Personality Types Using the Enneagram for Self-Discovery *Houghton Mifflin Harcourt* **The definitive guide to using this ancient psychological system to gain self-knowledge and achieve personal growth—now expanded and revised. The Enneagram is an extraordinary framework for understanding more about ourselves. No matter from which point of view we approach it, we discover fresh conjunctions of new and old ideas. So writes Don Riso in this expanded edition of his classic interpretation of the Enneagram, the ancient psychological system used to understand the human personality. In addition to updating the descriptions of the nine personality types, Personality Types, Revised greatly expands the accompanying guidelines and, for the first time, uncovers the Core Dynamics, or Levels of Development, within each type. This skeletal system provides far more information about the inner tension and movements of the nine personalities than has previously been published. This increased specificity will allow therapists, social workers, personnel managers, students of the Enneagram, and general readers alike to use it with much greater precision as they unlock the secrets of self-understanding, and thus self-transformation. “No Enneagram teachers I’ve come across offer such a rich and dynamic picture of how each personality type expresses itself in the world, and the process by which we can move through progressive stages of psychological and spiritual growth.”—Tony Schwartz, author of *What Really Matters: Searching for Wisdom in America* Understanding the Enneagram The Practical Guide to Personality Types** *Houghton Mifflin Harcourt* **Offers profiles of nine personality types, tells how to avoid misidentifications, and offers advice on becoming aware of one's own personality type. The Wisdom of the Enneagram The Complete Guide to Psychological and Spiritual Growth for the Nine Personality Types** *Bantam* **A groundbreaking guide centering around the Enneagram the most popular system for personality typing presents a vast array of insight for determining personality types, from recognizing each type's WakeUp Call and Red Flag to letting go of selfdefeating habits and reactions. Original. Enneagram Transformations Releases and Affirmations for Healing Your Personality Type** *HMH* **“Combines enneagram personality types with recovery movement techniques of releasing undesirable traits and affirming desirable ones.” —Library Journal To heal, one must truly know, and face, one’s self. But finding that inner, honest analysis of our own personalities is difficult to say the least. Without the right tools, it can be impossible. Since its development, the enneagram—a model of nine interconnected personality types that allows users to identify their habits and flaws—has helped countless individuals understand their hearts, bodies, and minds. Now, it can also help you change your life. In Enneagram Transformations, Don Richard Riso, one of the foremost developers of the enneagram, presents a groundbreaking contribution to the self-help field. Using releases and affirmations based on the various personalities, he shows readers how to unlock their psychological pains and strengths to promote healing, recovery, and tranquility. It’s time to reclaim your power. Enneagram Transformations contains the meditative tools you need to do so. Discovering Your Personality Type The Essential Introduction to the Enneagram** *Houghton Mifflin Harcourt* **The bestselling beginner’s guide to identifying and understanding the nine personality profiles and applying them to your daily life. The leading experts in the field, Don Richard Riso and Russ Hudson have set the standard for determining personality type using the enneagram. Their studies of this ancient symbol and their progress in determining type with increasing accuracy are known, taught, and emulated worldwide. Discovering Your Personality Type is the essential introduction to this system, a psychological framework that can be used practically, in many aspects of daily life. This revised and updated edition features the all-new, scientifically validated Riso-Hudson Type Indicator, and has also been refined and simplified to appeal especially to beginners and anyone interested in unlocking the secrets of personality. The most reliable, most accurate, and most accessible way to identify type, the improved enneagram questionnaire helps identify fundamental character traits, revealing invaluable directions for change and growth. The profile that emerges is useful for a wide variety of purposes: professional development, education, relationships, vocational counseling, and more. Enneagram is a practical tool that can be used to increase employee productivity and profitability. It is used by many businesses and