
Read Book Soldiers Good The

Recognizing the pretension ways to get this ebook **Soldiers Good The** is additionally useful. You have remained in right site to begin getting this info. acquire the Soldiers Good The member that we present here and check out the link.

You could purchase lead Soldiers Good The or acquire it as soon as feasible. You could quickly download this Soldiers Good The after getting deal. So, similar to you require the book swiftly, you can straight get it. Its as a result no question simple and in view of that fats, isnt it? You have to favor to in this atmosphere

KEY=GOOD - MARISSA NELSON

The Good Soldier Wildside Press LLC The Good Soldier is considered Ford's masterpiece. This tale of adultery and deceit centers around two couples, Edward and Leonora Ashburnham, and their American friends, John and Florence Dowell. John Dowell narrates the events of Florence's affair with Edward, the "good soldier," and her subsequent suicide. Through Dowell's confused and perhaps unreliable narrative, Ford attempted to recreate real thoughts. This literary technique was a forerunner to literary techniques employed by such later writers as Samuel Beckett and J.M. Coetzee. Ford Madox Ford (Ford Madox Hueffer) was born in 1873. He was a novelist, poet, literary critic, editor, and one of the founding fathers of English Modernism. He published over eighty books, including two collaborations with Joseph Conrad (Inheritors in 1901 and Romance in 1903). He died in 1939. The Fateful Adventures of the Good Soldier Švejk During the World War, Book Two Good Soldier Švejk A picaresque series of tales about an ordinary man's successful quest to survive, and a funny but unrelentingly savage assault on the very idea of bureaucratic officialdom as a human enterprise conferring benefits on those who live under its control, and on the various justifications bureaucracies offer for their own existence. The Good Soldiers Sarah Crichton Books It was the last-chance moment of the war. In January 2007, President George W. Bush announced a new strategy for Iraq. He called it the surge. "Many listening tonight will ask why this effort will succeed when previous operations to secure Baghdad did not. Well, here are the differences," he told a skeptical nation. Among those listening were the young, optimistic army infantry soldiers of the 2-16, the battalion nicknamed the Rangers. About to head to a vicious area of Baghdad, they decided the difference would be them. Fifteen months later, the soldiers returned home forever changed. Pulitzer Prize-winning Washington Post reporter David Finkel was with them in Bagdad, and almost every grueling step of the way. What was the true story of the surge? And was it really a success? Those are the questions he grapples with in his remarkable report from the front lines. Combining the action of Mark Bowden's Black Hawk Down with the literary brio of Tim O'Brien's The Things They Carried, The Good Soldiers is an unforgettable work of reportage. And in telling the story of these good soldiers, the heroes and the ruined, David Finkel has also produced an eternal tale—not just of the Iraq War, but of all wars, for all time. The Good Soldiers Atlantic This is an account of one American platoon's tour of duty in Baghdad. It is a searing and shattering portrait of the face of modern warfare. Lone Star Confederate A Gallant and Good Soldier of the 5th Texas Infantry Texas A&M University Press Only eighteen when he marched off fight with the famed Hood's Texas Brigade, Confederate Robert Campbell possessed the keen eye of a seasoned journalist and recorded the first months of his service. Now Skoch and Perkins bring his eyewitness accounts to the public We Were Soldiers Once . . . and Young la Drang—The Battle That Changed the War in Vietnam Open Road Media New York Times Bestseller: A "powerful and epic story . . . the best account of infantry combat I have ever read" (Col. David Hackworth, author of About Face). In November 1965, some 450 men of the First Battalion, Seventh Cavalry, under the command of Lt. Col. Harold Moore, were dropped into a small clearing in the Ia Drang Valley. They were immediately surrounded by 2,000 North Vietnamese soldiers. Three days later, only two and a half miles away, a sister battalion was brutally slaughtered. Together, these actions at the landing zones X-Ray and Albany constituted one of the most savage and significant battles of the Vietnam War. They were the first major engagements between the US Army and the People's Army of Vietnam. How these Americans persevered—sacrificing themselves for their comrades and never giving up—creates a vivid portrait of war at its most devastating and inspiring. Lt. Gen. Moore and Joseph L. Galloway—the only journalist on the ground throughout the fighting—interviewed hundreds of men who fought in the battle, including the North Vietnamese commanders. Their poignant account rises above the ordeal it chronicles to depict men facing the ultimate challenge, dealing with it in ways they would have once found unimaginable. It reveals to us, as rarely before, man's most heroic and horrendous endeavor. The Good Soldier, Schweik Brave Deeds of Union Soldiers Good Press "Brave Deeds of Union Soldiers" by Samuel Scoville. