UNVEILING THE END TIMES IN OUR TIME

THE TRIUMPH OF THE LAMB IN REVELATION

B&H Publishing Group Beloved pastor Adrian Rogers guides readers through the prophetic "blessing book" of Revelation, making clear the signs in our times that point to God's plan for his people in the end times.

TRIUMPH OVER TRAGEDY

WestBow Press Triumph over Tragedy is a theological treaties in response to horrific and sudden deaths among Kingdom people. It is intended to address the superficial and often inadequate cultural dialogue that swirls around us when we face death generally, but most of all when we face tragic death. The discussion in the book examines several perspectives on grieving, one being the theological issue that when we view God as the "taker-of-life" more than the "giver-of-life", we run the risk of having a continual difficulty trusting Him to minister compassion and comfort. Yet, it remains one of the greatest tragedies in the minds of Christians today; to speak of God having "taken our love-ones away in death". But isn't the presence and experience of death a part of being human? And isn't the evil in this world part of God's permitted-will and not His perfected-will? This book is a challenge to the Body of Christ to take another look at questions like these; especially the incidence of sudden death and tragic loss. It provides sound answers based on strict biblical interpretation, and then it raises some other questions that we as believers may have never thought of asking.

THE TRIUMPH OF GOD OVER EVIL

THEODICY FOR A WORLD OF SUFFERING

InterVarsity Press Noted philosopher William Hasker explores a full range of questions concerning the problem of evil. Hasker forges constructive answers in some depth showing why the evil in the world does not provide evidence of a moral fault in God, the world's creator and governor.

TRIUMPH MOTORCYCLES IN AMERICA

Motorbooks International This is a comprehensive, visual history of the motorcycles from Britain that were bred in the US and Canada. Tuck in with Triumph Motorcycles in America and get ready for the ride of a lifetime. Triumphs have been part of North America's motorcycling soul since long before World War II. Born in Britain but bred in the US and Canada, Triumph's iconic models—Bonneville, Trophy, Thunderbird, Daytona, Tiger, Speed Twin, Speed Triple, and Rocket III—resonate deeply with enthusiasts who love their style, sound, performance, and undeniable coolness. It's not coincidental that Triumph was Steve McQueen's favorite ride. Triumph Motorcycles in America is packed with thorough, entertaining text, plus hundreds of historical images, most of them in color and never before published. This incredible volume of history and culture was written by award-winning professional journalist and lifelong Triumph fanatic Lindsay Brooke, with a foreword by America's favorite "Triumph guy," Peter Egan. Don't think twice about it, Triumph Motorcycles in America is a must-have for every fan of Britain's most legendary bike brand.

THE APPARITIONS, VISIONS, AND PROPHECIES OF CHRISTINA GALLAGHER

Simon and Schuster Tells the story of modern Irish mystic and prophet Christina Gallagher, who has received visions of Jesus, Mary, and various saints, and her plea for the renewal of faith and the attainment of peace. Original. 25,000 first printing.

IN TRIUMPH'S WAKE

ROYAL MOTHERS, TRAGIC DAUGHTERS, AND THE PRICE THEY PAID FOR GLORY

St. Martin's Press The powerful and moving story of three royal mothers whose quest for power led to the downfall of their daughters. Queen Isabella of Castile, Empress Maria Theresa of Austria, and Queen Victoria of England were respected and admired rulers whose legacies continue to be felt today. Their daughters—Catherine of Aragon, Queen of England; Queen Marie Antoinette of France; and Vicky, the Empress Frederick of Germany—are equally legendary for the tragedies that befell them, their roles in history surpassed by their triumphant mothers. In *Triumph's Wake* is the first book to bring together the poignant stories of these mothers and daughters in a single narrative. Isabella of Castile forged a united Spain and presided over the discovery of the New World, Maria Theresa defeated her male rivals to claim the Imperial Crown, and Victoria presided over the British Empire. But, because of their ambition and political machinations, each mother pushed her daughter toward a marital alliance that resulted in disaster. Catherine of Aragon was cruelly abandoned by Henry VIII who cast her aside in search of a male heir and tore England away from the Pope. Marie Antoinette lost her head on the guillotine when France exploded into Revolution and the Reign of Terror. Vicky died grief-stricken, horrified at her inability to prevent her son, Kaiser Wilhelm, from setting Germany on a belligerent trajectory that eventually led to war. Exhaustively researched and utterly compelling, *In Triumph's Wake* is the story of three unusually strong women and the devastating consequences their decisions had on the lives of their equally extraordinary daughters.

