### The Diary of an Anorexic Vegan

When Lydia was diagnosed with anorexia aged 19, it wasn't just half her body weight that she ended up losing. Her boyfriend, best friend, degree and identity were forced out of her life by the illness. Then she came close to losing life itself. With devastating honesty, Lydia exposes what it's like to live through anorexia nervosa, bulimia, alcoholism, addiction and depression. A terrifying journey through darkness, ending with the discovery of a life filled with more light than she ever knew existed. Lydia hopes her true story of trauma, struggle, recovery and healing will prove to others that there is still hope in their suffering. She now dedicates her life to spreading awareness and helping people through their own struggles through yoga. The proceeds from this book go directly towards these endeavours.

### Now Can I Cry?

*Author House* Rainey was born during the great depression in a rural country in Arkansas. She was born of a sickly, prostitute mother, who lived with a grandmother on a small, hard scrabble piece of farmland. Their situation was so dire, with the mother knowing she had not long to live, and the grandmother too old to attempt to raise a child under such difficult circumstances, the mother reluctantly offers Rainey up for adoption. (This was not uncommon during the depression when children were shunted off to relatives or neighbors.) Given first to another farm family, which by today's standards would be considered dysfunctional, she runs away at the age of six. She eventually ends up with a group of women, mostly old-maid schoolteachers, who make some attempt to restore a degree of normalcy to the child's life. This is the nearest thing to a functional family she would ever know, but an unfortunate and ill-advised wartime marriage, once again, turns her on the wrong road of life. She goes through a series of misfortunes, including a jail term, before she eventually meets the love of her life. But once again, fate is cruel to her because he is married. She has an illegitimate child by him and, knowing he cannot marry her, leaves him with no forwarding address. She returns to the area of her childhood, where he, now single, eventually finds her, and in true romance fashion, they are brought together and supposedly live happily-ever-after.

### God's Will But My Choice

### Uncut Raw Christian Fiction

*Timm Knight* God's Will But My Choice by Timm Knight is an emotional urban drama about a 14-year-old boy named Tim Stewart on the cusp of adulthood trying to find his true self. Although Tim is good in academics, he feels the pressure of his run down Clarksville neighborhood to keep his thug like appearance up. He is constantly getting into trouble fighting in the streets but now wants to start a non-violent gang with his best friends. However, is there any such thing as a non-violent gang? Tim's life is further complicated by his manipulative, and self-serving stepmother Sunny who's goal seems to be to drive him and his father apart. While hanging out in the park one day, Tim and his friends confront Darius a extremely jealous school rival. Moreover, this encounter lets him know that danger is on the way. Tim has dreams of becoming a young, legit businessman, but with his foe getting in the way will his dreams ever come true? Feeling overwhelmed and hopeless, Tim decides to make a change and takes off for the big city looking to start his life a new. What he doesn't see coming is that you can't always leave the past behind. And his sudden acts of defiance will hurt those he loves the most. No matter how far Tim tries to run or what trouble he gets into God's will is always stronger than his choices or is it? God's Will But My Choice is a gritty yet touching coming of age story about how the urban

streets are changing the lives of young black boys soon to be young black men. In a story that's both relatable and entertaining, readers will not soon forget this honest portrayal of the streets.

## Uncut: The Inside Story of Culinary School

*AuthorHouse* These days many people are fascinated with the art of cooking. Some chefs are put up on a pedestal, achieving the fame of actors and there is a love affair with cooking which seems to be relentless. From those who diligently watch the Food TV Network, to the weekend at home gourmet chef, many talk about their dream of going to culinary school one day. When people learn that you are actually planning to attend a cooking school, their appetites are whetted for much more. Everyone says, "Tell us what it is really like at culinary school." The perception of what it will be like to attend culinary school and what it was really like has not been compared until now. This is a story written by a former culinary student. I have no experience as a celebrity from television and I do not own my own famous restaurant. The story is unique because everyone can relate to this behind the scene look at culinary school from a candid and comical approach. *Uncut: The Inside Story of Culinary School* shares the educational perspective from a refreshing down to earth and frank approach. You will travel through culinary school as though you were right there in the classroom each and every day. The antics of the students will keep you laughing, as you realize that nobody has ever before shared these behind the scene stories about attending culinary school. From the first day in food history class and sanitation, to first aid, including the first day of using the knives. You will laugh and you will cry at this account of a diligent effort to learn to cook the way the chef instructor's expect you to. Historical information and facts regarding cooking are also included in the story. In addition, recipes are also included.

