KEY=SPIRITUALITY - MICHAEL INGRID

The Way to Christ *Cosimo, Inc.* **The Way to Christ** was the first published book of German mystic JACOB BOEHME (1575-1624), who received a revelatory vision in 1600 while watching a beam of sunlight reflect in a metal dish. A spiritual guide for Christians, this book contains Boehme's method for attaining enlightenment and unity with God. He offers prayers for readers to repeat and guides them through the repentance that is necessary in finding Christ. Lost souls and Christians out of touch with their faith will find Boehme's conviction and passion inspiring. **The Names of Christ** *Paulist Press* Whatever it was you expected when you heard about the new **Classics of Western Spirituality(TM)** series from Paulist Press, forget it. The real thing is better. **The Crux of Prayer** Luis de León: **The Names of Christ** translated and introduced by Manuel Duran and William Kluback preface by J. Ferrater Mora As Christ is a source or rather is an ocean which holds in itself all that is sweet and meaningful that belongs to man, in the same way the study of his person, the revelation of the treasure, is the most meaningful and dearest of all knowledge. Luis de León (1527-1591) **The Names of Christ** is a masterpiece of the Golden Age of Spain. Written in the style of a pastoral novel, the work is a meditation on the philosophical and theological significance of the names of Christ. Based on a careful examination of ten names given Christ in the Scriptures,

the book reflects elements of Augustinian, Jewish, and Islamic spirituality that were part of sixteenth-century Spain. Luis de León was born in 1527 in Belmonte, a small village in the Castile region of Spain. An Augustinian friar, a brilliant professor, an artful poet, he was a true Renaissance man whose vision of the fullness of Christ sustained him in the face of persecution at the hands of the Inquisition and infused his writing with a sensitivity that has made *The Names of Christ* a treasure of Spanish literature and a classic of Catholic mysticism. *Meister Eckhart (CWS)* *Paulist Press* Meister Eckhart (c. 1260-1327) was a Dominican philosopher and spiritual master whose thought is among the most daring and difficult in the history of western mysticism. This volume contains his technical Latin writings and more popular German sermons. *Celtic Spirituality* *Paulist Press* *Apocalyptic Spirituality Treatises and Letters of Lactantius, Adso of Montier-en-Der, Joachim of Fiore, the Franciscan Spirituals, Savonarola* *Paulist Press* This book makes available major texts in the Christian apocalyptic literature from the 4th to the 16th centuries. The apocalyptic tradition is that of traditional philosophy based on revelation and concerned with the end of the world. *Cambridge Platonist Spirituality* *Paulist Press* This anthology collects essays, poetry and treatises by a group of English philosophers from the Age of Reason who were devoted to the goodness of God and the spiritual importance of rationalism. These philosophers, known as the Cambridge Platonists, produced a movement in philosophical theology that flourished around Cambridge University in the seventeenth century and influenced not only Great Britain, but the United States and beyond. Their school of thought emphasized the great goodness of God, the compatibility of reason and faith, an integrated life of virtue, and the deep joy of living in concord with God. This volume introduces and presents the key documents of the Cambridge Platonist movement while setting its thinkers in their historical and religious context: the decades of turbulence and political crises surrounding the English Civil War. *The Life of Moses Reading the Christian Spiritual Classics A Guide for Evangelicals* *InterVarsity Press* This new collection of essays edited by Kyle Strobel and Jamin Goggin offers an evangelical hermeneutic for reading the Christian spiritual classics. Addressing the why, what and how of reading these texts, these essays challenge us to find our own questions deepened by the church's long history of spiritual reflection. *The Pilgrim's Tale* *Paulist Press* Based on the Jesus prayer, "The Pilgrim's Tale" is the most famous example of Russian Orthodox spiritual literature. The volume is particularly important because this translation is based on the original manuscript, as opposed to many other current versions which are based on existing translations. *The Way of a Pilgrim and Other Classics of Russian Spirituality* *Courier Corporation* Ranging from the 11th century to modern times, these texts derive from the lives of saints, ascetic and mystic treatises, and spiritual autobiographies. They offer both a literary sensibility and examples of religious experience. *The Oxford Handbook of Mystical Theology* *Oxford University Press* *The Oxford Handbook of Mystical Theology*