A TIME TO TRIUMPH

HOW TO WIN THE WAR AHEAD

Baker Books Powerful Prophetic Vision for the Church Amid the Current Global Tumult We are living in one of the most violent, chaotic, and permissive times in history--and each year the darkness looms larger. In the face of such overwhelming evil, how can we, the church, even begin to overcome? In this empowering and practical book, Chuck Pierce--one of the most accurate prophets ministering today--shows believers how to embrace their prophetic destiny in the midst of these tumultuous times. Offering a glimpse into what lies ahead, specifically the years 2017-2026, he explains · China's and Russia's crucial roles in the end times · how the Antichrist system is aligning with existing government structures · Israel's pivotal role in world events · prophecies fulfilled through the blood moons · changing alliances among nations and what these mean · the coming harvest in the church · the culmination of a new world order in 2026 Many kingdoms in this age are vying to rule. We must understand what it means to stand strong as believers in Jesus Christ--and what spiritual forces we are facing. The stage is set; the battle is waging. It's time to fight as never

before. And it's time for God's Kingdom to triumph.

EMPIRE OF ILLUSION

THE END OF LITERACY AND THE TRIUMPH OF SPECTACLE

Knopf Canada Pulitzer prize-winner Chris Hedges charts the dramatic and disturbing rise of a post-literate society that craves fantasy, ecstasy and illusion. Chris Hedges argues that we now live in two societies: One, the minority, functions in a print-based, literate world, that can cope with complexity and can separate illusion from truth. The other, a growing majority, is retreating from a reality-based world into one of false certainty and magic. In this "other society," serious film and theatre, as well as newspapers and books, are being pushed to the margins. In the tradition of Christopher Lasch's *The Culture of Narcissism* and Neil Postman's *Amusing Ourselves to Death*, Hedges navigates this culture — attending WWF contests as well as Ivy League graduation ceremonies — exposing an age of terrifying decline and heightened self-delusion.

LUTHER LEAGUE REVIEW

TRIUMPH OF THE MARKET

Black Rose Books Limited **** The third edition (1990) is cited in Brandon-Hill. A text that focuses on the decision-making process which precedes and governs the selection of treatment of various pediatric orthopedic conditions. Each author provides the basic science that relates to the condition under discussion and the scientific basis for treatment decisions. This revised and updated edition is also completely reorganized, adding a second editor and 16 new authors. New chapters deal with orthopedic genetics, history taking and examination of the pediatric patient, syndromes and localized disorders affecting bone, neuromuscular disorders, and fracture treatment, a major portion of pediatric orthopedic practice. Thoroughly illustrated in bandw. Annotation copyright by Book

THE TRIUMPH OF WILLIAM MCKINLEY

WHY THE ELECTION OF 1896 STILL MATTERS

Simon and Schuster A fresh look at President William McKinley from New York Times bestselling author and political mastermind Karl Rove—"a rousing tale told by a master storyteller whose love of politics, campaigning, and combat shines through on every page" (Doris Kearns Goodwin, Pulitzer Prize-winning author of *Team of Rivals*). The 1896 political environment resembles that of today: an electorate being transformed by a growing immigrant population, an uncertain economy disrupted by new technologies, growing income inequality, and basic political questions the two parties could not resolve. McKinley's winning presidential campaign addressed these challenges and reformed his party. With "a sure touch [and] professional eye" (*The Washington Post*), Rove tells the story of the 1896 election and shows why McKinley won, creating a governing majority that dominated American politics for the next thirty-six years. McKinley, a Civil War hero, changed the arc of American history by running the first truly modern presidential campaign. Knowing his party needed to expand its base to win, he reached out to diverse ethnic groups, seeking the endorsement of Catholic leaders and advocating for black voting rights. Running on the slogan "The People Against the Bosses," McKinley also took on the machine men who dominated his own party. He deployed campaign tactics still used today, including targeting voters with the best available technology. Above all, he offered bold, controversial answers to the nation's most pressing problem—how to make a new, more global economy work for every American—and although this split his own party, he won the White House by sticking to his principles, defeating a champion of economic populism, William Jennings Bryan. Rove "brings to life the drama of an electoral contest whose outcome seemed uncertain to the candidate and his handlers until the end" (*The New York Times Book Review*) in a "lively and...rigorous book" (*The Wall Street Journal*) that will delight students of American political history.

