HOW TO BE COOL

MY JOURNEY FROM LOSER TO SCHMOOZER

[John Murray](#) **How can you be cool at work, or in bed, or in a bar, or in a restaurant? What is cool when it comes to dating? Calling? Not calling? Standing in their garden with a placard and a megaphone? Coolness is a dark art and takes years of practice. But help is at hand. How To Be Cool is your trusty handbook for ineffable coolness in every eventuality. Award-winning comedian Will Smith is your guide through a world where a nifty quip, a signature drink and an outright lie about how much you like Italian arthouse movies can make you feel like Johnny Depp, rather than John McCririck. Glaring social ineptitude will happily be a thing of the past.**

BORDER WARS

INSIDE TRUMP'S ASSAULT ON IMMIGRATION

[Simon & Schuster](#) **Two New York Times Washington correspondents provide a detailed, "fact-based account of what precipitated some of this administration's more brazen assaults on immigration" (The Washington Post) filled with never-before-told stories of this key issue of Donald Trump's presidency. No issue matters more to Donald Trump and his administration than restricting immigration. Julie Hirschfeld Davis and Michael D. Shear have covered the Trump administration from its earliest days. In Border Wars, they take us inside the White House to document how Stephen Miller and other anti-immigration officials blocked asylum-seekers and refugees, separated families, threatened deportation, and sought to erode the longstanding bipartisan consensus that immigration and immigrants make**

positive contributions to America. Their revelation of Trump's desire for a border moat filled with alligators made national news. As the authors reveal, Trump has used immigration to stoke fears ("the caravan"), attack Democrats and the courts, and distract from negative news and political difficulties. As he seeks reelection in 2020, Trump has elevated immigration in the imaginations of many Americans into a national crisis. *Border Wars* identifies the players behind Trump's anti-immigration policies, showing how they planned, stumbled and fought their way toward changes that have further polarized the nation. "[Davis and Shear's] exquisitely reported *Border Wars* reveals the shattering horror of the moment, [and] the mercurial unreliability and instability of the president" (The New York Times Book Review).

LOVE BECOMES A FUNERAL PYRE

A BIOGRAPHY OF THE DOORS

Chicago Review Press From one of rock's greatest writers, *Love Becomes a Funeral Pyre* is the definitive biography of the Doors Spanning the entire history of the band, from the birth of its members to the deaths of those who have departed, this book will long remain the definitive history of a band that changed the history of popular music. The band that started out as the "American Rolling Stones," noted for their wildly unpredictable performances, their jazzy vibe, and the crazed monologues of their front man, ended as badly as did the '60s: abruptly, bloodily, cripplingly. Along with evoking the cultural milieu of Los Angeles in the era, bestselling writer Mick Wall captures the true spirit of that tarnished age. From the release of their classic first album, *The Doors*, to their last with Jim Morrison, L.A. Woman, this band biography is a brilliantly penetrating and contemporary investigation into the real story of the Doors.

HOW TO MAKE PEOPLE LIKE YOU IN 90 SECONDS OR LESS

Workman Publishing Company Whether selling, managing, negotiating, planning, collaborating, pitching, instructing-or on your knees with a marriage proposal-the secret of success is based on connecting with other people. Now that connection is infinitely easier to make through Nicholas Boothman's program of rapport by design. *How to Make People Like You in 90 Seconds or Less* is the work of a master of Neuro-Linguistic Programming whose career is teaching corporations and groups the secrets of successful face-to-face communication. Aimed at establishing rapport-that stage between meeting and communicating-*How to Make People Like You* focuses on the concept of synchrony. It shows how to synchronize attitude, synchronize body language, and synchronize voice tone so that you instantly and imperceptibly become someone the other person likes. Reinforcing these easy-to-learn skills is knowing how to read the other person's sensory preferences-most of us are visual, some are kinesthetic, and a minority are auditory. So when you say "I see what you mean" to a visual person, you're really speaking his language. Along the way the book covers attitude, nervousness, words that open a conversation and words that shut it down, compliments, eye cues, the magic of opposites attracting, and more. It's how to make the best of the most important 90 seconds in any relationship, business or personal.