provides a guide to the mystical element of Christianity as a theological phenomenon. It differs not only from psychological and anthropological studies of mysticism, but from other theological studies, such as more practical or pastorally-oriented works that examine the patterns of spiritual progress and offer counsel for deeper understanding and spiritual development. It also differs from more explicitly historical studies tracing the theological and philosophical contexts and ideas of various key figures and schools, as well as from literary studies of the linguistic tropes and expressive forms in mystical texts. None of these perspectives is absent, but the method here is more deliberately theological, working from within the fundamental interests of Christian mystical writers to the articulation of those interests in distinctively theological forms, in order, finally, to permit a critical theological engagement with them for today. Divided into four parts, the first section introduces the approach to mystical theology and offers a historical overview. Part two attends to the concrete context of sources and practices of mystical theology. Part three moves to the fundamental conceptualities of mystical thought. The final section ends with the central contributions of mystical teaching to theology and metaphysics. Students and scholars with a variety of interests will find different pathways through the Handbook.

Philo of Alexandria The Contemplative Life, Giants and Selections *Paulist Press* This anthology contains the basic vision of Philo (c. 20 B.C.E.-50 C.E.), the greatest Jewish mystic, philosopher and theologian of the Graeco-Roman era.

Third Spiritual Alphabet *Lulu Press, Inc* For the first time, in 33 years, here is a complete analytical and comparative study of the only two English translations of this marvelous work. This effort, which lies within your grasp, is a pains-taking effort to not only compare the wording, but also the footnotes and supply variant references to this stunning work; in particular making references back to our copy of the Spanish text for clarity. More importantly, this effort is coordinated with Teresa of Avila's works. Thus an additional 400 notes, in combination with comparatives between the variant references are supplied. This work has been translated by the Sisters of Stanbrook.

Maximus Confessor Selected Writings *Paulist Press* This volume includes a translation of four spiritual treatises of Maximus the Confessor (c. 580-662), plus an account of his trial. Included are The Four Hundred Chapters of Love, Commentary on the Lord's Prayer, Chapters on Knowledge, The Church's Mystagogy, and Trial of Maximus.

The Way to Christ *Paulist Press* This volume contains an introduction to the thought and spirituality of Jacob Boehme (1575-1624), a German Lutheran and one of the greatest Christian mystics. The Way to Christ is a collection of nine treatises intended to serve as a meditation guide.

Conferences *Paulist Press* Drawing on his early experience as a monk in Bethlehem and Egypt, John Cassian (c. 365-c. 435) journeyed to the West to found monasteries in Marseilles and the region of Provence. Conferences is his masterpiece, a study of the Egyptian ideal of the monk.

The Orthodox Way *St Vladimir's Seminary Press* First published in 1979.

