In this follow up to his first book, *The Good and Beautiful God*, Smith traces through the Sermon on the Mount and helps us replace our false beliefs with Jesus' narratives about life in the kingdom of God. **The Good and Beautiful Series** *InterVarsity Press* James Bryan Smith believes the gospel is about change in our lives today, not just our eternal destiny. In *The Good and Beautiful Series* he aims to help Christians develop a robust

discipleship by helping them understand who God is, what it means to be a Christian and what it means to live in community as a part of God's kingdom. Throughout the series, which includes *The Good and Beautiful God*, *The Good and Beautiful Life* and *The Good and Beautiful Community*, Smith encourages you to read, journal, pray, discuss and participate in weekly spiritual exercises to help you engage with the text. As you work through the books individually (or more ideally in a group setting) you'll discover your heart being shaped by the truth of Christ—and your life being changed. Get to know the God Jesus knew and the Kingdom he proclaimed. The transformation you seek will come as a direct result of spending focused time with him and his people. A Renovaré Resource. **A Desperate Faith Lessons of Hope from the Resurrection** *Baker Books* Why did Jesus spend forty days on earth after his death when he could have returned home to the majesty of heaven? And out of all the people on the planet at that time who could have helped him get a major religious movement off the ground, why did he seek out those who had run the other way when he was crucified? In this fascinating book, Jo Kadlecek shows readers how the disciples who saw Jesus after his death were changed from sometimes bumbling scaredy-cats to pillars of the Christian faith. She invites readers to experience their own transformation in every part of life--relationships, jobs, finances, family, and more--as they come to a new understanding and appreciation of the basis of the faith: the bodily resurrection of Jesus Christ. **The Good and Beautiful You Discovering the Person Jesus Created You to Be** *InterVarsity Press* Christian faith is about more than belief and practices; it is also about the kind of people we become. The fourth book in the *The Good and Beautiful* series addresses the self-narratives that hinder spiritual growth, reminding us how Scripture reveals the beauty and goodness of our own souls and serving as a welcome companion on your journey to discover who you truly are in Christ. **Grace in Practice A Theology of Everyday Life** *Wm. B. Eerdmans Publishing* Grace in Practice is a challenging call to live life under grace -- a concept most Christians secretly have trouble with. Paul Zahl pulls no punches, contending that no matter how often we talk about salvation by grace, in our "can-do" society we often cling instead to a righteousness of works. Asserting throughout that grace always trumps both law and church, Zahl illuminates an expansive view of grace in everything, extending the good news of grace to all creation. Conversationally written and filled with fascinating insights, *Grace in Practice* will reward any Christian who seeks to understand the full measure of God's grace and the total freedom it offers. **Rhythms of Grace How the Church's Worship Tells the Story of the Gospel** *Crossway* Is it singing? A church service? All of life? Helping Christians think more theologically about the nature of true worship, *Rhythms of Grace* shows how the gospel is all about worship and worship is all about the gospel. Mike Cosper ultimately answers the question: What is worship? **Room of Marvels A Story About Heaven that Heals the Heart** *InterVarsity Press* Three deaths in three years. His mother. His best friend. And now, his two-year-old daughter. Along the way he introduces us to new spiritual practices that will provide the sustenance we need for the deepest, most joy-filled journey of our lives—the journey into the heart of God. **Pastor Paul (Theological Explorations for the Church Catholic) Nurturing a Culture of Christoformity in the Church** *Brazos Press* Being a pastor is a complicated calling. Pastors are often pulled in multiple directions and must "become all things to all people" (1 Cor. 9:22). What does the New Testament say (or not say) about the pastoral calling? And what can we learn about it from the apostle Paul? According to popular New Testament scholar Scot McKnight, pastoring must begin first and foremost with spiritual formation, which plays a vital role in the life and ministry of the pastor. As leaders, pastors both create and nurture culture in a church. The biblical vision for that culture is Christoformity, or Christlikeness. Grounding pastoral ministry in the pastoral praxis of the apostle Paul, McKnight shows that nurturing Christoformity was at the heart of the Pauline mission. The pastor's central calling, then, is to mediate Christ in everything. McKnight explores seven dimensions that illustrate this concept--friendship, siblings, generosity, storytelling, witness, subverting the world, and wisdom--as he calls pastors to be conformed to Christ and to nurture a culture of Christoformity in their churches. **The Theology of Dallas Willard Discovering Protoevangelical Faith** *Wipf and Stock Publishers* Evangelical Christianity in the United States is currently in a dramatic state of change. Yet amidst this sometimes tumultuous religious environment a rather unique blend of both ancient and contemporary Christian theology has found its way into the hearts and minds of emerging generations of Christians. The Theology of Dallas Willard both describes and conveys the essence of this increasingly popular and perhaps mediating view of the gospel of Jesus Christ. Blending both a prophetic critique with