Like the butterfly wings of the chaos theory, one person's acts -- random, violent, kind, insincere or hearty -- impact others and multiply in ways and directions that frequently defy description." - Comic Book Resources (CBR) "This book is magical. It reminds me of so many stories and yet manages to be wholly original. Be good to your heart and grab this comic with both hands." - Big Comic Page "A slice of life story with magical realism, Heart in a Box is smart storytelling, but it's also just so very raw. Like real raw." - Women Write About Comics "With Heart In A Box, Thompson & McClaren pull off the kind of smart story telling and allegory that transcends the genre and medium with a comic that almost anybody could enjoy...Heart In a Box in one of the best comics of 2015 which feels like nothing else in the medium, but is still warm and familiar. It has a casual complexity that is as inviting as it is engaging and emotionally affecting." - Nothing But Comics "It's brilliant - so far, it's one of the two or three best comics I've read this year." - Comics Should Be Good