organizations to hire the best possible person for a particular job, teach executives to manage their employees more effectively, and build a more profitable sales force. #3 The Enneagram is a geometric figure that delineates the nine basic personality types of human nature and their complex interrelationships. It helps everyone understand that there are nine different points of view, nine distinct sets of values, and nine different communication styles. #4 The Enneagram is a symbol developed by the Greek-Armenian spiritual teacher George Ivanovitch Gurdjieff around the turn of the twentieth century. It is a typology that organizes observations about human nature by consolidating what has already been discovered as well as by suggesting new avenues for investigation. Enneagram Transformations Releases and Affirmations for Healing Your Personality Type *Houghton Mifflin Harcourt* Offers individuals of each enneagram type meditations that can help increase awareness of pains and personal strengths, and foster change The Riso-Hudson Enneagram Type Indicator (Rheti, Version 2.5) *Enneagram Inst* This is the Riso-Hudson Enneagram Type Indicator (RHETI) Version 2.5 in booklet form. The RHETI produces a full personality profile across all nine types. This provides you with a unique portrait, indicating the relative strengths and weaknesses of the nine types within your overall personality. The Sacred Enneagram Finding Your Unique Path to Spiritual Growth *Zondervan* Most of us spend a lifetime trying to figure out who we are and how we relate to others and God. The Enneagram is here to help. Far more than a personality test, author Chris Heuertz teaches us that the Enneagram is a sacred map to the soul. Lies about who we think we are keep us trapped in loops of self-defeat, but the Enneagram uniquely reveals nine ways we get lost, as well as nine ways we find our way home to our true self and to God. Whether you are an enthusiast or simply Enneagram-curious, this groundbreaking guide to the spiritual depth of the Enneagram will help you: Understand the "why" behind your type beyond caricatures and stereotypes Identify and find freedom from self-destructive patterns Learn how to work with your type toward spiritual growth Awaken your unique gifts to serve today's broken world Richly insightful and deeply practical, The Sacred Enneagram is your invitation to begin the journey of a life transformed. Praise for The Sacred Enneagram: "Integrated within these pages is Chris's extensive knowledge and understanding of this ancient tool, along with depth in his teaching of contemplative spirituality as practiced by Jesus. Readers are offered a powerful way forward in their unique journey of spiritual transformation through aligning Christian contemplative prayer postures to specific Enneagram types." --Nina M. Barnes, Dean of Spiritual Formation & Leadership, University of Northwestern-St. Paul "The Sacred Enneagram is a groundbreaking contribution to the Enneagram community, providing unique spiritual growth insights for all nine types. If you're not yet convinced of the value, depth, and accuracy of the Enneagram, Chris demystifies and makes this ancient wisdom more accessible than ever." --George Mekhail, pastor, The Riverside Church NYC Summary of Don Richard Riso & Russ Hudson's The Wisdom of the Enneagram *Everest Media LLC* Please note: This is a companion version & not the original book. Sample Book Insights: #1 The Enneagram is a geometric figure that maps out the nine fundamental personality types of human nature and their complex interrelationships. It is a development of modern psychology that has roots in spiritual wisdom from many different ancient traditions. #2 The Enneagram can be extremely valuable in today's world to show white and black, male and female, Catholic and Protestant, Arab and Jew, straight and gay, rich and poor that if they search beneath the surface differences that separate them, they will find a new level of common humanity. #3 The Enneagram is not a religion, but it does concern itself with one element that is fundamental to all spiritual paths: self-knowledge. Without self-knowledge, we will not get very far on our spiritual journey. #4 The Enneagram works best when you identify your type and begin to understand its dominant issues. You will find a questionnaire to help you narrow down your basic type, and between these two tests and the descriptions and exercises in the type chapters, you should be able to discover your type with a high degree of certainty. Many have discovered the Enneagram to be a powerful tool for self-understanding, yet knowing ourselves doesn't necessarily mean we accept ourselves. Most of us tend to curate the personality of our type: leading with the traits we perceive as positive and

