Czechs Won't Get Lost in the World, Let Alone in America

Portraits and Vignettes from the Life of Czech Immigrants in America

AuthorHouse *This book features a panorama of the lives of selected personalities, whose roots had origin in the Czech lands and who, in the US, reached extraordinary success and who, with their activities, substantially influenced the growth and development of their new homeland. It is a saga of plain, as well as powerful, people whose influence and importance often exceeded the borders of the US. A great portion of included individuals may be unknown to readers since it concerns persons whose Czech origin was usually not known. The book covers the total period from the times of the discovery of New World to the end of the twentieth century. During the selection, little concern was given to nationalistic or ethnographic criteria, the only prerequisite was that the respected individuals were either born on the territory of the Czech lands or were descendants of emigrants from the Czech lands. The image on the front cover is a portrait of Augustine Herman, Lord of Bohemia Manor, the first documented Czech immigrant in the United States. The portrait comes from his famous Map of Maryland and Virginia, dated 1670. The colorful story of his life would be unbelievable if made into a movie. Pioneer, merchant, explorer, surveyor, map maker, patriot, rebel, diplomat, and finally Lord! Read more about him in the book.*

Can't Get Enough

A Novel

Crown *The memorable men and women of P.G. County are back in Connie Briscoe's wickedly funny and deliciously daring novel of romance and betrayal, dangerous choices and seductive second chances. Barbara Bentley, the grand dame of Prince George's County, an elite suburb in Washington D.C., is tentatively embarking on a fresh approach to life. She's abandoning the alcohol that served to soften the edges of her marriage to her bimbo-loving millionaire husband, Bradford, and she's been sober for nearly a year. Her part-time work as a real estate agent has boosted her self-confidence, and the unexpected attentions of a handsome young colleague have done wonders for her ego. For Jolene, Bradford's ambitious, conniving ex-mistress, the status she covets remains tantalizingly out of reach. Her decent, hard-working husband, Patrick, has left her for Pearl, a woman proud of her success as a beauty shop owner and eager to create a loving home for Patrick and his two teenage daughters. Meanwhile, royalty comes to Silver Lake in the form of Veronique. She's rich, fabulous and everyone's new friend. Or is she? As the characters slip in and out of their Pratesi sheets and stride into mayhem and misdeeds in their jimmy Choo shoes, Can't Get Enough will hold readers spellbound.*

EVELINA

The Alpha

[David Gomadza](#) *A suspenseful romantic action-packed thriller. A gorgeous young lady turned Most Wanted. A romantic trip and a love to die for. A hidden secret. An evil brutal regime practicing a cult they believe existed even before God created the world. Until the regime is stopped life is on the line. A must read. ABOUT THE SERIES EVELINA A secret cult that existed even before this world was created is still at the center of murder a thousand years later. A ruthless regime is using this cult to run rampage and havoc. A corrupt and evil world where murder is the norm. A place so dark and scary where they all come out in numbers where they are slaughtered in thousands. A place where they are naked:-no rights, hopes, or anything to hang on to. A place where the only hope and courage is the heart-engraved-belief that someone will solve God's Dilemma and rise to save humanity. A pledge to fight to the death because the sole existence of the regime is to restore the lost kingdom of darkness at humanity's expense. Where restoring it means slaughtering two-thirds of the world's population in 48 hours known as the 48 Hours of Darkness. It's a story of great courage in the face of death. The rise of Tomorrow's World Order citing the system as the root of all evil setting a collision course with the regime. The suspenseful questions are when and of what magnitude will the collision be and the devastating outcome? Will the regime allow a system change? Where stakes are high and the regime will defend the system at any cost will they succeed and at what cost? How can mankind survive the most feared devil's ghosts? Are you to be the lucky few to be spared in the 48 hours of darkness? Is mankind doomed or there is hope? What is God's Dilemma and can it really be solved? Unless God's Dilemma is solved mankind is doomed. A race against time where it's a matter of life or death for the strongest men let alone for Evelina caught up in all this. Will she survive the greatest manhunt since the world was created with everyone after her with the most powerful man demanding her too? Only one way to find out. Get this book right now.*

