BEYOND THE RIDGE

Paw Prints At her death an elderly Plains Indian woman experiences the afterlife believed in by her people, while the surviving family members prepare her body according to their custom

THE BACK RIDGE AND BEYOND

Memories of the oldest of five children growing up in Penobscot, ME during the 1930 and forward.

BLOODY RIDGE AND BEYOND

A WORLD WAR II MARINE'S MEMOIR OF EDSON'S RAIDERS IN THE PACIFIC

Dutton Caliber On the island of Guadalcanal, a 2,000-yard-long ridge rose from the jungle canopy. Behind it lay the air base of Henderson Field. And if Henderson Field fell, it would mean the almost certain death or capture of all 12,500 Marines on the island . . . Positioned on the ridge were the hard-fighting men of Edson's Raiders of the 1st Marine Raider Battalion. They were the United States Marine Corps' best of the best, and they knew defeat and retreat were simply not options. For two hellish nights in September 1942, about 840 Marines--commanded by Lieutenant Colonel Merritt Austin "Red Mike" Edson--fought one of the most pivotal battles of World War II in the Pacific, clinging desperately to their position on what would soon be known as Bloody Ridge. Bloody Ridge and Beyond is the story of how these men showed courage and valor in the face of overwhelming numbers, as told by Marlin Groft, a man who was a member of this incredible fighting force. Includes photographs

BEYOND THE RIDGE

Bold Strokes Books Inc Coal Davis is a horse rancher who has been raised in a family where money and power have ruled her life, and not in a good way. She has returned home after her grandparents' death to accept a new family role that she does not want. Unfortunately, that role requires her to have to deal with her father or risk the loss of a program that sick children depend upon. Jay DiAngelo is the contractor hired to work on the home Coal Davis has inherited. With her dark hair and honey eyes, being a contractor isn't her only skill. She lives from paycheck to paycheck trying to pay off a debt that could cost her a home that is very special to her. Working in the town of Woodside is a risk, since a relative has tarnished her family name. But pride is everything to Jay, and since she'd never ask for a handout, she'd rather take the risk and chance going hungry than beg for help. Both have a lot to lose. A relationship would be risky, but if they can overcome the obstacles keeping them apart, they could build something priceless.

BEYOND TRANQUILLON RIDGE

AuthorHouse For too long, the details of this tragedy have been shrouded in a fog of secrecy. Beyond Tranquillon Ridge is a story that recounts the firefighting efforts during a frenzied 24- hour period known as the "Honda Canyon Fire." It is a history of the strategies and tactics used and it includes many first-hand accounts of the conditions that firefighters and the military faced on the front lines-including the tragic deaths of their comrades. Joseph Valencia offers a brilliant look back; re-creating the sights and sounds of

actual firefighting; descriptive overviews of the landscape of South Vandenberg, with rich profiles and command level decisions of the brave men who fought it. In the end, this one day in 1977 stands out as the pivotal time when wind and fire combined into a firestorm and where past compromises affected an outcome.

REIMAGINING THE AMERICAN PACIFIC

FROM SOUTH PACIFIC TO BAMBOO RIDGE AND BEYOND

Duke University Press In this compelling critique Rob Wilson explores the creation of the “Pacific Rim” in the American imagination and how the concept has been variously adapted and resisted in Hawai’i, the Pacific Islands, New Zealand, and Australia. Reimagining the American Pacific ranges from the nineteenth century to the present and draws on theories of postmodernism, transnationality, and post-Marxist geography to contribute to the ongoing discussion of what constitutes “global” and “local.” Wilson begins by tracing the arrival of American commerce and culture in the Pacific through missionary and imperial forces in the nineteenth century and the parallel development of Asia/Pacific as an idea. Using an impressive range of texts—from works by Herman Melville, James Michener, Maori and Western Samoan novelists, and Bamboo Ridge poets to Baywatch, films and musicals such as South Pacific and Blue Hawaii, and native Hawaiian shark god poetry—Wilson illustrates what it means for a space to be “regionalized.” Claiming that such places become more open to transnational flows of information, labor, finance, media, and global commodities, he explains how they then become isolated, their borders simultaneously crossed and fixed. In the case of Hawai’i, Wilson argues that culturally innovative, risky forms of symbol making and a broader—more global—vision of local plight are needed to counterbalance the racism and increasing imbalance of cultural capital and goods in the emerging postplantation and tourist-centered economy. Reimagining the American Pacific leaves the reader with a new understanding of the complex interactions of global and local economies and cultures in a region that, since the 1970s, has been a leading trading partner of the United States. It is an engaging and provocative contribution to the fields of Asian and American studies, as well as those of cultural studies and theory, literary criticism, and popular culture.

