**Instructing a Child's Heart** *Shepherd Press* "A shepherding the heart resource"---Cover. **Shepherding a Child's Heart** *Shepherd Press* **Shepherding a Child's Heart** is about how to speak to the heart of your child. The things your child does and says flow from the heart. Luke 6:45 puts it this way: "...out of the overflow of the heart the mouth speaks." Written for parents with children of any age, this insightful book provides perspectives and procedures for shepherding your child's heart into the paths of life. In this revised edition of *Shepherding a Child's Heart*, Dr. Tedd Tripp not only draws on his thirty years experience as a pastor, counselor, school administrator, and father, but he also shares insights gained in many years of teaching this material in conferences worldwide, providing more valuable help for parents. **Home in the Morning** *Open Road Media* A Southern family confronts the tumult of the 1960s, and the secrets that bind its members together, in a novel by a National Jewish Book Award finalist. Jackson Sassaport is a man who often finds himself in the middle. Whether torn between Stella, his beloved and opinionated Yankee wife, and Katherine Marie, the African American girl who first stole his teenage heart; or between standing up for his beliefs and acquiescing to his prominent Jewish family's imperative to not stand out in the segregated South, Jackson learns to balance the secrets and deceptions of those around him. But one fateful night in 1960 will make the man in the middle reconsider his obligations to propriety and family, and will start a chain of events that will change his life and the lives of those around him forever. **Home in the Morning** follows Jackson's journey from his childhood as a coddled son of the Old South to his struggle as a young man eager to find his place in the civil rights movement while protecting his family. **Flashing back** between Jackson's adult life as a successful lawyer and his youth, Mary Glickman's riveting novel traces the ways that race and prejudice, family and love intertwine to shape our lives. This ebook features rare photos and never-before-seen documents from the author's personal collection. **Big Truths for Young Hearts Teaching and Learning the Greatness of God** *Crossway* Equips parents to guide their young children through all major doctrines in an understandable, chapter-a-day format. Sure, it's easy to teach your children the essentials of Christian theology when you're a theology professor. But what about the rest of us? With **Big Truths for Young Hearts**, Bruce Ware, (you guessed it!) a theology professor, encourages and enables parents of children 6-14 years of age to teach through the whole of systematic theology at a level their children can understand. Parents can teach their children the great truths of the faith and shape their worldviews early, based on these truths. The book covers ten topics of systematic theology, devoting several brief chapters to each subject, making it possible for parents to read one chapter per day with their children. With this non-intimidating format, parents will be emboldened to be their children's primary faith trainers-and perhaps learn a few things themselves along the way. **Hints for Parents** *Shepherd Press* A guidebook to parenting using commentary on verses from scripture. **Intentional Parenting Family Discipleship by Design** *Cruciform Press* There are literally thousands of books available on how to live various aspects of the Christian life. Of these, at least a couple of dozen pertaining to family life and child training are well worth reading. This is not one of those books. This book is designed to help you take those other books, as well as all the sermons, teachings, and exhortations you have received on child training and leadership in the home, and make sense of it all. Pastor Tad Thompson has assembled a biblical approach to effective family discipleship. Let him share it with you in this clear, encouraging, accessible book. This is not another book of tactics and techniques. It is a book of strategy for parents who want to be intentional about discipleship in the home.

**Don't Make Me Count to Three A Mom's Look at Heart-Oriented Discipline** *Shepherd Press* Do you find yourself threatening, repeating your instructions, or raising your voice in an attempt to get your children to obey? Are you discouraged because it seems you just can't reach the heart of your child? Through personal experience and the practical application of Scripture, Ginger Hubbard encourages and equips moms to reach past the outward behavior of their children and dive deeply into the issues of the heart. Ginger's candid approach will help moms move beyond the frustrations of not knowing how to handle issues of disobedience and into a confident, well-balanced approach to raising their children. **It's Not Too Late Restoring Broken Relationships with Teenage and Adult Children Gospel-Powered Parenting How the Gospel Shapes and Transforms Parenting** *P & R Publishing* Parents who claim the gospel as their own have an enormous effect on their marriage, their integrity, and their love for their children. Keeping the gospel at the forefront of every aspect of marriage helps parents fear God, sensitizes them to sin, motivates them to enter their children's world, and causes them to preach the beauty of the gospel to their children through their marriage. **Book jacket. Old Story New Ten-Minute Devotions to Draw Your Family to God** *New Growth Press* Best-selling children's book author Marty Machowski helps families connect to the Bible with a theologically robust yet simple and relatable devotional program. **Old Story New** is designed to explain God's plan of salvation through the New

