## **THEOLOGIES OF THE EARLY PENTECOSTAL MOVEMENT**

---

**Indiana University Press** *This book is about the boisterous beginnings of the American Pentecostal movement and the ideas that defined that movement during those formative years. It follows a group of men who rethought the Christian faith in light of their new experience of God. Thinking in the Spirit aims to provide scholars and general readers who know little or nothing about Pentecostalism with an introduction to the ideas of the movement's most articulate early spokespersons, and to provide Pentecostals with a non-judgmental historical source to help them in their theological reflections. Douglas Jacobsen focuses on the individuals who formed the original brain trust of this now gigantic religious movement. In a 25-year burst of creative energy at the beginning of the 20th century, these leaders articulated almost all the basic theological ideas that continue to define the Pentecostal message in the United States and around the world.*

---

**BRILL** *Winner of the Award of Excellence of the Foundation for Pentecostal Scholarship 2010. The teaching of Kenyon, Hagin and*

*Copeland that Jesus 'died spiritually' (JDS) is important because of the influence of these men, not least on Pentecostalism. JDS originated with Kenyon, and has been taught in the Word-faith movement by Hagin and Copeland, despite much criticism. It incorporates three elements: in this death, Jesus was separated from God; partook of a satanic nature; and was Satan's prey. This theological appraisal takes research far further than previous works, both in method and in scope. It concludes that adoption of JDS by Pentecostalism would be damaging in several respects, and thus draw the latter away from its moorings in traditional Christianity. Pentecostals and others are advised to reject the bulk of this teaching.*

### **WHAT HAPPENED FROM THE CROSS TO THE THRONE**

---

*Believe it or not, as they stood at the foot of the cross, the original disciples who walked in close companionship with Jesus knew nothing of the real mission of the man they followed. They did not realize who Christ was, why He came, why He had to suffer, and what was to be gained by His suffering. They did not know what happened on the cross, or during the three days and nights in the tomb before His resurrection. They did not know why the incarnation was important, or that it even was an incarnation. All they could see was the undeserved suffering of their friend and rabbi. Now, legendary Bible teacher E. W. Kenyon reveals hidden truths there were not fully understood until the Pauline Revelation of the Epistles. Until God revealed these truths to the apostle Paul, no one understood why Christ came...why His death on the cross was necessary...or what exactly occurred in the tomb. They did not comprehend the good news: that because of these events, we now become the righteousness of God, people who can stand in God's presence without a sense of guilt, shame, or inferiority. This is the miracle of redemption and the miracle of New Creation. It is the confidence to overcome the devil, to heal disease, and to call Lazarus out of the tomb. To this day, far too many believers share the disciple's view of Jesus: a biographical account of the things He did, the words He spoke, and the suffering He endured. Because of this limited revelation, their Christian faith will experience the same fears and doubts the disciples were left with the day Jesus was crucified. Like the apostles at Pentecost, we must move beyond sense knowledge and into the Spirit realm. We must move beyond religion and into a living and active truth if we are to truly walk in a powerful and overcoming faith.*

### **CHRIST'S ENTHRONEMENT AT GOD'S RIGHT HAND AND ITS GRECO-ROMAN CULTURAL CONTEXT**

---

**Walter de Gruyter GmbH & Co KG** *Given the dearth of non-messianic interpretations of Psalm 110:1 in non-Christian Second Temple Jewish texts, why did it become such a widely used messianic proof-text in the New Testament and early Christianity? Previous attempts to answer this question have focused on why the earliest Christians first began to use Ps 110:1. The result is that these proposals do not provide an adequate explanation for why first century Christians living in the Greek East employed the verse and also applied it to Jesus's exaltation. I contend that two Greco-Roman politico-religious practices, royal and imperial temple and throne sharing—which were cross-cultural rewards that Greco-Roman communities bestowed on beneficent, pious, and divinely approved rulers—contributed to the widespread use of Ps 110:1 in earliest Christianity. This means that the earliest Christians interpreted Jesus's heavenly session as messianic and thus political, as well as religious, in nature.*

## ANGELIC ENCOUNTERS FROM A BIBLICAL PERSPECTIVE

---

**Charisma Media** *Christians and non-Christians alike are encountering angelic beings more than ever, but what does Scripture say about the appearance of angels? In this revision of his eye-opening book, Terry Law presents fascinating biblical truths about both God's angels and evil angels, while exposing false and dangerous teachings that use New Age techniques to contact these powerful beings. Exploring many real-life stories of experiences with angels, Law believes there is an increase in angelic activity because the world is on the brink of the greatest revival and the most cataclysmic events in the history of mankind. The Truth About Angels will answer: - What are angels, and where did they come from? - Are angels appearing more frequently around the world? - Do you have a guardian angel? - Are angels involved in healings or the working of miracles? - How do angels and the Holy Spirit work together?*