pastoral encouragement, Willard's unique understanding of the reality present within a life lived as a disciple of Jesus in the kingdom of God is attracting both new and traditional Christians to reconsider their faith. **Crossing Cultures with Jesus Sharing Good News with Sensitivity and Grace** *InterVarsity Press* You can be a missionary by crossing an ocean or by crossing the street. Filled with compelling stories, practical resources and relational tools, this guide from veteran crosscultural minister Katie Rawson shows how we can witness the way Jesus did, entering into people's worlds and drawing them into God-centered community. **Spiritual Disciplines Handbook Practices That Transform Us** *InterVarsity Press* Adele Calhoun's *Spiritual Disciplines Handbook* has become a standard for those who want to expand their knowledge of spiritual practices. John A 12-Week Study *Crossway* The Knowing the Bible series is a new resource designed to help Bible readers better understand and apply God's Word. Each 12-week study leads participants through one book of the Bible and is made up of four basic components: (1) Reflection questions designed to help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlighting the gospel of grace throughout the book; (3) "Whole-Bible Connections" showing how any given passage connects to the Bible's overarching story of redemption culminating in Christ; and (4) "Theological Soundings" identifying how historic

orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. In this study of John's Gospel, pastor and author Justin Buzzard helps readers understand the most theologically and philosophically profound account of Jesus's life, death, and resurrection in the New Testament. From revealing his cosmic identity as being with the Father "in the beginning," to recounting the many miraculous signs attesting to his divinity, Buzzard illuminates John's unmatched portrait of Jesus Christ, the unique Son of God, sent from heaven to save all who would turn to him. This insightful guide encourages Christians to worship Christ as Lord and follow him on mission to the world. **Longing for Revival From Holy Discontent to Breakthrough Faith** *InterVarsity Press* Revival begins with God, but it's lived out through us. James Chung and Ryan Pfeiffer have seen revival in their own ministries, with remarkable transformation in both individuals and communities. These 12-week studies lead participants through books of the Bible and are made up of four basic components: (1) Reflection questions help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlight the gospel of grace throughout each book; (3) "Whole-Bible Connections" show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4) "Theological Soundings" identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. The Gospel of Luke is the most thorough historical account of the birth, life, death, and resurrection of Jesus Christ. But Luke's book is more than just history; it's also a rich source of life-giving theology, revealing Jesus's identity as Israel's long-awaited Messiah and the Savior of the world. In this study, New Testament scholar Jimmy Agan III walks readers through Luke's Gospel, helping Christians see that Jesus is not simply a great teacher but the great Savior. **Celebration of Discipline The Path to Spiritual Growth** *Zondervan* In the twenty years since its publication, Celebration of Discipline has helped over a million seekers discover a richer spiritual life infused with joy, peace, and a deeper understanding of God. For this special twentieth anniversary edition, Richard J. Foster has added an introduction, in which he shares the story of how this beloved and enduring spiritual guidebook came to be. Hailed by many as the best modern book on Christian spirituality, Celebration of Discipline explores the "classic Disciplines," or central spiritual practices, of the Christian faith. Along the way, Foster shows that it is only by and through these practices that the true path to spiritual growth can be found. Dividing the Disciplines into three movements of the Spirit, Foster shows how each of these areas contribute to a balanced spiritual life. The inward Disciplines of meditation, prayer, fasting, and study, offer avenues of personal examination and change. The outward Disciplines of simplicity, solitude, submission, and service, help prepare us

to make the world a better place. The corporate Disciplines of confession, worship, guidance, and celebration, bring us nearer to one another and to God. Foster provides a wealth of examples demonstrating how these Disciplines can become part of our daily activities-and how they can help us shed our superficial habits and "bring the abundance of God into our lives." He offers crucial new insights on simplicity, demonstrating how the biblical view of simplicity, properly understood and applied, brings joy and balance to our inward and outward lives and "sets us free to enjoy the provision of God as a gift that can be shared with others." The discussion of celebration, often the most neglected of the Disciplines, shows its critical importance, for it stands at the heart of the way to Christ. Celebration of Discipline will help motivate Christians everywhere to embark on a journey of prayer and spiritual growth. **Faith Journey** *Xulon Press* Advance praise for Faith Journey "Good pastors are recognizing that the task for forming people in faith has a new urgency in our time. Preaching to people who are not learning about the faith and being formed in discipleship can devolve into entertaining an audience instead of edifying a congregation of the faithful. In this book, Doug Hood provides welcome help in this important ministry of weaving into the fabric of people's lives the basic pattern of the Christian faith - a wise