1,000 PRAYER POINTS IN 31 DAYS TOWARD YOUR UTMOST JOY

Xlibris Corporation Pastor Dapo Ogunsina is a highly demanded evangelist, preacher, prayer strategist and Bible teacher in Churches, conferences and crusades. He radically and vibrantly ministers the Word through practical and challenging messages of the Lord Jesus Christ. He is also used of God in the areas of Leadership Development, Christian marriage and financial empowerments. To the Glory of God, Pastor Dapo is a life transformer with abundant testimonies. A PhD holder in Psychosocial Health Science, having research credits and breakthroughs in Sickle-cell disease as well as Public Health, humbly seeks souls globally for the Lord. He is well travelled, tirelessly doing the Fathers Business. He is joyfully married to Pastor Kenny, with two children. He is the Pastor of the Redeemed Christian Church of God, Go Ye Chapel, Jacksonville, FL. He has served as the Assistant Zonal Coordinator for RCCG in North America. He is one of the Crusaders in the Prayer Ministry in North America. He was also an Area Pastor in the Redeemed Christian Church of God in Lagos, Nigeria for some years while pastoring one of the largest Churches. He has authored many books and training materials, among which are *Walking in Calculated Steps*, *My Prayer Companion*, *Overcoming Demonic Trademarks and Embargoes*, *The Beauty of Determination* and *The Right Cry*.

FATIMA

100 QUESTIONS AND ANSWERS ABOUT THE MARIAN APPARITIONS

Ignatius Press From May to October, 1917, the Blessed Virgin Mary appeared six times to three shepherd children in the tiny village of Fatima, Portugal. What started as a private matter was soon known all over town, throughout the country, and around the world. These apparitions are fascinating, and have gripped the imagination of people all over the world, from simple believers to academic theologians; from skeptics to the curious; from scientists to popes. *Fatima: 100 Questions and Answers on the Marian Apparitions* utilizes a question-and-answer format to explore the context of these apparitions, why they were so engrossing at the time, what they have meant to the Church and the world in the century since they happened, and why the requests of Our Lady are so important today. Questions include: Who were these children? Why would Mary appear to them? What were the so-called "Secrets of Fatima"? What really happened during the Miracle of the Sun? In what ways were the children persecuted by the powerful Freemasons in the Portuguese government? Did the children see a vision that predicted the attempted assassination of St. John Paul II? And many more. The major new feature film, *Fatima*, tells the story of these apparitions in a narrative and with a limited amount of screen time. As a companion to the film, this book offers the reader greater context and answers many of the questions that the viewer may have about this amazing story.

ROMAN IDENTITY FROM THE ARAB CONQUESTS TO THE TRIUMPH OF ORTHODOXY

Springer Nature This book asks how the inhabitants and neighbours of the Eastern Roman Empire understand their identity as Romans in the centuries following the emergence of Islam as a world-religion. Its answers lie in exploring the nature of change and continuity of social structures, self-representation, and boundaries as markers of belonging to the Roman group in the period from circa AD 650 to 850. Early medieval Romanness was integral to the Roman imperial project; its local utility as an identifier was shaped by a given community's relationship with Constantinople, the capital of the Roman state. This volume argues that there was fundamental continuity of Roman identity from Late Antiquity through these centuries into later periods. Many transformations which are ascribed to the Romans of this era have been subjectively assigned by outsiders, separated by time or space, and are not born out by the sources. This finding dovetails with

other recent historical works re-evaluating the early medieval Eastern Roman polity and its ideology.