Children and the Theologians Clearing the Way for Grace *Church Publishing, Inc.* The long story of children in theology is told via analysis of some twenty-five theologians, grouped according to six historical periods. Each account examines what a particular theologian thought about children and the experience it was based upon. Four themes that have shaped our attitudes about children in the church emerge from this history: ambivalence, ambiguity, indifference, and grace. The result of this study is to promote a healthier church, which will respect and utilize the distinctive gifts of children. In so doing, theologians will be better able to help clear the way for grace in the postmodern church. **John of the Cross Selected Writings** *Paulist Press* **COPY 2 LOCATED IN STACK.** **Henry Suso The Exemplar, with Two German Sermons** *Paulist Press* In this volume is a masterpiece of medieval literature and spirituality from the 14th-century (1300-1366) German Dominican mystic. **Christian Spirituality The Classics** *Routledge* **Christian Spirituality: The Classics** is a unique and comprehensive guide to thirty key Christian spirituality texts. Ranging from Origen and Augustine to Jonathan Edwards, Thérèse of Lisieux and Thomas Merton, it offers a view of the texts which is founded in scholarship, but which also presents them as living documents that invite- even compel -contemplative reflection and existential response. Each chapter briefly describes the classic text's author and audience, gives a synopsis of its contents, suggests some of its influence in history, and then explores aspects of the text's meaning for readers today. Key themes include: What is the meaning of life? How can human beings find truth? How can they discover who they really are? How can they live together in peace? How can they live more fully in God's presence in this world and be united with God in the world to come? The scholars who have written these chapters are all experts on their respective topics, but they wear their learning lightly. Anyone wishing to discover the riches of Christian spirituality will find this the ideal introduction and should be able to progress to a deeper understanding of the texts themselves. **New SCM Dictionary of Christian Spirituality** *SCM Press* This dictionary attempts to give direct access to the development of Christian Spirituality. It is a series of pieces written by experts to provide instant, accurate and thought-provoking information of high scholarship. **The Gospel According to Mark** *Canongate Books* The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave **Right Here Right Now The Practice of Christian Mindfulness** *Abingdon Press* Christians have always practiced mindfulness. Yet, from the popular landscape of mindfulness movement, you'd never know that. Where is the Christian voice in this fast-growing movement? Many Christians practice mindfulness outside of church and believe it does not belong to our faith tradition. This book reveals the Christian roots of mindfulness and the actual practices that, when reclaimed, deepen the life

of faith and the power of our mission of love in the world. When we understand how radical it is to live in God's presence right here, right now, our lives are transformed toward mercy, justice and abundant life. Amy Oden shows how the practice of Christian mindfulness begins with the teachings of Jesus and continues throughout Christian history. It also includes step-by-step instructions for the practice of Christian mindfulness today. Pastors and leaders will find this book useful on the ground as they curate current culture and guide Christians in spiritual practices. " ... this is the best introduction to Christian mindfulness I have read." —Shaun Lambert, Senior Minister of Stanmore Baptist Church, United Kingdom

"Amy Oden knows the history of Christian spirituality as well as anyone, and she helps us see what might seem surprising to many—that mindfulness has deep roots in the Christian tradition. The wisdom she shares in this clear, winsome book has already deepened my own life of prayer. I know this book will bear fruit in classrooms and congregations as readers heed its call to stop and pay prayerful attention to what God is doing, right here, right now." —L. Roger Owens, Associate Professor of Christian Spirituality and Ministry, Pittsburgh Theological Seminary, Pittsburgh, PA

"Oden deftly lifts up a clear template for what lies at the core of all spiritual practice: mindfulness—a simple awareness within ordinary life of divine presence, here and now. Unlike many generic practices of mindfulness now popular in business, education, and the fitness industry, Oden underscores that Christian mindfulness is not an end in itself but an awareness that turns us toward God. Amy's words become a litany of invitation into the posture of open-hearted presence to the Presence, right here, right now." (from the foreword) —Marjorie J. Thompson, author of *Soul Feast: An Invitation to the Christian Spiritual Life*, former Director of Pathways in Congregational Spirituality with Upper Room Ministries, and an ordained minister in the Presbyterian church (USA)

Exploring the Future of Christian Monasticisms MDPI

The institution of monasticism in the Christian Church is in general decline, at least in so-called "first world" nations. Though there are many reasons for this, monastic leaders are confronted by the reality of fewer communities, monks, and nuns nonetheless. At the same time, many younger Christians are rediscovering the rich heritage of the monastic tradition. Though they themselves might not be called to join a traditional monastery, they are eager to appropriate monastic practices in their own lives. This had led to a movement known as the "new monasticism" or "secular monasticism." Despite lacking a unified vision and any central organization, these new/secular monastics are attempting, in their own ways, to carry on the tradition and practices of Christian monasticism. As well, there is a movement within historical Christian monasteries to pour new wine into old wineskins. Traditional forms of monasticism are also generally flourishing in developing nations, breathing new life into monasticism. This volume looks at the current monastic landscape to assess where monasticism stands and to imagine ways in which it will grow in the future,

