THE CASE FOR MARRIAGE

WHY MARRIED PEOPLE ARE HAPPIER, HEALTHIER AND BETTER OFF FINANCIALLY

Crown A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. The Case for Marriage is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced- physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. The Case for Marriage combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A compelling defense of a sacred union. The Case for Marriage is well written and well argued, empirically rigorous and learned,

practical and commonsensical.” -- William J. Bennett, author of *The Book of Virtues* “Makes the absolutely critical point that marriage has been misrepresented and misunderstood.” -- *The Wall Street Journal* www.broadwaybooks.com

HEALING

A PHILOSOPHY FOR THE 21ST CENTURY

Balboa Press There are many aspects to healing—healing the body, healing the mind and the influence of your soul spirit. We can achieve good health with modern medicine and nutrition, surgery and public health measures, but what you keep in your mind will be decisive, for you can broadcast good health to all the living cells in your body. Healing is multidimensional and involves our different levels of human body and eternal soul spirit, resident in the unconscious levels of your mind. Healing the world too has become vital and this involves our thoughts. In studying healing, we see who we are and what we are doing here in this life. We see healing of body mind with many techniques, medical, surgical, and healing of spirit through life. The spiritual healing processes involve planes of spirit within our levels of mind—conscious and unconscious. In the unconscious-mind we find our relationship to the Divine, the power of the universe, All That Is, called God. Belief is important. The combination of medicine, science and spiritual philosophy with mysteries held in trust by religions through time. In our overpopulated world the planet needs healing both by enhancing its regeneration and by refreshing it's Spirit. Enjoy the journey.

SOUL PSYCHOLOGY

Light Technology Publishing There are tens of thousands of self-help books on psychology and human relationships; however, there are very few that integrate the topics of the soul and spirit into the picture. Most books on this subject focus on personality-level self-actualization. The new wave in the field of psychology is transpersonal or soul psychology, which will lead to monadic psychology for the more advanced students of the path. The entire understanding of psychology is completely changed when the soul is properly integrated. It has been said that personality-level self-actualization brings happiness, soul-level self-actualization brings joy, and monadic- and spiritual-level self-actualization bring bliss.

THE TRIPLE INCARNATIONS OF SAI BABA

SRI SHIRDI SAI BABA, SRI SATHYA SAI BABA & FUTURE PREMA SAI BABA

Partridge Publishing This unique book provides comprehensive profiles of the three great incarnations of Sai Baba Shirdi Sai Baba(1858-1918), Sathya Sai Baba (1926-2011) and the future Sri Prema Sai Baba whose advent in the present century has been prophesied. They carry the triple message of work, worship and wisdom. Shirdi Sai Baba laid the base for secular integration and gave the message of duty as work, Sathya Sai Babas mission was to make every one realize that the same God resides in everyone. The future Prema Sai Baba will promote the evangelic news that not only God resides in everyone but everyone is GOD. The special features of this book are: It presents research based new information on the first two Incarnations which will enable readers understand their lives, messages, miracles, and their status and unique roles as prophets --harbingers of the New Age Spirituality. It presents the thrilling future scenario of Prema Sai Babas divine life as revealed by Sathya Sai Baba to his closest devotee Vasantha Sai who has been assured that she would be his wife Prema when he incarnates as Raja who would later be known as Prema Sai Baba and the mother of their only son Rama. This book clears the prevailing confusion about Prema Sai Baba and gives a microscopic view of the New Age Spirituality.

WOMAN THROUGH THE AGES

John Hunt Publishing Did you know that the first named piece of writing was the work of a Sumerian woman in approximately 2085 BC, while the world's first novel was written by a Japanese woman in the eleventh century? Or that Hildegard of Bingen, the great twelfth century Abbess, writer, and composer, defied the Church's traditions by viewing feminine sexuality as a gift of God? Or that one of China's most powerful Emperors was a woman? These are but a few examples of the facts in this autobiography with a difference, *Woman Through the Ages*. Author Ann Merivale, a deep-memory process therapist, has used previous lifetimes in her own history to illustrate the roles we all play in preparation for returning to the source whence we've come. Skilfully weaving her personal story into each area and time period covered, Merivale highlights the injustices wrought on women for centuries, as well as their many achievements. *Woman Through the Ages* gives a fascinating and comprehensive picture of womanhood through the ages and concludes that the time for equality and greater respect for feminine energy is finally arriving.

