and economic Chaos. The beauty of the book is, MEIN KAMPF is an historical document which bears the imprint of its own time. Moreover, Hitler has declared that his acts and 'public statements' constitute a partial revision of his book and are to be taken as such. Also, the author has translated Hitler's ideal, the Volkischer Staat, as the People's State. The author has tried his best making German Vocabulary easy to understand. You will never be satisfied until you go through the whole book. A must read book, which is one of the most widely circulated and read books worldwide.

## Medical Medium Celery Juice

## The Most Powerful Medicine of Our Time Healing Millions Worldwide

[Hay House, Inc](#) Celery juice is everywhere for a reason: because it's saving lives as it restores people's health one symptom at a time. From celebrities posting about their daily celery juice routines to people from all walks of life sharing pictures and testimonials of their dramatic recovery stories, celery juice is revealing itself to ignite healing when all odds seem against it. What began decades ago as a quiet movement has become a global healing revolution. In Celery Juice: The Most Powerful Medicine of Our Time Healing Millions Worldwide, Anthony William, the originator of the global celery juice movement, introduces you to celery juice's incredible ability to create sweeping improvements on every level of our health: • Healing the gut and relieving digestive disorders • Balancing blood sugar, blood pressure, weight, and adrenal function • Neutralizing and flushing toxins from the liver and brain • Restoring health in people who suffer from a vast range of chronic and mystery illnesses and symptoms, among them fatigue, brain fog, acne, eczema, addiction, ADHD, thyroid disorders, diabetes, SIBO, eating disorders, autoimmune disorders, Lyme disease, and eye problems After revealing exactly how celery juice does its anti-inflammatory, alkalizing, life-changing work to provide these benefits and many more, he gives you the powerful, definitive guidelines to do your own celery juice cleanse correctly and successfully. You'll get instructions on how to make the juice, how much to drink, when to drink it, and what to expect as your body begins to detox, plus answers to FAQs such as "Is it safe to drink celery juice while pregnant or breastfeeding?", "Is blending better than juicing?", and "Can I take my medications with it?" Here is everything you need to know--from the original source--to receive the full gift of what Anthony calls "one of the greatest healing tonics of all time."

## Union Casualties at Gettysburg

### A Comprehensive Record

*McFarland* This reference work chronicles and categorizes more than 23,000 Union casualties at Gettysburg by generals and staff and by state and unit. Thirteen appendices also cover information by brigade, division and corps; by engagements and skirmishes; by state; by burial at three cemeteries; and by hospitals. Casualty transports, incarceration records and civilian casualty lists are also included.

### Angel-voices; Or, Words of Counsel for Overcoming the World ...

### After the Mode of Richter's, 'Best Hours.'

### Friends and Enemies in Penn's Woods

### Colonists, Indians, and the Racial Construction of Pennsylvania

*Penn State Press* Two powerfully contradictory images dominate historical memory when we think of Native Americans and colonists in early Pennsylvania. To one side is William Penn's legendary treaty with the Lenape at Shackamaxon in 1682, enshrined in Edward Hicks's allegories of the "Peaceable Kingdom." To the other is the Paxton Boys' cold-blooded slaughter of twenty Conestoga men, women, and children in 1763. How relations between Pennsylvanians and their Native neighbors deteriorated, in only 80 years, from the idealism of Shackamaxon to the bloodthirstiness of Conestoga is the central theme of *Friends and Enemies in Penn's Woods*. William Pencak and Daniel Richter have assembled some of the most talented young historians working in the field today. Their approaches and subject matter vary greatly, but all concentrate less on the mundane details of how Euro- and Indian Pennsylvanians negotiated and fought than on how people constructed and reconstructed their cultures in dialogue with others. Taken together, the essays trace the collapse of whatever potential may have existed for a Pennsylvania shared by Indians and Europeans. What remained was a racialized definition that left no room for Native people, except in reassuring memories of the justice of the Founder. Pennsylvania came to be a landscape utterly dominated by Euro-Americans, who managed to turn the region's history not only into a story solely about themselves but a morality tale about their best (William Penn) and worst (Paxton Boys) sides. The construction of Pennsylvania on Native ground was also the construction of a racial order for the new nation. *Friends and Enemies in Penn's Woods* will find a broad audience among scholars of early American history, Native American history, and race relations.

### Portrait Miniatures in National Trust Houses: Cornwall, Devon and Somerset

Numbering some 1500 individual items and housed at over 80 historic properties across England, Wales and Northern Ireland, the collection of portrait miniatures cared for by the National Trust is of global importance. The Northern Ireland items are the subject of this catalogue, the first in a major series.

### Smoke and Mirrors

*Severn House Publishers Ltd* Phineas T. Barnum's sister must solve a murder in 19th-century New York City in this historical mystery from the author of the *Pepper Martin* mysteries. Evie Barnum oversees her brother's American Museum, a place teeming with scientific specimens and "human prodigies" including a bearded woman and the lizard man. In this weird and whacky workplace, Evie hopes she can easily bury her secrets. But when an old friend shows up and begs for her help, she does all she can to stay away. The next time she sees him, he is dead in front of the exhibit of the Feejee Mermaid. Suspicion for the murder falls on Jeffrey, known as the Lizard Man, but Evie knows it isn't possible. After Jeffrey disappears, Evie becomes determined to solve the mystery of her friend's murder, even if it brings her face to face with a past she is desperate to hide... "[An] appealing heroine.... Amusing and eye-opening historical details complement a mystery that's appropriately melodramatic."—Publishers Weekly

### Neo Cyberpunk