Testament. Suited for children from preschool through high school, this gospel-focused book is full of ten-minute devotions to continue the gospel story that began in Long Story Short. The consistent and short structure helps children walk through the life-changing truths of the Christian faith in the New Testament—without overwhelming them. The gospel story told through Old Story New is filled with adventure, suspense, drama, and mystery, captivating young readers. Machowski makes it easy for parents and caregivers to stay on the life-giving course of sharing the gospel with their families. Through 78 New Testament stories, Old Story New does the hard work for moms and dads. Simple discussion questions (and answers!) for each day's devotion help children understand and connect with Jesus's life, death, resurrection, and the birth of the Christian church. Old Story New isn't devotional material preaching half-truths and moralism. This creative devotional program helps parents shepherd their children to see redemptive history, with the central theme of Jesus illuminated clearly in every story. Don't give up on your family devotions. Machowski recognizes how well-intended parents and caregivers can struggle to maintain a family Bible study. A fuller, richer understanding of the gospel will be found in Old Story New. Parenting 14 Gospel Principles That Can Radically Change Your Family *Crossway* Winner of the ECPA Book of the Year Award for Christian Living What is your calling as a parent? In the midst of folding laundry, coordinating carpool schedules, and breaking up fights, many parents get lost. Feeling pressure to do everything "right" and raise up "good" children, it's easy to lose sight of our ultimate purpose as parents in the quest for practical tips and guaranteed formulas. In this life-giving book, Paul Tripp offers parents much more than a to-do list. Instead, he presents us with a big-picture view of God's plan for us as parents. Outlining fourteen foundational principles centered on the gospel, he shows that we need more than the latest parenting strategy or list of techniques. Rather, we need the rescuing grace of God—grace that has the power to shape how we view everything we do as parents. Freed from the burden of trying to manufacture life-change in our children's hearts, we can embrace a grand perspective of parenting overflowing with vision, purpose, and joy. Child Training Tips What I Wish I Knew When My Children Were Young *Wind Books* Presents symptom lists to help parents easily diagnose their children's behavioral issues and decide on biblical solutions, addressing such topics as cultivating a good work-ethic, stopping whining and sass, and disciplining with love. Discipline That Connects With Your Child's Heart Building Faith, Wisdom, and Character in the Messes of Daily Life *Baker Books* A Powerful Approach to Bringing God's Grace to Kids Did you know that the way we deal (or don't deal) with our kids' misbehavior shapes their beliefs about themselves, the world, and God? Therefore it's vital to connect with their hearts--not just their minds--amid the daily behavior battles. With warmth and grace, Jim and Lynne Jackson, founders of Connected Families, offer four tried-and-true keys to handling any behavioral issues with love, truth, and authority. You will learn practical ways to communicate messages of grace and truth, how to discipline in a way that motivates your child, and how to keep your relationship strong, not antagonistic. Discipline is more than just a short-term attempt to modify your child's actions--it's a long-term investment to help them build faith, wisdom, and character for life. When you discover a better path to discipline, you'll find a more well-behaved--and well-believed--kid. The Faithful Parent A Biblical Guide to Raising a Family *P & R Publishing* "The Faithful Parent" gives many practical, biblically based suggestions and promises that the most important relationship in any family is vertical between parents and God. Christian parents' faithfulness glorifies God and has the biggest impact on their children. (Practical Life) Summary of Tedd Tripp's *Shepherding a Child's Heart* *Everest Media LLC* Please note: This is a companion version & not the original book. Sample Book Insights: #1 Parents should focus on the heart, not the externals of behavior. When we miss the heart, we miss the gospel, the glory of God, and the need for grace. #2 I have written this book to apply the principles I have seen bear good fruit in my life and in the counseling and pastoral ministry God has given me. I have sought to apply the principles of the Bible to the task of parenting. #3 *Shepherding a Child's Heart* is a book that teaches you what your goals as a parent should be, and how to pursue them practically. It teaches you how to engage your children about what matters, and how to address their hearts by your words and actions. #4 The old ways of parenting no longer work. Old authoritarian methods are ineffective against a culture that no longer responds to authority. Today's parents are frustrated and confused, and children do not act like they should. You Are Revolutionary *Beaming Books* You have what it takes to change the world! This is the empowering message parenting author and podcaster Cindy Wang Brandt wants every child to hear and embrace. In this inspiring picture book she speaks to every child who sees injustice in the world, revealing that they already have inside themselves everything they need to make big, transformative change in the world--just as they are. Every kid is a revolutionary! You don't need to wait until you grow up. You don't even need any special skills. Kids who are loud, kids who are quiet, kids who make art, kids who are good at math, kids with lots of energy, kids who are good listeners--all kids have what it takes to make a difference. Lynnor Bontigao's vibrant illustrations feature a diverse group of children taking up a call to action and using their individual gifts to change the world. How to Read Proverbs *InterVarsity Press* While many proverbs speak to us directly, we can gain much greater insight by studying the book of Proverbs as a whole. In How to Read Proverbs Tremper Longman III provides a welcome guide to reading, studying, understanding, and savoring the Proverbs for all their wisdom. Most important for Christian readers, we gain insight into how Christ is the climax and embodiment of wisdom. Training Hearts, Teaching Minds Family Devotions Based on the Shorter Catechism *P & R Publishing* Supplies two needs: (1) profitable, useable material for family devotions and (2) a practical guide for parents helping their children learn the catechism. Marriage God's Way A Biblical Recipe for Healthy, Joyful, Christ-Centered Relationships At its best, marriage brings joys and blessings rarely seen in this life. At its worst, marriage generates

