#### **DON'T ART, FASHION, MUSIC: CHICKS ON SPEED**

---

*Booth-Clibborn* Chicks on Speed are known globally for their hybrid and chaotic aesthetic, applying a punk-inspired DIY ethic to blur the lines between art, craft, fashion and music. This book highlights the pitfalls of defining their practice or attempting to freeze the meaning of their work. Structured around the 'Chicks on Speed: Dont art fashion music' performance, first staged at Dundee Contemporary Arts in June 2010, it contains contributions from Stewart Home, and Glenn Adamson, with images of the world's first high-heeled shoe guitars, created in collaboration with the award-winning shoe designer Max Kibardin.

---

#### **TECHNOLOGIES OF POPFEMINIST ACTIVISM**

---

*McGill-Queen's Press - MQUP* The increased use of digital tools for political activism has triggered heated debates about the effectiveness of digital campaigns for political change and feminist causes. While technology's immediacy and transnational reach have broadened the potential impact of activism, it has, at the same time, complicated the goals, materiality, and consumption of feminist actions. In *Awkward Politics*, Carrie Smith-Prei and Maria Stehle suggest that awkwardness offers a means of engaging with twenty-first century feminist activism by accounting for the uncertainty of popfeminist moments and movements, its sometimes illegible meanings, affects, and aesthetics. By investigating transnational media ranging from popfeminist performance art, music, street activism, blogs, and hashtags to literature, film, academic theory, and protests, the authors demonstrate that viewing activist art through the lens of awkwardness can yield a nuanced critique. By developing awkwardness into a theoretical tool for intervention, a key concept of feminist politics, and a moving target, this innovative study dramatically alters the ways in which we approach activism, its forms, movements, and effects. It also suggests a broad range of applicability, from social movements to the academy. Breaking new ground through the intersections of technology, consumerism, and the political in popfeminist work, *Awkward Politics* highlights the urgency of feminist politics and activism.

#### **EXPLORATIONS IN ART AND TECHNOLOGY**

---

*Springer* *Explorations in Art and Technology* presents the explorations in Art and Technology of the Creativity & Cognition Research Studios. The Studios were created to bring together the visions and expertise of people working at the boundaries of art and digital media. The book explores the nature of intersection and correspondence across these disciplinary boundaries, practices and conceptual frameworks through artists' illustrated contributions and studies of work in progress. These experiences are placed within the context of recent digital art history and the innovations of early pioneers.

## **THE ROUTLEDGE COMPANION TO DESIGN STUDIES**

---

*Routledge* Since the 1990s, in response to dramatic transformations in the worlds of technology and the economy, design - a once relatively definable discipline, complete with a set of sub-disciplines - has become unrecognizable. Consequently, design scholars have begun to address new issues, themes and sub-disciplines such as: sustainable design, design for well-being, empathic design, design activism, design anthropology, and many more. The Routledge Companion to Design Studies charts this new expanded spectrum and embraces the wide range of scholarship relating to design - theoretical, practice-related and historical - that has emerged over the last four decades. Comprised of forty-three newly-commissioned essays, the Companion is organized into the following six sections: Defining Design: Discipline, Process Defining Design: Objects, Spaces Designing Identities: Gender, Sexuality, Age, Nation Designing Society: Empathy, Responsibility, Consumption, the Everyday Design and Politics: Activism, Intervention, Regulation Designing the World: Globalization, Transnationalism, Translation Contributors include both established and emerging scholars and the essays offer an international scope, covering work emanating from, and relating to, design in the United Kingdom, mainland Europe, North America, Asia, Australasia and Africa. This comprehensive collection makes an original and significant contribution to the field of Design Studies.

## **PROTOTYPE**

---

---

### **DESIGN AND CRAFT IN THE 21ST CENTURY**

---

*A&C Black* **Prototype: Design and Craft in the 21st Century** is an edited collection of 13 essays by a diverse, cross-disciplinary body of international scholars and practitioners, which for the first time, brings together critical and speculative thinking on the role the prototype can, and should, play within design, craft and beyond. The range of authors and pioneers is carefully selected and purposefully diverse so as to reflect, extend and lead current debates on the subject. This book offers an alternative way to question design and craft. It also seeks to raise awareness and understanding of design and craft within disciplines where they are not traditionally referenced. This new change of mindset - which emphasises process over product - may well question the disciplinary focus of approach to solving complex problems. As Einstein suggests, if we are to make progress and resolve the problems of our time, we need to change our mindsets from the ones that created the problems in the first place.