THE ART OF THINKING CLEARLY

Harper Collins A world-class thinker counts the 100 ways in which humans behave irrationally, showing us what we can do to recognize and minimize these "thinking errors" to make better decisions and have a better life Despite the best of intentions, humans are notoriously bad—that is, irrational—when it comes to making decisions and assessing risks and tradeoffs. Psychologists and neuroscientists refer to these distinctly human foibles, biases, and thinking traps as "cognitive errors." Cognitive errors are systematic deviances from rationality, from optimized, logical, rational thinking and behavior. We make these errors all the time, in all sorts of situations, for problems big and small: whether to choose the apple or the cupcake; whether to keep retirement funds in the stock market when the Dow tanks, or whether to take the advice of a friend over a stranger. The "behavioral turn" in neuroscience and economics in the past twenty years has increased our understanding of how we think and how we make decisions. It shows how systematic errors mar our thinking and under which conditions our thought processes work best and worst. Evolutionary psychology delivers convincing theories about why our thinking is, in fact, marred. The neurosciences can pinpoint with increasing precision what exactly happens when we think clearly and when we don't. Drawing on this wide body of research, *The Art of Thinking Clearly* is an entertaining presentation of these known systematic thinking errors--offering guidance and insight into everything why you shouldn't accept a free drink to why you SHOULD walk out of a movie you don't like it to why it's so hard to predict the future to why shouldn't watch the news. The book is organized into 100 short chapters, each covering a single cognitive error, bias, or heuristic. Examples of these concepts include: Reciprocity, Confirmation Bias, The It-Gets-Better-Before-It-Gets-Worse Trap, and the Man-With-A-Hammer Tendency. In engaging prose and with real-world examples and anecdotes, *The Art of Thinking Clearly* helps solve the puzzle of human reasoning.

KEYWORDS IN CREATIVE WRITING

Wendy Bishop and David Starkey have created a remarkable resource volume for creative writing students and other writers just getting started. In two- to ten-page discussions, these authors introduce forty-one central concepts in the fields of creative writing and writing instruction, with discussions that are accessible yet grounded in scholarship and years of experience. *Keywords in Creative Writing* provides a brief but comprehensive introduction to the field of creative writing through its landmark terms, exploring concerns as abstract as postmodernism and identity politics

alongside very practical interests of beginning writers, like contests, agents, and royalties. This approach makes the book ideal for the college classroom as well as the writer's bookshelf, and unique in the field, combining the pragmatic accessibility of popular writer's handbooks, with a wider, more scholarly vision of theory and research.

WHAT YOU SEE IS WHAT YOU GET

MY AUTOBIOGRAPHY

[Pan Macmillan](#) **From a Hackney council estate to the House of Lords, this is the extraordinary story of one of our greatest entrepreneurs. Alan Sugar was born in 1947 and brought up on a council estate in Clapton, in Hackney. As a kid he watched his dad struggle to support the family, never knowing from one week to the next if he'd have a job. It had a huge impact on him, fuelling a drive to succeed that was to earn him a sizeable personal fortune. Now he describes his amazing journey, from schoolboy enterprises like making and selling his own ginger beer to setting up his own company at nineteen; from Amstrad's groundbreaking ventures in hi-fi and computers, which made him the darling of the stock exchange, to the dark days when he nearly lost it all; from his pioneering deal with Rupert Murdoch to his boardroom battles at Tottenham Hotspur FC. In this compelling autobiography, he takes us into the world of The Apprentice, and describes his appointment as advisor to the government and elevation to the peerage. Like the man himself, What You See Is What You Get is forthright, funny and sometimes controversial.**