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format. 'They Were Good Soldiers' African-Americans Serving in the Continental Army, 1775-1783 Reason to Revolution The role of African-Americans, most free but some enslaved, in the regiments of the Continental Army is not well-known; neither is the fact that relatively large numbers served in southern regiments and that the greatest number served alongside their white comrades in integrated units. They Were Good Soldiers begins by discussing, for comparison, the inclusion and treatment of black Americans by the various Crown forces (particularly British and Loyalist commanders, and military units). The narrative then moves into an overview of black soldiers in the Continental Army, before examining their service state by state. Each state chapter looks first at the Continental regiments in that state's contingent throughout the war, and then adds interesting black soldiers' pension narratives or portions thereof. The premise is to introduce the reader to the men's wartime duties and experiences. The book's concluding chapters examine veterans' postwar fortunes in a changing society and the effect of increasing racial bias in the late eighteenth and early nineteenth centuries. They Were Good Soldiers makes extensive use of black veterans' pension narratives to 'hear' them and others tell their stories, and provides insights into their lives, before, during, and after the war. "Shiloh" as Seen by a Private Soldier With Some Personal Reminiscences Good Press ""Shiloh" as Seen by a Private Soldier" by Warren Olney. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format. The Winter Soldier Little, Brown Winner of the Northern California Book AwardA New York Times Editors' Choice PickA Washington Post Notable Book of 2018A San Francisco Chronicle Best Book of 2018An NPR Best Book of 2018 National Bestseller "The Winter Soldier brims with improbable narrative pleasures...These pages crackle with excitement... A spectacular success." --Anthony Marra, New York Times Book Review "A dream of a novel... Part mystery, part war story, part romance." --Anthony Doerr, author of All the Light We Cannot See Vienna, 1914. Lucius is a twenty-two-year-old medical student when World War I explodes across Europe. Enraptured by romantic tales of battlefield surgery, he enlists, expecting a position at a well-organized field hospital. But when he arrives, at a commandeered church tucked away high in a remote valley of the Carpathian Mountains, he finds a freezing outpost ravaged by typhus. The other doctors have fled, and only a single, mysterious nurse named Sister Margarete remains. But Lucius has never lifted a surgeon's scalpel. And as the war rages across the winter landscape, he finds himself falling in love with the woman from whom he must learn a brutal, makeshift medicine. Then one day, an unconscious soldier is brought in from the snow, his uniform stuffed with strange drawings. He seems beyond rescue, until Lucius makes a fateful decision that will change the lives of doctor, patient, and nurse forever. From the gilded ballrooms of Imperial Vienna to the frozen forests of the Eastern Front; from hardscrabble operating rooms to battlefields thundering with Cossack cavalry, The Winter Soldier is the story of war and medicine, of family, of finding love in the sweeping tides of history, and finally, of the mistakes we make, and the precious opportunities to atone. A Simple Soldier AuthorHouse The Good Soldier Createspace Independent Publishing Platform The Good Soldier is narrated by the character John Dowell, half of one of the couples whose dissolving relationships form the subject of the novel. Dowell tells the stories of those dissolutions as well as the deaths of three characters and the madness of a fourth, in a rambling, non-chronological fashion that leaves gaps for the reader to fill. The "plot" is not then the real story; the reader is asked to consider whether they believe Dowell and what part he truly played in how this "saddest story ever told" actually plays out. The Good Occupation Harvard University Press Waged for a just cause, World War II was America's good war. Yet for millions of GIs, the war did not end with the enemy's surrender. From letters, diaries, and memoirs, Susan Carruthers chronicles the intimate thoughts and feelings of ordinary servicemen and women whose difficult mission was to rebuild nations they had recently worked to destroy. Good Little Soldiers A Memoir of True Horror Createspace Independent Publishing Platform During WWII, Lithuanian collaborator Silvestras Griekshell had been plucked from a Nazi death camp and sent on covert missions by his Allied handlers. Now during the Cold War, he'd been redeployed as Steve Griggs, a nondescript American husband and father of four serving stateside as a cook in the U.S. Army. Though still doing black-bag jobs on the side, this