What Got You Here Won't Get You There

How successful people become even more successful

[Profile Books](#) *Your hard work is paying off. You are doing well in your field. But there is something standing between you and the next level of achievement. That something may just be one of your own annoying habits. Perhaps one small flaw - a behaviour you barely even recognise - is the only thing that's keeping you from where you want to be. It may be that the very characteristic that you believe got you where you are - like the drive to win at all costs - is what's holding you back. As this book explains, people often do well in spite of certain habits rather than because of them - and need a "to stop" list rather than one listing what "to do". Marshall Goldsmith's expertise is in helping global leaders overcome their unconscious annoying habits and become more successful. His one-on-one coaching comes with a six-figure price tag - but in this book you get his great advice for much less. Recently named as one of the world's five most-respected executive coaches by Forbes, he has worked with over 100 major CEOs and their management teams at the world's top businesses. His clients include corporations such as Goldman Sachs, Glaxo SmithKline, Johnson and Johnson and GE.*

I Can't Get Over My Partner's Affair

[eBook Partnership](#) *You'd think if someone was caught having an affair that they'd make a full confession. You'd think they would know if they wanted to stay or leave. You'd think they would be able to explain why they were unfaithful. You'd think if they promised to 'fight' for their marriage that their actions would match their words. But for lots of people recovery is not so straightforward and takes far longer than they would have imagined on discovery day. Sometimes the person who has been unfaithful vows to do 'anything' to make it better but the next day sabotages everything. Sometimes the discoverer of the infidelity is constantly besieged by horrible images or overcome with anxiety - even though they want to move forward. Sometimes the betrayal has been so great - several affairs, hook-up sites, prostitutes or cheating with a friend - that recovery is much harder. Alternatively, the couple's marriage was so close or they were childhood sweethearts that the pain is doubled and quadrupled. If you can't get over your partner's affair, it is easy to think that the pain is too great and you need to split up. However, Andrew G. Marshall has spent thirty years working with couples in crisis and has a message of hope. 'It's not that there's something fundamentally wrong with your marriage but you have been so profoundly hurt that you need extra help and to learn special skills to find a way round blockages.' In this compassionate book, he shares: 50 case histories so you don't feel so alone in your struggle. How to diagnose why you're feeling stuck. The common myths about infidelity that make recovery harder. How to communicate better with your partner and stop arguments going round in circles. How to turn the pain of infidelity into something positive.*

They Just Don't Get It

How the Washington Political Machine Is Still Compromising Your Safety--and What You Can Do About It

[Crown Forum](#) *No more politics—just the truth about what we can and must do to protect ourselves. Fox News military analyst Colonel David Hunt has dedicated his career to fighting terrorism. A twenty-nine-year U.S. Army veteran, he has helped take out an active terrorist camp, trained the FBI and Special Forces in counterterrorism tactics, and served as security adviser to six different Olympic Games. And Colonel Hunt is angry. Why? Because even after the terrorist attacks on our country and on Americans around the world, the people charged with protecting us—the politicians and the bureaucrats in military and intelligence—still aren't getting the job done. They Just Don't Get It provides a much-needed wake-up call to all Americans. As politicians posture and pundits bicker, we're losing sight of the fundamental problem: We're still not equipped to win the War on Terror. In fact, the*

terrorist threat is far worse than we feared, as made frighteningly clear by the fifty pages of documents published here for the first time—including a shocking manual taken from the terrorists themselves. But instead of just complaining, Colonel Hunt tells us exactly what we must do—without regard to political game-playing—to emerge victorious in the challenge that history has given us. These are changes we can make at every level—as individual citizens, as a government, and as a military power. As he shows in this book, while the government and our military lead the fight to protect us, ordinary citizens can and must contribute. *They Just Don't Get It* reveals:

- What you can do to keep your family safe
- How many of the government's recent "reforms" are mere window dressing or, worse, counterproductive
- How we can fight this war and still safeguard our civil liberties and the American way of life
- How to fix the intelligence disaster (and yes, the politicians in D.C. still haven't fixed it)
- How we got into this mess in the first place: it's mostly because our government let the problem fester for three decades

Colonel Hunt is no cautious bureaucrat or finger-pointer looking for political gain. He is a straight shooter with deep insight into what's happening in the War on Terror—on the ground and in the government. *They Just Don't Get It* lays out in clear and compelling terms the steps we must take—all of us—to win the War on Terror and ensure our survival as a free, proud, and strong nation. From *They Just Don't Get It* We're fighting a war for our very survival, so we'd better figure out how to win. That's why I'm writing this book—to show us how we can win, how we can protect ourselves. As a Fox News military analyst, I'm paid to offer insight into how our armed forces are conducting the fight against our enemies. But this book shows that to win the War on Terror we need to concern ourselves with more than just military tactics. For one thing, we need to look at what our political leaders are doing. The sad truth is that they still don't get it. Then there's intelligence. You've heard about our intelligence failures, but I doubt you know how bad it really is—even after the "reforms." I'm going to tell you. And another critical dimension to this story usually gets overlooked—what you can do. The fact is, you can do a lot. Hell, you must do a lot. A selection of American Compass

Nice Girls Don't Get the Corner Office

Unconscious Mistakes Women Make That Sabotage Their Careers

Balance Before you were told to "Lean In," Dr. Lois Frankel told you how to get that corner office. The New York Times bestseller, is now completely revised and updated. In this edition, internationally recognized executive coach Lois P. Frankel reveals a distinctive set of behaviors--over 130 in all--that women learn in girlhood that ultimately sabotage them as adults. She teaches you how to eliminate these unconscious mistakes that could be holding you back and offers invaluable coaching tips that can easily be incorporated into your social and business skills. Stop making "nice girl" errors that can become career pitfalls, such as: Mistake #13: Avoiding office politics. If you don't play the game, you can't possibly win. Mistake #21: Multi-tasking. Just because you can do something, doesn't mean you should do it. Mistake #54: Failure to negotiate. Don't equate negotiation with confrontation. Mistake #70: Inappropriate use of social media. Once it's out there, it's hard to put the toothpaste back in the tube. Mistake #82: Asking permission. Children, not adults, ask for approval. Be direct, be confident.

Can't Get Over You

The Knight Agency Travel back to the loveswept world of Fortune's Island with New York Times and USA Today bestselling author Shirley Jump. His voice pierced the darkest corners of her heart. Waitress Jillian Matheson needs a life makeover. The first thing on her "Get it Together" to-do list is breaking up with her fiancé, Zach Gifford, a struggling rocker who refuses to grow up. With Zach on the sidelines, Jillian pursues the dream career she's secretly craved for decades and finds romance in the arms of a hot, mysterious visitor on Fortune's Island. There's just one kink in her plans. Zach's band has a regular gig at The Love Shack where she works. And, she can't deny the effect of his velvet-cloaked voice, a voice that can still reach places she no longer allows his hands to touch. She's the only song he ever wanted to sing. Zach thought he had everything figured out—a music career on the edge of a breakthrough and a gorgeous fiancé—until Jillian left her engagement ring on his amp one night and walked out of his life. He is sure that he can get her to remember their shared passion and realize that they belong together, until a new man enters the picture and begins to sway Jillian's heart. Is it ever too late for true love? Just as Zach begins to break down Jillian's walls of resistance, a dark secret from his past comes to light and threatens to ruin their second chance at love. With shattered trust pushing them farther away from each other than ever before, can these two wounded hearts find their way back to each other before the last song?