BEYOND TRANQUILLON RIDGE

This book tells the stories of the author's childhood in China in the 1920s, how he and his family and friends survived the eight year war between China and Japan, and World War II, how he left China for the United States to pursue graduate education and landed in a TB hospital after graduation with a Ph.D. degree. Miraculously, he recovered from the disease, and with regained health and a new set of life values, he pursued an exciting career of a research biochemist. In the book, the author tells the story how he learned and practiced Qi-gong while he was a sick child, and how he refined his techniques of Qi-gong while on bed rest in the TB hospital. He explains how this meditative exercise fine-tunes the mind and body to achieve harmony within one's self and the world, and how the power of Qi brings on relaxation and self-healing. He uses the bad things that happened to him as examples, to point out the brighter side of tribulations, and how to cope with misfortune and find comfort, inner peace and happiness even when a disaster strikes.

BEYOND ACACIA RIDGE

Goal Publications Straggletail is the lowest-ranking female hyena in the Eastern Plain Clan, the punching bag. Glossycoat is the clan's princess, destined to follow in her mother's footsteps and become the matriarch. When the two hyenas form an unexpected alliance, they set off on a perilous journey in search of the place where the sun goes at night. They meet strange creatures, brave the forces of nature, and grapple with their own worst fears. Will they find the sun, or will they find something more?

BEYOND ALL MEASURE

Thomas Nelson Ada has loved deeply and lost dearly. But protecting her heart could mean missing the love of a lifetime. Ada Wentworth may be young, but she's seen enough of life to know she can only rely on herself. Everyone including God it seems, has let her down. Having lost her family, her fiance, and her fortune, Ada journeys from Boston to Hickory Ridge, Tennessee, to take a position as a lady's companion. Though initially charmed by the pretty little Southern town tucked into the foothills of the great Smokies, Ada plans to stay only until she can earn enough to establish a millinery shop. Her employer, Wyatt Caldwell, the local lumber mill owner, is easily the kindest, most attractive man Ada has met in Hickory Ridge. He believes Providence has brought her to town and into his life. But how, after so many betrayals, can she ever trust again? Besides, Wyatt has a dream of his own. A dream that will one day take him far from Hickory Ridge. As the South struggles to heal in the aftermath of the Civil War, one woman must let go of her painful past in order to embrace God's plans for her. Can she trust Him, and Wyatt, with her future and her heart?

BEYOND ALL MEASURE

Pinnacle Books When her beloved friend Aiden, Duke of Albrick, returns home from the Peninsular War, Lady Sarah Erridge discovers that he is haunted by his memories and hardened by his experiences, but Sarah, who in turn has blossomed into a beautiful woman, refuses to give up her love. Original.

BEYOND THE RIDGE

Simon & Schuster Books for Young Readers At her death an elderly Plains Indian woman experiences the afterlife believed in by her people, while the surviving family members prepare her body according to their custom.

ALONG THE RIDGE AND BEYOND

A HISTORY OF THE FAMILIES WHO PIONEERED THE O'GRADY'S RIDGE AREA

THE GRIMSLEY FAMILY ALONG THE BLUE RIDGE AND BEYOND

BEYOND THE FABRIC OF EXISTENCE

Createspace Independent Publishing Platform There have been several scientific books and lecture papers written on the subject of our holographic universe but none have gone far enough as to expand peoples thinking and explain the true nature of reality. Music is a natural consequence of the pure mathematics within nature. Music is a true universal language as Music is vibrational physics and mathematics that is a language understood by the human mind. The silent music of the universe or Aether Physics from the RG Veda is the only ONE science that explains the true perfection of creation and our connection to the holographic universe. Quantum Metrics are from the RG Veda: Quantum Physicist already knowing the answer as they have taken it the RG Veda then creates complicated elongated mathematical equations to derive at their Metric, which they name after themselves. I explain how to calculate all 90 metrics contained in RG Veda using a dividend and divisor and how to apply this system of harmony to devices you can manufacture such as electric motors. I would not dare name any of the yet "undiscovered" Metrics after myself, as no man should claim Gods work as his own. Although I have examples of the RG Vedas and other sources mentioning the Vedic Meter no one to my knowledge as given a full interpretation of them and what they relate to as I have done. I have deciphered and attempted to simplify one of the most ancient of mysteries and show how to apply it. My intention in releasing this information is to enlighten humanity as to assist in the rebuilding of the foundations of science for the advancement of all. We all must aspire to a brighter future and not allow this information to remain the industrial secret of occult societies. These societies have handicapped humanity for long enough and it is time to enter into the light from the darkness and advance our civilization. The zenith is the point in the sky or celestial sphere directly above an observer. God, sees all life in all dimensions and knows all of us, we should all strive for Krsna Consciousness and free ourselves from the illusion of our material world. When there is harmony between the mind, heart and resolution then nothing is impossible.

