OUR OWN FIRESIDE

MID-VICTORIAN POETRY, 1860-1879

A&C Black These two volumes list late-and mid-Victorian poets, with brief biographical information and bibliographical details of published works. The major strength of the works is the 'discovery' of very many minor poets and their work, unrecorded elsewhere.

PILGRIM

FriesenPress On a frigid night in Toronto, Dara Walsh's life changes in an instant. A devastating accident takes the life of his beloved Elle and his father. After a lifetime of spinning the globe on his father's desktop, a grief-stricken Dara sets out on a pilgrimage around the world to places his father never had the opportunity to visit. From the Southwestern United States to Australia and Fiji, his journey eventually leads him to the Camino de Santiago, the revered and ancient pilgrim route that winds through northern Spain and culminates at the tomb of the Apostle James. Throughout his travels, Dara slowly spreads the ashes of his father, as he comes to terms with his faith and his evolving sense of self. "To mourn, like a literature carved into stone, is an elegant work of time."

THE PILGRIM'S PROGRESS AND GRACE ABOUNDING TO THE CHIEF OF SINNERS

Vintage Now available together in a single volume, these two classics were written by seventeenth-century England's most famous prisoner of conscience, Baptist John Bunyan (1628-1688). Imprisoned for twelve years for his preaching, he wrote first a dramatic allegory of Christian life and followed it with the compelling story of his own conversion. Both have been beloved by generations of spiritual seekers and still speak powerfully to modern readers. Pilgrim's Progress recounts the perilous journey of Christian from the City of Destruction to the Celestial City, and in its second part, follows the journey of his wife, Christiana. Grace Abounding to the Chief

of Sinners is Bunyan's fervent memoir of his own spiritual regeneration. Both works are enduring masterpieces of English prose, uniting the simple power of Biblical language with the vivid bluntness of untutored speech.

PILGRIM'S FLOWER

Pan Macmillan Rachael Boast's first collection, *Sidereal*, was one of the most highly regarded debuts of recent years, winning the Forward Prize for Best First Collection and the Seamus Heaney Centre for Poetry Prize. Her second, *Pilgrim's Flower*, richly confirms and dramatically extends that talent - but where *Sidereal's* gaze was often firmly fixed on the heavens, Boast's focus here has shifted earthward. The book sings life's intoxicants - love, nature, literature, friendship, and other forms and methods of transcendence - and sees Boast's pitch-perfect lyrical metaphysic challenge itself at every turn. *Pilgrim's Flower* gives an almost Rilkean attention to the spaces between things - the slippage between what we think we know, and what is actually there - and in doing so brings the language of rite, observance and rune to the details of our daily lives.

THE SONG OF THE SIRIN

Waystone Press An evil omen clouds the sky. A song of power returns. Can one man's quest save the world? Voran, a young warrior of Vasyllia, lives in a dying world. As blight ravages the countryside and darkness covers the sun, he can't avoid hearing the rumors of an ancient spirit that devours souls. He feels powerless to fight the oncoming devastation until a mythical creature entrusts him with a long-forgotten song. Legend has it that such a song can heal the masses, overthrow kingdoms, and raise humans to divine beings... Armed with the power of the song, Voran must hunt down the dark spirit before it achieves its goal of immortality. His quest takes him through doorways to other worlds and puts him on a collision course with seductive nymphs and riddling giants. With each step of the journey, the strength of the villainous spirit grows, as does Voran's fear that the only way to save his world... is to let it be destroyed. *The Song of the Sirin* is an epic fantasy retelling of the Russian fairy tale Prince Ivan and the Grey Wolf. If you like complex characters, creative twists on mythology, and cinematic world-building, then you'll love Nicholas Kotar's sweeping tale. Buy *The Song of the Sirin* to begin the journey today!

PRAYERS FOR A PLANETARY PILGRIM

A PERSONAL MANUAL FOR PRAYER AND RITUAL

Ave Maria Press First published in 1989 and now available in a revised and newly designed edition, this bountiful treasury of prayers, rituals, and spiritual guidance from best-selling author and teacher Edward Hays is a celebration of the divine presence that unites all people and faiths of the world. Drawing from his life-long, planetary pilgrimage of spiritual discovery, Hays urges readers out of the narrow mindset of praying for one's personal needs into a way of prayer that is both global and cosmic. Poetic psalms, poignant blessings, and original rituals provide creative prayer experiences for the days of the week, the seasons of the year, and the extraordinary days of life. Discover why spiritual pilgrims of all faiths have found Edward Hays to be a wise and compassionate guide.