THE LIVING CHURCH

INVESTIGATION OF THE NAVAL DEFENSE PROGRAM

HEARINGS BEFORE THE COMMITTEE ON NAVAL AFFAIRS, HOUSE OF REPRESENTATIVES, SEVENTY-SEVENTH CONGRESS, SECOND SESSION, PURSUANT TO H. RES. 162, A RESOLUTION AUTHORIZING AND DIRECTING AN INVESTIGATION OF THE NAVAL DEFENSE PROGRAM

DAYS LIKE THESE

EVEN IN THE DARKEST MOMENTS, LIGHT CAN SHINE THROUGH

Zondervan There are love stories and then there's Days Like These—the story of Kristian and Rachel Anderson. When Kristian wanted to show his wife, Rachel, how much he loved her after learning he was terminally ill, he ended up winning a million hearts around the world, thanks to the now famous YouTube video he made for her 35th birthday. This heartfelt and moving tribute by a young Australian father of two and his battle with cancer drew attention to a much larger story—an ordeal so many families face alone. Like Oprah, who invited Kristian and Rachel on her show, and Hugh Jackman, who helped make one of Kristian's dreams come true by appearing on the tribute, though we didn't know him, we were so inspired by him we felt like we did. He touched lives, gave hope, and left behind a precious legacy that will mean a longer and better quality of life for thousands of cancer sufferers. His story, told in his own words from his blog entries, with additions from his beloved Rachel, will inspire you to know that even in your darkest moments, the light can shine through.

A ROYAL WASTE OF TIME

THE SPLENDOR OF WORSHIPING GOD AND BEING CHURCH FOR THE WORLD

Wm. B. Eerdmans Publishing Following up on her Reaching Out without Dumbing Down, Marva Dawn here insists that churches need to engage in a serious process of community discernment concerning worship in order to employ the best tools and forms, and she offers extensive reflections to further the discussion. Each part of A Royal "Waste" of Time begins with a sample Scripture-based sermon since Dawn emphasizes that the church's worship must follow biblical guidelines and form a biblical people.

LIVE MORE, WORK BETTER

A PRACTICAL GUIDE TO A BALANCED LIFE

Hillcrest Publishing Group Gayle Hilgendorff had it all-and the workaholic stress and anxiety to prove it. After twenty-one years in Human Resources for a Fortune 500 company, she realized that her "work/life" balance leaned more toward work than life. So she did something about it-not by giving it all up, but by finding a way to have more. Do you worry constantly about how others perceive your performance? Does the idea of taking time off stress you out more than relax you? Have you lost yourself in your work/family obligations and forgotten YOU? If any of those sound familiar, Gayle is here to help you start on your work/life detox. This is not the story of someone who woke up one morning and turned her back on all she had earned. Gayle simply made small changes on a daily basis to create a true balance, while still keeping the power and prestige she had worked so hard to gain. And now she wants to help you do the same. The pragmatic tips and suggestions-combined with the wit of someone who has gone through exactly what you're going through right now-make this an unexpectedly enjoyable read, Better yet? It's short and to the point. This is not a nine-week series, a trip to a meditation retreat or a simple feel-good moment. This is a book you can read in a few hours, act on tomorrow and enjoy immediate results. If you're ready to see what your life could be like "living in balance" what are you waiting for? Get out your pen and some Post-it notes and get to work! Book jacket.

MILKMAN

A NOVEL

Graywolf Press Winner of the Man Booker Prize "Everything about this novel rings true. . . . Original, funny, disarmingly oblique and unique."—The Guardian In an unnamed city, middle sister stands out for the wrong reasons. She reads while walking, for one. And she has been taking French night classes downtown. So when a local paramilitary known as the milkman begins pursuing her, she suddenly becomes "interesting," the last thing she ever wanted to be. Despite middle sister's attempts to avoid him—and to keep her mother from finding out about her maybe-boyfriend—rumors spread and the threat of violence lingers. Milkman is a story of the way inaction can have enormous repercussions, in a time when the wrong flag, wrong religion, or even a sunset can be subversive. Told with ferocious energy and sly, wicked humor, Milkman establishes Anna

Burns as one of the most consequential voices of our day.

