Little Frida

Candlewick Press (MA) Young Frida Kahlo's imaginary friend comes to life in a touching story by Anthony Browne enhanced by exquisite surreal illustrations. Following a bout with polio at the age of six, Frida Kahlo's life was marked by pain and loneliness. In real life she walked with a limp, but in her dreams she flew. One day her imagination took her on a journey to a girl in white who could dance without pain and hold her secrets, an indelible figure who would find her way into Frida's art in years to come. Inspired by Frida Kahlo's diary, Anthony Browne captures the essence of the artist's early flights of fancy and depicts both Frida and her imaginary friend in vivid illustrations evoking Kahlo's iconic style. A note at the end offers a brief biography of the artist who has intrigued art lovers the world over.

The Second-Chance Dog

A Love Story

Random House Trade Paperbacks From New York Times bestselling author Jon Katz comes a wise, uplifting, and poignant memoir of finding love against all odds, and the power of second chances for both people and dogs. “I had no idea that Frieda would enter my life and alter it in the most profound way, but that’s one of the beautiful things about animals. They change you, and you almost never see it coming.” In 2007, a few years after purchasing Bedlam Farm in upstate New York, Jon Katz met Maria Wulf, a quiet, sensitive artist hoping to rekindle her creative spark. Jon, like her, was introspective yet restless, a writer struggling to find his purpose. He felt a connection with her immediately, but a formidable obstacle stood in the way: Maria’s dog, Frieda. A rottweiler-shepherd mix who had been abandoned by her previous owner in the Adirondacks, where she lived in the wild for several years, Frieda was ferociously protective and barely tamed. She roared and charged at almost anyone who came near. But to Maria, Frieda was sweet and loyal, her beloved guard dog and devoted friend. And so Jon quickly realized that to win over Maria, he’d have to gain Frieda’s affection as well. While he and Maria grew closer, Jon was having a tougher time charming Frieda to his side. Even after many days spent on Bedlam Farm, Frieda still lunged at the other animals, ran off into the woods, and would not let Jon come near her, even to hook on her leash. Yet armed with a singular determination, unlimited patience, and five hundred dollars’ worth of beef jerky, Jon refused to give up on Frieda—or on his chance with Maria. Written with stunning emotional clarity and full of warm yet practical wisdom, *The Second-Chance Dog* is a testament to how animals can make us better people, and how it’s never too late to find love. Praise for *The Second-Chance Dog* “No one speaks the language of a dog like best-selling author Jon Katz. His latest heartwarming memoir about finding love after struggling through a broken relationship . . . gives testament to how dogs can make us better human beings.”—*The Free Lance-Star* “[An] intimate story of falling in love with a woman and her extremely protective pet dog . . . Bittersweet in its telling, Katz reminds readers of the importance of human and animal connections.”—*Kirkus Reviews* “In this heartwarming story of love and redemption . . . dogs and humans alike get second chances at life, love, and growth. . . . This moving work is recommended for readers who want a true-life love story, for dog lovers seeking a book with a happy ending (the dog doesn’t die!), for seniors who think that receiving a Medicare card means that love is out of the question, and for dog trainers who want to learn more about Katz’s philosophy of dog training.”—*Library Journal* “The story [Katz] tells gives hope that no animal is beyond help, as long as enough love and patience are thrown in.”—*Minneapolis Star Tribune*

Avis Dolphin

Groundwood Books Ltd Inspired by the story of actual passengers on the ill-fated *Lusitania*, this is a novel of great adventure and suspense, including graphic novel-style illustrations. Avis Dolphin doesn’t want to leave New York and sail to England on the *Lusitania*. War is raging in Europe, and the Germans threaten to sink the ship. Avis is lonely and afraid until she meets a kindly professor whose stories of a magical island help her face an uncertain future. When the *Lusitania* is attacked, Avis must draw on all her newfound strength to cope with the confusion, terror and despair. How can she survive the sudden devastation of the ship? Will the people she cares about, especially the professor, live through the horror and danger? The immediacy of Frieda Wishinsky’s voice will engage readers in this thrilling story based on real events. They will identify with Avis and Professor Holbourn as they grapple with a stubborn captain, encounter German stowaways and contend with the feud between Avis’s two cabin mates. In an atmosphere of growing anxiety, readers will be glued to the dramatic events as they unfold and the surprising fate of the people they have come to know. Willow Dawson’s art depicts the stories the professor tells Avis in enchanting graphic-novel form. They provide a riveting magical element to the story, creating a story-within-a-story. Like Avis, readers will fall in love with Foula and will dream of the island long after they have reached the last page of this exciting story. Frieda