sidelining the traits that cause us shame. But what if it all belonged? Rather than furthering our own fragmentation, what if we dared to make peace with the whole of who we are with bold compassion? The Enneagram of Belonging is your guide to this essential journey. While most contemporary Enneagram books stop at the descriptions of the nine types, Enneagram teacher and The Sacred Enneagram bestselling author Chris Heuertz uncovers the missing link in our journey of living into our true self: radical self-compassion that can bring us back to belonging. Rather than get stuck on stereotypes or curated personality, Heuertz proposes we develop an honest relationship with our type, confronting our "inner dragons," practicing self-compassion, and thereby coming to fully belong to ourselves--and, ultimately, to love itself. In this in-depth examination of the Enneagram of Personality, you will discover: A fresh, compassionate way of understanding your childhood wound, which Heuertz reframes as your Kidlife Crisis Your unique subtype and how this colors your dominant type, plus how to work with your Enneagram instinct Practical insight to help you find freedom from your type's Passions and Fixations Your personalized path back to belonging, as you come home to your true self . . . and much more. As a masterful mapmaker and trailblazer of grace, Heuertz casts a vision for how we can create a better world. The truth is how we treat ourselves is how we treat others, so let's start with compassion, and let this outflow into our relationships, communities, and world. Naked Tarot Sassy, Stripped-Down Advice *John Hunt Publishing* Spiritual adventurers are burning for truth, hungry for ways to affect and improve their destiny. Tarot can deliver, but most books offer impractical, confusing, irrelevant and regurgitated card interpretations, causing seekers to throw up their hands to say "I just don't get it!" The good news? No Golden Dawn snooze-fest or Crowley catatonia in the book you're holding. With raw simplicity and outrageous honesty, author Janet Boyer presents helpful, hilarious and relevant advice that will forever change how you see the cards, and finally equip you to understand, and read, the Tarot. No punches pulled. No sugarcoating. It's time to be forearmed, forewarned and foresighted. It's time to get...naked. '...a hard hitting, belly-laugh inducing, no nonsense guide to Tarot.' Jenne Perlstein All the Things A 30 Day Guide to Experiencing God's Presence in the Prayer of Examen *Morgan James Publishing* "A winsome invitation to grow your soul through a deeper exploration of Ignatian spirituality [and] contemplative living" (Hunter Mobley, author of Forty Days on Being a Two). In All the Things: A 30 Day Guide to Experiencing God's Presence in the Prayer of Examen, Katie reveals what happened when she opened herself up to an ancient prayer practice popularized by a sixteenth-century warrior turned priest named St. Ignatius. She found in the Ignatian Examen that she already possessed everything she needed to know and love God. It was all right there in the everyday stuff of her ordinary and messy life. All the Things includes thirty readings that show you the numerous ways the prayer of Examen can impact and transform your life one day at a time. If you long for a deeper awareness of God's presence, a sense of companionship with Jesus, and a felt experience of the love of God—without wearing yourself out trying to find it—join Katie to learn more about this life-changing and life-giving prayer. Deep Coaching Using the Enneagram as a Catalyst for Profound Change "Deep Coaching" operationalizes the profound teachings of the Enneagram so that coaches can use specific processes, tools, and strategies to empower and support the transformation of their clients. Howe-Murphy takes coaches beyond identifying nine dominant personality traits and patterns to help them stimulate real transformation. Enneagram Theology Is it Christian? *Wipf and Stock Publishers* The enneagram has become popular among evangelical Christians as a spiritualized personality typology that claims to help people better understand themselves and others. Several influential evangelical Christian leadership ministries have promoted the enneagram as a tool in forming and maintaining effective ministry teams, and the personality typology is now taught and embraced at several Christian universities. But uncertainty exists about the appropriateness of referring to the Enneagram as a Christian tool. Are pastors and Christian institutional leaders aware of the theology associated with the Enneagram? Enneagram Theology: Is It Christian? provides a biblical critique of the Enneagram's underlying theology and exposes not only its foundational theological contradictions with orthodox evangelical theology but also some potential dangers to the church. Shared Imagination A Channel to God and with Each Other *Balboa Press* Using imagination in meditation can connect people to the Divine and to each other and can deepen the spiritual experiences of daily life. Shared Imagination delves into that notion, offering a creative and experiential channel to the Divine and describing the surprising ways this process can blossom in people's lives. The work centers on personal stories of spiritual encounters as told, with permission, by the women and men who have entered the world of prayerful imagining. These encounters, or "shared imaginations," arose in a variety of settings: individual and group meditation meetings, recounted dreams, shared spiritual experiences, imaginative conversations with God, letters written to holy people of the past, and some mystical traveling conversations. The stories illustrate the interlacing of an individual's imagination with that of the Divine. Instructions on how to form and facilitate an imaginative meditation group are interspersed between the stories and detailed in three appendices. Arising from author Mary Ann Archer's experiences as a professional musician and spiritual director, this collection of personal spiritual narratives presents an exploration of the use of imagination in meditation for a clearer connection with the Divine. The Road Back to You Study Guide *InterVarsity Press* Want to go deeper into the Enneagram? This content-rich companion to The Road Back to You features helpful tools for growth, new material about Triads, five study sessions, and additional personal reflections about each type. Whether you are on your own or in a group, this guide will help you to grow in knowledge of yourself, compassion for others, and love for God. The Instinctual Drives and the Enneagram *John Luckovich* The Enneagram is a profound tool for self-observation and inner work. While there are plenty of resources on the topic, most Enneagram literature is largely limited to entry-level descriptions of the Nine Types. The Instinctual Drives and the Enneagram focuses on a crucial but misunderstood facet of the Enneagram Typology--our "animal" Instinctual Drives and how they are related to our spiritual nature. While nearly every school of thought on the Enneagram acknowledges the importance and role of the Instinctual Drives, there's a deep lack of understanding what they actually are, the role they play in personality, and most importantly, their implications for inner work. This book achieves, for the first time, a coherent theory of the instinctual drives based in biology, evolution, and developmental psychology, and it paves the way toward a more