Let's Get Biblical!

Why Doesn't Judaism Accept the Christian Messiah?

Rbn Publishers We saw in Volume 1 of Let's Get Biblical! Why Doesn't Judaism Accept the Christian Messiah? how Christendom-beginning in the earliest epistles of the New Testament- deliberately altered the Jewish Scriptures in order to make these sacred Hebrew texts appear Christological. What else did Christians invent on the way to making Christianity into the religion it became? Christians find it perplexing that Jews don't accept Jesus as the messiah because it seems so obvious to them when they routinely refer to Jesus as "Christ" and "the messiah." Almost all Christians think that the prophets of the Jewish Bible frequently made predictions that the messiah would be the son of God, who would be born to a virgin in Bethlehem, be a great miracle worker, endure a brutal crucifixion, and rise from the dead. As a result of this widespread belief, many Christians are astounded that Jews refuse to believe in their religion. They wonder how Jews could possibly fail to accept their assertion that Jesus is the messiah. Can't they see the overwhelming evidence to support this claim? Are they just being stubborn? Is there some sort of veil over their hearts and eyes? How can a nation reputed to be the most intelligent people on earth be so hardheaded? After all, God chose the Jews to be the recipients and protectors of His sacred oracles. They received their instructions directly from the prophets, and are the only nation on earth that can read and comprehend the Jewish Scriptures in its original language. Can such a nation be so clueless? In essence, Christians are dumbfounded. They don't understand why the vast majority of Jews are unimpressed with their assertion that the central role of the messiah was to die for the sins of the world. Christians wonder: Why don't passages in the "Old Testament" such as Isaiah 53 and Psalm 22 convince the Jews that the messiah was to suffer and die for the sins of mankind? Don't these and other texts in the Hebrew Scriptures provide irrefutable proof that Jesus is the promised Jewish messiah? After all, these chapters appear prominently in their own Bible. There is a clear answer to this age-old question: The messiah is not mentioned in any of these passages. In fact, these texts do not refer to the messiah but to someone or something else. In Volume 2 of this series, Rabbi Tovia Singer continues to probe this eye-opening and thought-provoking study of the Bible in order to answer two fundamental questions: Who invented Christianity, and how did they accomplish this task?

Don'T Rush to Get Old

AuthorHouse **DISCLAIMER:** Please note. This story graphically profiles the details of my life as a call girl (my life being the operative words.) I am in no way endorsing or glamorizing the sex trade industry in any way. The professions of this industry are risky, immoral, dangerous and mostly illegal. I am not advising or encouraging any reader to pursue a career in the sex trade industry. I am encouraging every reader to do the opposite of what I did. I stand behind my belief that the sex trade industry is NOT purposed for Gods child of destiny. Dont Rush To Get Old is the gripping and heart stopping testimony of Olivia Jackson, a woman who as a young girl found herself on the brink of destruction. This tale of survival, redemption and victory chronicles Olivias trials of sexual and emotional abuse, drug and alcohol addiction, struggles with self worth and the paralyzing evils of family dysfunction. Although this story is not an autobiography, it is a painfully graphic, heart wrenchingly honest testimony- that recants the years of personal pain and torture from a woman who almost lost her life from the lack of knowledge that comes with age and maturity. With a passionate foreword written by celebrated Pastor Pamela Hines, Olivia has a special message for the youth of today. Her story of deliverance through salvation will inspire and encourage all who read it!