dangerous, volatile man was consumed by an insatiable appetite for sadistic violence and psychological torture. And now, his obsessions involved his own children. Our story begins just as Griggs and his lovely wife place Dianne and Steven in a secret multigenerational program for experimentation, study and training with psychedelic enhancement. With each episode the brave boy and his clever sister survive, we come to appreciate how they have managed to prevail, and like Hansel & Gretel, emerge from this matrix of horror, triumphant and transformed. SONDRALONDON has published confessions of serial killers and researched some of the most depraved criminal minds of our time. After twenty-four years of studying the real-life monsters in cages where Murder Road comes to a dead end, Sondra declares that nothing in the true-crime genre compares to this vivid and intimate account of surviving mortal terror at the hands of the unindicted murderer SILVESTRAS. Alone In Vietnam Robert B Boyd Jr The Good Son: a Story from the First World War, Told in Miniature Candlewick Studio A young WWI soldier's unauthorized visit home has dire consequences in a haunting story reimagined in miniature tableaux. About one hundred years ago, the whole world went to war. The war was supposed to last months. It lasted years. It is Christmastime, 1914, and World War I rages. A young French soldier named Pierre had quietly left his regiment to visit his family for two days, and when he returned, he was imprisoned. Now he faces execution for desertion, and as he waits in isolation, he meditates on big questions: the nature of patriotism, the horrors of war, the joys of friendship, the love of family, and how even in times of danger, there is a whole world inside every one of us. And how sometimes that world is the only refuge. Its publication coinciding with the centennial of the signing of the Treaty of Versailles, this moving and sparsely narrated story, based on true events, is reenacted in fascinating miniature scenes that convey the emotional complexity of the tale. Notes from the creators explore the innovative process and their personal connection to the story. Hal Moore A Soldier Once . . . And Always Open Road Media The definitive biography of Harold G. Moore, hero of the Vietnam War and author of the bestselling memoir of the battle at Ia Drang. Hal Moore, one of the most admired American combat leaders of the last

fifty years, has until now been best known to the public for being portrayed by Mel Gibson in the movie *We Were Soldiers*. In this first-ever, fully illustrated biography, we finally learn the full story of one of America's true military heroes. A 1945 graduate of West Point, Moore's first combats occurred during the Korean War, where he fought in the battles of Old Baldy, T-Bone, and Pork Chop Hill. At the beginning of the Vietnam War, Moore commanded the 1st Battalion of the 7th Cavalry in the first full-fledged battle between US and North Vietnamese regulars. Drastically outnumbered and nearly overrun, Moore led from the front, and though losing seventy-nine soldiers, accounted for 1,200 of the enemy before the Communists withdrew. This Battle of Ia Drang pioneered the use of "air mobile infantry"—delivering troops into battle via helicopter—which became the staple of US operations for the remainder of the war. He later wrote of his experiences in the bestselling book *We Were Soldiers Once . . . and Young*. Following his tour in Vietnam, he assumed command of the 7th Infantry Division, forward-stationed in South Korea, and in 1971, he took command of the Army Training Center at Fort Ord, California. In this capacity, he oversaw the US Army's transition from a conscript-based to an all-volunteer force. He retired as a lieutenant general in 1977. Hal Moore graciously allowed the author interviews and granted full access to his files and collection of letters, documents, and never-before-published photographs. *War! What is it Good For? Black Freedom Struggles and the U.S. Military from World War II to Iraq* Univ of North Carolina Press Examines how African Americans' participation in the nation's wars after President Truman's order to intergrate the military, and their protracted struggles for equal citizenship, galvanized the antiwar activism that reshaped their struggles for freedom. *The Life of Johnny Reb: The Common Soldier of the Confederacy* LSU Press In this companion to *The Life of Johnny Reb*, Bell Irvin Wiley explores the daily lives of the men in blue who fought to save the Union. With the help of many soldiers' letters and diaries, Wiley explains who these men were and why they fought, how they reacted to combat and the strain of prolonged conflict, and what they thought about the land and the people of Dixie. This fascinating social history reveals that while the Yanks and the Rebs fought for very different causes, the men on both sides were very much the same. "This wonderfully interesting book is the finest memorial the Union soldier is ever likely to have.... [Wiley] has written about the Northern troops with