#### POPULAR MUSIC IN POSTWAR GERMANY AT THE CROSSROADS OF THE NATIONAL AND TRANSNATIONAL

---

*Berghahn Books* For decades, Germany has been shaped and reshaped by the sounds of popular music—whether viewed as uniquely German or an ideological invader from abroad. This collected volume brings together leading figures in the field of German Studies, popular music studies, and cultural studies at large to survey the sociopolitical impact of music on conceptions of the German state and national identity, gender and sexuality, and transnational cultural production and consumption, expanding on the ways in which sounds, technologies, media practices, and exchanges of popular music provide a unique glimpse into the cultural dynamics of postwar Germany.

### REVENGE OF THE SHE-PUNKS

---

#### A FEMINIST MUSIC HISTORY FROM POLY STYRENE TO PUSSY RIOT

---

*University of Texas Press* A dazzling survey of women in punk, from the genre's inception in 1970s London to the current voices making waves around the globe. As an industry insider and pioneering post-punk musician, Vivien Goldman has an unusually well-rounded perspective on music journalism. In *Revenge of the She-Punks*, she probes four themes—identity, money, love, and protest—to explore what makes punk such a liberating art form for women. With her visceral style, Goldman blends interviews, history, and her personal experience as one of Britain's first female music writers in a book that reads like a vivid documentary of a genre defined by dismantling boundaries. A discussion of the Patti Smith song "Free Money," for example, opens with Goldman on a shopping spree with Smith. Tamar-Kali, whose name pays homage to a Hindu goddess, describes the influence of her Gullah ancestors on her music, while the late Poly Styrene's daughter reflects on why her Somali-Scots-Irish mother wrote the 1978 punk anthem "Identity," with the refrain "Identity is the crisis you can't see." Other strands feature artists from farther afield (including in Colombia and Indonesia) and genre-busting revolutionaries such as Grace Jones, who wasn't exclusively punk but clearly influenced the movement while absorbing its liberating audacity. From punk's Euro origins to its international reach, this is an exhilarating world tour. "In this witty, must-read introduction to punk music, Vivien Goldman sifts through decades of firsthand encounters with feminist musicians to identify how and where these colorful she-punks have arrived—and where they might be headed."—Tin Weymouth, *Talking Heads*, *Tom Tom Club* "Revelatory . . . [Revenge of the She-Punks] feels like an exhilarating conversation with the coolest aunt you never had, as she leaps from one passion to the next."—*Rolling Stone* "This book should restore Goldman's place in the rock-crit firmament just as she sets out to give punk's women their long-denied dues."—*The Guardian* "[Revenge of the She-Punks] doesn't just retell the story of punk with an added woman or two; it centers the relationships between gender and the genre, showing how, through the right lens, the story of punk is a story about women's ingenuity and power."—*NPR* "An engaging and politically charged exploration of women in music looking to the past, present, and future."—*Bust Magazine* "Riotously entertaining . . . A vibrant and inspiring introduction to feminist music history that invites more scholarship and music making."—*Foreword Reviews*

### NO WAVE

---

*Black Dog Pub Limited* Flashing through New York in the late 1970s, No Wave was the ultimate anti-movement. Its bands consisted of untrained artists looking to explode rock and disappear before the smoke cleared. The primary perpetrators all drew on primitivism, performance art, and the avant-garde. But they were best known for short songs and even shorter life spans. No Wave traces the history of this unique movement, from early pioneers like Suicide to Richard Hell, to hidden treasures like Red Transistor and 8-Eyed Spy, to descendents like ESG and Sonic Youth. No Wave is a comprehensive guide to a movement whose influence still resonates today.