LIVING BEYOND THE WAVES

Living Beyond the Waves is a poetry collection unlike any other It contains poems that are part memoir and part journey towards acceptance. They are Wolf's attempt to find a life beyond disease or disability. The poems contained within deal with Wolf accepting all part of himself, even those he has no control over. They are a testament to the strength of the human spirit. The poems show us that whatever life throws at us, with courage anything is possible. With unflinching honesty, Wolf talks about disease, sexuality, physical disability and the healing power of love.

TRUTH BEYOND THE MATRIX

UNDERSTANDING THE EARTHLY PROGRAMS OF LIMITATIONS AND CONTROLS

Questioning some commonly accepted metaphysical beliefs and explaining how they are programs-beliefs of control designed to keep a person within this earthly matrix. How to escape these programs and this system by changing your beliefs.

FROM HITLER'S GERMANY TO THE CROSS OF CHRIST AND BEYOND...: ONE WOMAN'S ADVENTURE

Burkhart Books Friede Taylor has lived a life that legends spring from. Born in Czechoslovakia during WWII, she was left to die as a child because of the deprivations of the war. A nurse took her family into her home and saved Friede's life by giving her transfusions of her own blood. A member of the dreaded Waffen-SS and a prisoner of war, Friede's father took his own life after the war, having never told her he loved her. She married a serviceman and moved to Georgia at 19. Following the suicide of her oldest son, she had an "open-heaven" experience that assured her that God would provide for and protect her. She was widowed after 30 years. God continued to move in Friede's life, eventually leading her to marry Jack Taylor after a brief courtship. She now travels and ministers with her husband around the world. This is Friede's first book and it chronicles a life of purpose protected by God. Read Friede's story to be inspired to thrive, not just survive. God has a plan for you. Her testimony declares that a life lived by faith always overcomes! "Friede Taylor is a force to be reckoned with! If you have had the privilege to know her, you know what I mean. Once you read her story, you will know why. Sounding more like a Hollywood screenplay, this book shares the candid and personal account of how "one solitary woman" overcame intense rejection and horrendous loss only to survive and thrive, bathed in the glory of the love of God. This is the stuff heroes are made of. Set in one of the most tumultuous places on earth in one of the most horrific times in history, this book is the authentic account of a woman, wife, and daughter who has been watched over by her heavenly Father since she was born. You will be amazed and encouraged as you read how the Father can and will do the same for you." Tim P. Taylor, Author, Publisher, and proud stepson

POETIC THOUGHTS IN THE BLUE RIDGE AND BEYOND

BEYOND THE TIME BARRIER

BEYOND THIS MOMENT

Center Point Pub Dismissed from her prestigious university job, Dr. Molly Whitcomb travels to a secluded Colorado mountain town where she takes a schoolteacher position and falls in love with the local sheriff, despite pretending to be married.

BEYOND MAYBERRY

A MEMOIR OF ANDY GRIFFITH AND MOUNT AIRY NORTH CAROLINA

Createspace Independent Pub Mount Airy North Carolina was the birthplace of the late actor Andy Griffith and Historian Tom Perry. In this memoir of their hometown, Perry tells the story of the real Mayberry and his thoughts of the most famous son of the piedmont North Carolina town. This book is part memoir, part biography and part tour guide about Andy Griffith and Mount Airy, North Carolina. Beginning on the day Andy Griffith died, July 3, 2012, Perry tells about the town that day and goes back in time to bring Griffith and his own family to Mount Airy to work in the factories in the twentieth century. Sharing his connections with Griffith, Perry tells about the youth both shared in Mount Airy. The book then follows Andy Griffith to the University of North Carolina at Chapel Hill, Goldsboro to teach school and then Broadway, television and movies in a career that lasted decades. The book also details the effect of Andy Griffith on Mount Airy with the decades long tourism boom that began in the 1980s with the town taking on the persona of the fictional Mayberry that Griffith obviously used to in his highly successful Andy Griffith Show that ran on CBS for eight years ending its run as the number one show on television.

