FABRIC OF A NATION

A BRIEF HISTORY WITH SKILLS AND SOURCES, FOR THE AP® COURSE

Macmillan Higher Education In 2014, College Board rolled out a new AP® U.S. History course, which centered less on memorizing content and more on developing skills. Since then, the course has been modified here and there, but very little has changed in AP® textbooks--content is still king. Until now. Fabric of a Nation is the first book to truly embrace this dramatic shift in the AP® course and in how history is taught. Built from the ground up by long-time AP®

leaders Jason Stacy and Matthew Ellington, this book offers a new approach to AP® US History by seamlessly integrating: A brief historical narrative AP® skills practice Primary source documents Exact alignment to the AP® course Now, that's revolutionary!

THE FIERY TRIAL: ABRAHAM LINCOLN AND AMERICAN SLAVERY

W. W. Norton & Company “A masterwork [by] the preeminent historian of the Civil War era.”—*Boston Globe* Selected as a Notable Book of the Year by the New York Times Book Review, this landmark work gives us a definitive account of Lincoln's lifelong engagement with the nation's critical issue: American slavery. A master historian, Eric Foner draws Lincoln and the broader history of the period into perfect balance. We see Lincoln, a pragmatic politician grounded in principle, deftly navigating the dynamic politics of antislavery, secession, and civil war. Lincoln's greatness emerges from his capacity for moral and political growth.

LET'S DO HISTORY!

WASHINGTON'S FAREWELL ADDRESS TO THE PEOPLE OF THE UNITED STATES, 1796

TEACHING WHAT REALLY HAPPENED

HOW TO AVOID THE TYRANNY OF TEXTBOOKS AND GET STUDENTS EXCITED ABOUT DOING HISTORY, SECOND EDITION

Teachers College Press James Loewen has revised *Teaching What Really Happened*, the bestselling, go-to resource for social studies and history teachers wishing to break away from standard textbook retelling of the past. In addition to updating the scholarship and anecdotes throughout, the second edition features a timely new chapter entitled "Truth" that addresses how traditional and social media can distort current events and historical record. Helping students understand what really happened in the past will empower them to use history as a tool to argue for better policies in the present. Our society needs engaged citizens now more than ever, and this book offers teachers concrete ideas for getting students excited about history while also teaching them to read critically. It will specifically help teachers and students tackle important content areas, including Eurocentrism, the American Indian experience, and slavery. Book Features: an up-to-date assessment of the potential and pitfalls of U.S. and world history education; information to

help teachers expect, and get good performance from students of all racial, ethnic, and socioeconomic backgrounds; strategies for incorporating project-oriented self-learning, having students conduct online historical research, and teaching historiography; ideas from teachers across the country.

EVERYTHING YOU NEED TO ACE WORLD HISTORY IN ONE BIG FAT NOTEBOOK

THE COMPLETE MIDDLE SCHOOL STUDY GUIDE

Workman Publishing Company It's the revolutionary world history study guide just for middle school students from the brains behind Brain Quest. **Everything You Need to Ace World History . . .** kicks off with the Paleolithic Era and transports the reader to ancient civilizations—from Africa and beyond; the middle ages across the world; the Renaissance; the age of exploration and colonialism, revolutions, and the modern world and the wars and movements that shaped it. The **BIG FAT NOTEBOOK™** series is built on a simple and irresistible conceit—borrowing the notes from the smartest kid in class. There are five books in all, and each is the only one book you need for each main subject taught in middle school: Math, Science, American History, English, and World History. Inside the reader will find every subject's key concepts, easily digested and summarized: Critical ideas highlighted in marker colors. Definitions explained. Doodles that illuminate tricky concepts. Mnemonics for a memorable shortcut. And quizzes to recap it all. The **BIG FAT NOTEBOOKS** meet Common Core State Standards, Next Generation Science Standards, and state history standards, and are vetted by National and State Teacher of the Year Award-winning teachers. They make learning fun, and are the perfect next step for every kid who grew up on Brain Quest.

Veritas Press

REMEMBERING SLAVERY

AFRICAN AMERICANS TALK ABOUT THEIR PERSONAL EXPERIENCES OF SLAVERY AND FREEDOM

The New Press "A Best Book of the Year" —Library Journal and Booklist Using excerpts from the thousands of interviews conducted with ex-slaves in the 1930s by researchers working with the Federal Writer's Project, this astonishing collection makes available in print the only known recordings of people who actually experienced slavery--recordings

that had gathered dust in the Library of Congress until they were rendered audible for the first time specifically for this collection. Heralded as "a minor miracle" (Ted Koppel, *Nightline*), "powerful and intense" (*Atlanta Journal Constitution*), and "invaluable" (*Chicago Tribune*), *Remembering Slavery* is sure to enrich readers for years to come. "Gripping and poignant... Moving recollections fill a void in the slavery literature." —*The Washington Post Book World* "Chilling [and] riveting... This project will enrich every American home and classroom." —*Publisher's Weekly* "Quite literally, history comes alive in this unparalleled work." —*Library Journal* "Ira Berlin's fifty-page introduction is as good a synthesis of current scholarship as one will find, filled with fresh insights for any reader." —*The San Diego Union Tribune*

LETTERS FROM MEXICO

Yale University Press Written over a seven-year period to Charles V of Spain, Hernan Cortes's letters provide a narrative account of the conquest of Mexico from the founding of the coastal town of Veracruz until Cortes's journey to Honduras in 1525. The two introductions set the letters in context.

