Chase!

Managing Your Dog's Predatory Instincts

Dogwise Publishing *Almost every dog has some degree of prey drive—it's in his genes—some more than others. You may experience it when your otherwise well mannered dog suddenly takes off chasing after a rabbit, squirrel, or a jogger. The old approach to solving this problem involved the use of “corrective” devices like choke chains and electronic fences. A better approach includes training and management techniques that reward your dog for choosing to focus on and stay near you, the owner.*

Chase

A Bird's Tale

Page Publishing Inc *Chase is a small bird in an all-American family. It is a small nest with too many mouths to feed. Somehow it all works out. A nest full of family love, I guess you could say. There is a mom, dad, two boys, and a sister. Chase doesn't see boundaries, and everyone is a friend. True friends are hard to come by, and parents and family are even harder. So hold your friends close and your loved ones closer.*

Natural Language Syntax

Oxford University Press *"The book's clear, step-by-step exposition is presented within the Simpler Syntax framework whose development has been led by the author and Ray Jackendoff over the last fifteen years. This integrates syntactic theory with the representation of conceptual structure and casts fresh light on the interface between syntax and semantics. It also enables elegant and economical analyses of natural language phenomena without recourse to such abstract devices as functional heads and uniform binary branching."--BOOK JACKET.*

Ivor's Poetry

Lulu.com *Ivor's Poetry is a feast of poetry covering many subjects including fantasy, trips within one's mind, spirituality and life's experiences with an ever present message of having fun, enjoying life and making the most of the hand life dealt you to travel the pathways of life. It is coloured by his being brought up in a large military family, his teenage years living on the island of Penang in Malaysia and the trials and successes he has encountered throughout his lifetime. Avenues of the mind, depression, laughter, death, disability, religion and spirituality are all unfolded here in a most surprisingly entertaining fashion. The clear message of having fun whilst rising from the ashes of depression, redundancy and personal loss have never before been presented in such a personal and open manner that makes one feel that just reading his work could guide you towards one's own personal fulfillment.*

Under Pressure

WAHIDA CLARK PRESENTS *Quentin 'QB' Banks has always been a fighter, even though it always seems as if he is holding on to life by a mere thread. After serving time in prison, QB returns to his Queens, New York neighborhood and begins working as the Director of U-Turn, an at-risk community center for teenagers. Nicknamed 'OG' (Original Gangster), QB is respected by all, especially two of the center's teenagers, Torry and Chase. When someone tries to gun down QB, Chase and Torry's lives change forever. QB fights to suppress his feelings for revenge, while Torry is faced with a new challenge he doesn't think he can endure. Chase, on the other hand, carries a secret that can destroy them all. Will QB retaliate against his enemies? Will Torry overcome his internal demons? Will Chase come clean, tell the truth, and prevent others from getting hurt? Only time will tell when you're Under Pressure!*

A Dog's Courage

Macmillan #1 New York Times bestselling author W. Bruce Cameron once again captures the bravery and determination of a very good dog in the gripping sequel to *A Dog's Way Home*, the acclaimed novel that inspired the hit movie! Bella was once a lost dog, but now she lives happily with her people, Lucas and Olivia, only occasionally recalling the hardships in her past. Then a weekend camping trip turns into a harrowing struggle for survival when the Rocky Mountains are engulfed by the biggest wildfire in American history. The raging inferno separates Bella from her people and she is lost once more. Alone in the wilderness, Bella unexpectedly finds herself responsible for the safety of two defenseless mountain lion cubs. Now she's torn between two equally urgent goals. More than anything, she wants to find her way home to Lucas and Olivia, but not if it means abandoning her new family to danger. And danger abounds, from predators hunting them to the flames threatening at every turn. Can Bella ever get back to where she truly belongs? *A Dog's Courage* is a moving tale of loyalty and the constant heart of one devoted dog – brought vividly to life with a keen understanding of what makes all dogs so special.