an admirable objectivity, with sympathy and understanding and profound respect for their fighting abilities. He has also written about them with fabulous learning and considerable pace and humor. *A Soldier's Duty* Penguin Ia is a precog, tormented by visions of the future where her home galaxy has been devastated. To prevent this vision from coming true, Ia enlists in the Terran United Planets military with a plan to become a soldier who will inspire generations for the next three hundred years—a soldier history will call *Bloody Mary*. *Monument to Healing: Two Soldiers and the Good Death, 1862* 1914 Hillhelen Group LLC Private James Coble, a Confederate soldier, died alone on a dark, cold night during a skirmish with Union troops. He fell beside a railroad trestle in South Madison County, near Jackson, Tenn., on Dec. 19, 1862 during the Civil War. With this military action long forgotten, in March 1914, a Union captain named David Harts Sr., formerly of the 106th Illinois Infantry, wrote a letter on his deathbed to *The Jackson Sun* expressing hope that someone in Jackson might search for the soldier's body which had been given a hasty burial. The captain hoped to bring comfort to the soldier's family and to assure them that the young husband and father had died the "Good Death," an honorable death in war. The 106th Illinois Infantry's first duty assignment was to protect the Mobile & Ohio Railroad, which traversed Tennessee between Columbus, Kentucky, and Corinth, Mississippi, running through Union City, Humboldt, and Jackson. President Abraham Lincoln well understood the importance of controlling the railroads. The United States Congress authorized Lincoln to seize control of the railroads and telegraph for military use in January 1862 and established the U.S. Military Railroad (USMRR) as a separate agency to operate any rail lines seized. Gen. Nathan Bedford Forrest posed a very real threat to Union-controlled railroads. Private Coble died helping Forrest in his successful "Christmas Raid" on Union supply lines. The Christmas Raid has passed into legend as an example of "lightning" warfare, based upon improvisation and willingness to take calculated risks. Since the soldier fought for Forrest's partisan Southern cavalry, Harts' action exemplifies Christian redemption and reconciliation between North and South. Not only was Private Coble's body found and buried, a monument was erected in the field where his remains were located. In 2015, author Charles Cox, M.D., descendant of Private James Coble, moved the remains from that lonely site to Salem Cemetery in Madison County on the Civil War Trail where his sacrifice is honored. Dr. Charles Cox, author, has created a trust so that proceeds from "Monument to Healing," will go to historic preservation. "The story of Private Coble and the Coble monument is one of the most compelling tales of the Civil War, both in what it tells us about the little battles and skirmishes that defined the conflict across Tennessee but also in what it tells us about the efforts toward reconciliation and commemoration in the early 20th century South," writes Dr. Carroll Van West, Tennessee State Historian. "Dr. Charles Cox's accounting of these significant stories make for required reading for those who enjoy Tennessee history and Civil War history." *A Soldier's Quartet* Shawline Publishing Group CONRAD BENTLEY ENJOYS HIS RETIREMENT. By chance, he comes across a letter from WWI - a German father writes about his grief of losing a son to war - buried by his three comrades near a small French village. The letter resonates with Conrad and he commits to researching its backstory. Months later, Conrad makes contact with the fallen soldier's family. He falls deeper into their history and other untold stories from this era, including the fate of young Tasmanian soldiers who also fought on the Western Front. *A Soldier's Quartet* is inspired by true events, a story of perseverance and happenstance that transcends time and reaches across continents. It presents the human faces behind uniforms and battle plans, conveys love and hope set against various landscapes. Conrad's discovery of the letter brings the past into the present as he reflects on his own life and loss. *Thank You for Your Service* Sarah Crichton Books Now a Major Motion Picture Directed by American Sniper Writer Jason Hall and Starring Miles Teller The wars of the past decade have been covered by brave and talented reporters, but none has reckoned with the psychology of these wars as intimately as the Pulitzer Prize-winning journalist David Finkel. For *The Good Soldiers*, his bestselling account from the front lines of Baghdad, Finkel embedded with the men of the 2-16 Infantry Battalion during the infamous "surge," a grueling fifteen-month tour that changed them all forever. In Finkel's hands, readers can feel what these young men were experiencing, and his harrowing story instantly became a classic in the literature of modern war. In *Thank You for Your Service*, Finkel has done something even more extraordinary. Once again, he has