NAPOLEON HILL MY MENTOR

TIMELESS PRINCIPLES TO TAKE YOUR SUCCESS TO THE NEXT LEVEL

Gildan Media LLC aka G&D Media Napoleon Hill, born in the Appalachian town of Pound, Virginia, is best known for his world-renowned best seller, *Think and Grow Rich*. Among the ten top selling self-help books of all time, it contains many of the success secrets he learned as a result of a commission from Andrew Carnegie to write the world's first philosophy of success. Don Green, the son of a coal miner, was also born in Appalachia. Don always had an entrepreneurial streak and had many business successes. At forty-one he became the CEO of a bank on the verge of collapse. Running it at a profit for the next eighteen years, he was 60 when it was sold and Don was asked by the trustees of the Napoleon Hill Foundation to become their executive director. With his love for books and learning, particularly the works of Napoleon Hill, Don took the foundation's work to a new level of success. Don succeeded by applying the principles that his mentor Napoleon Hill taught. In this book, you'll develop a deeper understanding of both of these outstanding individuals and learn: The principles of success that made Hill famous Don's personal knowledge of Hill, including stories and insights that haven't been published before The principles behind *Think and Grow Rich* and why they're relevant today How to put the power of Napoleon Hill to work for you Tools to uncover the secrets of growth, creativity, power and achievement inside you Get ready to apply Hill's time-tested tools for success and make your dreams a reality.

FROM BENEDICT'S PEACE TO FRANCIS'S WAR

CATHOLICS RESPOND TO THE MOTU PROPRIO TRADITIONIS CUSTODES ON THE LATIN MASS

Angelico Press An anthology of 70 essays and articles by prelates and pastors, theologians and canonists, philosophers and cultural figures-including: Cardinal Walter Brandmüller • Cardinal Raymond Leo Burke • Cardinal Gerhard Müller • Cardinal Robert Sarah • Cardinal Joseph Zen • Archbishop Thomas Gullickson • Archbishop Carlo Maria Viganò • Bishop Rob Mutsaerts • Bishop Athanasius Schneider • Msgr. Charles Pope • Dom Alcuin Reid • Abbé Claude Barthe • Fr. John Hunwicke • Michael Brendan Dougherty • Ross Douthat • Edward Feser • Michael Fiedrowicz • Peter A. Kwasniewski • Phil Lawler • Martin Mosebach • George Neumayr • Joseph Shaw • and many others Already on July 16, 2021, the reactions to Pope Francis's severe restrictions on the traditional Latin Mass in *Traditionis Custodes* were like a river in full flood: articles, essays, interviews, podcasts-everywhere and from every point of view. An emotional, spiritual, intellectual dam had broken and the waters of discourse poured forth

across the world. The sheer volume of writing occasioned by Traditionis Custodes is unlike anything seen in the history of papal documents- testimony to a neuralgic subject on which arguments proliferate and passions run high. The two-month period following the release of the motu proprio gave proof that the traditionalist movement was no fringe phenomenon, but something that had gained significant strength and sympathy during the relatively peaceful years from 2007 to 2021 (the "Pax Benedictina" to which the book's title refers). The purpose of this volume is to gather in one convenient place some of the finest and most appreciated essays and articles published in the period from mid-July through September of this fateful year, 2021-not only from America and England (although these predominate), but also from other nations: France, Germany, Switzerland, the Netherlands, Italy, Spain, Argentina, Poland, Kazakhstan, and China. This book is not, and makes no pretense of being, a presentation of "both sides of the argument." It offers a variety of critiques of this profoundly unwise and unpastoral decree, which suffers from incoherent doctrinal foundations, grave moral and juridical defects, and impossible ecclesiological implications.

THE MEDICAL TIMES AND GAZETTE

THOMAS PYNCHON AND THE DARK PASSAGES OF HISTORY

University of Georgia Press For David Cowart, Thomas Pynchon's most profound teachings are about history- history as myth, as rhetorical construct, as false consciousness, as prologue, as mirror, and as seedbed of national and literary identities. In one encyclopedic novel after another, Pynchon has reconceptualized historical periods that he sees as culturally definitive. This book offers a deft analysis of the problems of history as engaged by our greatest living novelist and argues for the continuity of Pynchon's historical vision. -- from Back Cover

