CREATIVE TEACHING FROM A-Z

CREATIVE IDEAS FOR THE ELEMENTARY TEACHER

Author House Creative teaching from A-Z is a hands-on guide for teachers to help them incorporate innovative learning techniques in their classroom. It includes an original test taking skills rap song, a brand new and original writing model, and reproducible pages. It is focused on language arts activities, but it also includes math, classroom management ideas, and holiday activities. Each chapter represents a letter of the alphabet and offers a unique teaching idea starting with a letter of the alphabet. The intended market for this book is the elementary school teacher, especially 3-6 grades. However, there are a few chapters that target the K-2 classrooms. There are other workbooks on the market, but this book has original ideas that students and teachers will love.

ORPHAN ISLAND

HarperCollins A National Book Award Longlist title! "A wondrous book, wise and wild and deeply true." —Kelly Barnhill, Newbery Medal-winning author of *The Girl Who Drank the Moon* "This is one of those books that haunts you long after you read it. Thought-provoking and magical." —Rick Riordan, author of the *Percy Jackson* series In the tradition of modern-day classics like Sara Pennypacker's *Pax* and Lois Lowry's *The Giver* comes a deep, compelling, heartbreaking, and completely one-of-a-kind novel about nine children who live on a mysterious island. On the island, everything is perfect. The sun rises in a sky filled with dancing shapes; the wind, water, and trees shelter and protect those who live there; when the nine children go to sleep in their cabins, it is with full stomachs and joy in their hearts. And only one thing ever changes: on that day, each year, when a boat appears from the mist upon the ocean carrying one young child to join them—and taking the eldest one away, never to be seen again. Today's Changing is no different. The boat arrives, taking away Jinny's best friend, Deen, replacing him with a new little girl named Ess, and leaving Jinny as the new Elder. Jinny knows her responsibility now—to teach Ess everything she needs to know about the island, to keep things as they've always been. But will she be ready for the inevitable day when the boat will come back—and take her away forever from the only home she's known? "A unique and compelling story about nine children who live with no adults on a mysterious island. Anyone who has ever been scared of leaving their family will love this book" (from the *Brightly.com* review, which named *Orphan Island* a best book of 2017).