leading not only to a renewed Christian monasticism but to new monasticisms. **Spiritual Formation as if the Church Mattered Growing in Christ through Community** *Baker Academic* Most books on spiritual formation focus on the individual. But spiritual formation is at the heart of the church's whole purpose for existence. It must be a central task for the church to carry out Christ's mission in the world. This book offers an introduction to spiritual formation set squarely in the local church. The first edition has been well received and widely used as a textbook. The second edition has been updated throughout, incorporates findings from positive psychology, and reflects an Augustinian formation perspective. Foreword by Dallas Willard. **The Westminster Dictionary of Christian Spirituality** *Westminster John Knox Press* Ecumenical in character, this comprehensive and authoritative dictionary is the achievement of scholars of international standing--Anglicans, Roman Catholics, Baptists, Presbyterians, Quakers, Methodists, Lutherans, and others....The articles are nondogmatic and scholarly....The main emphasis is thematic--the entries represent types, schools, and subjects. Articles that refer to non-Christian religions...are included insofar as they have influenced Christianity. The unifying theme of the dictionary is that it seeks to illumine ways in which women and men have responded to God in prayer and living... **The Way to Love Reimagining Christian Spiritual Growth as the Hopeful Path of Virtue** *Wipf and Stock Publishers* "Love people." An oft-proclaimed rallying cry for Christians, but what does it look like, in practice, to love? We may believe that love is "the greatest" (1 Cor 13:13). Love may be our destination. But do we know how to get there? This book addresses essential questions about the Christian life. What is a true, compelling, and helpful Christian understanding of love? What is spiritual growth supposed to do to us or for us (or for others, through us)? How can we speak of grace and personal initiative in one theological vision? How do we go beyond a spirituality that is either too privatized and insular or too activist without the undergirding character needed to sustain such activism? How do we ensure love is not simply a principle we hold or a slogan we applaud but a powerful force that perpetually grows in us and ripples out to others in concrete, transformative ways? This book is a guide to love. Drawing on virtue ethics, psychology, theology, and spirituality, it offers a love-centered, hopeful vision of the Christian spiritual life. The story in which God invites us to live is about a journey of love, toward love. Is this your story? **The Story of Christian Spirituality Two Thousand Years, from East to West** *Lion Books* The Christian faith has had a phenomenal impact on the development of the western world. This beautifully illustrated introduction to Christian spirituality through the centuries covers all the major traditions--East and West, Catholic, Orthodox, and Protestant, with special articles on key spiritual concepts, practices, and movements that continue to influence the way people all over the world live their lives in response to God. It also includes information on people and movements from outside the Church that have influenced Christian life and thought throughout 2,000 years.