embedded with some of the men of the 2-16—but this time he has done it at home, here in the States, after their deployments have ended. He is with them in their most intimate, painful, and hopeful moments as they try to recover, and in doing so, he creates an indelible, essential portrait of what life after war is like—not just for these soldiers, but for their wives, widows, children, and friends, and for the professionals who are truly trying, and to a great degree failing, to undo the damage that has been done. The story Finkel tells is mesmerizing, impossible to put down. With his unparalleled ability to report a story, he climbs into the hearts and minds of those he writes about. *Thank You for Your Service* is an act of understanding, and it offers a more complete picture than we have ever had of these two essential questions: When we ask young men and women to go to war, what are we asking of them? And when they return, what are we thanking them for? One of Publishers Weekly's Best Nonfiction Books of 2013 One of The Washington Post's Top 10 Books of the Year A New York Times Notable Book of 2013 An NPR Best Book of 2013 A Kirkus Reviews Best Nonfiction Book of 2013 Ulysses S. Grant - The Great Soldier of America Smith Press PREFACE. THE Author of this very practical treatise on *Scotch Loch - Fishing* desires clearly that it may be of use to all who had it. He does not pretend to have written anything new, but to have attempted to put what he has to say in as readable a form as possible. Everything in the way of the history and habits of fish has been studiously avoided, and technicalities have been used as sparingly as possible. The writing of this book has afforded him pleasure in his leisure moments, and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general. This section is interleaved with blank sheets for the readers notes. The Author need hardly say that any suggestions addressed to the case of the publishers, will meet with consideration in a future edition. We do not pretend to write or enlarge upon a new subject. Much has been said and written-and well said and written too on the art of fishing but loch-fishing has been rather looked upon as a second-rate performance, and to dispel this idea is one of the objects for which this present treatise has been written. Far be it from us to say anything against fishing, lawfully practised in any form but many pent up in our large towns will bear us out when me say that, on the whole, a days loch-fishing is the most convenient. One great matter is, that the loch-fisher is depend- ent on nothing but enough wind to curl the water, -and on a large loch it is very seldom that a dead calm prevails all day, -and can make his arrangements for a day, weeks beforehand whereas the stream- fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river, it is quite another matter to arrange for a days river-fishing, if one is looking forward to a holiday at a date some weeks ahead. Providence may favour the expectant angler with a good day, and the water in order but experience has taught most of us that the good days are in the minority, and that, as is the case with our rapid running streams, -such as many of our northern streams are, -the water is either too large or too small, unless, as previously remarked, you live near at hand, and can catch it at its best. A common belief in regard to loch-fishing is, that the tyro and the experienced angler have nearly the same chance in fishing, -the one from the stern and the other from the bow of the same boat. Of all the absurd beliefs as to loch-fishing, this is one of the most absurd. Try it. Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy, or even a cast similar to those which a crack may be using and if he catches one for every three the other has, he may consider himself very lucky. Of course there are lochs where the fish are not abundant, and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught, and where each has a fair chance. Again, it is said that the boatman has as much to do with catching trout in a loch as the angler. Well, we dont deny that. In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream-fishing... *Good Soldiers*, and other addresses A Good Soldier Createspace Independent Publishing Platform An emotionally riveting memoir, *A Good Soldier* perfectly captures the isolation and pain that can come from having a loved one with a mental illness. When Ally Golden heads off to college, she breathes a sigh of relief; she is ready to discover herself, independent of her mother. However, this newfound freedom and several failed attempts at intimacy soon leave Golden feeling adrift. But even as she withdraws from the world, Golden feels an all-powerful emotional connection to the woman who raised her. Moving into adulthood, Golden tries to envision a future in which she can begin her own family-as the mental decline of her mother reaches its lowest point. Will Golden be able to heal her relationship with her mother before it's too late? Golden's raw honesty and stunning emotional insights will comfort