REALITY BITES BACK

THE TROUBLING TRUTH ABOUT GUILTY PLEASURE TV

[Seal Press](#) **Nearly every night on every major network, "unscripted" (but carefully crafted) "reality" TV shows routinely glorify retrograde stereotypes that most people would assume got left behind 35 years ago. In Reality Bites Back, media critic Jennifer L. Pozner aims a critical, analytical lens at a trend most people dismiss as harmless fluff. She deconstructs reality TV's twisted fairytales to demonstrate that far from being simple "guilty pleasures," these programs are actually guilty of fomenting gender-war ideology and significantly affecting the intellectual and political development of this generation's young viewers. She lays out the cultural biases promoted by reality TV about gender, race, class, sexuality, and consumerism, and explores how those biases shape and reflect our cultural perceptions of who we are, what we're valued for, and what we should view as "our place" in society. Smart and informative, Reality Bites Back arms readers with the tools they need to understand and challenge the stereotypes reality TV reinforces and, ultimately, to demand accountability from the corporations responsible for this contemporary cultural attack on three decades of feminist progress.**

THE ART OF THINKING CLEARLY: BETTER THINKING, BETTER DECISIONS

[Hachette UK](#) **THE SECRET TO PERFECT DECISION-MAKING 'This book will change the way you think' Dan Goldstein, London Business School Have you ever... Invested time in something that, with hindsight, just wasn't worth it? Overpaid in an Ebay auction? Continued doing something you knew was bad for you? Backed the wrong horse? THE ART OF THINKING CLEARLY is essential reading for anyone with important decisions to make. It reveals, in 100 short chapters, the most common errors of judgement, and how to avoid them. Simple, clear and always surprising, this indispensable book will change the way you think and transform your decision-making - at work, at home, every day. SUNDAY TIMES BESTSELLER * GUARDIAN BESTSELLER * INTERNATIONAL BESTSELLER**

THE MERMAID CHAIR

A NOVEL

[Penguin](#) **A transcendent tale of a woman's self-discovery—the New York Times–bestselling second work of fiction by the author of *The Secret Life of Bees* and *The Book of Longings* Inside the church of a Benedictine monastery on Egret Island, just off the coast of South Carolina, resides a beautiful and mysterious chair ornately carved with mermaids and dedicated to a saint who, legend claims, was a mermaid before her conversion. When Jessie Sullivan is summoned home to the island to cope with her eccentric mother's seemingly inexplicable behavior, she is living a conventional life with her husband, Hugh, a life "molded to the smallest space possible." Jessie loves Hugh, but once on the island, she finds herself drawn to Brother Thomas, a monk about to take his final vows. Amid a rich community of unforgettable island women and the exotic beauty of marshlands, tidal creeks, and majestic egrets, Jessie grapples with the tension of desire and the struggle to deny it, with a freedom that feels overwhelmingly right, and with the immutable force of home and marriage. Is the power of the mermaid chair only a myth? Or will it alter the course of Jessie's life? What happens will unlock the roots of her mother's tormented past, but most of all, it will allow Jessie to discover selfhood and a place of belonging as she explores the thin line between the spiritual and the erotic.**

URBAN SOCIOLOGY

IMAGES AND STRUCTURE

Rowman & Littlefield Publishers The fifth edition of this text presents a balanced review of the ecological arguments that the urban arena produces unique experiential and urban-based cultural effects while exploring the broader political and economic contexts that produce and modify the urban environment. In addition to examining the urban dimensions of such topics as community formation and continuity, minority and majority dynamics, ethnic experience, poverty, power, and crime, it provides an analysis of the spatial distribution of population and resources with regard to the metropolitanization of the urban form, and the interaction between urban concentration and development and underdevelopment. From a first chapter that begins with a discussion of some of the more micrological features of the urban experience, the text focuses on the significance of the more macrological cultural, social organizational, and political dimensions of urban change, in an historical span that includes the first cities and concludes with an exploration of the implications of cyberspace, transnationalism, and global terrorism for the future of urban sociology. While the work focuses primarily on the North American case, its analytical and integrated discussion makes it applicable to urban societies in general.

