Audrey Hepburn, An Elegant Spirit

A Son Remembers

Simon and Schuster Now in paperback, an intimate look at the woman the world adored, by the son who adored her with unique photos, drawings, and other rare Audrey memorabilia. She dazzled millions as Gigi. Eliza Doolittle. Holly Golightly. But to her most adoring fan, Audrey Hepburn was best known for her role as "Mummy." In this heartfelt tribute to his mother, Sean Hepburn Ferrer offers a rare and intimate glimpse into the life of one of Hollywood's brightest stars. Audrey Hepburn, An Elegant Spirit is a stunning compilation of nearly 300 photographs, many straight from the family album and never before published; archival documents, personal correspondence, and mementos; even paintings and illustrations from the actress herself. Sean tells Audrey Hepburn's remarkable story, from her childhood in war-torn Holland to the height of her fame to her autumn years far from the camera and the crush of the paparazzi. Sean introduces us to someone whose grace, charm, and beauty were matched only by her insecurity about her appearance and talent, and who used her hard-won recognition as a means to help children less fortunate than her own. With this unique biography, Sean celebrates his mother's history and humanity—and continues her charitable work by donating proceeds from this book to the Audrey Hepburn Children's Fund.

Little Audrey's Daydream

The Life of Audrey Hepburn

Princeton Architectural Press Meet Audrey Hepburn as you've never seen her before in Little Audrey's Daydream: The Life of Audrey Hepburn, an empowering children's book by her son and daughter-in-law, Sean and Karin Hepburn Ferrer. Little Audrey's Daydream tells the story of Audrey Hepburn's life from her own perspective as a child growing up in Belgium and Holland, and into her adult life as an actress, mother, and humanitarian. • A beautiful, personal introduction to the life of Audrey Hepburn: Audrey's extraordinary story unfolds during her childhood in Holland, where her happy life of ice-skating and dancing changes with the harsh realities of World War II. As she daydreams about who she will become when the war ends, her real-life story of fame, family, and charity work unfolds. • A beacon of hope for children during difficult times: Facing dire circumstances during Occupation, Audrey and her family often don't have enough to eat. Despite the challenges, Audrey never loses hope that, with spirit and determination, her dreams can still come true. • All author proceeds will be donated to EURORDIS: Following in the footsteps of his mother's incredible humanitarian legacy, Sean Hepburn Ferrer and his wife Karen are donating all of their author proceeds from the book to EURORDIS, the Voice of Rare Disease Patients in Europe. • Whimsical illustration by celebrated French couple: Little Audrey's Daydream is beautifully illustrated by the legendary Dominique Corbasson and Francois Avril. This book is Corbasson's last work. Little Audrey's Daydream is an essential addition to the library of all Audrey Hepburn fans and a beautiful introduction to the life of Audrey Hepburn for children.

How to be Lovely

The Audrey Hepburn Way of Life

Penguin A rare glimpse into the woman behind the mystique and the definitive guide to living genuinely with glamour and grace. "Living is like tearing through a museum. Not until later do you really start absorbing what you saw, thinking about it, looking it up in a book and remembering—because you can't take it all in at once."—Audrey Hepburn On many occasions, Audrey Hepburn was approached to pen her autobiography, the definitive book of Audrey, yet she never agreed. A beloved icon who found success as an actress, a mother, and a humanitarian, Audrey Hepburn perfected the art of gracious living. More philosophy than biography, How to Be Lovely revisits the many interviews Audrey gave over the years, allowing us to hear her voice directly on universal topics of concern to women the world over: careers, love lives, motherhood and relationships. Enhanced by rarely seen photographs, behind-the-scenes stories, and insights from the friends who knew her well, How to Be Lovely uncovers the real Audrey, in her own words.