SAI BABA

MAN OF MIRACLES

Weiser Books This account relates some of the achievements of Satya Sai Baba. His followers believe him to be the reincarnation of Sai Baba of Shirdi who died in 1918. He appears to have been born with phenomenal powers, which he used in childhood and has employed constantly and openly ever since. The author, a westerner devoted to science and logic, spent many months with Satya Sai Baba to substantiate these miracles.

SATHYA SAI BABA

TRUE DIVINE PARENTS FOR HUMANITY

BoD - Books on Demand Sathya Sai Baba True Divine Parents for Humanity Dears Readers, cordial greetings. Still, you might ask: ,Sathya Sai Baba - who is that?!' If you haven't switched on your mobile to research him in the first place. Since Sai Baba has left his ,mortal coils' in 2011, there seems to be less public discussion on his life and his spiritual and worldly legacy. What remains are the amazing social institutions - large ashrams, schools, colleges, a university, world-standard maximum care hospitals, huge water-providing projects - and countless selfless-service organisations all over India and the world, which Sai Baba has founded in such a solid way that they are all operating successfully even today, about ten years later. And there are almost endless amounts of books and media on Sathya Sai Baba and about the ,impossible' divine feats of his life. A Matter of Balance But there are also other reports, mainly in the internet, that decry Sai Baba's work, actions and intentions in very low ways. Therefore, this book has now been written for spiritually interested people, who prefer to hear all sides out, who truly had contact from close quarters with this Avatar of Humanity - rather than jumping to spectacular, if below the belt conclusions, often long-distance, without ever seeing Sai Baba in person. It is in order to help setting a hopefully more impartial - if thoroughly personal - perspective on these True Divine Parents of Humanity, as we have experienced Sathya Sai Baba, that we have written this book. It intends to integrate the various narrations on Sathya Sai Baba with our own exchange with him in such a way - that you, Dear Readers, will hopefully be able to gain a somewhat better balanced imagination of this super-human being that often was simply called Sai.

THE FLIGHT OF THE PHOENIX TO LIBERATION

Bookbaby The Flight of the Phoenix is Phyllis Krystal's last book completed at the end of her 102 years and 8 months of life. In it she describes her experience of arising from the "dark night of the soul" and transcending the old attachments of her egoic personality and following explicitly the demands of her Higher Self or Higher Consciousness (Hi C) as she called it in her work Cutting the Ties That Bind. She likens the flight of the Phoenix from its own ashes to the metamorphosis of the Monarch butterfly from caterpillar to cocoon to butterfly and describes the pitfalls along the way. This book is suitable for all those who experience depression, the rigors of aging and the disappointment arising from unmet expectations in life. It will also appeal to those readers who are asking such important questions as what is life for? What is my purpose? Why am I here? How can I find happiness and peace of mind? The Flight of the Phoenix is the final chapter of the autobiographical spiritual journey Phyllis began to describe in Sai Baba: The Ultimate Experience. This last autobiographical book can provide spiritual guidance for those who wish to embark on an inner journey of transformation and it can support the reader in living from the Hi C without the deleterious influences of the conditioned, and often traumatized mind. Phyllis points out that the world itself is going through a similar period of transformation and this global journey and the personal journey are often intertwined. As we raise our personal consciousness, that of humanity will be raised as well. Thus reading this book can help us help ourselves as well as the world! Individual chapters briefly summarize the Cutting The Ties That Bind Method of releasing attachment from all those people, objects, habits, work and desires that we mistakenly rely on for our identity and our security. This method has found interested students and clients internationally and is now supported by the Sidney and Phyllis Krystal Foundation in the USA Some of the important symbols and concepts are described such as the Ugly Duckling syndrome, thought forms, the phoenix and butterfly symbols. A last chapter takes us from the microcosm to the macrocosm and stresses the importance of guiding the children of the world who will ultimately lead us into the Golden Age predicted in the ancient vedas.

CUTTING THE TIES THAT BIND

GROWING UP AND MOVING ON

Weiser Books Shows how the Arthurian legend may be structured into a workable mystery system, comprised of three primary grades of attainment. The book concludes with an exploration of the Greater Mysteries.