accurate view of inner work that directly addresses our animal nature. In so doing, it turns our current understanding of the Enneagram on its head by showing that the personality does not exist in parallel with our instinctual drives, but in reaction to them. In other words, instinct comes first - and one's Enneagram type is nothing more or less than a strategy to fulfill instinctual needs. This clarified orientation has important implications for our spiritual development, self-remembrance, and the transformation of our personhood into a conduit of Essence.

Murder By The Numbers The Righteous ONE *Xlibris Corporation* Set against the backdrop of San Diego, **Murder By The Numbers—The Righteous ONE**, is a murder mystery that explores the world of the Enneagram, a personality typing system that is now being taught and used around the world by psychologists, therapists, counselors, teachers, religious leaders, writers, business executives, and a growing number of individuals, as a way of understanding human motivation and personality characteristics. When a prominent psychologist and Enneagram author is found dead, the apparent victim of a mercy killing, San Diego's Portuguese-American chief-of-police, Eddie DeSilva, pairs up with Pauline Graham—a psychologist who uses the Enneagram personality typing system in her practice—to help prove the innocence of the victim's daughter. Having just lost his wife of thirty years and been forced to retire following an officer-involved shooting, DeSilva quickly locks horns with the new chief-of-police for “meddling in police affairs” as he tries to solve the murder and, with Pauline's help, comes to understand how the Enneagram can help explain some unhealthy choices—including his own.

The Enneagram A Journey of Self Discovery The Enneagram is a most helpful instrument in assisting persons to see themselves in the mirror of their minds, especially to see the images of personality distorted by compulsions and other basic attitudes about self.

Keys to the Enneagram How to Unlock the Highest Potential of Every Personality Type *Shambhala Publications* More than just a tool to diagnose your personality type, the Enneagram was originally developed to help people find the ultimate freedom of consciousness and achieve spiritual liberation. A. H. Almaas brings us back to this original mission as he shares the essential keys that will help readers break free from the limitations and distortions of each type's fixation—and to express their true spiritual nature in everyday life.

Who Do You Think You Are? Understanding Personality From the Inside Out *Morgan James Publishing* “Step aside Dr. Phil; move over Dr. Oz. I truly believe that Dr. Tina Thomas is to personality psychology what Einstein was to physics . . .” (Eric Schulze, MD, PhD, researcher, CEO Lifetrack Medical Systems). As Dr. Thomas explains, “There is no such thing as a difficult person, just people with difficult personalities!” Those who understand personality and its biological basis never look at themselves or others in the same way again. Understanding personality this way will help you to understand what motivates you and others. This will also improve your ability to communicate.

Who Do You Think You Are? will teach you how to adjust your internal and external environments to optimize your specific personality chemistry to become the person you always hoped you could be and create the life circumstances you only dreamed were possible. And, if that isn't extraordinary enough, this new knowledge will create more compassion within yourself and more peace within all the relationships you ever had, have now, or will have in the future. Understanding yourself from the inside out may be the single most important body of information you ever need to reach your full potential.

Who do you think you are? You may be delighted and surprised when you discover yourself this way! “Dr. T has an uncanny ability to combine the art of psychology and the science of biology to create elegant ways to increase self-compassion, improve relationships and help people to become self-actualized.” —Richard Tscherne, PhSD, clinical psychologist, director of The Gestalt Institute and Relationship Center of New York

The Enneagram of Parenting The 9 Types of Children and How to Raise Them Successfully *Harper Collins* Elizabeth Wagele, coauthor of *The Enneagram Made Easy* and *Are You My Type, Am I Yours?*, offers the first practical guidebook for parents -- packed with her delightful cartoons -- on how the Enneagram can help to understand and work with children's personality traits and behavioral patterns more effectively and creatively. Using her expertise in making the Enneagram accessible through simple text and zany, informative cartoons, Wagele shows parents how to be flexible and compassionate, willing and eager to recognize the unique potential of every child and to respond to and nurture each child appropriately.

The Enneagram for Spiritual Formation How Knowing Ourselves Can Make Us More Like Jesus *Brazos Press* Author A. J. Sherrill still remembers the moment when his life was forever changed by a word he didn't even understand at the time: Enneagram. A personality theory that includes nine different “types,” the Enneagram has become a popular tool for self-awareness and improvement. But in this book, Sherrill goes deeper, exploring with Christians how the Enneagram can be a pathway to profound spiritual transformation. Sherrill reveals the Enneagram as a tool to unlock new ways of viewing identity, personality, discipleship, spiritual practices, evangelism, and the Bible. Using this fresh approach, Sherrill shows how our true identity is that of a beloved child of God. Recognizing that, we can move confidently into the world expressing this identity through our unique personality. Through Sherrill's detailed spiritual exploration of each type, readers will emerge viewing the Enneagram as a precious gift to following Jesus more closely. Foreword by Chuck DeGroat.