Audrey Style

Harper Collins Everyone, it seems, is a fan of Audrey's. She was Gigi, a princess, Holly Golightly, a nun, Maid Marian, even an angel. And we believed her in every role. But Audrey Hepburn was also one of the most admired and emulated women of the twentieth century, who encouraged women to discover and highlight their own strength. By example, she not only changed the way women dress--she forever altered the way they viewed themselves. But Audrey Hepburn's beauty was more than skin deep. "You know the Audrey you saw onscreen? Audrey was like that in real life, only a million times better," says designer Jeffrey Banks. For the first time, this style biography reveals the details--fashion and otherwise--that contributed so greatly to Audrey's appeal. Drawing on original interviews with Hubert de Givenchy, Gregory Peck, Nancy Reagan, Doris Brynner, and Audrey Wilder, as well as reminiscences of professional friends like Steven Spielberg, Ralph Lauren, noted Hollywood photographer Bob Willoughby, Steven Meisel, and Kevyn Aucoin, *Audrey Style* brings the Audrey her family and friends loved to life. With more than ninety color and black-and-white photographs, many of which have never before been published, and original designer sketches from Edith Head, Hubert de Givenchy, Vera Wang, Manolo Blahnik, Alexander McQueen, and others, *Audrey Style* gives measure to the grace, humor, intelligence, generosity, and inimitable fashion sense that was Audrey Hepburn.

AUDREY HEPBURN, ELEGANT SPIRIT.

Audrey in Rome

Harper Collins Assembled by Audrey Hepburn's son Luca Dotti, *Audrey in Rome* is an intimate collection of almost two hundred candid photographs of the beloved actress and much-imitated style icon during the twenty-year period she made Rome her home. A private album of rare snapshots—many never published before—of Audrey Hepburn in her everyday life as a citizen of the Eternal City, *Audrey in Rome* is a treasure for every fan of her films and her impeccable, timeless style. With an introduction by Dotti that reveals Audrey's private side and three photo-filled chapters organized by decade, the book captures the actress as she strolls around the city alone and with family and friends, walks her Yorkie, Mr. Famous, has breakfast in Piazza Navona, visits the local florist, and more. The book also contains set photographs of the films she made during her Rome years (*Roman Holiday*, *War and Peace*, *The Nun's Story*, *Breakfast at Tiffany's*) and of the famous clothes and accessories that helped create her iconic look. Irresistible as the actress herself, *Audrey in Rome* opens the door to Hepburn's personal world.

Dutch Girl

Audrey Hepburn and World War II

Paladin Communications Twenty-five years after her passing, Audrey Hepburn remains the most beloved of all Hollywood stars, known as much for her role as UNICEF ambassador as for films like *Roman Holiday* and *Breakfast at Tiffany's*. Several biographies have chronicled her stardom, but none has covered her intense experiences through five years of Nazi occupation in the Netherlands. According to her son, Luca Dotti, "The war made my mother who she was." Audrey Hepburn's war included participation in the Dutch Resistance, working as a doctor's assistant during the "Bridge Too Far" battle of Arnhem, the brutal execution of her uncle, and the ordeal of the Hunger Winter of 1944. She also had to contend with the fact that her father was a Nazi agent and her mother was pro-Nazi for the first two years of the occupation. But the war years also brought triumphs as Audrey became Arnhem's most famous young ballerina. Audrey's own reminiscences, new interviews with people who knew her in the war, wartime diaries, and research in classified Dutch archives shed light on the riveting, untold story of Audrey Hepburn under fire in World War II. Also included is a section of color and black-and-white photos. Many of these images are from Audrey's personal collection and are published here for the first time.

What Would Audrey Do?

Timeless Lessons for Living with Grace and Style

Penguin From the *New York Times* bestselling author of *Audrey Style* comes a charming guide to Audrey Hepburn-inspired living for the modern woman Audrey Hepburn epitomized grace and style, not only in her appearance but in her very essence. Whether in fashion, relationships, her work on the screen, or for UNICEF and her home life, there is no one more worthy of imitation. How did she do it? *What Would Audrey Do?* is the answer: a complete Audrey primer, with rich anecdotes and insight from the people who knew her best, and Audrey-inspired lessons in loveliness, including: · Dating advice from the woman who enjoyed romances with John F. Kennedy, William Holden, and Albert Finney · What made her an icon, and how to apply her style choices to twenty-first-century clothes, makeup, and accessories · Raising children, trying to raise husbands, and making home life balanced in every way · How to travel, what to pack, and maintaining your cool on the road · Using renown (long before Angelina and Bono got all the press) to help others around the world · Insight into her rich interior life and the discipline, intelligence, and generosity that made her so compelling In an era fraught with selfishness, flamboyance, and sensational headlines, Audrey as a role model is precisely what the world needs.