### THE MAKING OF ART

---

*Walther Konig* These days people love art ndash; especially contemporary art, which has become a constantly growing cultural factor. Fascinated by the artists' creative milieu, the

public strives to share in its atmosphere of being something special. In a time of upheaval, this publication offers a look behind the scenes of the contemporary art world in which the triangle of artist, artwork, and viewer has long since been expanded many times over. The relationships between artist, collector, gallerist, curator, and critic frequently inform the works' very contents, and these aspects are increasingly represented in the works themselves. Many artists keep an eye on what happens in the art world and reflect the more and more lavish trade: from the creative process and the mounting of an exhibition to the rituals of the scene. English and German text.

### **I'M FRANCIE LANOO**

---

*iUniverse* Teenager Francie Lanoo is smitten with two things in life: shoes and heartthrob Berkeley Mills, who she knows is out of her league. After months of ogling him, she finally gains the confidence to befriend him. And when he, out-of-the-blue, asks what her ideal shoe would look like, she embarks on a quest to find it ... just for him. Low and behold, the stars align and Francie begins dating Berkeley--all signs indicating they're a match made in heaven. But when the opportunity presents itself for Francie to attend high school in Italy (the land of beautiful shoes), she ignores her gut, accepts Berkeley's encouragement, and says goodbye to the love of her life and the only world she's ever known. Following high school graduation, having grown accustomed to freedom and life's many adventures, Francie decides to study fashion design in New York, all the while continuing to refine the characteristics of her ongoing shoe hunt. And though Berkeley has chosen to attend college on the opposite side of the country, Francie remains hopeful that their relationship will one day resume. True love is supposed to work that way, right? Unexpectedly, tragedy strikes and flips the world upside-down, causing Francie to plunge into a tailspin, abandoning all pursuits of happiness. As time passes, she realizes that her chase for the ideal shoe was about something far more meaningful than footwear. Now only one question remains: does she have the tenacity to finish what she started and, in doing so, become the person she's meant to be? *Im FRANCIE LANOO* is a sometimes quirky, sometimes emotional coming-of-age novel expressed through the eyes of a shoe fanatic as she attempts to find herself--and true love.

#### SURVIVING GUNS, GANGS AND GLAMOUR

---

---

*Random House* Aisleyne Horgan-Wallace is the ultimate Big Brother survivor, and in *Aisleyne: Surviving Guns, Gangs and Glamour*, she reveals a shocking life story that surpasses any reality-show plotline. Her childhood journey began in a crazy punk household, where Siouxsie Sioux and Boy George were regular visitors. It shattered for the first time with the nightmare of seeing her half-naked dad dragged bleeding from the bathroom by police after a suicide attempt, and it ended when she saw her mum start a strict new life as a devout Jehovah's Witness. Hospitalised after an extreme bullying incident at school, Aisleyne left home at 16, having been cut off by her mother and let down by her father. Alone in London, Aisleyne's lifeline was a place in a hostel, where she shared the roof over her head with the frightened women and predatory men of the city's gang culture. While some of her friends were lost to drugs, knives and gun crime, Aisleyne vowed to pick herself up and get out of there. Aisleyne threw herself into a new career as a promotions girl and glamour model. Slowly making a name for herself, Aisleyne's big break came when she was selected to compete on Big Brother in 2006, and she was voted the most popular female housemate that year. Three years on, Aisleyne is living proof that it is possible to escape the streets and make good. She's become a successful businesswoman, fashion designer and established media celebrity. This is her remarkable story.

#### ENCYCLOPEDIA OF AMERICAN SHORT FILMS, 1926-1959

---

---

*McFarland* Short subject films have a long history in American cinemas. These could be anywhere from 2 to 40 minutes long and were used as a "filler" in a picture show that would include a cartoon, a newsreel, possibly a serial and a short before launching into the feature film. Shorts could tackle any topic of interest: an unusual travelogue, a comedy, musical revues, sports, nature or popular vaudeville acts. With the advent of sound-on-film in the mid-to-late 1920s, makers of earlier silent short subjects began experimenting with the short films, using them as a testing ground for the use of sound in feature movies. After the Second World War, and the rising popularity of television, short subject films became far too expensive to produce and they had mostly disappeared from the screens by the late 1950s. This encyclopedia offers comprehensive listings of American short subject films from the 1920s through the 1950s.
