## Beginners Guide to Paracord Techniques and Projects with Pictorial Project Guide on Bucklers, Bracelets, Keychains, Monkey Fist, Belts, Lanyards, and Other Ropecrafting Projects

*Independently Published* **PARACORD 101 Beginners Guide to Paracord Techniques and Projects with Pictorial Project Guide on Bracelets, Keychains, Monkey Fist, Belts, Lanyards, and other Ropecrafting Projects** The development of parachute rope occurred during World War II as a result of a silk scarcity following the attack on Pearl Harbor. Nylon was developed a few years ago and, as a strong, lightweight, and uniform synthetic material, it was a suitable substitute for silk, resulting in the development of parachute rope, now known as paracord. Due to paracord's superior tensile strength, soldiers and sailors learned that it could be used for more than just shroud lines, and it quickly became a staple utility item for all branches of the military. As a form of contemporary "trench art," paracord is incorporated into a variety of utilitarian goods and accessories. The most popular items are bracelets, which are given as gifts or mailed home to loved ones. Civilians wear these gift bracelets to demonstrate their solidarity with military friends and family. Due to the success of these bracelets, paracord was produced in an array of vibrant colors, combinations, and sizes. You can't afford missing a copy of this book; get your copy today!

## Jennifer Packer

# The Eysis Not Hb

*Walther Konig Verlag* "Friendship, loss and the everyday populate Packer's canvases, full of disquieting detail." -Adrian Searle, *The Guardian* Through a uniquely textural style of oil painting that evokes the fluidity of watercolors, Jennifer Packer recasts classical genres in a fresh political and contemporary light while keeping them rooted in a deeply personal context. Combining observation, improvisation and memory, Packer's intimate portraits of friends and family members and flower paintings insist on the particularity of the Black lives she depicts. The title of this volume refers to an ecclesiastical description of the insatiable human quest for divine knowledge; with this in mind, Packer's work urges viewers to understand and appreciate the unique dimensions of Black lives beyond just the physical. Richly illustrated, this volume includes texts by fellow painters Dona Nelson and Lynette Yiadom-Boakye, professors Rizvana Bradley and Christina Sharpe, and an interview between the artist and Serpentine Artistic Director Hans Ulrich Obrist. American painter Jennifer Packer (born 1984) grew up in Philadelphia and received her MFA from Yale University in 2012. She was formerly the Artist-in-Residence at the Studio Museum in Harlem (2012-13) and a Visual Arts Fellow at the Fine Arts Work Center in Provincetown, MA (2014-16). She currently works as an assistant professor of painting at the Rhode Island School of Design. Packer is represented by Sikkema Jenkins & Co in New York City, where the artist lives.