## The Struggle Is Real

## Getting Better at Life, Stronger in Faith, and Free from the Stuff Keeping You Stuck

*NavPress* "It just shouldn't be this hard!" Raise your hand if you've ever had a day where everything that could go wrong does go wrong—you lock your keys in the car while it's running, lose control with your kids, make a mistake at the office that results in hours more work. And just when you think not one more thing could possibly happen . . . well, fill in the blank. The struggle is real, friends. It may not be major stuff. Lives are not on the line here. But it makes us feel awful . . . and then we feel guilty for stressing when other people have "real" problems that are so much more serious. Yet the fact remains: We live in a world that often feels harder than we think it should be. And so it can be easy to believe the stories we tell ourselves—that we're doing it wrong, that we'll be stuck in this place forever, that God doesn't love us. We struggle to practice gratitude, to make godly choices, and to live our daily lives with confidence and contentment. So what can we do? Join popular Bible teacher and counselor Nicole Unice to discover why the struggle is real . . . and what to do about it. Nicole offers practical tools to help you navigate the daily ups and downs, and ways to rewrite your struggle into a new, God-centered life story. *The Struggle Is Real* is an invitation to take the hard, hurtful, and confusing moments and turn them into opportunities to grow in wisdom, strength, and joy. ## Faces

*savage writer publishing* Whenever I write, I'm writing to everyone. People tell me I have to have an audience. I mean, I know who I'm talking to, but... my words are open to whoever is interested in what I have to say. Whenever I hop on a stage to give a speech or spit a couple of verses, I see everyone and their faces. I see women. I see men. I see children. I see teenagers. I see the elderly. I see adults. I see black people. I see white people. I see Mexicans, Arabs, Brazilians, Ecuadorians, Puerto Ricans, Dominicans, whatever your ethnicity is... just know that I see you. Thank you for the support that you continue to give. I'm penning this joint for all of you...

This book of poetry is a combination of Thoughts, Stories & Quotes of situations we deal with in our everyday lives whether its relationships, Good, Bad or Indifferent, The single life, Hope, Faith, Trust and Friendship. It touches on every emotion known to mankind. The first part of the book has Poetry about every aspect in life for the first 112 pages capped off with a 7 page Love Story written in Poetic format. The second part of the book is what I call Inspirational Thoughts (Quotes), which are approximately 3 quotes per page covering 31 pages and does not lack in emotions as well. I hope you enjoy it as it has become therapy in a sense for myself.

## A Conflict of Interest

*iUniverse* In 2007, Australian-born MJ Greene reached a crossroad in her career. With a desire to do something new, exciting, and meaningful within another culture, she took the opportunity to work as general manager for one of the largest multinational organizations in Afghanistan. As Greene immersed herself into preparing for her new position, she had no idea that very soon, she would be mustering the courage to reveal the truth and stand up for what was right, regardless of the personal sacrifice. Greene begins with the details of her journey as she left for Afghanistan as a fresh-faced subcontractor ready to help piece the country back together. But as she arrived in a hostile, ever-changing environment, she soon realized that she would need to rely on her instincts in order to survive. As she encountered daily work challenges that caused her to become suspicious that something was not right, Greene was led down a dangerous path lined with closely guarded secrets that forced her to rely on her moral compass for guidance. *A Conflict of Interest* shares a true story of personal discovery as a woman living in war-torn Afghanistan must rely on her inner strength and resilience to challenge corruption, expose human rights violations, and help end discernible wrongdoing.

## Young, Educated & Broke

## An Introduction to America's New Poor

*Morgan James Publishing* *Young, Educated & Broke* is a unique blend of memoir and social commentary that highlights the author's Millennial experience in America as a microcosm of the geopolitical and domestic affairs in American history during the 2008 economic collapse and the years that followed. Borromeo drafts a "Millennial Blueprint" for what she believes can spark a conversation between young people and current leadership to address the youth high unemployment rates and leadership issues in this country. In such uncertain times, Borromeo's analysis leaves you inspired and hopeful as she writes a plan--and provides tangible proof--that her generation will be a formidable force in the next chapter of America's history.

