Jury service is one of the most important civic duties a person can undertake, yet it is often poorly understood. This booklet has been prepared in consultation with the Juries Commissioner's Office. It answers frequently asked questions about jury service and provides prospective jurors with a clear explanation of their responsibilities and the processes involved in trials. All potential jurors will receive a copy when they attend for jury service.

## THE INFLUENZA OF 1918

---

*Cambridge University Press Between August 1918 and March 1919 the Spanish influenza spread worldwide, claiming over 25 million lives - more people than perished in the fighting of the First World War. It proved fatal to at least a half-million Americans. Yet, the Spanish flu pandemic is largely forgotten today. In this vivid narrative, Alfred W. Crosby recounts the course of the pandemic during the panic-stricken months of 1918 and 1919, measures its impact on American society, and probes the curious loss of national memory of this cataclysmic event. This 2003 edition includes a preface discussing the then recent outbreaks of diseases, including the Asian flu and the SARS epidemic.*

This set of standards, especially applicable to small jails, was developed after rigorous field tests by the American Correctional Association in conjunction with the National Institute of Corrections, American Jail Association, National Sheriffs Association, and the Federal Bureau of Prisons. Standards cover areas of safety, security, administration, and care including health care, programs and activities. Complying with this set of standards offers a method to achieve certification from the Commission on Accreditation for Corrections.

**DEEPENING COMMUNITY**

**FINDING JOY TOGETHER IN CHAOTIC TIMES**

---

---

*Berrett-Koehler Publishers* Community shapes our identity, quenches our thirst for belonging, and bolsters our physical, mental, emotional, and economic health. But in the chaos of modern life, community ties have become unraveled, leaving many feeling afraid or alone in the crowd, grasping at shallow substitutes for true community. In this thoughtful and moving book, Paul Born describes the four pillars of deep community: sharing our stories, taking the time to enjoy one another, taking care of one another, and working together for a better world. To show the role each of these plays, he shares his own stories—as a child of refugees and as a longtime community activist. It's up to us to create community. Born shows that the opportunity is right in front of us if we have the courage and conviction to pursue it.