He Just Doesn't Get It

Simple Solutions to the Most Common Relationship Problems

Simon and Schuster Almost every woman has uttered, "He just doesn't get it!" in frustration when her partner drives her crazy -- or to tears. Now this dramatically different relationship guide reveals the hidden reasons why. He Just Doesn't Get It! offers simple solutions to the problems women have with the infuriating, confusing, difficult -- and absolutely wonderful -- guys they love, including: "Why are men so selfish?" "How can they be so oblivious?" "Are men intimacy-impaired?" "Will he ever grow up?" "Will he ever understand me and love me in the way I long to be loved?" Nationally known relationship counselor Ellen Sue Stern has worked with thousands of women who have asked the exact same questions about their boyfriends or husbands -- regardless of their age, background, or length of time in a relationship. Why is it that men don't make the same effort women do to please their mate, improve intimacy, or create a more satisfying union? Focusing on fifteen of the most common relationship problems, Ellen Sue Stern supplies the answers -- and the unseen motivations underlying men's behavior -- as if she's been there herself (she has!). She will astonish you with her on-target descriptions of how you react to his behavior -- and how you unwittingly may be making things worse. With specific advice on what to do when he takes you for granted, accuses you of acting like his mother, or proclaims, "I need more space," she shows you how to turn things around immediately, even if "He just doesn't get it!" With counsel that's exciting, practical, and best of all, effective, Ellen Sue Stern gives you the power to dramatically improve your relationship -- and feel better about yourself while you're at it.

Don't Let the Pigeon Drive the Bus!

When a bus driver takes a break in this hilarious Caldecott Honor-winning picture book, he gives the reader just one instruction: "Don't let the pigeon drive the bus!" But, boy, that pigeon tries every trick in the book to get in that driving seat: he whines, wheedles, fibs and flatters. Will you let him drive? Told entirely in speech bubbles, this brilliantly original and funny picture book demands audience participation!

It Just Doesn't Get Any Better Than This

iUniverse There were black bulb-looking plungers, brown bowl-shaped plungers, yellow elliptical-shaped ones, some with short handles and some with longer handles, some rubber, some plastic. Wow, do they have any with a graphite shaft? Any treated lumber handles?? Hmmmm, I wonder which one of these will work the best on my toilet? Must I take a clay imprint of the commode bottom? Now I was confused unsure if any particular style would fit better, or create more suction and push versus another. As I stood there studying the design of each one I thought how great it would be if I could try them out. You know, kind of like kicking the tires on a car before you buy it. Doubt I could test one and return it, just didnt seem like I should ask. So instead upon impulse I took won of the basic models and jabbed it at my feet onto the floor. Yep, it stuck, pretty dang good, this one could work. As I tugged on the plungers handle I noticed the rough floor and thought to myself, they need to finish repairing these vinyl tiles pretty soon. It was at this point that I hear someone from several aisles over yell across the store, NO, wait!!

Nice Girls Just Don't Get It

99 Ways to Win the Respect You Deserve, the Success You've Earned, and the Life You Want

Harmony Offering the same brand of practical, no-holds-barred, expert advice that made Nice Girls Don't Get the Corner Office an international million-copy bestseller, Nice Girls Just Don't Get It teaches us the skills we need to turn from a nice girl into a winning woman, not just in our careers but in our relationships, families, and everyday lives. Have you ever felt invisible? Taken advantage of? Reluctant (or unable) to articulate what you really want? If so, join the club. The nice girls club. Nice girls—that's right, girls—are those more concerned with pleasing others than with addressing their own needs and haven't yet learned how to overcome the childhood messages cultural stereotypes keeping them from getting their voices heard, their needs met, and the lives they want. This book will turn those nice girls into winning women. That is, women who factor their own needs in with those of others, confront those who treat them disrespectfully, maintain healthy and mutually beneficial relationships with appropriate boundaries— and as a result, are happier and more successful in every area of their life. In 2004, Lois Frankel blew the lid off so many of our long-held ideas about gender and success with her bestselling Nice Girls Don't Get the Corner Office, which went on to become such a huge phenomenon, the term "nice girls" has secured a place in our cultural lexicon. Here, Frankel teams up with negotiation expert Carol Frohlinger to bring this bestselling advice out of the workplace and provide a broader set of skills that any woman—whether a CEO or stay-at-home mom—can use to win anywhere, with anyone. Presented in the straightforward, digestible format that helped make Nice Girl's Don't Get the Corner Office an instant hit, Frankel and Frohlinger outline seven practical strategies and 99 supporting tactics that every winning woman should know. By the time you've finished reading this book, you'll be able to: • Get your husband to do his half of the household chores—without being made to feel like a nag. • Stop overextending yourself by taking on all the unpleasant tasks no one on your volunteer board, or your team at work will go near. • Win an argument with your mother in law about who will be hosting Christmas dinner. • Have the courage to send back a meal that isn't prepared the way you'd ordered it. • Confront a colleague who is shirking responsibility or taking credit for your work. • Convince a sales person to reduce a fee, waive a surcharge, or honor a store credit. • Question a doctor's course or treatment or request a second opinion, instead of simply going along in order to be a "good" patient. • Firmly but politely bow out of an extravagant vacation to celebrate a friend's birthday that you simply can't afford—without feeling guilty about it. And so much more. A must-read for anyone who's ever felt taken advantage of by a friend or family member, unappreciated by a spouse or partner, or exploited by a vindictive neighbor or co-worker, Nice Girls Just Don't Get It offers women the indispensable knowledge and skills to get the things they want, the respect they've earned, and the success they deserve. From the Hardcover edition.