## Marriage Uncut

## Real Marriage Transformation and Preparation

*Word Alive Press* A little girl dreams of her wedding day, not her marriage. She probably doesn't even know what the word marriage means--just how much crinoline she wants under her dress. At least this is what Christie was thinking about, not the marriage relationship, money matters, or faith decisions. In the first half of this book, Christie shares of the real-life decisions and dramas that occurred before--and after--she and her husband said "I do." In the second half, she breaks down the pre-marriage and marriage classes her ministry shares with other couples. Be encouraged as Christie and her husband share with you their most intimate and vulnerable experiences. Love is a choice, and through love you can forgive, hope, and give your marriage an exciting and fulfilling future.

## FORTY-FOUR FOOTPRINTS Following Me

"FORTY-FOUR FOOTPRINTS Following Me" is the uncut story of my unusual life. It's raw, truthful, candid and sometimes shocking. I hold no bars and lay it all on the line. These are stories of truth and the perception of how I saw things. It contains rape, mafia aka mob relations, manic depression aka bi-polar disorder, obsessive-compulsive disorder, the psychic realm of things, animals, stories galore and also some help if suffering from these illnesses. It's uniquely created with total honesty and from my heart to yours! Here are comments from my book site about this book: I truly love the poetic tongue that flow before, during and after meeting Mike. I love the punchy bits too though provocative i.e. "the fucking asshole..." You are a natural writer and for this I salute you. Max stars R.D.M. Inside Dead I am very interested in this story. I have read three of your chapters for now. I intend to read more as I am most interested to read about manic depression. . It is a sickness I know little about but I do think the mind cannot function properly at times. Forgive me if I'm wrong. I love reading your story. I liked where the book commenced and then you flashback to your younger days....well done. The fact that you knew Joey and Mile for weeks makes it all the more harrowing looking back. These guys were your friends. You met up, drank and played pool with them on occasions. What a bitter blow to your trust in humanity. What a terrible betrayal. Alice Barron, The bed next to mine Forty-Four Footprints Following Me is an autobiography which feels real. When most authors write about themselves, egos seem to get in the way way of truth. Or, perhaps few of us really know ourselves. This book, from the date rape by three people using roofies to facilitate their acts, through marriages to the wrong men seems honest. The diagnoses and treatment of depression and the belief in psychic powers even seems real. high stars. Jack Hudson Warm-Up Kills. This is more like it, not being a sufferer myself. I now understand why you've written two books. The other is a self help book with a few examples of your life, aimed at people who suffer this awful illness. This one was what I was wanting from the other book. The stories and situations you found yourself in. Your story. It's very clever to write two, doubling your market. I've read half of the upload and it's nice to see some of the stories that I recognise written like a memoir. The uploading has caused a lot of the sentences to be split by paragraph spacings. I wonder if you've noticed. I don't know why this happens. ect should be etc. And please tell me what d- gels are. They sound horrible, but I've never heard of them and I'm curious. High stars on this one too. I'll return one of them back to my shelf very soon. Take care, Jes. x Up the Hill Backwards Dear Lyn, I checked the first two chapters and kudos for reflecting your memories and thoughts in such clarity. I admire your honesty and the way you describe emotions such as fear, worry and concern. I've read your other books earlier, but this one touched me on a different level. I see a lot of potential for Forty-Four Prints to be printed by a publisher soon. 6 stars and best wishes. Lucette- Ten Deep Footprints Hi Lyn I like this approach to your life story. It is very interesting and the first chapter must have been really difficult to write. Then the flash back to childhood was a nice touch. I like your Aunt Helen - what a character, with her red lips and nails and her booze. And then the don, uncle Frank who everyone was obviously shit scared of. How fascinating. I know you are probably just writing this from memory at the moment and that's how it comes out. Very brave- there I go repeating myself now :) What a weird bitch that girl was. How horrible for you. I hope writing it is cathartic for you - I'm sure it is. Good luck great read x Catherine Shaw A Painted Smile