PROOF OF GOD WITHIN & BEYOND SCIENCE

Notion Press While extending a strong challenge to the superstition of atheism, the principal aim of this book is to demonstrate the fact that the major scientific discoveries that have been made so far, distinctively and expressly reveal the existence of an intelligent and omnipotent Designer who has thoughtfully and intentionally instituted all universal laws with stark precision and accuracy. In this discussion I have also emphasized the incapability of science to stand alone as a final deciding instrument on matters that extend beyond the natural realm. Hence no proof of the Divine Existence can be established by reference to science alone, but through logical reasoning based on obvious and explicit facts. I have also highlighted the reality that most scientific phenomena cannot be explained without recourse to the role of a Supernatural Power.

THE WORLD BEYOND THE RIDGE

WHAT'S YOUR GREEN GOLDFISH?

BEYOND DOLLARS: 15 WAYS TO DRIVE EMPLOYEE ENGAGEMENT AND REINFORCE CULTURE

What's Your Green Goldfish is based on the simple premise that employees are the key drivers of customer experience and that "Happy Employees Create Happy Customers." The book focuses on 15 different ways to drive employee engagement and reinforce a strong corporate culture. It's the second book in the goldfish trilogy. The first book was an Amazon Best Seller entitled, What's Your Purple Goldfish. Purple focused on customers, whereby Green focuses on employees. Both books are based on a revolutionary new approach called marketing g.l.u.e. (marketing by giving little unexpected extras). The book is based on the findings of the Green Goldfish Project, an effort which crowd sourced 1,001 examples of signature added value for employees. Key themes emerged from the Project. The book is filled with over 200 examples. PRAISE FOR WHAT'S YOUR GREEN GOLDFISH "Stan is the sherpa that guides executives along the journey between the heart and mind of business stakeholders. Stakeholders aren't always customers though. At a time when company vision and culture matters more than ever, it takes inspired and engaged employees to bring them to life." - Brian Solis, author of What's the Future of Business #WTF, The End of Business as Usual and Engage "So often overlooked, and so very vital to building company value... empowering employees to support each other and the brand. Stan Phelps 'gets' it and Green Goldfish will walk you step-by-step though achieving this critical goal." - Ted Rubin, author of Return on Relationship "Great customer centric organizations only exist because of engaged and empowered employees. The Green Goldfish is packed with awesome examples of what world class companies are doing today to inspire and reward their employees. If you see value in truly building an "A Team," Green Goldfish will be, without question, your single best reference." - Chris Zane, Founder and President of Zane's Cycles, author of Reinventing the Wheel, the Science of Creating Lifetime Customers "Stan Phelps takes customer service to a whole new level by focusing on EMPLOYEE service, and how to do well by your employees - so they take care of your customers. Packed with stories, insights and R.U.L.E.S. any company can follow, this book is a must-read for managers of companies of all shapes and sizes who know that employees don't leave jobs - they leave managers, especially when they don't feel your love and appreciation. Pick this up, and start engaging your team and making more GREEN - Phil Gerbyshak, author of The Naked Truth of Social Media "Our large-scale research shows unequivocally that engaged employees are more likely to work longer, try harder, make more suggestions for improvement, recruit others to join their company, and go out of their way to help customers. They even take less sick time. Companies can tap into the enormous value of engaged employees by following the 15 ideas that Stan lays out in this book." - Bruce Temkin, author of The Six Laws of Customer Experience "Too often, the actual employment experience delivered on the job does not measure up to the version sold to job candidates during the interview process. In What's Your Green Goldfish, Stan Phelps offers 15 ways to close the gap." - Steve Curtin, author of Delight Your Customers: 7 Simple Ways to Raise Your Customer Service from Ordinary to Extraordinary (AMACOM, June 2013) "In What's Your Green Goldfish, Stan Phelps brilliantly applies the idea of 'doing a little something extra' for employees. You know, those people that actually get the work done and keep customers happy. Read it, put some of the ideas to work, and soon you'll be reaping more 'green' from your customers." - Bob Thompson, Founder and CEO, CustomerThink Corp.