Audrey Hepburn

A Charmed Life

Skyhorse "A sumptuous book which will delight idolaters of high fashion and movie stardom." —*Times Literary Supplement* *Audrey Hepburn* is a sumptuous celebration of Hepburn as a beloved fashion icon and actress. Karney tells the story of Hepburn's life, from her childhood in Nazi-occupied Holland, through her early aspirations to become a ballet dancer, the instant and universal acclaim of her onscreen debut and her years as one of Hollywood's most sought-after stars, to her later life working among the poorest children of the Third World. Karney's book gives fans a rare view into the life of a beloved star. Hepburn's acting career began after a series of minor revue and film roles in London. Hepburn was spotted by the writer Colette, who immediately cast her in the central role of a Broadway adaptation of her story, *Gigi*. Soon afterwards, Hepburn was offered a role alongside Gregory Peck in *Roman Holiday*, for which she collected an Oscar for Best Actress. The book highlights all her success that followed: she won the Tony Award for Best Actress for *Ondine*, captivated audiences as Natasha in *War and Peace*, and was highly praised for her brilliance in a serious role in *The Nun's Story*. Hepburn's style was perfection, and her clothes—many of them designed by Givenchy, who dressed her for *Funny Face* in 1957—placed her on the world's Best-Dressed Women list for several consecutive years. Her personality and sensuous yet untouchable beauty made her irresistible to the public. On Hepburn's death, Liz Taylor said, "God has a most beautiful new angel now that will know just what to do in heaven." *Skyhorse Publishing*, along with our *Arcade*, *Good Books*, *Sports Publishing*, and *Yucca* imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Audrey at Home

Memories of My Mother's Kitchen

HarperCollins *New York Times* Bestseller Enter Audrey Hepburn's private world in this unique *New York Times* bestselling biography compiled by her son that combines recollections, anecdotes, excerpts from her personal correspondence, drawings, and recipes for her favorite dishes written in her own hand, and more than 250 previously unpublished personal family photographs. *Audrey at Home* offers fans an unprecedented look at the legendary star, bringing together the varied aspects of her life through the food she loved—from her childhood in Holland during World War II, to her time in Hollywood as an actress and in Rome as a wife and mother, to her final years as a philanthropist traveling the world for UNICEF. Here are fifty recipes that reflect Audrey's life, set in the context of a specific time, including *Chocolate Cake with Whipped Cream*—a celebration of liberation in Holland at the end of the war; *Penne alla Vodka*—a favorite home-away-from-home dish in Hollywood; *Turkish-style Sea Bass*—her romance with and subsequent marriage to Andrea Dotti; *Boeuf à la Cuillère*—Givenchy's favorite dish, which she'd prepare when he'd visit her in Switzerland; and *Mousse au Chocolat*—dinner at the White House. Audrey also loved the basics: *Spaghetti al Pomodoro* was an all-time favorite, particularly when returning home from her travels, as was a dish of good vanilla ice cream. Each recipe is accompanied by step-by-step instructions, including variations and preparation tips, anecdotes about Audrey and her life, and a poignant collection of photographs and memorabilia. *Audrey at Home* is a personal scrapbook of Audrey's world and the things she loved best—her children, her friends, her pets. It is a life that unfolds through food, photographs, and intimate vignettes in a sophisticated and lovely book that is a must for Audrey Hepburn fans and food lovers.