THE QUEER ART OF FAILURE

Duke University Press The Queer Art of Failure is about finding alternatives - to conventional understandings of success in a heteronormative, capitalist society; to academic disciplines that confirm what is already known according to approved methods of knowing; and to cultural criticism that has extensively theorized hegemony but paid little attention to counter-hegemony. Judith Halberstam proposes "low theory" as a means of recovering ways of being and forms of knowledge not legitimized by existing systems and institutions. Low theory is derived from eccentric archives. It runs the risk of not being taken seriously. It entails a willingness to fail and to lose one's way. Tacking back and forth between high theory and low theory, high culture and low culture, Halberstam looks for the unexpected and subversive in popular culture, avant-garde performance, and queer art. She pays particular attention to animated children's films, contending that new forms of animation, especially CGI, have generated narratives filled with unexpected encounters between the childish, the transformative, and the queer. Dismantling contemporary logics of success, Halberstam demonstrates that failure sometimes offers more creative, cooperative, and surprising ways of being in the world.

PERSONAL TRANSITIONS

Findhorn Press Personal Transitions is a practical and engaging book based on a fusion of spirituality, myth, story, case studies, practical exercises, visualization and meditation. Includes various transition stories including: near death experiences, accidents, prison, war, psychological breakdown, and various awakening experiences.

PSYCHIATRY

FROM ITS HISTORICAL AND PHILOSOPHICAL ROOTS TO THE MODERN FACE

Springer Nature This book was the end product of life experiences, thoughts and intellectual wanderings of the author, who through his career and for the last twenty years was always serving all the three aspects of a Psychiatrist: He is a clinician, a researcher and an academic teacher. The book includes a comprehensive history of Psychiatry since antiquity and until today, with an emphasis not only on main events but also specifically and with much detail and explanations, on the chain of events that led to a particular development. At the center of this work is the question "what is mental illness?" and "does free will exist?" These are questions which tantalize Psychiatrists, neuroscientists, psychologists, philosophers, patients and their families and the sensitive and educated lay persons alike. Thus, the book includes a comprehensive review and systematic elaboration on the definition and the concept of mental illness, a detailed discussion on the issue of free will as well as the state of the art of contemporary Psychiatry and the socio-political currents it has provoked. Finally the book includes a description of the academic, social and professional status of Psychiatry and Psychiatrists and a view of future needs and possible developments. A last moment addition was the chapter on conspiracy theories, as a consequence of the experience with the social media and the public response to the COVID-19 outbreak which coincided with the final stage of the preparation of the book. Their study is an excellent opportunity to dig deep into the relation among human psychology, mental health, the society and politics and to swim in intellectually dangerous waters

WINGED FAITH

RETHINKING GLOBALIZATION AND RELIGIOUS PLURALISM THROUGH THE SATHYA SAI MOVEMENT

Columbia University Press The Sathya Sai global civil religious movement incorporates Hindu and Muslim practices, Buddhist, Christian, and Zoroastrian influences, and "New Age"-style rituals and beliefs. Shri Sathya Sai Baba, its charismatic and controversial leader, attracts several million adherents from various national, ethnic, and religious backgrounds. In a dynamic account of the Sathya Sai movement's explosive growth, Winged Faith argues for a rethinking of globalization and the politics of identity in a religiously plural world. This study considers a new kind of cosmopolitanism located in an alternate understanding of difference and contestation. It considers how acts of "sacred spectating" and illusion, "moral stakeholding" and the problems of community are debated and experienced. A thrilling study of a transcultural and transurban phenomenon that questions narratives of self and being, circuits of sacred mobility, and the politics of affect, Winged Faith suggests new methods for discussing religion in a globalizing world and introduces readers to an easily critiqued yet not fully understood community.