A Novel of the Real Lady Chatterley

Hachette UK The moving story of Frieda von Richthofen, wife of D.H. Lawrence - and the real-life inspiration for *Lady Chatterley's Lover*, a novel banned for more than 30 years Germany, 1907. Frieda, daughter of aristocrat Baron von Richthofen, has rashly married English professor Ernest Weekley. Visiting her family in Munich, a city alive with new ideas of revolution and free love, and goaded by a toxic sibling rivalry with her sisters, Frieda embarks on a passionate affair that is her sensual and intellectual awakening. England, 1912. Trapped in her marriage to Ernest, Frieda meets the penniless but ambitious young writer D.H. Lawrence, a man whose creative energy answers her own needs. Their scandalous affair and tempestuous relationship unleashes a creative outpouring that will change the course of literature - and society - forever. But for Frieda, this fulfilment comes at a terrible personal cost. A stunning novel of emotional intensity, Frieda tells the story of an extraordinary woman - and a notorious love affair that became synonymous with ideas of sexual freedom. 'Annabel Abbs's poignant *Frieda: A Novel of the Real Lady Chatterley* captures the Lawrences' shifting emotions' The Australian 'I loved this novel so very much. Abbs's writing is glorious' MELISSA ASHLEY, *The Birdman's Wife* 'Emotionally intense . . . A gripping story' Daily Telegraph ** Contains bonus chapters from Annabel Abbs' stunning debut novel, *The Joyce Girl***

Ruby's Story

A Drama in Two Acts

Samuel French, Inc. Drama / Characters: 3m, 6f June 1944. In England, Allied troops are massing for an invasion. On a small farm in Appalachia, a different kind of war is about to rage. Here, Walter and Grace share a home with four daughters: Rose, who struggles to understand why Stan - an immigrant coal miner and the love of her life - abruptly left to join the Polish Free Forces; Helga, who fears for her husband who's in the Army and - like Stan - assigned to a combat unit in England; Frieda, the family's adventure-seeking daughter, who works in a factory making uniforms and new friends, one of whom she can't bring home; and teenage Ruby who yearns to be the next Edward R. Murrow, but who must first come to grips with a family falling apart at the seams. D-Day speeds the dissolution process. But at its core is Walter's seeming allegiance to his German heritage, no matter that Helga's husband and Rose's fiance are at war against all things German. There - through every battle - is Grace, hoping liberal doses of humor, love and understanding can restore harmony. It is adult Ruby - back for a funeral, seeking answers to questions that haunt her - who retells the family's struggle against prejudice, fear, delusion and self-loathing.

Nothing That Meets the Eye: The Uncollected Stories of Patricia Highsmith

W. W. Norton & Company "Highsmith is no more a practitioner of the murder mystery genre...than are Doestoevsky, Faulkner and Camus."—Joan Smith, Los Angeles Times The Patricia Highsmith renaissance continues with *Nothing That Meets the Eye*, a brilliant collection of twenty-eight psychologically penetrating stories, a great majority of which are published for the first time in this collection. This volume spans almost fifty years of Highsmith's career and establishes her as a permanent member of our American literary canon, as attested by recent publication of two of these stories in *The New Yorker* and *Harper's*. The stories assembled in *Nothing That Meets the Eye*, written between 1938 and 1982, are vintage Highsmith: a gigolo-like psychopath preys on unfulfilled career women; a lonely spinster's fragile hold on reality is tethered to the bottle; an estranged postal worker invents homicidal fantasies about his coworkers. While some stories anticipate the diabolical narratives of the Ripley novels, others possess a Capra-like sweetness that forces us to see the author in a new light. From this new collection, a remarkable portrait of the American psyche at mid-century emerges, unforgettably distilled by the inimitable eye of Patricia Highsmith. A *New York Times* Notable Book and a *Washington Post* Rave of 2002.

