KEY=ETERNAL - COLON HEATH

Destiny

Harper Collins *In Destiny, the fourth and final book in Gillian Shields's romantic, gothic Immortal series, Helen, Evie, and Sarah, the Sisters of the Mystic Way, must use their powers to battle for their souls. Malevolent forces haunt Wyldcliffe Abbey School for Young Ladies, the girls' elite boarding school on the English moors. Dr. Franzen, an evil man from Helen's past, has taken over as headmaster. And while Helen longs to believe her mother, the priestess of a coven of dark witches, has reformed, she fears her mother cannot be trusted. At least Helen can cling to the prediction that a love "beyond the confines of this world" is waiting for her. Could this be Lynton, the mysterious music student who visits Wyldcliffe for his lessons?*

Eternal

Harper Collins *I am not like Evie. I don't belong in some great romance. I'm just the best friend in the background. Always there, always reliable, down-to-earth. Good old Sarah. That's how it's always been. Until now. At Wyldcliffe Abbey School for Young Ladies, Sarah is the faithful friend to Evie and Helen, her sisters in the Mystic Way. But this term Sarah finds that their friendship is tested. Evie is turning her back on the Mystic Way after laying her beloved Sebastian's soul to rest; Helen is distracted by her tormented relationship with her mother. Sarah struggles to keep the sisterhood together as the threat of attack looms from the dark coven and the Unconquered lords. All that keeps Sarah going is her connection with her earth powers and a promise she cannot break. When she must step out of the shadows and fight the eternal darkness, will her sisters join her, or will help come from unexpected sources, like her Romany ancestors and a love she'd only just dared hope for? In this companion to the dazzling Immortal and heart-stopping Betrayal, the suspense and magic are as strong as stone and as deep as the earth.*

Immortal

Harper Collins *Wyldcliffe Abbey School for Young Ladies, housed in a Gothic mansion on the bleak northern moors, is elite, expensive, and unwelcoming. When Evie Johnson is torn away from her home by the sea to become the newest scholarship student, she is more isolated than she could have dreamed. Strict teachers, snobbish students, and the oppressive atmosphere of Wyldcliffe leave Evie drowning in loneliness. Evie's only lifeline is Sebastian, a rebellious, mocking, dangerously attractive young man she meets by chance. As Evie's feelings for Sebastian grow with each secret meeting, she starts to fear that he is hiding something about his past. And she is haunted by glimpses of a strange, ghostly girl—a girl who is so eerily like Evie, she could be a sister. Evie is slowly drawn into a tangled web of past and present that she cannot control. And as the extraordinary, elemental forces of Wyldcliffe rise up like the mighty sea, Evie is faced with an astounding truth about Sebastian, and her own incredible fate. Gillian Shields's electrifying tale will dazzle readers with suspense, mysticism, and romance.*

Betrayal

Harper Collins *There are the small betrayals: the unkind word, the petty lies. And there are the betrayals that break hearts, destroy worlds, and turn the strong sweet light of day into bitter dust. When Evie Johnson started at Wyldcliffe Abbey School for Young Ladies, her life changed in ways she couldn't possibly have envisioned: the discovery of her link with Lady Agnes, her special bond with Helen and Sarah, and their sisterhood in the astonishing secrets of the Mystic Way. Above all, Evie's love for Sebastian has turned her world upside down. Now Evie returns to Wyldcliffe for another term and more danger. Surrounded by enemies, she lives every day in fear that Sebastian will fall into the darkness of servitude to the Unconquered Lords. The Wyldcliffe coven is plotting to destroy Evie and*

use Sebastian to secure their own immortality. Evie and her sisters must master the power of the Talisman before it is too late. But could it be Sebastian himself who will ultimately betray Evie? In this companion to Gillian Shields's dazzling *Immortal*, magic and sweeping romance cross the bounds of time to deliver heart-stopping emotion and suspense.

An Everlasting Name

Cultural Remembrance and Traditions of Onymic Commemoration

Walter de Gruyter GmbH & Co KG *The ever-growing interest in cultural memory has generated an impressive body of academic literature on public commemoration, but not enough attention has been paid until now to the power and appeal of names to transcend death. This book is the first to investigate onymic commemoration as a technology of immortality. Bringing together issues as diverse as casualty lists on public display and honorific street-names, the inquiry expands on the commemorative capacity of an "everlasting name" as a site of remembrance. It explores how notions about names, being, fame and an afterlife have coalesced into prestigious and time-honored commemorative practices and traditions that demonstrate the cultural power of an "everlasting name" to confer immortality through remembrance. By linking ancient traditions and modern practices, this book offers a cross-cultural analysis of onymic commemoration that is broad in scope and covers a wide time frame, encompassing diverse historical periods, cultural contexts and geopolitical settings.*

The Divine Reality

God, Islam and The Mirage of Atheism

In The Divine Reality, (Newly Revised Edition 2019) Hamza Andreas Tzortzis provides a compelling case for the rational and spiritual foundations of Islam, whilst intelligently and compassionately deconstructing atheism. Join him on an existential, spiritual and rational journey that articulates powerful arguments for the existence of God, the Qur'an, the Prophethood of Muhammad and why we must know, love and worship God. He addresses academic and popular objections while showing how contemporary atheism is based on false assumptions about reality, which leads to incoherent answers to life's important questions. Does hope, happiness and human value make sense without the Divine? Do we have an ultimate purpose? Can we have consciousness and rational minds without God? Did the universe come from nothing? Does evil and suffering negate Divine mercy? Has scientific progress led to the denial of God? Are revelation and prophethood myths? Is God worthy of our worship? If you want to know how the Islamic intellectual and spiritual tradition answers these questions then this is the book for you. Hamza Andreas Tzortzis's new book presents a much needed comprehensive account of Islamic theism that draws upon Western and Islamic thought. Hamza Tzortzis is an international speaker, writer and instructor. He has a PgCert and an MA in philosophy and is currently continuing his postgraduate studies in the field. Hamza has studied Islamic thought and theology under qualified scholars. He has delivered workshops and courses on topics related to Islamic thought and philosophy. Hamza has debated prominent academics and thinkers on Islam and atheism.