THE NIGHT OF THE GODS

AN INQUIRY INTO COSMIC AND COSMOGONIC MYTHOLOGY AND SYMBOLISM

TRANSFORMING HUMANITY

SRI SATHYA SAI BABA (GLIMPSES OF DIVINE INCARNATION)

Dinesh Chandra Bhargava About the Book "First I give you what you want so that gradually you will want what I have really come to give you- Liberation itself!" The vast number of visitors from all over the world, from all walks of life and all faiths has been converging at Prasanthi Nilayam in a remote region of Southern India just to have a glimpse of a Holy man, Sri Sathya Sai Baba, the Avatar of the present Age. Royalty, Heads of State, Politicians, Industrialists, Judges, Priests, Doctors, Army Generals, Scientists, Actors, Cricketers, Teachers, Students, General Public - all congregate at this Abode of Supreme Peace. His Ashram resembles a mini United Nations of spiritual seekers, with groups of foreign devotees wearing different coloured scarves for country-wise identification. The book contains dramatic eye-witness accounts of extraordinary Sai phenomena and the wonders taking place in Sai Baba's Ashram. Never before in the history of the world have there been so many indications of the descent of the Full Avatar in human form. The miracles of Krishna and Jesus must be taken on trust and faith; those of Sri Sathya Sai Baba you can see for yourself. The author describes the various ways how Sri Sathya Sai Baba is transforming humanity; discusses the factors on which his devotees base their belief in him; outlines his Mission and explains how he is achieving it. The danger from which Man has to be rescued has never been so great and the evil over the Earth never so pronounced as now. Sathya Sai Baba's Mission starts with nothing less than the transformation of humanity; to reinstate the supremacy of the spirit over matter and offer liberation itself! Sathya Sai Baba is short in stature, has a huge halo of hair on his head, wears an orange robe, walks as though his feet are gliding on the floor, displays a majestic grace, works all day long but at the same time maintains an austere life style. He is a fountain of knowledge although he has never read any books; he speaks in the most profound way with remarkable clarity and spontaneity, as he has no need to think; he always gives discourses impromptu, as he has no need of any notes or preparation; he replies to searching questions by scientists, theologians and other intellectuals with a ready and spontaneous answer on any subject. This Avatar never engages in any spiritual practice: does no Japa, or reciting the holy name; no Dhyana, or meditating; and no Yoga, practising union with God. He knows no worship or prayer, for He is the Highest. He only teaches you to worship and pray. The Rishis and Saints of yore evolved through spiritual practice to high levels of consciousness and God realization to ascend heavenwards. The Avatar, by contrast, is already born fully divine and descends downwards. His humanitarian projects are unique like his Schools and Universities that provide free education; world-class Super-Specialty Hospitals in rural areas that provide free treatment to one and all; and massive water systems that provide drinking water to millions of people in drought-prone districts, all established in record time. Sathya Sai Baba's Global Education Programme based on human values aims to bring about worldwide social transformation, reduce strife and turmoil, and unite mankind to live as one family in peace and harmony. The author describes the worldwide Sai Movement, with special reference to Latin America where the Sai Spirit has spread like wild fire, crossing the barriers of language, religion and culture.

LIFE IS A GAME, PLAY IT!

Sri Sathya Sai Sadhana Trust, Publications Division "The world is teaching man innumerable lessons all the time. Each one should try to discover for himself the secret of his life and the Universal Consciousness that is inherent in him. The first requisite for each one is to make himself his own guru," said Bhagawan in a discourse at Sri Sathya Sai University (then, Sri Sathya Sai Institute of Higher Learning) on July 3rd, 1986. This book is the story of the efforts made by the author in obedience to that instruction and of some of the ways she has been assisted in her inner search by Baba's simple, but very effective teaching methods. This book does not attempt to tell anyone else how to live his life. It does not include any experiences, except those of which the author has first-hand knowledge. No attempt is made to describe or explain Sathya Sai Baba, but the author illustrates by incidents in her personal story what knowing Him has meant to her. This book is the first volume in the quartet, the other volumes being, "Life Is A Challenge, Meet It!", "Life Is A Dream, Realize It!", "Life is Love, Enjoy It!".

WHAT YOUR BIRTHDAY REVEALS ABOUT YOU

365 DAYS OF ASTONISHINGLY ACCURATE REVELATIONS ABOUT YOUR FUTURE, YOUR SECRETS, AND YOUR STRENGTHS

Fair Winds Press Born on December 3rd? You're an ambitious, hardworking "idea person" and a dynamic leader. Born on December 14th? You're the "traveling salesperson" of the zodiac and a gifted marketer. All Sagittarians are charming, intelligent, and adventure-seeking, but which day of the month you're born on can determine the way in which you use those traits to your best advantage. In this exciting new book, master astrologer Phyllis Vega gives a detailed analysis for each birthday in the year, combining astrology and numerology to paint a true picture of the characteristics, desires, and destinies of people born on that day. If you were born October 5th, you're a skilled negotiator with a gift for making money. But if you were born just four days later, you're a compassionate dreamer with spiritual inclinations. Aries is the sign of the determined ram, but if you were born on April 7th, you are idealistic and inspiring.