An Uncommon Reader

A Life of Edward Garnett, Mentor and Editor of Literary Genius

Farrar, Straus and Giroux One of *The Sunday Times*' (U.K.) Books of the Year "Garnett's life will not need to be written again." —Andrew Morton, *Times Literary Supplement* A penetrating biography of the most important English-language editor of the early twentieth century During the course of a career spanning half a century, Edward Garnett—editor, critic, and reader for hire—would become one of the most influential men in twentieth-century English literature. Known for his incisive criticism and unwavering conviction in matters of taste, Garnett was responsible for identifying and nurturing the talents of a generation of the greatest writers in the English language, from Joseph Conrad to John Galsworthy, Henry Green to Edward Thomas, T. E. Lawrence to D. H. Lawrence. In *An Uncommon Reader*, Helen Smith brings to life Garnett's intimate and at times stormy relationships with those writers. ("I have always suffered a little from a sense of injustice at your hands," Galsworthy complained in a letter.) All turned to Garnett for advice and guidance at critical moments in their careers, and their letters and diaries—in which Garnett often features as a feared but deeply admired protagonist—tell us not only about their creative processes, but also about their hopes and fears. Beyond his connections to

some of the greatest minds in literary history, we also come to know Edward as the husband of Constance Garnett—the prolific translator responsible for introducing Tolstoy, Dostoevsky, and Chekhov to an English language readership—and as the father of David “Bunny” Garnett, who would make a name for himself as a writer and publisher. “Mr. Edward Garnett occupies a unique position in the literary history of our age,” E. M. Forster wrote. “He has done more than any living writer to discover and encourage the genius of other writers, and he has done it without any desire for personal prestige.” An absorbing and masterfully researched portrait of a man who was a defining influence on the modern literary landscape, *An Uncommon Reader* asks us to consider the multifaceted meaning of literary genius.

Why You Are Here: and other stories

BookLocker.com The fifteen stories in this volume all take place in the lovely town of Mercy on the north coast of California: tales of self-discovery, love, survival, friendship, creativity, and the quest for meaningful ways to spend this precious life. Frida Kahlo

The Story of Her Life

This brilliant graphic novel artfully depicts the life and passions of Frida Kahlo, one of the 20th century's most enigmatic artists. The perfect subject for a graphic novel, Frida Kahlo's brief life was dramatic and romantic, tragic and painful. In this illustrated "biography", Vanna Vinci captures the spirit of Kahlo's world in boldly colored, minutely detailed illustrations. Blending facts and history with dreamlike and surreal sequences, Vinci creates an intimate portrayal of an artist who incorporated her life experiences into her art. Burning love and crushing loss, incredible joy and deep despair--these were all part of Kahlo's life and part of the paintings that are some of the most celebrated art of all time. Filled with images that populated Kahlo's work--monkeys and parrots, traditional clothing and lush gardens--Vinci imbues her text and drawings with an artist's perception and sensitivity. The result is an evocative, fittingly passionate tribute to a legendary figure.

Esther Stories

Little, Brown One of the most acclaimed and original story collections of the last decade, Peter Orner's first book explores the brief but far-reaching occasions that haunt us. The discovery of a murdered man in a bathrobe by the side of a road, the destruction of a town's historic City Hall building, and the recollection of a cruel wartime decision are equally affecting in Orner's vivid and intimate gaze. The first half of the book concerns the lives of unrelated strangers across the American landscape, and the second introduces two very different Jewish families, one on the East Coast, the other in the Midwest. Yet Orner's real territory is memory, and this book of wide-ranging and innovative stories remains an important and unique contribution to the art of the American short story.

Just Call Me Joe

Carry Me

Stories of Pregnancy Loss

She Writes Press After Frieda Hoffman's second miscarriage, she felt alone, ignorant, and overwhelmed with emotions. Finding little literature or support available, her entrepreneurial spirit kicked in and she decided to create the resource she wished she'd had: real stories about pregnancy loss from real women without the off-putting lens of religion or academia so typical of the self-help genre. Through Hoffman's own journey and those of nineteen women she interviewed, Carry Me explores universal themes of grief, bearing witness, transforming adversity into opportunity, and the paradox of feeling alone while sharing a common experience. The diverse women and narratives unpack the physical, emotional, and financial challenges of loss; notions of womanhood and motherhood; and the intersections of public health, body politics, and patient care. Readers are called to action to share their own stories in order to heal themselves and support others. Nearly everyone knows someone affected by pregnancy loss, yet most of us are not comfortable, even in the relative safety of the company of friends and sisters, discussing this serious health issue. It's time to normalize the dialogue and help one another through our losses by sharing our resources, our wisdom, and our stories—by carrying one another.