pain and conflict, often because husbands and wives do not fully understand their roles and responsibilities. Wouldn't it be great if husbands and wives had access to clear, simple instructions on how to have a wonderful marriage? Such instructions exist! As the author of marriage, God placed the recipe in His Word that shows husbands and wives how to experience the marital blessings available to every couple. Whether you are preparing for your wedding, newlyweds, or marriage veterans, you will learn those instructions in *Marriage God's Way*. Pastor Scott offers a clear guide on the Bible's view of marriage. He explains: Scripture's commands for husbands and wives Godly love and how to show it Submission and headship Biblical intimacy How to build your marriage on an indestructible foundation Scott LaPierre combines clear teaching from Scripture with practical application for daily married life to encourage, challenge, and equip you to experience a healthy, joyful, Christ-centered relationship. *Successful Christian Parenting Raising Your Child with Care, Compassion, and Common Sense* *W Publishing Group* More than ever, Christians need to know what the Bible actually teaches about parenting, and put it into practice. In *Successful Christian Parenting*, pastor/teacher John MacArthur presents time-proven principles of biblical parenting clearly and carefully to help parents make sense of their duties before God and to bring up their children in the ways of the Lord. *Entrusted with a Child's Heart Every Day Counts The Young Peacemaker* *Shepherd Press* The newly reformatted *Young Peacemaker Set The Young Peacemaker Set* includes a 200 page Teacher Manual designed in a workbook format, and the appendices can be photocopied for child or student use. Divided into three sections: Understanding, Responding and Preventing Conflict, each lesson has a goal, objectives, principle, and needs clearly outlined at the beginning, and is followed by teacher's notes on setting the stage and questions to ask. Reproducible student activity sheets for all twelve lessons are included on an enclosed CD for ease of duplication. Help illustrate the conflicts and talk about possible solutions--good and bad--and what's wrong with the "bad" solutions. A lesson summary reaffirms the lesson's main points. Recommended for grades 3-7, but can be adapted for younger or older students. *Shepherding a Child's Heart Leader's Guide* *Shepherd Press* Outlines the book *Shepherding a Child's Heart* by Tedd Tripp in Question and answer form. The questions are designed to insure that all the central material in the original book is covered. The answers are quotes from the original book. *Shepherding a Child's Heart: Parent's Handbook* *Shepherd Press* The *Shepherding a Child's Heart Parent's Handbook* is not just a fill-in-the-blank study guide that rehearses the material in *Shepherding a Child's Heart*. In the ten years since the publication of *Shepherding*, Tedd Tripp has had the opportunity to teach on childrearing to thousands of young parents across the country and in many other parts of the world. That, coupled with ten years of insights into God's Word on the subject, has resulted in a broader and deeper understanding of the content and application of *Shepherding a Child's Heart*. Here are questions about the meaning and application of Scripture texts to the challenges of shepherding children. *Family Worship Give Them Grace Dazzling Your Kids with the Love of Jesus* *Crossway* How are parents to raise children so they don't become Pharisees (legalists) or prodigals (rebels)? It's all about grace-filled, gospel-driven parenting, says the mother/daughter team of Elyse Fitzpatrick and Jessica Thompson. Christian parents, in their desire to raise godly children, can drift toward rule-centered discipline. There is, however, a far more effective method—a grace-motivated approach that begins with the glorious truth of God's love for sinners. In *Give Them Grace*, parents will learn how to connect the benefits of the cross—especially regeneration, adoption, and justification—to their children's daily lives. Chapters address topics such as our inability to follow the law perfectly, God's forgiveness and love displayed at the cross, and what true heart obedience looks like. Fitzpatrick and Thompson also discuss discipline, dealing with popular culture, and evangelism as a way of life. Parents will find this book a great resource for raising grace-filled, Jesus-loving kids. *The Duties of Parents Illustrated* "Train a child in the way he should go, and when he is old he will not turn from it." [Proverbs 22:6] Although first published more than a century ago, Ryle's *The Duties of Parents* contains principles of parenting that still resonate today. Jesus, the Gentle Parent Gentle Christian Parenting In this examination of mainstream Christian parenting practices and the doctrinal beliefs behind them, best-selling author L.R.Knost debunks common cultural and theological beliefs about spanking, original sin, sin nature, submission, authority, obedience, breaking a child's will, and more along with providing grace-filled, gentle solutions to behavior issues. *Raising Real Men Surviving, Teaching, and Appreciating Boys* *Great Waters Press* Families with boys often find the world reacts to them in mock horror. Even though parents love their sons, privately they admit that boys can be a handful to raise--they are boisterous, competitive, reckless, distractable. The challenge of wills between parent and son starts early, and the quest to civilize young bulls may seem hopeless some days. Yet believers know that God has given them children as a gift of heaven, specially chosen for their particular families and marked as a blessing. If that's so, why does it seem so hard? How can we prepare these boys to serve God when it's all we can do to make it through another day? Isn't there a better way? *Raising Real Men: Surviving, Teaching and Appreciating Boys* shows the answer is emphatically yes. Written by the parents of six boys, *Raising Real Men* provides hope and encouragement to families with sons. Starting from the premise that God made boys to become men, Hal and Melanie Young offer Biblical principles and tested, practical ideas for training the manly virtues that can drive parents and teachers up the wall. This is a practical guide to equipping the hearts and minds of boys without breaking or losing your own. "...earthly, realistic, humorous, and scriptural ..." -- Douglas Wilson, author, *Future Men* "This is just what the doctor ordered for parents who want to raise capable Christian men of character." -- John Rosemond, author, *Parenting By The Book* *Mama's Got a Fake I.D. How to Reveal the Real You Behind All That Mom* *WaterBrook* No one begins life as a mom. Before you have children, you are an amazing combination of friend, daughter, confidant, visionary, encourager, and thinker. You start out in life using your gifts and abilities in a surprising variety of settings. Then you have children and the role of mom--as wonderful as it is--seems to consume you. It's easy to lose your identity when others see you as a mom and little else. What happened to the artist, the team-builder, the organizer, the entrepreneur, the leader--the person you've lost touch with? In *Mama's Got a Fake I.D.*, Caryn Dahlstrand Rivedeneira helps moms like you reclaim the person God made you to be. God still wants to use you in ways that let your gifts, passions, and personality shine. This inspiring and practical guide will show you how to break free from false guilt, learn a new