THE OXFORD ENGLISH DICTIONARY

VOL. 1-

SOCIAL BLUNDERS

A NOVEL

Sourcebooks, Inc. "A story of grand faux pas and dazzling dysfunction...a wildly satirical look at the absurdities of modern life." -The New York Times Book Review One of five men could be Sam Callahan's father. Is knowing the truth worth the havoc he'll cause trying to find out? Laid low by divorce-the result of an endless stream of poor choices-Sam decides it's time he met his dad. But his quest to meet the men and discover the truth does more than just shake up the five likely suspects-it pretty much napalms the lives of everyone he meets. "Wild , wonderful, and wickedly funny...Highly recommended." - Library Journal "Ribald... comic and bawdy...oddly endearing...an effective blend of flippancy and compassion." - Publishers Weekly "Tim Sandlin only gets better. Social Blunders is an affecting book...It is fiction to be savored." -Larry McMurtry "A weird, funny, raunchy novel that veers wildly from pathos to slapstick and back again, and it's surprisingly effective." -Booklist "Tim Sandlin's stuff is as tight and funny as anyone doing this comedy novel thing." - Christopher Moore

CONFESSIONS OF A WALL STREET ANALYST

A TRUE STORY OF INSIDE INFORMATION AND CORRUPTION IN THE STOCK MARKET

Harper Collins Here is the true story of a top Wall Street player's transformation from a straight-arrow believer to a jaded cynic, who reveals how Wall Street's insider game is really played. Dan Reingold was a top Wall Street analyst for fourteen years and Salomon Smith Barney analyst Jack Grubman's chief competitor in the red-hot sector of telecom. Reingold was part of the "Street" and believed in it. But in this action-packed, highly personal memoir written with accomplished Fast Company senior writer Jennifer Reingold the author describes how his enthusiasm gave way to disgust as he learned how deeply corrupted Wall Street and much of corporate America had become during the roaring stock market bubble of the 1990s. Confessions of a Wall Street Analyst provides a front-row seat at one of the most dramatic -- and ultimately tragic -- periods in financial history. Reingold recounts his introduction to the world of Wall Street leaks and secret deal-making; his experiences with corporate fraud; and Wall Street's alarming penchant for lavish spending and multimillion-dollar pay packages. Reingold spars with arch rival Grubman; fends off intense pressures from Wall Street bankers and corporate CEOs; and is wooed by Morgan Stanley's CEO, John Mack, and CSFB's über-banker Frank Quattrone. Reingold describes instances in which confidential deals are whispered days before their official announcement. He recalls the moment he learns that Bernie Ebbers's WorldCom was massively cooking its books. And he is shocked to have been an unwitting catalyst for a series of sexually explicit e-mails that would rock Wall Street; bring Jack Grubman to his knees; and contribute to the stepping aside of Grubman's boss, Citigroup CEO Sandy Weill. Some of Reingold's stories are outrageous, others hilarious, and many are simply absurd. But, together, they provide a sobering exposé of Wall Street: a jungle of greed and ego, a place brimming with conflicts and inside information, and a business absurdly out of touch with the Main Street it claims to serve. He shows how government investigators, headlines notwithstanding, never got to the heart of the ethical and legal transgressions of the era. And how they completely overlooked Wall Street's pervasive use of inside information, leaving investors -- even

sophisticated professionals -- cheated. The book ends with a series of important policy recommendations to clean up the investing business. In the tradition of *Liar's Poker* and *Den of Thieves*, *Confessions of a Wall Street Analyst* is a no-holds-barred insider's account that will open the eyes of every investor.