Warrior

Audrey Hepburn

Paladin Communications "UNICEF thought that with my mother they would get a pretty princess to show up at galas. What they really got was a badass soldier." - Luca Dotti, Audrey Hepburn's son. *Warrior: Audrey Hepburn* completes the story arc of Robert Matzen's *Dutch Girl: Audrey Hepburn and World War II*. Hepburn's experiences in wartime, including the murder of family members, her survival through combat and starvation conditions, and work on behalf of the Dutch Resistance, gave her the determination to become a humanitarian for UNICEF and the fearlessness to charge into war-torn countries in the Third World on behalf of children and their mothers in desperate need. She set the standard for celebrity humanitarians and—according to her son Luca Dotti—ultimately gave her life for the causes she espoused.

Fan Phenomena: Audrey Hepburn

Intellect Books The satirical American newspaper the *Onion* recently ran a story with the headline "College-Aged Female Finds Unlikely Kindred Spirit In Audrey Hepburn," lampooning modern American girls' continued fascination with the star (along with their habits of hanging posters of *Breakfast At Tiffany's* in their dorm rooms). What gives this slight starlet such staying power? A talented actress, an icon of fashion, a loving mother, and an active humanitarian, Hepburn remains one of the world's most beloved women even two

decades after her death. Ranked as the third greatest screen star of all time by the American Film Institute, she possessed grace and beauty that still enchant us today. The winner of the 1953 Academy Award for her role as Princess Ann in *Roman Holiday*, she received further Academy Award nominations for *Sabrina*, *Breakfast at Tiffany's*, and *Wait Until Dark*. Her timeless, iconic style, both on and off screen, has long been admired, and she is seen by many as the epitome of grace, class, and elegance. *Fan Phenomena: Audrey Hepburn* focuses on the transformative nature of Hepburn's star persona, exploring her journey from ingénue to UNICEF ambassador. The book looks at her iconographic relationship with female culture and fashion and situates *Breakfast at Tiffany's* alongside the works of Edith Wharton and *Sex and the City*.

Enchantment

"The Life of Audrey Hepburn

Crown Archetype While her name is synonymous with elegance, style and grace, this poignant, funny and deeply moving biography, reveals the private Audrey Hepburn and invites readers to fall in love with her all over again. Over the course of her extraordinary life and career, Audrey captured hearts around the world and created a public image that stands as one of the most recognizable and beloved in recent memory. But despite her international fame and her tireless efforts on behalf of UNICEF, Audrey was also known for her intense privacy. With unprecedented access to studio archives, friends and colleagues who knew and loved Audrey, bestselling author Donald Spoto provides an intimate and moving account of this beautiful, elusive and talented woman. Tracing her astonishing rise to stardom, from her harrowing childhood in Nazi-controlled Holland during World War II to her years as a struggling ballet dancer in London and her Tony Award-winning Broadway debut in *Gigi*, Spoto illuminates the origins of Audrey's tenacious spirit and fiercely passionate nature. She would go on to star in some of the most popular movies of the twentieth century, including *Roman Holiday*, *Sabrina*, *Funny Face*, *The Nun's Story*, *Breakfast at Tiffany's* and *My Fair Lady*. A friend and inspiration to renowned designer Hubert de Givenchy, Audrey also emerged as a fashion icon and her influence on women's fashion virtually unparalleled to this day. Behind the glamorous public persona, Audrey was a different and deeper person and a woman who craved love and affection. Donald Spoto offers remarkable insights into her professional and personal relationships with her two husbands, and with celebrities such as Gregory Peck, William Holden, Fred Astaire, Gary Cooper, Robert Anderson, Cary Grant, Peter O'Toole, Albert Finney and Ben Gazzara. The turbulent romances of her youth, her profound sympathy for the plight of hungry children, and the thrills and terrors of motherhood prepared Audrey for the final chapter in her life, as she devoted herself entirely to the charity efforts of an organization that had once come to her rescue at the end of the war: UNICEF.