MASTERING AP WORLD HISTORY

A SKILLS GUIDE FOR TEACHERS (AND STUDENTS)

Createspace Independent Publishing Platform Written by teachers, for teachers, this guide offers instructional resources for all the AP World History exam components, including: stimulus-based multiple-choice questions, short-answer questions, document analysis, document-based essay questions, and the three long essay question styles of causation, comparison, and continuity and change over time. Teacher introductions to each section include pacing suggestions and proven teaching strategies. Student learning guides introduce the skills to the student step-by-step, providing ample opportunity for guided practice. Additional assessments are also included to increase student confidence and ensure mastery. Updated to reflect the fall 2017 course changes made by College Board, this guide is an invaluable resource for new and experienced teachers alike.

A SHORT HISTORY OF THE UNITED STATES

FROM THE ARRIVAL OF NATIVE AMERICAN TRIBES TO THE OBAMA PRESIDENCY

Harper Collins In **A Short History of the United States**, National Book Award winner Robert V. Remini offers a much-needed, concise history of our country. This accessible and lively volume contains the essential facts about the discovery, settlement, growth, and development of the American nation and its institutions, including the arrival and migration of Native Americans, the founding of a republic under the Constitution, the emergence of the United States as a world power, the outbreak of terrorism here and abroad, the Obama presidency, and everything in between.

A PEOPLE'S HISTORY OF THE UNITED STATES

1492-PRESENT

Harper Collins Since its original landmark publication in 1980, **A People's History of the United States** has been chronicling American history from the bottom up, throwing out the official version of history taught in schools -- with its emphasis on great men in high places -- to focus on the street, the home, and the workplace. Known for its lively, clear prose as well as its scholarly research, **A People's History** is the only volume to tell America's story from the point of view of -- and in the words of -- America's women, factory workers, African-Americans, Native Americans, the working poor, and immigrant laborers. As historian Howard Zinn shows, many of our country's greatest battles -- the fights for a fair wage, an eight-hour workday, child-labor laws, health and safety standards, universal suffrage, women's rights, racial equality -- were carried out at the grassroots level, against bloody resistance. Covering Christopher Columbus's arrival through President Clinton's first term, **A People's History of the United States**, which was nominated for the American Book Award in 1981, features insightful analysis of the most important events in our history. Revised, updated, and featuring a new afterword by the author, this special twentieth anniversary edition continues Zinn's important contribution to a complete and balanced understanding of American history.

CRACKING THE AP U. S. HISTORY EXAM, 2017 EDITION

Princeton Review Provides a comprehensive review of key test topics, test-taking strategies, and two full-length practice tests with detailed answers explanations.

THE RECONSTRUCTION ERA AND THE FRAGILITY OF DEMOCRACY

Facing History & Ourselves National Foundation, Incorporated **The Reconstruction Era and The Fragility of Democracy uses our pedagogical approach to help students examine how a society rebuilds after extraordinary division and trauma, when the ideals of democracy are most vulnerable. The unit presents educators with materials they need to engage students in a deep study of the pivotal era of American history that followed the Civil War. It provides history teachers with dozens of primary and secondary source documents, close reading exercises, lesson plans, and activity suggestions that will push students both to build a complex understanding of the dilemmas and conflicts Americans faced during Reconstruction and to identify the legacies of this history that extended through the 20th century to the present day. These materials will help students examine closely themes such as historical memory, justice, and civic participation in a democracy. The unit includes a variety of interdisciplinary teaching strategies that reinforce historical and literacy skills."**

AMERICA

PAST AND PRESENT

Prentice Hall **Focuses students on the story of American history. America : Past and Present integrates the social and political dimensions of American history into one chronological narrative, providing students with a full picture of the scope and complexity of the American past. Written by award-winning historians, it tells the story of all Americans- elite and ordinary, women and men, rich and poor, white majority and minorities. FAIRNESS AND EFFECTIVENESS IN POLICING

THE EVIDENCE

National Academies Press Because police are the most visible face of government power for most citizens, they are expected to deal effectively with crime and disorder and to be impartial. Producing justice through the fair, and restrained use of their authority. The standards by which the public judges police success have become more exacting and challenging. *Fairness and Effectiveness in Policing* explores police work in the new century. It replaces myths with research findings and provides recommendations for updated policy and practices to guide it. The book provides answers to the most basic questions: What do police do? It reviews how police work is organized, explores the

expanding responsibilities of police, examines the increasing diversity among police employees, and discusses the complex interactions between officers and citizens. It also addresses such topics as community policing, use of force, racial profiling, and evaluates the success of common police techniques, such as focusing on crime “hot spots.” It goes on to look at the issue of legitimacy—how the public gets information about police work, and how police are viewed by different groups, and how police can gain community trust. Fairness and Effectiveness in Policing will be important to anyone concerned about police work: policy makers, administrators, educators, police supervisors and officers, journalists, and interested citizens.