CATHERINE THE GREAT: PORTRAIT OF A WOMAN

Random House Trade Paperbacks **NEW YORK TIMES BESTSELLER** • An "absorbing" (Los Angeles Times) biography of one of the most remarkable, powerful, and captivating women in Russian history—from the Pulitzer Prize-winning author of Peter the Great, Nicholas and Alexandra, and The Romanovs "[A] compelling portrait not just of a Russian titan, but also of a flesh-and-blood woman."—Newsweek **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY** The New York Times • The Washington Post • USA Today • The Boston Globe • San Francisco Chronicle • Chicago Tribune • Salon • Vogue • St. Louis Post-Dispatch • The Providence Journal Robert K. Massie returns with another masterpiece of narrative biography, the extraordinary story of an obscure German princess who became Catherine the Great. Born into a minor noble family, Catherine transformed herself into empress of Russia by sheer determination. For thirty-four years, the government,

foreign policy, cultural development, and welfare of the Russian people were in her hands. She dealt with domestic rebellion, foreign wars, and the tidal wave of political change and violence churned up by the French Revolution. Catherine's family, friends, ministers, generals, lovers, and enemies—all are here, vividly brought to life. History offers few stories richer than that of Catherine the Great. In this book, an eternally fascinating woman is returned to life.

RANGE

WHY GENERALISTS TRIUMPH IN A SPECIALIZED WORLD

Penguin The #1 New York Times bestseller that has all America talking—with a new afterword on expanding your range—as seen on CNN's Fared Zakaria GPS, Morning Joe, CBS This Morning, and more. “The most important business—and parenting—book of the year.” —Forbes “Urgent and important. . . an essential read for bosses, parents, coaches, and anyone who cares about improving performance.” —Daniel H. Pink Shortlisted for the Financial Times/McKinsey Business Book of the Year Award Plenty of experts argue that anyone who wants to develop a skill, play an instrument, or lead their field should start early, focus intensely, and rack up as many hours of deliberate practice as possible. If you dabble or delay, you'll never catch up to the people who got a head start. But a closer look at research on the world's top performers, from professional athletes to Nobel laureates, shows that early specialization is the exception, not the rule. David Epstein examined the world's most successful athletes, artists, musicians, inventors, forecasters and scientists. He discovered that in most fields—especially those that are complex and unpredictable—generalists, not specialists, are primed to excel. Generalists often find their path late, and they juggle many interests rather than focusing on one. They're also more creative, more agile, and able to make connections their more specialized peers can't see. Provocative, rigorous, and engrossing, Range makes a compelling case for actively cultivating inefficiency. Failing a test is the best way to learn. Frequent quitters end up with the most fulfilling careers. The most impactful inventors cross domains rather than deepening their knowledge in a single area. As experts silo themselves further while computers master more of the skills once reserved for highly focused humans, people who think broadly and embrace diverse experiences and perspectives will increasingly thrive.

THE TRIUMPH OF HUMAN EMPIRE

VERNE, MORRIS, AND STEVENSON AT THE END OF THE WORLD

University of Chicago Press In the early 1600s, in a haunting tale titled New Atlantis, Sir Francis Bacon imagined the discovery of an uncharted island. This island was home to the descendants of the lost realm of Atlantis, who

had organized themselves to seek “the knowledge of Causes, and secret motions of things; and the enlarging of the bounds of Human Empire, to the effecting of all things possible.” Bacon’s make-believe island was not an empire in the usual sense, marked by territorial control; instead, it was the center of a vast general expansion of human knowledge and power. Rosalind Williams uses Bacon’s island as a jumping-off point to explore the overarching historical event of our time: the rise and triumph of human empire, the apotheosis of the modern ambition to increase knowledge and power in order to achieve world domination. Confronting an intensely humanized world was a singular event of consciousness, which Williams explores through the lives and works of three writers of the late nineteenth century: Jules Verne, William Morris, and Robert Louis Stevenson. As the century drew to a close, these writers were unhappy with the direction in which their world seemed to be headed and worried that organized humanity would use knowledge and power for unworthy ends. In response, Williams shows, each engaged in a lifelong quest to make a home in the midst of human empire, to transcend it, and most of all to understand it. They accomplished this first by taking to the water: in life and in art, the transition from land to water offered them release from the condition of human domination. At the same time, each writer transformed his world by exploring the literary boundary between realism and romance. Williams shows how Verne, Morris, and Stevenson experimented with romance and fantasy and how these traditions allowed them to express their growing awareness of the need for a new relationship between humans and Earth. *The Triumph of Human Empire* shows that for these writers and their readers romance was an exceptionally powerful way of grappling with the political, technical, and environmental situations of modernity. As environmental consciousness rises in our time, along with evidence that our seeming control over nature is pathological and unpredictable, Williams’s history is one that speaks very much to the present.