Precocious Charms

Stars Performing Girlhood in Classical Hollywood Cinema

Univ of California Press In *Precocious Charms*, Gaylyn Studlar examines how Hollywood presented female stars as young girls or girls on the verge of becoming women. Child stars are part of this study but so too are adult actresses who created motion picture masquerades of youthfulness. Studlar details how Mary Pickford, Shirley Temple, Deanna Durbin, Elizabeth Taylor, Jennifer Jones, and Audrey Hepburn performed girlhood in their films. She charts the multifaceted processes that linked their juvenated star personas to a wide variety of cultural influences, ranging from Victorian sentimental art to New Look fashion, from nineteenth-century children's literature to post-World War II sexology, and from grand opera to 1930s radio comedy. By moving beyond the general category of "woman," *Precocious Charms* leads to a new understanding of the complex pleasures Hollywood created for its audience during the half century when film stars were a major influence on America's cultural imagination.

Fifth Avenue, 5 A.M.

Audrey Hepburn in Breakfast at Tiffany's

Aurum Before *Breakfast at Tiffany's* Audrey Hepburn was still a little-known actress with few film roles to speak of; after it - indeed, because of it - she was one of the world's most famous fashion, style and screen icons. It was this film that matched her with Hubert de Givenchy's "little black dress". Meanwhile, Truman Capote's original novel is itself a modern classic selling huge numbers every year, and its high-living author of perennial interest. Now, this little book tells the story of how it all happened: how Audrey got the role (for which at first she wasn't considered, and which she at first didn't want); how long it took to get the script right; how it made Blake Edwards' name as a director after too many trashy films had failed to; and how Henry Mancini's soundtrack with its memorable signature tune 'Moon River' completed the irresistible package. This is the story of how one shy, uncertain, inexperienced young actress was persuaded to take on a role she at first thought too hard-edged and amoral - and how it made Audrey Hepburn into gamine, elusive Holly Golightly in the little black dress - and a star for the rest of her life.

Vivien Leigh

An Intimate Portrait

Running Press Vivien Leigh's mystique was a combination of staggering beauty, glamour, romance, and genuine talent displayed in her Oscar-winning performances in *Gone With the Wind* and *A Streetcar Named Desire*. For more than thirty years, her name alone sold out theaters and cinemas the world over, and she inspired many of the greatest visionaries of her time: Laurence Olivier loved her; Winston Churchill praised her; Christian Dior dressed her. Through both an in-depth narrative and a stunning array of photos, *Vivien Leigh: An Intimate Portrait* presents the personal story of one of the most celebrated women of the twentieth century, an engrossing tale of success, struggles, and triumphs. It chronicles Leigh's journey from her birth in India to prominence in British film, winning the most-coveted role in Hollywood history, her celebrated love affair with Laurence Olivier, through to her untimely death at age fifty-three in 1967. Author Kendra Bean is the first Vivien Leigh biographer to delve into the Laurence Olivier Archives, where an invaluable collection of personal letters and documents ranging from interview transcripts to film contracts to medical records shed new insight on Leigh's story. Illustrated by hundreds of rare and never-before-published images, including those by Leigh's "official" photographer, Angus McBean, *Vivien Leigh: An Intimate Portrait* is the first illustrated biography to closely examine the fascinating, troubled, and often misunderstood life of Vivien Leigh: the woman, the actress, the legend.

Racehoss

Big Emma's Boy

Simon and Schuster "A timeless classic" (*San Antonio Express-News*), reissued with a new foreword, afterword, and ten percent more material about a black man who spent seventeen years on a brutal Texas prison plantation and underwent a remarkable transformation. First published in 1984, *Racehoss: Big Emma's Boy* is Albert Race Sample's "unforgettable" (*The Dallas Morning News*) tale of resilience, revelation, and redemption. Born in 1930, the mixed-race son of a hard-drinking black prostitute and a white cotton broker, Sample was raised in the Jim Crow South by an abusive mother who refused to let her son—who could pass for white—call her Mama. He watched for the police while she worked, whether as a prostitute, bootlegger, or running the best dice game in town. He loved his mother deeply but could no longer take her abuse and ran away from home at the age of twelve. In his early twenties, Sample was arrested for burglary, robbery, and robbery by assault and was sentenced to nearly twenty years in the Texas prison system in the 1950s and 60s. His light complexion made him stand out in the all-black prison plantation known as the "burnin' hell," where he and over four hundred prisoners picked cotton and worked the land while white shotgun-carrying guards followed on horseback. Sample earned the moniker "Racehoss" for his ability to hoe cotton faster than anyone else in his squad. A profound spiritual awakening in solitary confinement was a decisive moment for him, and he became determined to turn his life around. When