THE NEW KING

CreateSpace "Written for those who are especially interested in action, adventure, war and even romance, the novel offers an escape for people of all ages into another world that once was. Based on actual events and battles that happened, The New King also includes a lot of historical elements that make it both an entertaining and educational read." - Natalia Balcerzak "Perhaps the next major series to captivate a generation will take place in a land closer to home, one that young people are both familiar with and could never truly understand all the same." -Ashley Moniz

INDIANHEAD RIDGE AND BEYOND

THE POETRY AND ART OF H. JOSEPH BRETH

TRUE STYLE

A LOOK BEYOND THE SURFACE

Createspace Independent Publishing Platform Glenda K. Harrison, freelance style contributor and creator of the blog, So What to Twenty, has long been enthusiastic about the subject of style. Spending her days inspiring women to identify and embrace their unique gifts, and fashion prowess, she noticed the meaning of style is often cast into a one dimensional story - usually referring to fashion, and relegated into what someone is wearing, when in fact, style is much more complex than sartorial pursuits, and extends beyond what the eye can see. After spending many years deciphering people who embody the characteristics of style, with clarity, Harrison takes us on a journey that cleverly unravels the intangible traits, as well as their wardrobe mastery, and then beautifully weaves together the person who encompasses this multi-faceted word. With the illustrations of Allison Taylor, True Style: A Look Beyond the Surface brings this subject to life, and puts substance and artistry into the true meaning of style.

BEYOND THIS MOMENT (TIMBER RIDGE REFLECTIONS BOOK #2)

Bethany House Dismissed from the university where she served as Professor of Romantic Languages, Dr. Molly Whitcomb travels west to start over in the secluded mountain town of Timber Ridge, Colorado, where she'll be teaching children. Her train stops in Denver, and on a whim, Molly purchases a wedding band--an attempt to cover a mistake, but also a chance at a fresh start. Sheriff James McPherson was eager to hire a schoolteacher, but Dr. Molly Whitcomb isn't what he expected. His instincts about people--which rarely miss the mark--tell him she's hiding something. And when Molly's secret is revealed, her reinvented life begins to unravel. What's more, she risks losing her newfound relationship with the sheriff and her renewed faith in God.

BEYOND THE LUNA

Luis dreams of becoming an astronaut. Unfortunately, his mean spirited parents don't think the same way. But everything changes when he is lured by a strange moonlight, whisking him to the parallel world, Adastra. However a hideous curse has befallen the land, the stars no longer twinkle and the moon is broken. After a young girl saves his life, she explains a dark evil awaits them if the moon isn't restored. Tormented by a dark shadow, Luis embarks on a danger filled quest to solve the mystery, but the deeper Luis searches, the more he becomes convinced...a great destiny awaits him.

BEYOND THE GRASS OCEAN

A TALE FOR EVERY WORLDLY CHILD (ILLUSTRATED EDITION)

A pastoral fable set in the World of the Great Grass Ocean...where a little girl named Nary in the seaside village of Rains Perish has begun to ask questions of the grownups around her. Questions with no answers that anyone can give or want her to ask. So with the help of her friends she sets out on a journey to find the literal End of the World, and seek out the Twins who rule everything and demand an answer to one of the greatest mysteries of life.

BEYOND THE GOAT TRAILS

3 Pooches Publishing A mysterious messenger delivers four invitations for a round of golf to the elite of society. These four avid golfers use their power and wealth to shape life to their own depraved reality at the expense of others. The golf course is in a remote part of the world and kept secret from the public. The messenger visits a senator, army colonel, a professional baseball player and a wealthy surgeon. His presence terrifies each person he visits but they accept the exclusive invitation despite their instincts. The golfers look forward to a long weekend to indulge in the opulent amenities of the golf club but the distinguished director of the club has other plans. A lifetime membership to the club is the prize for winning the golf match. When they meet their caddies, they realize their power and wealth can't save them from the sinister secret of Goat Trails Golf Club.

THE BEAR WHO FORGOT CHRISTMAS

CreateSpace This is a story about a forgetful bear with unstoppable Christmas Spirit. He unwittingly shows us that the true meaning of Christmas rests inside the hearts of those who remember to make others happy. "It began as a glimmer Moved faintly in a shimmer From a cloud - down to a stream Just beyond a pale moonbeam..." -A Marshmallow Bear Book -Christmas Picture Book -Holiday rhyme -stand-alone book -bedtime/any time -ages 3-8/all ages -40 pages

TROPICAL DEPRESSION

CreateSpace "As enjoyable as a day at the beach." That's how USA TODAY summed up this hilarious and big-hearted romp in the Florida sunshine. When Murray Zelman, a.k.a. The Bra King, pops another Prozac and heads to the Keys, he has nothing much in mind beyond a quixotic hope of winning back his first wife, Franny, whom he dumped years before. But when he forms an unlikely friendship with Tommy Tarpon, the last remaining member of an obscure Indian tribe, another plan also starts shaping up in his fevered brain. Why not open up Key West's first casino? Why not? Well, how about because the Mafia, in league with some of the nastiest politicians you will ever meet, is determined to kill anyone who tries? Somehow, Murray, Tommy, and Franny didn't think of that until they were in way too deep. Laugh along as they improvise a manic and ever more desperate campaign to keep their casino dreams--and themselves--alive.