THE ANIMALS ARE LEAVING US

[Lantern Books](#) For four years, from January 2017 to January 2021, writer and publisher Martin Rowe documented the state of the United States and the world—using the verse form of *ottava rima*. In June 2019, he dedicated thirty of those verses to two extraordinarily compelling and distressing photographs of animals in extremis taken by Canadian photojournalist Jo-Anne McArthur. Now expanded to include more verses and more of McArthur's stunning images, *The Animals Are Leaving Us* forms a testament to the particular moments in the lives and deaths of individual creatures, and a requiem for the many billions of animals who are subject to the cruel whims of our species, and who are vanishing from the wild places of the Earth.

MARE RIDER

[Bloomsbury Publishing](#) Elka is the sinister Mare Rider, in myth she haunts new mothers and rides bareback through mountains and across the plains of Anatolia. Selma is about to give birth at Homerton Hospital in Hackney, Elka takes her on a fantastical journey, probing the spaces between Selma's nightmarish visions and the reality of those around her.

THE ART OF SELLING TO THE AFFLUENT

HOW TO ATTRACT, SERVICE, AND RETAIN WEALTHY CUSTOMERS AND CLIENTS FOR LIFE

[John Wiley & Sons](#) This insightful book shows salespeople how to meet the needs of affluent clients from the initial contact, to the sales presentation, to providing the level of service and quality they expect, to securing them as long-term customers. Based on extensive research of the buying patterns and expectations of the wealthy, this step-by-step sales guide reveals the secrets of attracting and keeping wealthy clients for life, boosting sales and repeat business. *The Art of Selling to the Affluent* is also a crash course in the world of the wealthy, giving you the understanding you need to satisfy and retain these profitable top-dollar clients.

DIFFERENCE BETWEEN GOD AND LARRY ELLISON*, THE *GOD DOESN'T THINK HE'S LARRY E

***GOD DOESN'T THINK HE'S LARRY ELLISON / INSIDE ORACLE CORPORATION**

[Harper Perennial](#) A recent *Forbes* listed Ellison as the fifth richest man in the world, and the second richest active player (behind Gates) in the technology world. Oracle Corporation, of which he is founder and CEO, is the fastest-growing software database company in the world, and the darling of technology investors. If you withdraw cash from an ATM, make an airline reservation, hook up your TV to the Internet, then you're using Oracle. All of this makes Ellison the man investors, techies, and people-in-the-know want to know more about. The ultimate self-made man, Ellison began Oracle with a \$1,200 investment and doubled its sales in eleven of its first twelve years. But he's a ruthless businessman who has used misdirection and half-truths to create one of the great high-tech success stories. He is also a daredevil sportsman with a 78-foot yacht, a number of fast jets, and beautiful women on his arm. If Gates is the nerd-King of the Valley, Ellison is its Warren Beatty. Mike Wilson has interviewed more than a hundred of Ellison's friends and enemies as well as Ellison himself to create an entertaining and provocative portrait of this enigmatic and visionary businessman.

HOW TO BE HAPPY AT WORK

A PRACTICAL GUIDE TO CAREER SATISFACTION

[Jist Works](#) Whether you're choosing your career for the first time, rethinking the choices you made years before, or deciding how to spend your pre- and post-retirement years productively, the right career can make all the difference in whether your work life is happy. Using the worksheets and real-life stories in this book, you will gain the insight to make the right choices, succeed in your career, and overcome your past career mistakes. Book jacket.

SUCCESS CAN BE YOURS

[Pearson Education India](#) *Success Can Be Yours* blends success, happiness and leadership, and shows how it can be within

the grasp of every person. The book helps readers equip themselves with useful skills. The authors present a fine array of sutras for a successful life and emphasize on various perspectives that can help in achieving success besides encouraging aspiring leaders to pick up important leadership skills. The book discusses leadership styles and leadership research and shows how leadership education can minimize mistakes.