he was finally released in 1972, he did just that. Though Sample was incarcerated in the twentieth century, his memoir reads like it came from the nineteenth. With new stories that had been edited out of the first edition, a foreword by Texas attorney and writer David R. Dow, and an afterword by Sample's widow, Carol, this new edition of *Racehoss: Big Emma's Boy* offers a more complete picture of this extraordinary time in America's recent past.

The Woman All Spies Fear

Code Breaker Elizebeth Smith Friedman and Her Hidden Life

Random House Studio An inspiring true story, perfect for fans of *Hidden Figures*, about an American woman who pioneered codebreaking in WWI and WWII but was only recently recognized for her extraordinary contributions. A YALSA EXCELLENCE IN NONFICTION FINALIST • A KIRKUS BEST BOOK OF THE YEAR Elizebeth Smith Friedman had a rare talent for spotting patterns and solving puzzles. These skills led her to become one of the top cryptanalysts in America during both World War I and World War II. She originally came to code breaking through her love for Shakespeare when she was hired by an eccentric millionaire to prove that Shakespeare's plays had secret messages in them. Within a year, she had learned so much about code breaking that she was a star in the making. She went on to play a major role decoding messages during WWI and WWII and also for the Coast Guard's war against smugglers. Elizebeth and her husband, William, became the top code-breaking team in the US, and she did it all at a time when most women weren't welcome in the workforce. Amy Butler Greenfield is an award-winning historian and novelist who aims to shed light on this female pioneer of the STEM community.

Kate

The Woman Who Was Hepburn

Henry Holt and Company The first major Katharine Hepburn biography independent of her control reveals the smart, complicated, and sophisticated woman behind the image Onscreen she played society girls, Spencer Tracy's sidekick, lionesses in winter. But the best character Katharine Hepburn ever created was Katharine Hepburn: a Connecticut Yankee, outspoken and elegant, she wore pants whatever the occasion and bristled at Hollywood glitter. So captivating was her image that she never seemed less than authentic. But how well did we know her, really? Was there a woman behind the image who was more human, more driven, and ultimately more triumphant because of her vulnerability? William J. Mann—a cultural historian and journalist, a sympathetic admirer but no mere fan—has fashioned an intimate, often revisionist, and truly unique close-up that challenges much of what we think we know about the Great Kate. Previous biographies—mostly products of friends and fans—have recycled the stories she hid behind, taking Hollywood

myths at face value. Mann goes deeper, delivering new details from friends and family who have not been previously interviewed and drawing on materials only available since Hepburn's death. With affection, intelligence, and a voluminous knowledge of Hollywood history, Mann shows us how a woman originally considered too special and controversial for fame learned the fine arts of movie stardom and transformed herself into an icon as durable and all-American as the Statue of Liberty.

100 Reasons to Love Audrey Hepburn

Plexus Publishing Fashion goddess; UNICEF heroine; Givenchy's twinkly-eyed muse: there'll never be anyone quite like Audrey Hepburn. But there's more to the effortlessly classy Hollywood starlet than meets the eye. Did you know, for instance, that Audrey kept a pet fawn named Pippin? That she was a gifted linguist, fluent in five different languages? That she inherited her poise from a Dutch baroness mother? That there's a breed of snowy tulip named after her? Or perhaps that Henry Mancini wrote 'Moon River' especially for her? Filled with fascinating facts and stunning photos, *100 Reasons to Love Audrey Hepburn* reveals the woman behind the little black dress.