BEYOND INNOCENCE

Atlantic Monthly Press A deeply reported, gripping narrative of injustice, exoneration, and the lifelong impact of incarceration, Beyond Innocence is the poignant saga of one remarkable life that sheds vitally important light on the realities of the American justice system at every level In June 1985, a young Black man in Winston-Salem, N.C. named Darryl Hunt was falsely convicted and sentenced to life in prison for the rape and murder of a white copyeditor at the local paper. Many in the community believed him innocent and crusaded endlessly for his release even as two subsequent trials reinforced his sentence. Finally, in 2003, the tireless efforts of his attorney combined with an award-winning series of articles by Phoebe Zerwick in the Winston-Salem Journal led to the DNA evidence that exonerated Hunt. Three years later, the acclaimed documentary, The Trials of Darryl Hunt, made him known across the country and brought his story to audiences around the world. But Hunt's story was far from over. As Zerwick poignantly reveals, it is singularly significant in the annals of the miscarriage of justice. Part true crime drama, part chronicle of a remarkable life cut short by systemic prejudice, Beyond Innocence powerfully illuminates the sustained catastrophe faced by an innocent person in prison and the civil death nearly everyone who has been incarcerated experiences attempting to restart their lives. Freed after nineteen years behind bars, Darryl Hunt became a national advocate for justice and a beacon of hope for so many--until he could bear the burden no longer and took his own life. Fluidly crafted by a master journalist, Beyond Innocence makes an urgent moral call for an American reckoning with the legacies of racism in the criminal legal system and the human toll of the carceral state.

GUITAR SCALES IN CONTEXT

THE PRACTICAL REFERENCE GUIDE

Createspace Independent Pub Guitar Scales in Context Guitar Scales in Context goes further than every other scale dictionary available: it provides you with backing tracks and licks for every one of the essential 18 scales and modes that it covers. With over 50 backing tracks included, each scale is analysed, discussed and shown in the five most commonly used patterns. Each scale shape is given with a corresponding chord, triad and arpeggio pattern to help you build and memorise the scale, both physically and aurally. Each scale has an extensive information page giving examples of its use and a description of its unique character. Finally, so you can experience how each scale sounds and feels, three live-recorded example licks are given so you can instantly put the scales into musical context. Guitar Scales in Context is essential reading and practical application for anyone wanting to develop their fretboard skills, music theory and aural awareness. Scales Covered Include: The Major Scale The Dorian Mode The Phrygian Mode The Lydian Mode The Mixolydian Mode The Aeolian Mode The Locrian Mode The Minor Pentatonic (Blues) Scale The Major Pentatonic (Blues) Scale The Melodic Minor Mode The Lydian Dominant Mode The Altered Scale The

Harmonic Minor Scale The Phrygian Dominant Mode The Mixolydian Bebop Scale The Dorian Bebop Scale The Half Whole Diminished Scale The Whole Tone Scale Scroll up to buy Guitar Scales in Context now.

HOW TO SUCCEED IN HIGH SCHOOL AND PREP FOR COLLEGE

Createspace Independent Pub **HOW TO SUCCEED IN HIGH SCHOOL AND PREP FOR COLLEGE** is the first book in a 3-book series. This first book contains information specific to high school success and applying to colleges as well as information to help young people with interviewing, creating relationships with potential mentors, and following their passions. Exercises that build on the information are included. Phyllis Zimbler Miller has an M.B.A. from The Wharton School of the University of Pennsylvania and coaches high school students on their college applications using the marketing principles in this book.

THE GOLDEN RIDGE

A HISTORY OF PARADISE AND BEYOND

THE BOOK OF ELI - SOLARA

THE VERSE OF SHADOW

"The Book of Eli - Solara: The Verse of Shadow," is the story of Solara and her mission to save her blind mother from Carnegie. This story is a fan-told expansion of the original 2010 movie The Book of Eli starring Denzel Washington (Eli) and Mila Kunis (Solara). Throughout this book, the reader follows Solara as the main character and receives closure to the original story. This book will appeal to those who enjoy fan fiction.