## **GEORGE R. R. MARTIN'S A GAME OF THRONES 5-BOOK BOXED SET (SONG OF ICE AND FIRE SERIES)**

---

### **A GAME OF THRONES, A CLASH OF KINGS, A STORM OF SWORDS, A FEAST FOR CROWS, AND A DANCE WITH DRAGONS**

---

**Bantam** *For the first time, all five novels in the epic fantasy series that inspired HBO's Game of Thrones are together in one eBook bundle. An immersive entertainment experience unlike any other, A Song of Ice and Fire has earned George R. R. Martin—dubbed “the American Tolkien” by Time magazine—international acclaim and millions of loyal readers. Now this bundle collects the entire monumental cycle in the most convenient format available: A GAME OF THRONES A CLASH OF KINGS A STORM OF SWORDS A FEAST FOR CROWS A DANCE WITH DRAGONS “One of the best series in the history of fantasy.”—Los Angeles Times Winter is coming. Such is the stern motto of House Stark, the northernmost of the fiefdoms that owe allegiance to King Robert Baratheon in far-off King's Landing. There Eddard Stark of Winterfell rules in Robert's name. There his family dwells in peace and comfort: his proud wife, Catelyn; his sons Robb, Brandon, and Rickon; his daughters Sansa and Arya; and his bastard son, Jon Snow. Far to the north, behind the towering Wall, lie savage Wildings and worse—unnatural things relegated to myth during the centuries-long summer, but proving all too real and all too deadly in the turning of the season. Yet a more immediate threat lurks to the south, where Jon Arryn, the Hand of the King, has died under mysterious circumstances. Now Robert is riding north to Winterfell, bringing his queen, the lovely but cold Cersei, his son, the cruel, vainglorious Prince Joffrey, and the queen's brothers Jaime and Tyrion of the powerful and wealthy House Lannister—the first a swordsman without equal, the second a dwarf whose stunted stature belies a brilliant mind. All are heading for Winterfell and a fateful encounter that will change the course of kingdoms. Meanwhile, across the Narrow Sea, Prince Viserys, heir of the fallen House Targaryen, which once ruled all of Westeros, schemes to reclaim the throne with an army of barbarian Dothraki—whose loyalty he will purchase in the only coin left to him: his beautiful yet innocent sister, Daenerys. “Long live George Martin . . . a literary dervish, enthralled by complicated characters and vivid language, and bursting with the wild vision of the very best tale tellers.”—The New York Times*

**Bantam** *The perfect gift for fans of HBO's Game of Thrones—a boxed set featuring the first four novels! George R. R. Martin's A Song of Ice and Fire series has become, in many ways, the gold standard for modern epic fantasy. Martin—dubbed the "American Tolkien" by Time magazine—has created a world that is as rich and vital as any piece of historical fiction, set in an age of knights and chivalry and filled with a plethora of fascinating, multidimensional characters that you love, hate to love, or love to hate as they struggle for control of a divided kingdom. This bundle includes the following novels: A GAME OF THRONES A CLASH OF KINGS A STORM OF SWORDS A FEAST FOR CROWS*

### GOOD THINGS HAPPEN IN GLASGOW

---

**Xlibris Corporation** *This is not your ordinary love story. In the second chapter of Genesis, a marriage takes place between a man and a woman that pales in comparison to the hypnotism of modern-day romance. This union bears little semblance to the excessively romanticized 21st century courtship, engagement, and wedding. Their matrimony is solely driven by purpose, a concept typically foreign to the new age of passion-fuelled relationships. Youth speaker and Christian author, Jude Addo, draws upon life-changing experiences during his betrothal that unveil some hard truths about love, relationships, and life in general. This book speaks to the trials and triumphs that come with obeying the voice of God, whilst challenging the status quo on several religious and sociological matters. A man of refreshing candour, Addo, cleverly uses his engagement period as a thrilling backdrop to take the reader on a voyage of spiritual enlightenment.*

This doctrine so gripped Kivengere that it shaped his attitude to life, to others, and even to his enemies. He exhorted his audiences to be reconciled with God and then with their fellow human beings, as part of God's remedy for a broken world. In his preaching, Kivengere depicts Jesus as a missionary of reconciliation who brings a fresh and alternative life, characterized by the reconciling love and peace from God. ## **END TIMES TO 2019**