Cary Grant

A Brilliant Disguise

Simon and Schuster Film historian and acclaimed *New York Times* bestselling biographer Scott Eyman has written the definitive, "captivating" (*Associated Press*) biography of Hollywood legend Cary Grant, one of the most accomplished—and beloved—actors of his generation, who remains as popular as ever today. Born Archibald Leach in 1904, he came to America as a teenaged acrobat to find fame and fortune, but he was always haunted by his past. His father was a feckless alcoholic, and his mother was committed to an asylum when Archie was eleven years old. He believed her to be dead until he was informed she was alive when he was thirty-one years old. Because of this experience, Grant would have difficulty forming close attachments throughout his life. He married five times and had numerous affairs. Despite a remarkable degree of success, Grant remained deeply conflicted about his past, his present, his basic identity, and even the public that worshipped him in movies such as *Gunga Din*, *Notorious*, and *North by Northwest*. This "estimable and empathetic biography" (*The Washington Post*) draws on Grant's own papers, extensive archival research, and interviews with family and friends making it a definitive and "complex portrait of Hollywood's original leading man" (*Entertainment Weekly*).

Audrey Hepburn

Essential Hollywood

Character-19 At a time when Hollywood was devoted to its screen sirens with their luscious curves and pouting lips, Audrey Hepburn was just that little bit different. Her contemporaries such as Marilyn Monroe and Elizabeth Taylor were much more robust in their appearance and oozed sex appeal both on set and off. Hepburn, by 1950s' standards, was far too lanky and skinny and perhaps appeared a bit too fragile. However, she brought a sophistication that was quite unlike anything that had gone before. Tall and slim with large feet, Hepburn brought a refreshing beauty to the world of stardom and glamour. Her style was simple yet elegant and is still as much revered in the fashion of the 21st Century as it was in her heyday. This book celebrates the story of a young girl who quickly rose to fame with her impressive film career and beautiful grace. Her personal life, humanitarian work and her impact on fashion today as a true style icon is also explored for this revered Hollywood legend.

In One Era and Out the Other

A Life's Journey

Open Road Media *The beloved humorist and author Sam Levenson finds that some of his old worldviews don't fit the new one he now sees. Levenson's grew up the youngest of eight children in a large Jewish immigrant family in New York. He evolved from a Spanish teacher in Brooklyn to working the Catskills circuit as a comedian. By the 1950s, Levenson was a fixture in American homes as television personality, appearing and guest hosting numerous times on classic shows like This Is Show Business, Two For The Money, and The Ed Sullivan Show. For several years, he hosted his own variety show on CBS called The Sam Levenson Show, where the set doubled as a school classroom and where guests often evoked Levenson's love of learning, teaching and family. Through his lens, looking back on his life, we see how the world has transformed. His wit and humor make for timeless observations on money, technology, and life, that endeared Levenson to millions of Americans over the last 50 years.*

How to Be a Hepburn in a Kardashian World

The Art of Living with Style, Class, and Grace

Center Street *Jordan Christy shares advice on how to be the most confident version of yourself, in this fully revised and updated edition derived from How to Be a Hepburn in a Hilton World. Though fashions may change, certain things never go out of style--like your favorite little black dress that can take you from a business meeting to a dinner party to a night on the town. But what makes it work is not the dress, it's how you present yourself while wearing it. A woman who is polite, well spoken, gracious, charming, and thoughtful is always welcome--though such women appear to be in short supply these days! Despite the headline-grabbing antics of certain flashy celebantes, most of us would rather have respect--for ourselves and from our family, friends, and colleagues. In this fully revised and updated edition, you will learn how to: *Appear polished without sacrificing your personal style,* *Develop skills and discover interests to boost your self-confidence,* *Find your true friendships and make them stronger,* *Date Mr. Right instead of hooking up with Mr. Right Now,* *Land the perfect internship and your first job,* *Have a fun night without the risk of a social media faux pas.* With this insightful guide you'll be loving life with style, class, and grace in no time!*

Audrey Hepburn

Portraits of an Icon

This book calls attention to the circumstances in which pictures of Hepburn have been published and consumed, thereby illuminating the public's relationship with the images over the course of the twentieth century. The book accompanies a major exhibition at the National Portrait Gallery, London (2 July to 18 October 2015), organised with support from the Audrey Hepburn Estate.