The Cats Be Unemployed

A Millennial's Topsy-Turvy Chase for Gainful Employment; Or, a Generation's Catalog of Conundrums

Xlibris Corporation *The Cats Be Unemployed A Millennial's Topsy-Turvy Chase for Gainful Employment; or, A Generation's Catalog of Conundrums* When we are young and un(der)employed, we may find ourselves in desperate or humorous situations trying to chase some cash. We become curious about ourselves and our society and question what it really means to be an "adult." We begin to compare ourselves to others...or to cats: living back at home, sleeping all day, going crazy, not wearing pants, pawing at that mouse. We are always on the hunt. We are constantly put in boxes. We are frustrated by closed doors. *The Cats Be Unemployed* takes you through one Millennial's topsy-turvy chase to find gainful employment after cat walking right into the Great Recession. Kristin's twenties are spent precariously enduring unemployment five times within a six year span, while fighting through bait and switch scams, unreliable jobs and gig work, questionable policies, rocky relationships, and her own "quarter life crisis." Through a collection of essays combining personal stories, extensive research, and humor, she examines the socioeconomic landscape this generation lives with, but has the potential to change. She provides insightful analysis on disconnects that surround education, health care, pay rates, company culture, and our perceptions versus realities of the working world. Join Kristin in an eye-opening discovery of the catalog of conundrums aspiring adults face after graduation. *The Cats Be Unemployed* reflects on and examines socioeconomic issues that aspiring adults encounter constantly: • Grievances and hilarities of being un(der)employed • Disconnects between education and the actualities of the workplace • Counterproductive company cultures • Scams that target the vulnerable • Company drug testing • Stagnating job growth, creation and pay rates • Effects on relationships when lost and broke • Health care options and dilemmas • Frustrations when working with recruiters • Kooky living situations • Coming of age with ever-changing technology and social media • The "Quarter Life Crisis"

The New Crescent Collection [Box Set 70]

Siren-BookStrand *In Trouble, Gillian Watson wakes from a coma with a hazy memory but a powerful gift. In order to recover, she moves to the little town of New Crescent where she is welcomed by everyone...except much admired sheriff Travis Sinclair. Travis knows that Gillian is trouble, he feels it in his gut, yet he can't stay away. But when a serial rapist begins to terrorize the town, Gillian uses her uncanny ability to help Travis, intimately involving herself in the investigation and with the sheriff. Will Gillian's mysterious power make her the rapist's next target? In Spirit, Reggie Stanton has always felt connected to the old Bennett House, and it feels like a dream come true when she's asked to restore it. Unfortunately, Chase McCann has also been hired to do the landscaping, which wouldn't be a problem...if Reggie hadn't secretly been in love with him for years. Meanwhile, strange and dangerous things begin to happen around the house. Reggie enlists the help of the meddling, matchmaking ghost haunting the garden to help her unravel the mystery of the soul-sucking evil lurking in the library, and she's willing to do whatever it takes. In Prey, Jade Adams is finally free to return home to New Crescent after her abusive father dies. She even lands a plum job working with her childhood crush, Sam Daniels. Sam is still as devastating as ever, but does he still think of her as the tubby kid who'd thrown herself at him years ago, or does he see the vibrant woman she's become? With Christmas approaching and Sam taking an unexpected interest in Jade's sex life, things are looking up. At least until several people are found brutally eviscerated. Is the killer human or animal? Even Sam's skills as a vet and Jade's ability to communicate with animals fail to uncover the truth. But after a few close calls, Jade begins to suspect she is next. Metametaphysics

New Essays on the Foundations of Ontology

Oxford University Press on Demand *Metaphysics asks questions about existence: for example, do numbers really exist? Metametaphysics asks questions about metaphysics: for example, do its questions have determinate answers? If so, are these answers deep and important, or are they merely a matter of how we use words? What is the proper methodology for their resolution? These questions have received a heightened degree of attention lately with new varieties of ontological deflationism and pluralism challenging the kind of realism that has become orthodoxy in contemporary analytic metaphysics. This volume concerns the status and ambitions of metaphysics as a discipline. It brings together many of the central figures in the debate with their most recent work on the semantics, epistemology, and methodology of metaphysics.*

In Gods We Trust

The Evolutionary Landscape of Religion

Oxford University Press *This ambitious, interdisciplinary book seeks to explain the origins of religion using our knowledge of the evolution of cognition. A cognitive anthropologist and psychologist, Scott Atran argues that religion is a by-product of human evolution just as the cognitive intervention, cultural selection, and historical survival of religion is an accommodation of certain existential and moral elements that have evolved in the human condition.*