and worthy guide for pastors and lay people." - From the Forward by Thomas G. Long, author of *The Witness of Preaching* and Bandy Professor of Preaching, Candler School of Theology, Emory University "Doug Hood leads us into a wonderfully accessible approach to a deeply engaging experience of growth in discipleship. By offering the interplay of readings, reflections, spiritual exercises and questions he leads the reader into the life changing journey of growing in Christlikeness and what it is to be loved by Christ and loving others in Christ's name. It is a superb guide for personal study, small groups and classes." - E. Stanley Ott, Ph.D. President of the Vital Churches Institute. "As pastors and church leaders, we want more for the spiritual life of our parishioners than an emotional high or intellectual stimulation. We want our people to know God. Doug Hood has developed an understandable and highly accessible resource for congregations. Using time-tested spiritual disciplines, Faith Journey encourages church members to be receptive to what God is doing in their lives." - James Hodsdon, Senior Minister of the Ardmore Presbyterian Church, Ardmore, PA. Now bestselling author Randy Alcorn offers a simple two-point checklist for Christlikeness based on John 1:14. The test consists of balancing grace and truth, equally and unapologetically. Grace without truth deceives people, and ceases to be grace. Truth without grace crushes people, and ceases to be truth. Alcorn shows the reader how to show the world Jesus -- offering grace instead of the world's apathy and tolerance, offering truth instead of the world's relativism and deception. Grace or Truth...or Both? Truth without grace breeds self-righteousness and crushing legalism. Grace without truth breeds deception and moral compromise. Is it possible to embrace both in balance? Jesus did. Randy Alcorn offers a simple yet profound two-point checklist of Christlikeness. "In the end," says Alcorn, "we don't need grace or truth. We need grace and truth. And for people to see Jesus in us, they must see both." **Pre-Incident Indicators of Terrorist Incidents The Identification of Behavioral, Geographic and Temporal Patterns of Preparatory Conduct** *DIANE Publishing* This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Smith shows that who and what we worship fundamentally shape our hearts. And while we desire to shape culture, we are not often aware of how culture shapes us. We might not realize the ways our hearts are being taught to love rival gods instead of the One for whom we were made. Smith helps readers recognize the formative power of culture and the transformative possibilities of Christian practices. He explains that worship is the "imagination station" that incubates our loves and longings so that our cultural endeavors are indexed toward God and his kingdom. This is why the church and worshipping in a local community of believers should

be the hub and heart of Christian formation and discipleship. Following the publication of his influential work *Desiring the Kingdom*, Smith received numerous requests from pastors and leaders for a more accessible version of that book's content. No mere abridgment, this new book draws on years of Smith's popular presentations on the ideas in *Desiring the Kingdom* to offer a fresh, bottom-up rearticulation. The author creatively uses film, literature, and music illustrations to engage readers and includes new material on marriage, family, youth ministry, and faith and work. He also suggests individual and communal practices for shaping the Christian life. **Glittering Vices A New Look at the Seven Deadly Sins and Their Remedies** Brazos Press Drawing on centuries of wisdom from the Christian ethical tradition, this book takes readers on a journey of self-examination, exploring why our hearts are captivated by glittery but false substitutes for true human goodness and happiness. The first edition sold 35,000 copies and was a C. S. Lewis Book Prize award winner. Now updated and revised throughout, the second edition includes a new chapter on grace and growth through the spiritual disciplines. Questions for discussion and study are included at the end of each chapter. **Letters to Young Scholars, Second Edition An Introduction to Christian Thought** Wipf and Stock Publishers Letters to Young Scholars is designed primarily for college students, advanced high school students, and church and parachurch study groups on spiritual development. As a college text, the book introduces beginning students to the general education (or liberal arts) portion of a Christian college education. It gives major emphasis to the humanities and social science disciplines, the integration of the Christian faith with those disciplines, and the application of Christian thought to daily living (applied Christianity). It seeks to challenge the students to become broader in perspective and appreciation, more compassionate toward all of God's creatures, and more confident and committed as they develop their worldviews and personal values. **Colossians and Philemon A 12-Week Study** Crossway The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word. The books of Colossians and Philemon complement each other as two New Testament texts that gloriously display the gospel and its implications for how God's people should live today. Written around the same time, both letters resonate with the apostle Paul's overriding passion to magnify Jesus Christ as the supreme manifestation of God's redemptive purposes. **Ruth and Esther A 12-Week Study** Crossway The books of Ruth and Esther recount two of the most memorable stories in all of Scripture: Ruth, a displaced widow in search of a new home and loving husband, and Esther, a courageous queen intent on saving her people from imminent destruction.