WOMEN IN EARLY IMPERIAL CHINA

Rowman & Littlefield Publishers After a long spell of chaos, the Qin and Han dynasties (221 BCE-220 CE) saw the unification of the Chinese Empire under a single ruler, government, and code of law. During this era, changing social and political institutions affected the ways people conceived of womanhood. New ideals were promulgated, and women's lives gradually altered to conform to them. And under the new political system, the rulers' consorts and their families obtained powerful roles that allowed women unprecedented influence in the highest level of government. Recognized as the leading work in the field, this introductory survey offers the first sustained history of women in the early imperial era. Now in a revised edition that incorporates the latest scholarship and theoretical approaches, the book draws on extensive primary and secondary sources in Chinese and Japanese to paint a remarkably detailed picture of the distant past. Bret Hinsch's introductory chapters orient the nonspecialist to early imperial Chinese society; subsequent chapters discuss women's roles from the multiple perspectives of kinship, wealth and work, law, government, learning, ritual, and cosmology. An enhanced array of line drawings, a Chinese-character glossary, and extensive notes and bibliography enhance the author's discussion. Historians and students of gender and early China alike will find this book an invaluable overview.

THE DARK LORD

Tor Books Tom Harlan brings his Oath of Empire series to a shattering conclusion in The Dark Lord. In what would be the 7th Century AD in our history, the Roman Empire still stands, supported by the twin pillars of the Legions and Thaumaturges of Rome. The Emperor of the West, the Augustus Galen Atreus, came to the aid of the Emperor of the East, the Avtokrator Heraclius, in his war with the Sassanad Emperor of Persia. But despite early victories, that war has not gone well, and now Rome is hard-pressed. Constantinople has fallen before the dark sorceries of the Lord Dahak and his legions of the living and dead. Now the new Emperor of Persia marches on Egypt, and if he takes that ancient nation, Rome will be starved and defeated. But there is a faint glimmer of hope. The Emperor Galen's brother Maxian is a great sorcerer, perhaps the equal of Dahak, lord of the seven serpents. He is now firmly allied with his Imperial brother and Rome. And though they are caught tight in the Dark Lord's net of sorcery, Queen Zoe of Palmyra and Lord Mohammed have not relinquished their souls to evil. Powerful, complex, engrossing --Thomas Harlan's Oath of Empire series has taken fantasy readers by storm. The first three volumes, The Shadow of Ararat, The Gate of Fire, and The Storm of Heaven have been universally praised. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

RUNNING, EATING, THINKING

A VEGAN ANTHOLOGY

Lantern Books In recent years, endurance athletes, bodybuilders, and long-distance runners such as Ruth Heidrich, Scott Jurek, Rich Roll, Brendan Brazier, Robert Cheeke, and many others have destroyed the notion that you cannot be a top-flight competitor on a plant-based diet and upended the stereotype that veganism means weakness, placidity, and passivity. But are there deeper connections between veganism and running, for example, that reach beyond attaining peak performance to other aspects of being vegan: such as living lightly on the land, caring for other-than-human life, and connecting to our animal bodies? The fifteen writers in Running, Eating, Thinking wager that there are, and they explore in manifold ways how those connections might be made. From coping with cancer to reflecting on the need of the confined animal to run free, from Buddhist ideas of nonviolence to harnessing the breath for singing and running, and from extolling the glories of lentils to committing oneself to the long run in animal activism, Running, Eating, Thinking is a pioneering anthology that may redefine your thinking about veganism and running.

IF YOU DON'T HAVE BIG BREASTS, PUT RIBBONS ON YOUR PIGTAILS

AND OTHER LESSONS I LEARNED FROM MY MOM

Penguin A founder of the Corcoran Group real estate company describes her hard-working childhood and the lessons she learned from her mother and through her business experiences that enabled her to become one of the most successful entrepreneurs in the country. ANTHOLOGY OF SCI-FI V19, THE PULP WRITERS

Spastic Cat Press The Anthology of Sci-Fi V19 is a collection of eight Sci-fi stories from a group of the best sci-fi writers of the past century. Included are: The Soul Master by Will Smith and R. J. Robbins, The Flying City by H. Thompson Rich, Prisoners on the Electron by Robert H. Leitfred, The Diamond Thunderbolt by H. Thompson Rich, Spawn of the Comet by H. Thompson Rich, An Extra Man by Jackson Gee, The Winged Men of Orcon by David R. Sparks, Disowned by Victor Endersby.