Also included are extracts from more than 100 of the greatest Christian spiritual writings--from the Gospels through the early Church Fathers, the saints and mystics, the reformers, and modern spiritual writers such as Scott Peck and C. S. Lewis. *Jean Gerson Early Works* *Paulist Press* Translations of the early writings of Jean Gerson (1363-1429), chancellor of the University of Paris from 1395, most widely known for his efforts to effect church unity during the western Schism which began in 1378. Gerson is considered to be one of the greatest theologians and mystical writers of the Middle Ages. *Ancient Paths Discover Christian Formation the Benedictine Way* *Paraclete Press* This field-tested guidebook presents Benedictine spirituality and monastic spiritual practices as a source of wisdom and practical guidance for Christian formation today. *The Mystic Way of Evangelism A Contemplative Vision for Christian Outreach* *Baker Academic* Although each generation searches for effective ways to be salt and light, Elaine Heath argues that the church is currently in an especially difficult place--a dark night of the soul. She calls the church to embrace, rather than ignore, its difficulties and find different ways of doing outreach. Heath brings a fresh perspective to the theory and practice of evangelism by approaching it through contemplative spirituality. By looking to mystics, saints, and martyrs of church history--such as Ignatius of Loyola, Julian of Norwich, St. Francis, John Wesley, Mother Theresa, and Henri Nouwen--she suggests we can discover ways of thinking about God that result in a life of outreach. *The Ladder of Divine Ascent The New Westminster Dictionary of Christian Spirituality* *Westminster John Knox Press* This new volume, replacing *The Westminster Dictionary of Spirituality* by Gordon S. Wakefield (1983), stands as the definitive reference work on all aspects of Christian spirituality. Several years in the making and comprised of more than 400 completely new entries, the Dictionary incorporates the collective expertise of today's foremost scholars in the field of Christian spirituality. Systematically organized and alphabetically arranged for maximum ease of use, the book includes comprehensive bibliographies; a section of short essays on the content, methods, and current debates in the field; and reading lists to encourage additional reading and research. Philip F. Sheldrake is Professor in the Department of Theology and Religion, University of Durham. *Invitation to Love 20th Anniversary Edition The Way of Christian Contemplation* *Bloomsbury Publishing* *Invitation to Love* provides a road map for the journey that begins when Centering Prayer is seriously undertaken. Pointing to some of the recognizable landmarks on this journey, as well as to its ultimate destination, Father Keating addresses common questions regarding contemplative practice: How will it affect my life? Where does it lead us spiritually? What obstacles will I encounter along the way? How does it work? Following on from *Open Mind, Open Heart*, this book establishes a dialogue between the insights of contemporary psychology and the classic Christian spiritual masters, providing a solid conceptual background for the practice of Centering Prayer. This is a practical book, articulating the stages of the process of

spiritual growth, and outlining how we might develop a deeper relationship with God and move from contemplation to action. **From East to West Essays in Honor of Donald G. Bloesch** *University Press of America* This collection of essays is in honor of noted theologian Donald G. Bloesch written by former students and colleagues representing seven countries. Writing from an Asian perspective, the contributors examine the relationship between theology and culture as found in Scripture, theological thought, the life and work of the church, and in the work of Donald G. Bloesch. Topics range from biblical studies to a consideration of the current emphasis upon spirituality. Evangelism and mission are discussed in considerable detail with specific reference to the rapidly growing church in Korea. The phenomenon of post-modernism and its influence upon modern theology is evaluated.

25 Books Every Christian Should Read A Guide to the Essential Spiritual Classics *Harper Collins* From the creators of *Devotional Classics* and *Spiritual Classics* comes *25 Books Every Christian Should Read*, the definitive guide to the most spiritually influential and important books for Christians to read. Renovaré, a community of Christians promoting personal and spiritual renewal, put together a prestigious editorial board including Richard Foster, Dallas Willard, Phyllis Tickle, and Richard Rohr, resulting in this wonderful resource for exploring the richness of the Christian tradition.

Way Back To God The Spiritual Theology of Saint Bonaventure *ISD LLC* Bonaventure was a great pastor and preacher, and also a very effective teacher. His writing shows clarity and conviction, and his authority arose from his profound grasp of Scripture and patristic monastic tradition. The force behind how he wrote sprang from his keen sense of the significance of Francis and Clare and all that flowed from them, not least into his own spiritual life and experience as a person of deep contemplative and mystical prayer. *Way Back to God* is a comprehensive conspectus and study of how Bonaventure taught Christian theology and applied it to spiritual life. It is intended to be a guide through most of his writings (though not as a substitute for reading them). It provides a bridge into his thought, and also a remarkable hand-book of Christian theology in its bearing upon spiritual life.

Douglas Dales' new work enables Bonaventure's distinctive spiritual theology to be seen as a whole, as well as making his writings, in Latin or English, accessible and attractive.
