MY OMAHA OBSESSION

SEARCHING FOR THE CITY

U of Nebraska Press My Omaha Obsession takes the reader on an idiosyncratic tour through some of Omaha's neighborhoods, buildings, architecture, and people, celebrating the city's unusual history. Rather than covering the city's best-known sites, Miss Cassette is irresistibly drawn to strange little buildings and glorious large homes that don't exist anymore as well as to stories of Harkert's Holsum Hamburgers and the Twenties Club. Piecing together the records of buildings and homes and everything interesting that came after, Miss Cassette shares her observations of the property and its significance to Omaha. She scrutinizes land deeds, insurance maps, tax records, and old newspaper articles to uncover a property's singular story. Through conversations with fellow detectives and history enthusiasts, she guides readers along her path of hunches, personal interests, mishaps, and more. As a longtime resident of Omaha, Miss Cassette is informed by memories of her youth combined with an enduring curiosity about the city's offbeat relics and remains. Part memoir and part research guide with a healthy dose of colorful wandering, My Omaha Obsession celebrates the historic built environment and searches for the people who shaped early Omaha.

THE SPY WHO CAME IN FROM THE SEA

Rowman & Littlefield Fourteen-year old Frank Hollahan moves to Florida in 1943, at the height of World War II, to join his father, a navy seaman. When Frank and his mother arrive at the busy naval port of Jacksonville, a surprising new life awaits them. In this new place, Frank's life changes in ways he never imagined. In his new school, his tendency toward exaggeration quickly builds him a reputation as a teller of tales. He wanders to the beach one night and sees what seems to be a man coming ashore from a submarine. When he informs his family, friends, and teachers that he saw a spy from a German U-boat land on the local beach, no one believes him. Is the spy real, or is he only a part of Frank's imagination and exaggeration? Frank is certain the spy has plans for sabotage. With the aid of Rosemarie Twekenberry, who has eyes only for Frank, and a mysterious beach recluse known as Weird Wanda, Frank sets out to prove the spy's existence. With time running out, Frank must figure out a way to stop him. Each rumor and discovery—whether a buried chest, a secret code, or a mysterious note—presents new problems. The truth finally comes to light at the big bond rally in the shipyard as Frank's class presents a rousing patriotic program, led by Mr. Jolly, an ex-clown turned teacher. Thrown into the mix are a brash, redheaded student named Howard; Gladys, the organizer; and other zany characters who all join in the tangled web of this wartime mystery, based on an actual occurrence. The spy who came in from the sea ends up teaching Frank—and the people of Jacksonville—valuable lessons about friendship, perseverance, and the power of the truth. GRAFFITI PALACE

A NOVEL

MCD A brilliant, exhilarating debut novel that retells The Odyssey during the 1965 Watts Riots—like nothing you’ve ever read before. It’s August 1965 and Los Angeles is scorching. Americo Monk, a street-haunting aficionado of graffiti, is frantically trying to return home to the makeshift harbor community (assembled from old shipping containers) where he lives with his girlfriend, Karmann. But this is during the Watts Riots, and although his status as a chronicler of all things underground garners him free passage through the territories fiercely controlled by gangs, his trek is nevertheless diverted. Embarking on an exhilarating, dangerous, and at times paranormal journey, Monk crosses paths with a dizzying array of representatives from Los Angeles subcultures, including Chinese gangsters, graffiti bombers, witches, the Nation of Islam leader Elijah Muhammad, and others. Graffiti Palace is the story of a city transmogrified by the upsurge of its citizens, and Monk is our tour guide, cataloging and preserving the communities that, though surreptitious and unseen, nevertheless formed the backbone of 1960s Los Angeles. With an astounding generosity of imagery and imagination, Graffiti Palace heralds the birth of a major voice in fiction. A. G. Lombardo sees the writings on our walls, and with Graffiti Palace he has provided an allegorical paean to a city in revolt.

AMERICAN SNIPER

THE AUTOBIOGRAPHY OF THE MOST LETHAL SNIPER IN U.S. MILITARY HISTORY

Harper Collins The #1 New York Times bestselling memoir of U.S. Navy SEAL Chris Kyle, and the source for Clint Eastwood’s blockbuster, Academy-Award nominated movie. “An amazingly detailed account of fighting in Iraq—a humanizing, brave story that’s extremely readable.” —PATRICIA CORNWELL, New York Times Book Review "Jaw-dropping...Undeniably riveting." —RICHARD ROEPER, Chicago Sun-Times From 1999 to 2009, U.S. Navy SEAL Chris Kyle recorded the most career sniper kills in United States military history. His fellow American warriors, whom he protected with deadly precision from rooftops and stealth positions during the Iraq War, called him “The Legend”; meanwhile, the enemy feared him so much they named him al-Shaitan (“the devil”) and placed a bounty on his head. Kyle, who was tragically killed in 2013, writes honestly about the pain of war—including the deaths of two close SEAL teammates—and in moving first-person passages throughout, his wife, Taya, speaks openly about the strains of war on their family, as well as on Chris. Gripping and unforgettable, Kyle’s masterful account of his extraordinary battlefield experiences ranks as one of the great war memoirs of all time.

HOW I BECAME A QUANT

INSIGHTS FROM 25 OF WALL STREET'S ELITE

John Wiley & Sons Praise for How I Became a Quant "Led by two top-notch quants, Richard R. Lindsey and Barry Schachter, How I Became a Quant details the quirky world of quantitative analysis through stories told by some of today's most successful quants. For

anyone who might have thought otherwise, there are engaging personalities behind all that number crunching!" --Ira Kawaller, Kawaller & Co. and the Kawaller Fund "A fun and fascinating read. This book tells the story of how academics, physicists, mathematicians, and other scientists became professional investors managing billions." --David A. Krell, President and CEO, International Securities Exchange "How I Became a Quant should be must reading for all students with a quantitative aptitude. It provides fascinating examples of the dynamic career opportunities potentially open to anyone with the skills and passion for quantitative analysis." --Roy D. Henriksson, Chief Investment Officer, Advanced Portfolio Management "Quants"--those who design and implement mathematical models for the pricing of derivatives, assessment of risk, or prediction of market movements--are the backbone of today's investment industry. As the greater volatility of current financial markets has driven investors to seek shelter from increasing uncertainty, the quant revolution has given people the opportunity to avoid unwanted financial risk by literally trading it away, or more specifically, paying someone else to take on the unwanted risk. How I Became a Quant reveals the faces behind the quant revolution, offering you the chance to learn firsthand what it's like to be a quant today. In this fascinating collection of Wall Street war stories, more than two dozen quants detail their roots, roles, and contributions, explaining what they do and how they do it, as well as outlining the sometimes unexpected paths they have followed from the halls of academia to the front lines of an investment revolution.

OUTSIDE, INSIDE

Roaring Brook Press From Caldecott honoree LeUyen Pham, *Outside, Inside* is a moving picture book that captures the unforgettable moment during the pandemic when people all over the world came together. It celebrates the essential workers, frontline workers, and communities that worked with each other to protect our loved ones. Something strange happened on an unremarkable day just before the season changed. Everybody who was outside went inside. Outside, it was quieter, wilder, and different. Inside, we laughed, we cried, and we grew. We remembered to protect the ones we love and love the ones who protect us. While the world changed outside, we became stronger on the inside and believed that someday soon spring would come again.