## Loveology

### God. Love. Marriage. Sex. And the Never-Ending Story of Male and Female.

*Zondervan* In the beginning, God created Adam. Then he made Eve. And ever since we've been picking up the pieces. Loveology is just that—a theology of love. With an autobiographical thread that turns a book into a story, pastor and speaker John Mark Comer shares about what is right in male/female relationships—what God intended in the Garden. And about what is wrong—the fallout in a post-Eden world. Loveology starts with marriage and works backward. Comer deals with sexuality, romance, singleness, and what it means to be male and female; ending with a raw, uncut, anything goes Q and A dealing with the most asked questions about sexuality and relationships. This is a book for singles, engaged couples, and the newly married—both inside and outside the church—who want to learn what the Scriptures have to say about sexuality and relationships. For those who are tired of Hollywood's propaganda, and the church's silence. And for people who want to ask the why questions and get intelligent, nuanced, grace-and-truth answers, rooted in the Scriptures.

## Heartless

*True 2 Life Publications* Angelica "Storm" Hill, a vicious young woman that loves the thrill of living on the edge. She knows just how to get what she wants and will do whatever it takes to get it. At a young age Storm learned the power of manipulation and mastered it. Growing up with men telling her how beautiful she is, she's sure she could have the world served to her on a silver platter; but she doesn't see the beauty in herself, so she never allows herself to get caught up. . . Although she has the perfect sponsor to give her all she desires she still finds herself in the trenches. Storm gets dirty for hers because of the addiction to the rush. At the height of her success her violent streak catches up with her and she finds herself on the run from the law. There is no limit to what she's willing to do to retain her freedom. Heartless is a tale of a young woman too caught up in the allure of the game to see the beauty of the illustrious life she has at her fingertips. Walk with the Don of Urban Fiction as he takes you through an odyssey of the streets that only he can.

## The Playground

*Dog Ear Publishing* When I was a child I tried a whole host of things and I always had the full support of my mother, Carmel Armstrong, and she told me that I could do anything that I put my mind to and I believed her and not only did I believe her, but I have also tried to pass this same message on to others as often as I could and especially to children because there's no greater gift that a human being can give to another than the gift of encouragement. And because of the wonderful and magnificent gift of encouragement, I am currently living my dream of being a published author and I have wanted this title ever since I watched my mother sit in front of her typewriter while filling the pages with words and in case you haven't guessed by now my mother was also a writer. The Playground is a gritty Gangster Novel that takes you on a journey through the lives of Sophia and David Bloom; mother and son who are forced to move to a Housing Project that's located on the Eastside of South Central Los Angeles after a family tragedy robs them of their financial well being. And their move takes place just before the rise of Crack Cocaine and before the decline of Heroin and it puts them in direct contact with dirty Cops, F.B.I. Agents, C.I.A. Operatives, Gangsters, Drug Dealers, White Supremacists, Thieving dope fiends of the worst kind, Revolutionaries or Domestic Terrorists if you prefer, and other shady representatives of the United States Government. But that's just the beginning because you see there's an unbelievable twist to the story that you won't believe. And I invite you to learn who Damu is and who Warlock is.

## Raw Talent

### The Adult Film Industry As Seen by Its Most Popular Male Star

*Prometheus Books* The first publication of Raw Talent created an extraordinary flurry of publicity. Jerry Butler appeared on dozens of talk shows, capturing audiences with his intensity and charm. Reviews of the book lauded Butler's honesty and remarked on the double standard that permits explicit violence on film - but not explicit sex. The book sold out four printings; nonetheless, reactions within the adult film industry included heated debate and an unofficial blacklisting of Butler. The former star of X-rated films and winner of many awards, Jerry Butler wrote the book that many warned would finish him in the business that had rewarded him with money and fame. But it is characteristic of Butler that these warnings didn't prevent him from producing this devastatingly honest appraisal of the adult film trade - and of himself. For while Butler is frankly critical of an industry that treats actors and actresses like throw-away props, and allows unprotected sex in the age of AIDS, he reserves his most candid commentary for himself. Raw Talent tells the story of Butler's erotic voyage from average child to sex star. The epilogue added to this new edition answers the question: Where will Jerry go from here' . . . an unvarnished first-hand view of the adult film industry. . . Back Stage Even though people might feel that Raw Talent shatters their fantasies, it illustrates the fakeness of porn and the carelessness of its makers. Bay News Love him or hate him, he's given us one controversial book. Adult Video News He totally lets his hair down about the business, the people in it. Anyone fascinated by sex should really get into this book. Big fun. Midwest Record Recap A first-rate page turner. The New Edition A devastatingly accurate portrait of the male American libido. ## The Gang Capitol