anyone who has been on the chaotic and unpredictable journey with a mentally ill friend or family member. *Good Soldier: The Biography of Douglas Haig* Atlantic Books A balanced look at one of the most controversial commanders of World War I, using interviews with his son and new archival material to shed light onto an intensely private manPosterity has not been kind to Douglas Haig, the commander of the British Expeditionary Force on the Western Front for much of World War I. Haig has frequently been presented as a commander who sent his troops to slaughter in vast numbers at the Somme in 1916 and at Passchendaele the following year. This account reexamines Haig's record in these battles and presents his predicament with a fresh eye. More importantly, it reevaluates Haig himself, exploring the nature of the man, turning to both his early life and army career before 1914, as well as his unstinting work on behalf of ex-servicemen's organizations after 1918. Finally, in this definitive biography, the man emerges from the myth. *Horse Soldiers* Simon and Schuster A Simon & Schuster eBook. Simon & Schuster has a great book for every reader. *The Christian Soldier. Good News from Calcutta and St. Helena; Or, Soldiers Pressing Into the Ranks of the Leader and Great Commander of the People. Being the Substance of a Letter [signed, J. N.], Etc* The Good Soldier Svejek Penguin Books Limited 'Listen, vejek, are you really God's prize oaf?' 'Humbly report, sir, ' vejek answered solemnly. 'I am!' Drunkard, malingerer, oaf and possible genius - the story of Czech soldier Svejek and his misadventures in the First World War is one of the most hilarious and subversive satires on war ever written. A new series of twenty distinctive, unforgettable Penguin Classics in a beautiful new design and pocket-sized format, with coloured jackets echoing Penguin's original covers." *More Songs by the Fighting Men - Soldiers Poets: Second Series* Good Press "More Songs by the Fighting Men - Soldiers Poets: Second Series" by Galloway Kyle. forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format. 'A Good Soldier of Jesus Christ.' A sermon, etc Night Soldiers A Novel Random House Bulgaria, 1934. A young man is murdered by the local fascists. His brother, Khristo Stoianev, is recruited into the NKVD, the Soviet secret intelligence service, and sent to Spain to serve in its civil war. Warned that he is about to become a victim of Stalin's purges, Khristo flees to Paris. Night Soldiers masterfully re-creates the European world of 1934-45: the struggle between Nazi Germany and Soviet Russia for Eastern Europe, the last desperate gaiety of the beau monde in 1937 Paris, and guerrilla operations with the French underground in 1944. Night Soldiers is a scrupulously researched panoramic novel, a work on a grand scale. The "Good Soldier" on Trial A Sociological Study of Misconduct by the US Military Pertaining to Operation Iron Triangle, Iraq Algora Publishing Sequel to: Rules of engagement?: a social anatomy of an American war crime in Iraq: Operation Iron Triangle. c2008. Soldiers Made Me Look Good A Life in the Shadow of War Douglas & McIntyre A riveting follow-up to the best-selling Peacekeeper, including MacKenzie's provocative views on leadership and the current state of the Canadian Armed Forces. Since retiring from the Armed Forces, Lewis MacKenzie has not stayed out of the spotlight but continues to speak his mind. In this straight-talking memoir, he traces his post-military career as an international commentator on military affairs, a consultant to the Irish government and a federal political candidate. And here, he answers his critics, including journalist Carol Off for her criticism of his handling of the UN mission in Bosnia. In a hard-hitting chapter, he discusses his professional disagreement with the leadership priorities demonstrated by Roméo Dallaire in the early hours of the Rwandan genocide. He continues his story to the present, to "the first real litmus test for nato" -- Afghanistan. Divided into two parts -- pre-1993, when MacKenzie calls himself a Cold War grunt, and post-1993, after his controversial stint in Bosnia -- Soldiers Made Me Look Good is laced with anecdotes both funny and profound. It concludes with ten pointers on leadership, in which Lewis MacKenzie shares hard-earned insights from a life on the front lines. A Good Soldier. A sermon [on 2 Tim. ii. 3] preached on occasion of the death of Major-General Sir H. Havelock The Good Soldier A Memoir of Major-General Sir Henry Havelock, of Lucknow, Bart., K.C.B.; His Military Career, Campaigns, Engagements, and Victories; His Domestic, Social, and Religious Character The Liberator One World War II Soldier's 500-Day Odyssey from the Beaches of Sicily to the Gates of Dachau Traces the achievements of the World War II regiments under Felix Sparks, documenting their clashes with Hitler's elite troops in Sicily and Alerno and their heroic liberation of the Dachau concentration camp. By the best-selling author of The Bedford Boys. 60,000 first printing. Soldiers' Adjusted Compensation