ALTERNATIVE NORTH AMERICAS

CANADA AND THE UNITED STATES

Alternative North Americas seeks to move beyond the blame game that has afflicted the past decade of Canada-U.S. relations. Instead of an "I'm right and you're wrong" attitude, David Kilgour and David T. Jones recognize that Canada and the United States share a remarkable selection of common baselines, despite taking different approaches to the same problems. As the authors tackle the political, social, economic, and security issues of the 21st century, they show us that both sets of answers could be right or wrong.

WHAT IT TAKES

SEVEN SECRETS OF SUCCESS FROM THE WORLD'S GREATEST PROFESSIONAL FIRMS

[John Wiley & Sons](#) Expert insights on what sets the great professional firms apart from all the rest. Having devoted a career that spans fifty years to consulting with and studying professional firms in the Americas, Asia, and Europe, author Charles Ellis learned firsthand how difficult it is for an organization to go beyond very good and attain, as well as sustain, excellence. Now, he shares his hard-won insights with you and reveals "what it takes" to be best-in-class in any industry. Enlightening and entertaining, What It Takes explores firms that are leaders in their particular field and the superior people who create and maintain them. Along the way, it identifies the secrets of their long-term success and reveals exactly how they can put your organization in a better position to excel when properly executed. Contains many stories of achieving excellence, and addresses the obstacles that top-ranking organizations face in sustaining it. Includes insights on leaders in their particular field—from McKinsey & Company in consulting and Cravath, Swaine & Moore in law to the Mayo Clinic in healthcare. Written by one of the most experienced and respected business consultants/advisors of our time. What It Takes skillfully shows you how innovation and a commitment to excellence can drive success, while also revealing how easy it is to fall behind. With it, you'll discover what separates the great firms from the good ones and learn how to attain, and maintain, organizational success throughout the years.

MORTAL DANGER

[Simon and Schuster](#) In this unputdownable true crime collection from New York Times bestselling author Ann Rule, discover fascinating cases of the spouse, lover, family member, or helpful stranger whose lethally violent nature, though masterfully disguised, can and will kill. The author of *The Stranger Beside Me* brings her brilliantly informed understanding of the sociopath to this riveting true crime collection. Featured here is the case of a Southern California family man who lured a beautiful flight attendant into a passionate and dangerous relationship. Other cases include that of the woman who masterminded her husband's murder to gain his inheritance...the monstrous sadist whose prison release damaged a presidential candidate's campaign and ended in a bitter double tragedy in a quiet neighborhood three thousand miles away...the shocking DNA link between a cold-blooded crime and a cold case...and inside the horrific case of the man who crossed an ocean and several countries to stalk the Eurasian beauty who had fled from him in desperation.

SHARK TALES

HOW I TURNED \$1,000 INTO A BILLION DOLLAR BUSINESS

[Penguin](#) The inspiring true story of Shark Tank star Barbara Corcoran--and her best advice for anyone starting a business. After failing at twenty-two jobs, Barbara Corcoran borrowed \$1,000 from a boyfriend, quit her job as a diner waitress, and started a tiny real estate office in New York City. Using the unconventional lessons she learned from her homemaker mom, she gradually built it into a \$6 billion dollar business. Now Barbara's even more famous for the no-nonsense wisdom she offers to entrepreneurs on Shark Tank, ABC's hit reality TV show. Shark Tales is down-to-earth, frank, and as heartwarming as it is smart. After reading it don't be surprised if you find yourself thinking, "If she can do it, so can I." Nothing would make Barbara happier.