Japanese Women Don't Get Old or Fat

Secrets of My Mother's Tokyo Kitchen

[Delta](#) What if there were a land where people lived longer than anywhere else on earth, the obesity rate was the lowest in the developed world, and women in their forties still looked like they were in their twenties? Wouldn't you want to know their extraordinary secret? Japanese-born Naomi Moriyama reveals the secret to her own high-energy, successful lifestyle--and the key to the enduring health and beauty of Japanese women--in this exciting new book. The Japanese have the pleasure of eating one of the most delicious, nutritious, and naturally satisfying cuisines in the world without denial, without guilt...and, yes, without getting fat or looking old. As a young girl living in Tokyo, Naomi Moriyama grew up in the food utopia of the world, where fresh, simple, wholesome fare is prized as one of the greatest joys of life. She also spent much time basking in that other great center of Japanese food culture: her mother Chizuko's Tokyo kitchen. Now she brings the traditional secrets of her mother's kitchen to you in a book that embodies the perfect marriage of nature and culinary wisdom--Japanese home-style cooking. If you think you've eaten Japanese food, you haven't tasted anything yet. Japanese home-style cooking isn't just about sushi and raw fish but good, old-fashioned everyday-Japanese-mom's cooking that's stood the test of time--and waistlines--for decades. Reflected in this unique way of cooking are the age-old traditional values of family and the abiding Japanese love of simplicity, nature, and good health. It's the kind of food that millions of Japanese women like Naomi eat every day to stay healthy, slim, and youthful while pursuing an energetic, successful, on-the-go lifestyle. Even better, it's fast, it's easy, and you can start with something as simple as introducing brown rice to your diet. You'll begin feeling the benefits that keep Japanese women among the youngest-looking in the world after your very next meal! If you're tired of counting calories, counting carbs, and counting on being disappointed with diets that don't work and don't satisfy, it's time to discover one of the best-kept and most delicious secrets for a healthier, slimmer, and long-living lifestyle. It's time to discover the Japanese fountain of youth....

From Oral History Interviews with Arthur M. Smith, Jr. : a Narrative Interpretation

University of Nevada Oral History Through taped and transcribed interviews of people with historically significant experiences, the University of Nevada Oral History Program (UNOHP) is building an eyewitness record of Nevada's past. The UNOHP's oral histories are more than rich sources of information - they convey the human dimension of history that is so often absent from other forms of documentation. The program's collection contains over 60,000 pages of transcription on a wide variety of subjects, including ranching and mining, government and politics, the development of the casino gaming industry, Great Basin Indians, the experiences of ethnic and minority groups, and community history.