LITTLE GEMS FROM BABA

Bookbaby In addition to being an author and therapist and for many, a spiritual teacher, Phyllis Krystal was also a poet. From time to time during her 43 years as a devotee of Sri Sathya Sai Baba in India, love poems to her guru would "come through" her as she would say. She kept track of these poems and in the last few months of her very long life (she lived to be 102 and 8 months having died on December 10th in 2016 near London her birthplace) she compiled them into this sweet illustrated book devoted to Sai Baba. Her love of flowers led her to commission a local artist to render her favorites which can be seen on the page facing each poem. In the Sufi tradition these poems can be read as prayers to guru and God and demonstrate the progress of her spiritual development under Sai's guidance. They are inspirational and clearly demonstrate her love for her guru and her determination to surrender to his will, trusting that every circumstance of her life was for her growth and development as she endeavored to accept and receive the teachings offered in each event. Her well known mantra "Surrender, Trust and Accept" is evidenced in these poems which can inspire us all to do likewise, thus helping us to cut the ties that bind us to maya or the illusory world of the senses and conditioned mind and helping us to let go of the will and desires of the egoic mind. Phyllis only recently decided on the final titles of the poems which reflect their content beautifully and clearly especially for spiritual seekers: Dispel the Cloud of Maya, Give Me What You Know I Need, Surrender and Trust, Let Our Inner Light Shine, My Love Alone Can Satisfy, I am Always with You and Within You, Loosen Attachments, Beloved Baba, Be My Instrument, Hold On Tight and Never Let Go, We Are All God and Not the Body, Wake Up, Beloved Baba Take My Hand, Let Go and Let God, Be Happy, Keep It Simple, Near and Dear, You Are All Walking Temples, Find Me In Your Heart, Our Conscious Search, When The Pupil Is Ready, Abandon All Your Plans Even The Best Ones, Move Forward Unencumbered. Most of these 23 poems were inspired by the teachings and aphorisms of Sai Baba and some are written in his voice and many in Phyllis' own voice. Phyllis says in her introduction to what she called her "baby book": "For each generation there are profound moments and hopeful words that carry us forward through crisis and in celebration. I hope this little book of poetry will continue to guide, inspire and give you the courage to meet the challenging moments on the spiritual path. As I write this I am 102 years of age, and I can say they have helped me immensely throughout my life." May they guide, inspire and help us all!

GANDHARAN BUDDHISM

ARCHAEOLOGY, ART, AND TEXTS

UBC Press The ancient region of Gandhara, with its prominent Buddhist heritage, has long fascinated scholars of art history, archaeology, and textual studies. Discoveries of inscriptions, text fragments, sites, and artworks in the last decade have redefined how we understand the region and its cultural complexity. The essays in this volume reassess Gandharan Buddhism in light of these findings, utilizing a multidisciplinary approach that illuminates the complex historical and cultural dynamics of the region. By integrating archaeology, art history, numismatics, epigraphy, and textual sources, the contributors articulate the nature of Gandharan Buddhism, its practices, and the significance of the relic tradition.

SOUL NOTES OF A COMPOSITION

IN THE WORLD BETWEEN TWO WORLDS OF GRIEF FROM SUICIDE

Author House This Composition describes the Soul Notes of a mother. She becomes the Librarian for pieces that explain and describe the experiences of those who find themselves in The World between the Two Worlds of God, life and death. Through this compilation of pieces, held together by soul prayers, she provides an understanding of the disease of Bipolar Disorder and the decision of suicide. The mystery of the afterlife is shared by Intuitives, who provide prayer intercession in the thin spaces connecting the Two Worlds. This Composition includes the notes of those who are touched by experiences of healing. The notes confirm the resurrection of subtle energy that never dies. Poetry, journaling and sandtrays hold the images of the journey, a journey to find meaning in a child's decision to choose suicide.