---

---

### **THE END OF THE MAYAN CALENDAR AND THE COUNTDOWN TO JUDGMENT DAY**

---

**SCB Distributors** *Does the end of the Mayan Calendar start the countdown to Judgment Day? Biblical and historical researcher David Montaigne concludes that this is the case. He says that the end of the Mayan Long Count is the official start of the Bible's seven-year tribulation-both were focused on the same astronomical events that occur from 2012 to 2019. The world as we know it will be gone by 2020. Texts from ancient India tell us about great cycles of destruction. The Egyptians told the same basic story with different names. The Maya reveal another version of the story, and were very clear about the timing of events from December 2012 to 2019. Your average American is no expert on these cultures, but most people do have a Bible at home-and the clearest details on what is about to happen can be found in the Bible, if you don't let someone else tell you which parts you should focus on. No, this isn't what you were taught in Sunday school. Religious leaders guide us between the raindrops of curious comments in the Bible. We are discouraged from focusing on the parts they say we weren't meant to understand. But if we stop glossing over these important passages we will understand a flood of details about the End Times. Our "leaders" are not ignorant of these events. The elite already know what is about to happen and they have made preparations most rational people would not believe, because evidence is suppressed to avoid chaos. They want us to remain ignorant, or at least to believe that the details are secrets that cannot be known. But the coming events (and their timing) are not secrets. Years ago, this book's publication would not have been tolerated by those in power. But by now it doesn't matter much-their plans are not going to be interfered with at this point. Your plans, however, can still be formulated, if you make the choice to understand. Topics include: Bible Prophecy; Matthew 24:36- Knowing the hour and the day; The Mayan Calendar and Mythology; Pole Shifts; Galactic Superwaves; Ancient Egypt; Ancient India; World Mythology; The Georgia Guidestones; The real Star of Bethlehem and the exact birthday of Christ; Calculating the Second Coming, and Judgment Day; more.*

*church's most famous preachers and Christianity's foremost prolific writers. Called the "Prince of Preachers," he was one of England's most notable ministers for most of the second half of the nineteenth century, and he still remains highly influential among Christians of different denominations today. His sermons have spread all over the world, and his many printed works have been cherished classics for decades. In his lifetime, Spurgeon preached to more than 10 million people, often up to ten times each week. He was the pastor of the congregation of the New Park Street Chapel (later the Metropolitan Tabernacle) in London for 38 years. He was an inexhaustible author of various kinds of works including sermons, commentaries, an autobiography, as well as books on prayer, devotionals, magazines, poetry, hymns and more. Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration, and his oratory and writing skills held his audiences spellbound. Many Christians have discovered Spurgeon's messages to be among the best in Christian literature. Edward Walford wrote in *Old and New London: Volume 6 (1878)* quoting an article from the *Times* regarding one of Spurgeon's meetings at Surrey: "Fancy a congregation consisting of 10,000 souls, streaming into the hall, mounting the galleries, humming, buzzing, and swarming—a mighty hive of bees—eager to secure at first the best places, and, at last, any place at all. After waiting more than half an hour—for if you wish to have a seat you must be there at least that space of time in advance—Mr. Spurgeon ascended his tribune. To the hum, and rush, and trampling of men, succeeded a low, concentrated thrill and murmur of devotion, which seemed to run at once, like an electric current, through the breast of every one present, and by this magnetic chain the preacher held us fast bound for about two hours. It is not my purpose to give a summary of his discourse. It is enough to say of his voice, that its power and volume are sufficient to reach every one in that vast assembly; of his language, that it is neither high-flown nor homely; of his style, that it is at times familiar, at times declamatory, but always happy, and often eloquent; of his doctrine, that neither the 'Calvinist' nor the 'Baptist' appears in the forefront of the battle which is waged by Mr. Spurgeon with relentless animosity, and with Gospel weapons, against irreligion, cant, hypocrisy, pride, and those secret bosom-sins which so easily beset a man in daily life; and to sum up all in a word, it is enough to say of the man himself, that he impresses you with a perfect conviction of his sincerity." More than a hundred years after his death, Charles Spurgeon's legacy continues to effectively inspire the church around the world. For this reason, Delmarva Publications has chosen to publish the complete works of Charles Spurgeon.*