## The Art of Gang War and Racism Behind It

*Xlibris Corporation* The graphic details of gang wars and racism is mentioned on a wide world aspect designed to vindicate the minds of the youth whom are involved in gangs, my views are intense and genuine facts, some methods of gang prevention applied can increase life expectancy of gang members seeking to exit before an untimely demise result of being murdered in gang wars. I have discussed many topics relating to gang wars how gang wars are initiated due to many diverse reasons. I truly disagree that there are many books that exist that describe in vivid constructive details of gang war. The very broad story told millions of times but never before with so much intel so exclusively with real people living in the battle zone of the concrete jungles with genuine full fl edge up front exposure. Police officers would agree that these views are very enlightening and expressive with vital concepts that are identical to a vet whom have endured many tours of conflict. The dark side of Watts exposure of the riots of 1965 and 1992 the vague topic of racism that people dodge frequently dropping the ball of unwanted troubles. The truth to combat gangs you must combat racism. Long ago the black panther were groups that evolved to decrease racial conflicts. Today those groups are called gangs. The panthers are where it begin gangs are where it stands now!

By the time she finds out for her self, tragedy strikes. She asks herself love may conquer all but does it save the one that holds your heart?

## Dyamond in the Rough

Dyamond in the Rough is a 10 chapter reflective childhood memoir full of poetry, stories, letters and so much more. In this raw, uncut, and transparent work, Dyme Taylor bares her soul. Sharing her truths within each line, she's more than just stanzas on a page. Dyme creates hope and visions of clarity with letters that turn into words and words into sentences that breathe life into the lost. She writes to not only vent but to evoke the dormant emotions that so many women have kept hidden due to traumas that have been unspoken and unresolved. Telling her story will give them the strength to let go of their pain and to seek proper help in order to live their truth and not be ashamed of what they've gone through and/or might still be going through.

## In the Arms of Baby Hop

*AuthorHouse* Many times in my adult life, I have had what I would call an "awake out-of-body experience." During these times, I was peeking in at my life in a dream state; thinking this cannot be my life. I found myself asking the questions of what happened to the child who outsmarted the world and what happened to the teen who had all the answers and confidence to boot, and the young adult who never settled for can't. Well, somewhere along the way, the only thing left of who I was once was, were just shreds of an almost non-existent life. Now, don't get me wrong, there were some good times along the way, but it certainly was not always smooth sailing. But what came later in life was no comparison to the early years. Not that long ago, my life was filled with disappointment, brokenness, worry, anxiety, and fear. I survived breakups and breakdowns, sadness and pain, grief and loss beyond description, all of which led to a one-way ticket to Depression Central. Getting off the road to depression was very difficult for me, but there is no job too hard for God. If you can relate to the paralyzing despair that I went through, then please know that I fellowship with you and understand the grip depression and anxiety can have on your life. However, I want you to know that your destination does not have to be a one-way ticket to the land of despair, instead, your journey can bring you to a place of joy and peace if you simply trust and believe in God.

## Mr. Bones Revenge

*Black Wall Street New Dream Publishing* This journey is not over. Sometimes in life the very things that you desire to have, are the very things that could destroy you. The journey continues but not without great love and pain that few ever realize until it's too late because of emotional distractions of what they have. So they think! Ron finally receives what he desires but at what price? Will the power of love be enough to hold the relationships together when temptation becomes overwhelming coming from every direction, time and place? Material possessions can be addictive. Action, suspense, love, prayers,

tears, sex, powers of darkness, and drama are intensified by greed and selfishness. Mr. Bones is out for pure revenge and will destroy anyone who gets in his way. So get ready for what you say you want and what you will need just to survive. If you can!