THE CHALLENGE TO LIBERTY

CONVERGENCE CULTURE

WHERE OLD AND NEW MEDIA COLLIDE

NYU Press “What the future fortunes of [Gramsci’s] writings will be, we cannot know. However, his permanence is already sufficiently sure, and justifies the historical study of his international reception. The present collection of studies is an indispensable foundation for this.” —Eric Hobsbawm, from the preface Antonio Gramsci is a giant of Marxian thought and one of the world’s greatest cultural critics. Antonio A. Santucci is perhaps the world’s preeminent Gramsci scholar. Monthly Review Press is proud to publish, for the first time in English, Santucci’s masterful intellectual biography of the great Sardinian scholar and revolutionary. Gramscian terms such as “civil society” and “hegemony” are much used in everyday political discourse. Santucci warns us, however, that these words have been appropriated by both radicals and conservatives for contemporary and often self-serving ends that often have nothing to do with Gramsci’s purposes in developing them. Rather what we must do, and what Santucci illustrates time and again in his dissection of Gramsci’s writings, is absorb Gramsci’s methods. These can be summed up as the suspicion of “grand explanatory schemes,” the unity of theory and practice, and a focus on the details of everyday life. With respect to the last of these, Joseph Buttigieg says in his *Nota*: “Gramsci did not set out to explain historical reality armed with some full-fledged concept, such as hegemony; rather, he examined the minutiae of concrete social, economic, cultural, and political relations as they are lived in by individuals in their specific historical circumstances and, gradually, he acquired an increasingly complex understanding of how hegemony operates in many diverse ways and under many aspects within the capillaries of society.” The rigor of Santucci’s examination of Gramsci’s life and

work matches that of the seminal thought of the master himself. Readers will be enlightened and inspired by every page.

BY THE PEOPLE

A HISTORY OF THE UNITED STATES

THE AMERICAN YAWP

A MASSIVELY COLLABORATIVE OPEN U.S. HISTORY TEXTBOOK, VOL. 1: TO 1877

Stanford University Press "I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," *Leaves of Grass* The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

U.S. HISTORY

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

THE NEW ENGLAND WAY

JOHN COTTON

Ams PressInc

EMPIRE OF LIBERTY

A HISTORY OF THE EARLY REPUBLIC, 1789-1815

Oxford University Press The Oxford History of the United States is by far the most respected multi-volume history of our nation. The series includes three Pulitzer Prize winners, two New York Times bestsellers, and winners of the Bancroft and Parkman Prizes. Now, in the newest volume in the series, one of America's most esteemed historians, Gordon S. Wood, offers a brilliant account of the early American Republic, ranging from 1789 and the beginning of the national government to the end of the War of 1812. As Wood reveals, the period was marked by tumultuous change in all aspects of American life--in politics, society, economy, and culture. The men who founded the new government had high hopes for the future, but few of their hopes and dreams worked out quite as they expected. They hated political parties but parties nonetheless emerged. Some wanted the United States to become a great fiscal-military state like those of Britain and France; others wanted the country to remain a rural agricultural state very different from the European states. Instead, by 1815 the United States became something neither group anticipated. Many leaders expected American culture to flourish and surpass that of Europe; instead it became popularized and vulgarized. The

leaders also hope to see the end of slavery; instead, despite the release of many slaves and the end of slavery in the North, slavery was stronger in 1815 than it had been in 1789. Many wanted to avoid entanglements with Europe, but instead the country became involved in Europe's wars and ended up waging another war with the former mother country. Still, with a new generation emerging by 1815, most Americans were confident and optimistic about the future of their country. Named a New York Times Notable Book, *Empire of Liberty* offers a marvelous account of this pivotal era when America took its first unsteady steps as a new and rapidly expanding nation.

5 STEPS TO A 5: AP U.S. HISTORY 2018, ELITE STUDENT EDITION

McGraw Hill Professional Get ready to ace your AP U.S. History Exam with this easy-to-follow, multi-platform study guide **5 Steps to a 5: AP U.S. History 2018 Elite Student Edition** introduces an effective 5-step study plan to help you build the skills, knowledge, and test-taking confidence you need to achieve a high score on the exam.