Blue Monday

A Frieda Klein Mystery

Penguin The stunning first book in a new series of psychological thrillers introducing an unforgettable London psychotherapist Frieda Klein is a solitary, incisive psychotherapist who spends her sleepless nights walking along the ancient rivers that have been forced underground in modern London. She believes that the world is a messy, uncontrollable place, but what we can control is what is inside our heads. This attitude is reflected in her own life, which is an austere one of refuge, personal integrity, and order. The abduction of five-year-old Matthew Farraday provokes a national outcry and a desperate police hunt. And when his face is splashed over the newspapers, Frieda cannot ignore the coincidence: one of her patients has been having dreams in which he has a hunger for a child. A red-haired child he can describe in perfect detail, a child the spitting image of Matthew. She finds herself in the center of the investigation, serving as the reluctant sidekick of the chief inspector. Drawing readers into a haunting world in which the terrors of the mind have spilled over into real life, Blue Monday introduces a compelling protagonist and a chilling mystery that will appeal to readers of dark crime fiction and fans of In Treatment and The Killing.

Fierce with Reality

Literature on Aging

Rowman & Littlefield The anthology is far more culturally diverse than the few other literary collections on aging. Ranging from ancient Chinese poetry to Mary Oliver, Alice Walker, and Willie Nelson, the anthology includes poetry, fiction, philosophical essays, personal essays, humor, analyses of ageism, and folktales from Asia and Iraq. Fierce with Reality highlights writings by women, from late 19th century American literature to the present. Many facets of aging are explored, revealing the challenges and complexities of late life, and demonstrating that the aging process is both individual and social/cultural. Fierce with Reality, aimed at a general audience as well as students and professors, would be ideal for book groups.

Frieda's Song

Loyola College/Apprentice House Frieda's Song, a novel, is inspired by renowned psychiatrist Frieda Fromm-Reichmann. Fleeing Nazi Germany in 1935, she came to the Chestnut Lodge Sanatorium in Rockville, Maryland. Frieda worked there for the rest of her life, establishing the Lodge's reputation for innovative treatment of mental illness, dying in her custom-built cottage on the grounds under mysterious circumstances in 1957. Decades later, psychotherapist Eliza Kline and her teenage son Nick live in Frieda's Cottage, next door to the closed and abandoned hospital. As told by Frieda, Eliza, and Nick, the novel explores the tension between love and work, the strength and limits of relationship, and what healers must do to heal themselves. Frieda's Song is a tale of the way history and chance, and the work and people we love, shape our lives-and how the past is always present, haunting us.

Finitude's Score

Essays for the End of the Millennium

U of Nebraska Press Suspending the distinction between headline news and high theory, Avital Ronell examines the diverse figures of finitude in our modernity: war, guerrilla video, trauma TV, AIDS, music, divorce, sadism, electronic tagging, rumor. Her essays address such questions as, How do rumors kill? How has video become the conscience of TV? How have the police come to be everywhere, even where they are not? Is peace possible? "[W]riting to the community of those who have no community—to those who have known the infiniteness of abandonment," her work explores the possibility, one possibility among many, that "this time we have gone too far": "One last word. It is possible that we have gone too far. This possibility has to be considered if we, as a species, as a history, are going to get anywhere at all."

The Decline of Marriage in Namibia

Kinship and Social Class in a Rural Community

transcript Verlag In Southern Africa, marriage used to be widespread and common. However, over the past decades marriage rates have declined significantly. Julia Pauli explores the meaning of marriage when only few marry. Although marriage rates have dropped sharply, the value of weddings and marriages has not. To marry has become an indicator of upper-class status that less affluent people aspire to. Using the appropriation of marriage by a rural Namibian elite as a case study, the book tells the entwined stories of class formation and marriage decline in post-apartheid Namibia.