EVANGELICAL MAGAZINE AND MISSIONARY CHRONICLE

NUMBER OUR DAYS

Simon and Schuster This investigation into the lives of a group of elderly Jews living in Venice, California, establishes correlations between their ethnic heritage and rituals and their acceptance of physical hardship and approaching death

A LIFE IN OUR TIMES

Plunkett Lake Press In his memoirs, John Kenneth Galbraith recalls amusingly, even brilliantly, the important and low moments in his life, the men and women he met who were great, only interesting, entertaining or even absurd. Galbraith studied agriculture in his native Canada and

agricultural economics at UC-Berkeley. He taught at the University of California, served briefly in FDR's administration and went on to Harvard. In Cambridge, England, he discovered the new economics of John Maynard Keynes. During World War II in Washington, he held the key job of organizing and administering the system of wartime price controls. After the war, Galbraith directed the survey that interrogated former Nazi leaders to assess the effects of the air war on the German economy. He then worked for the State Department as administrator for economic affairs in the occupied countries and served as an editor of Fortune when the magazine employed some of the best writers around. Galbraith returned to Harvard in 1948 and wrote three of the most influential books on economics of his time, *The Affluent Society*, *The New Industrial State* and *Economics and the Public Purpose*. In these lively memoirs, the author relates all of this and more — his two major political campaigns, with Adlai E. Stevenson for whom he was adviser and speech-writer, and John F. Kennedy, for whom he campaigned across the country; his years as ambassador in India; and his long opposition to the Vietnam war. And he shares the lessons learned from these experiences. "On every subject Mr. Galbraith is succinct and witty... The book is full of strong opinion and proceeds by the vehicle of anecdote... The serious business of the book... is to trace the steps of its author's astonishingly varied and useful life... Mr. Galbraith's vigor of expression, as well as an account of a period of gloom and psychotherapy, prevents the writing from ever sounding impersonal. That serious business is also to set the record straight — on what his books were about and how he evolved his theory of *The Affluent Society* and *The New Industrial State*, as two of his most important works were named; on why the bombing of Germany during World War II was less than useless, why it was patently unnecessary to wage atomic warfare on Japan and why he came to be a dissenter on the war in Vietnam. On inflation. On the 'secular priesthood' that once presided at the State Department. And, enchantingly, on such movers and shakers he came to know well as the New Dealer Leon Henderson, Paul Baran ('the most interesting economist I have ever known'), Bernard M. Baruch, Adlai E. Stevenson, John F. Kennedy and Lyndon B. Johnson." — Christopher Lehmann-Haupt, *The New York Times* "As a raconteur and a literary stylist, [Galbraith] stands with the best... As entertainment, the book is a total success. Its charm comes from the combination of Mr. Galbraith's smooth comic timing and his not always charitable wit." — James Fallows, *The New York Times* "Galbraith ranks with the most entertaining and provocative political writers in America in this century... Without Galbraith the political literature of our time would be far drearier." — Gaddis Smith, *Foreign Affairs* "[Galbraith] has assembled a well-nigh complete record of what he has been up to, professionally at least, since leaving his family's Ontario farm. The account is fascinating... The narrative... consistently holds the distinctive Galbraith style that makes all his books read like a nippy breeze." — Geoffrey Colvin, *Christian Science Monitor* "Absorbing and

irresistible.” — The New Yorker “An enjoyable book, full of fun, full of wisdom, and full of rare insights into the history of our times.” — The New Republic “A delightfully teeming book... Galbraith’s comic voice is a distinctive and durable literary achievement.” — Atlantic Monthly “A highly perceptive commentary on all our yesterdays... anecdotal, amusing, animated and above all, illuminating.” — John Barkham Reviews