language to express your true identity, and follow God's lead in sharing who you really are. God wants you to discover who he made you to be—in your family and beyond. It's time to reveal the woman who got hidden behind all that mom.

**Transforming Grace** *NavPress* Living Confidently in God's Unfailing Love Grace is amazing because it is God's provision for when we fall short of His standards. Unfortunately, too many of us embrace grace for our salvation but then leave it behind in our everyday lives. We base our relationship with God on our performance rather than on His love for us, even when we intuitively know that our performance cannot earn us the love we so desperately crave. Isn't it time to stop trying to measure up and begin accepting the transforming power of God's grace? The product of more than ten years of Bible study, Navigator author Jerry Bridges's **Transforming Grace** is a fountainhead of inspiration and renewal that will show you just how inexhaustible and generous God's grace really is. This edition includes the full study guide, which was formerly available as a separate product (ISBN 9781600063046).

**Bringing Up Boys** *Tyndale House Publishers, Inc.* Here's sensible advice and caring encouragement on raising boys from the nation's most trusted parenting authority, Dr. James Dobson. With so much confusion about the role of men in our society, it's no wonder so many parents and teachers are asking questions about how to bring up boys. Why are so many boys in crisis? What qualities should we be trying to instill in young males? Our culture has vilified masculinity and, as a result, an entire generation of boys is growing up without a clear idea of what it means to be a man. In the runaway bestseller **Bringing Up Boys**, Dr. Dobson draws from his experience as a child psychologist and family counselor, as well as extensive research, to offer advice and encouragement based on a firm foundation of biblical principles.