## FORGIVENESS NOT PUNISHMENT

---

**Wipf and Stock Publishers** *What Happened on the Cross* offers a new and biblical understanding of how salvation was accomplished upon the cross, showing that the Penal Substitution view, common since the 1500s, does not have a biblical basis, and also showing that the Christus Victor understanding is inadequate. The book is founded upon the understanding that Jesus Christ is the Second Adam, and that is the foundation of how we are to understand how salvation was accomplished. Both the shedding of blood and death were essential in the accomplishment of salvation, and *What Happened on the Cross* shows why these were essential. Using over 740 Scripture verses to make its argument, the book gives a comprehensive picture from Genesis to Revelation of the many aspects involved in the accomplishment of salvation—above all showing clearly that the cross had nothing to do with “punishment for sins”—our sins were never punished upon the cross, rather, our sins were forgiven. Understanding how salvation was accomplished upon the cross, and that it was about forgiveness, not punishment, both exalts God and his greatness, demonstrates his perfect love and justice, as well as liberates our hearts towards him.

## GOD’S GRAND FINALE AND THE END OF THE AGE

---

**WestBow Press** *Through the ages many kings and prophets have desired to see the things we see and they did not see them, we are the chosen generation. Many prophecies of scripture are being fulfilled before our eyes and there are many more that are about to come. The rebirth of the state of Israel and the return of the Jews to the Holy Land is prophesied more than any other event in scripture, it is a sign of the times. Theodor Herzl is considered to be the father of the modern state of Israel. In his book, “The Jewish State,” published 1896, it is said that as a child he saw King-Messiah in a dream, who said to him; “Go, declare to the Jews that I shall come soon and perform great wonders and great deeds for My people and for the whole world.” Theodor’s prophetic dream comes to life in the Biblical prophecies presented in this book. There is seen in the prophets a great and awesome SHOW of God’s mighty power that shall take place in the last days. It is a show of God’s power that is greater than anything He has done before, it is God’s Grand*

## **CHURCH TOGETHER**

---

---

### **THE CHURCH OF WE IN THE AGE OF ME**

---

**Wipf and Stock Publishers** *Church Together* is a Christian leadership book designed to give pastors, church leaders, and church members a working plan to overcome the greatest underlying threat to the church today, individualism, through five relationships of surrender which correlate to the five core values of the Church of We. Part One examines the three rotten fruits of individualism within the Church of Me--consumerism, pragmatism, and the extremes of legalism and liberalism--and how to spot each of these problems. Part Two offers a solution on what it will take for churches to make a healthy transition from the Church of Me to the Church of We. *Church Together*, for this reason, gives churches a manageable plan to defy the individualistic spirit of the age as they become the Church of We in the Age of Me.

---

## **READING REVELATION**

---

**BoD - Books on Demand** *The Book of Revelation* can be read in various ways. Where interpretation opts not to venture beyond Revelation or approach the book as a forecast of end-time events, it typically favours either going behind the text, in search of a socio-historical context of origin to which it might refer, or else standing in front of the text and investigating the book's reception history, or its present relevance and impact. Comparatively little interpretative work has been undertaken inside the text, exploring the mechanics of how Revelation 'works', still less how its complex parts might fit together into a meaningful whole. Gordon Campbell considers Revelation to be a coherent narrative composition that draws its hearer or reader into its text-world. In *Reading Revelation: A Thematic Approach*, Campbell gives an innovative account of Revelation's sophisticated thematic content. Mindful of Revelation's narrative verve, or its architecture en mouvement (as Jacques Ellul once put it), Campbell plots a series of thematic trajectories through the book. On this reading, parody and parallelism fundamentally shape the whole narrative. As a first-ever integrated account of Revelation's macro-themes, *Reading Revelation* makes an important contribution to Revelation scholarship. In its light, the book may justifiably be seen as the 'crowning achievement' of the Scriptures.

### WHAT HAPPENS AT MASS

---

---

**Gracewing Publishing** *What Happens at Mass draws the reader to a deeper understanding of the Mystery of Faith. The Mass is the gift of and an encounter with Jesus Christ. What Happens at Mass is about God acting in our lives through tangible human actions and words. This book draws us closer to the ritual of the Mass, which is nothing less than the very event of our salvation. "Father Driscoll has done something remarkable here. He has written an intelligent, yet widely accessible, guide to the Mass. This book will be very popular with parish study groups, adult education courses, and with individuals on the lookout for the best spiritual reading" Scott Hahn* Father Jeremy Driscoll is a Benedictine monk of Mount Angel Abbey in Oregon. He teaches at Mount Angel Seminary and the Pontifical Atheneum of Sant'Anselmo, Rome.