**What Did You Expect? (Redesign) Redeeming the Realities of Marriage** *Crossway* Marriage always involves two flawed people living with each other in a fallen world. Yet many couples say "I do" with unrealistic expectations, leaving them unprepared for the day-to-day difficulties of married life. This unique book introduces a biblical and practical approach to dealing with the challenges of marriage that is rooted in God's faithfulness and the Bible's teaching on sin and grace. Outlining six practical commitments that give shape and momentum to a truly healthy and fulfilling union, this redesigned book will equip couples to develop thriving, grace-based marriages in all circumstances and seasons of their relationships.

**Preparing Your Teens for College Faith, Friends, Finances, and Much More** *Tyndale House Publishers, Inc.* Will my teens' faith be strong enough to withstand the tests of college? Will they focus on their studies or squander their free time? Will they form healthy friendships or join the wrong crowd? Dr. Alex Chediak has watched too many college students flounder over these issues and many others. Sadly, 45 percent of those who start off at a four-year college will not complete their degree. At a time when college has never been more expensive, too many of our children are failing. What makes the difference? Character, a strong faith, and a willingness to delay gratification. And where is that learned? Ideally, at home. In this book, Alex will give you everything you need to help your teens not only successfully navigate the college years but also real life. Alex covers all the hot-button issues: dating, premarital sex, roommates, grades, career guidance, God, and much more. You won't want to be without this essential survival manual for college.

**Hints for Parents** *Shepherd Press* The eternal truths of the Bible never change. God does not change, but cultural standards and expectations change with each generation. One of the benefits of reading books by saints from the past is that they surprise us by bringing a whole different set of cultural expectations and standards to their exposition of the unchanging truths of Scripture. **Hints for Parents** is full of practical parenting insights. Gardiner Spring candidly reminds us of God's calling to us as parents and encourages us to pursue that calling with our eyes fixed on the hope that is found in God's gracious promises to his people. Interspersed in the text are comments and encouragements from Tedd Tripp that help us fill in the gaps between the original publication date of 1835 and the present day.

**Long Story Short Ten-Minute Devotions to Draw Your Family to God** *New Growth Press* Family Bible study doesn't have to be complicated. Best-selling children's book author Marty Machowski helps busy parents share the gospel story with their kids through **Long Story Short**, an outstanding devotional book full of stories, illustrations, and applicable learning suggestions. For active families, reading the Bible together can feel overwhelming. **Long Story Short** is designed to explain God's plan of salvation through the Old Testament, focusing on the hero of Scripture and important biblical truths without being corny, confusing, or condescending. As a creative and Christ-centered family devotional, **Long Story Short** equips parents to make disciples in their homes by breaking down the Bible story in shorter, easy-to-understand sections. Both practical and simple, this beautifully designed book is faithful and interactive to Scripture. Machowski guides families through the Old Testament stories, drawing on his experience as a father of six and family life pastor. Christian parents know the importance of passing the gospel story on to their children, yet we live in a busy world filled with distractions. Schedules collide, homework and laundry and soccer practice await, and before you know it, it's easy to miss God's Word. With just ten minutes a day, five days a week, parents have enough time to pass on the most valuable treasure the world has ever known. **Long Story Short** is a family devotional program designed to cultivate honest and powerful discussion about the Bible, which is the catalyst for change in children's lives.

**Parenting Forward How to Raise Children with Justice, Mercy, and Kindness** *Wm. B. Eerdmans Publishing* A progressive Christian parenting book with a social-justice orientation How do we build a better world? One key way, says Cindy Wang Brandt, is by learning to raise our children with justice, mercy, and kindness. In **Parenting Forward** Brandt equips Christian parents to model a way of following Jesus that has an outward focus, putting priority on loving others, avoiding judgment, and helping those in need. She shows how parents must work on dismantling their own racial, cultural, gender, economic, and religious biases in order to avoid passing them on to their children. "By becoming aware of the complex ways we participate in systems of inequality or hierarchy," she says, "we begin to resist systemic injustice ourselves, empower our children, and change our communities." **Parenting with Words of Grace Building Relationships with Your Children One Conversation at a Time** *Crossway* How you speak to your kids today will impact your relationship with them tomorrow. As a parent, your words are powerful. What you say and how you say it has the potential to either invite your children into deeper relationship with you or push them away. What's more, in a very real sense, your words represent—or misrepresent—God's words to his children— meaning they have the power to shape how your

**children view their heavenly Father. Offering practical guidance for grace-filled communication in the midst of the craziness of everyday life, this accessible guide will help you speak in ways that reflect the grace God has shown to you in the gospel.**
