---

### **TEACHING VOCABULARY TO ENGLISH LANGUAGE LEARNERS**

---

*Teachers College Press Building on Michael Graves's bestseller, The Vocabulary Book, this new resource offers a comprehensive plan for vocabulary instruction that K-12 teachers can use with English language learners. It is broad enough to include instruction for students who are just beginning to build their English vocabularies, as well as for students whose English vocabularies are approaching those of native speakers. The authors describe a four-pronged program that follows these key components: providing rich and varied language experiences; teaching individual words; teaching word learning strategies; and fostering word consciousness. This user-friendly book integrates up-to-date research on best practices into each chapter and includes vignettes, classroom activities, sample lessons, a list of children's literature, and more.*

---

### **UNLOCKING THE POWER OF ACADEMIC VOCABULARY WITH SECONDARY ENGLISH LANGUAGE LEARNERS**

---

*Maupin House Publishing, Inc. "In Unlocking the Power of Academic Vocabulary, Dr. Yu Ren Dong, an associate professor of English education at Queens College, City University of New York, helps secondary teachers expand their instructional repertoire to teach academic vocabulary in a systematic, meaningful, contextualized, and exciting way. Every secondary, subject-matter teacher will find strategies, easy-to-integrate activities, and tips on selecting words and planning lessons. As you teach with these strategies, your English language learners will be able to:*

- tap into prior knowledge through cross-language transfer and cross-cultural comparisons;*
- use concept-based vocabulary, such as analogies, metaphorical language, themes, sources, inquiry, and graphic organizers;*
- interact with new words in context to decipher euphemisms, words with multiple meanings, connotation, and context clues;*
- engage in interactive read-alouds, think-alouds, and wordplay; and*
- master*

vocabulary through writing. Charts, student examples, suggested resources, and subject-matter vocabulary lists give teachers the hands-on tools they need to teach the concepts behind words as well as the actual definitions, spelling, and sounds. Transform your academic vocabulary instruction into an engaging, skill-building mix that carries over into students' reading, writing, thinking, and conversations in all subject areas."

---

## **ENGLISH AS A SECOND F\*CKING LANGUAGE**

---

### **HOW TO SWEAR EFFECTIVELY, EXPLAINED IN DETAIL WITH NUMEROUS EXAMPLES TAKEN FROM EVERYDAY LIFE**

---

*St. Martin's Griffin* In the English language, swearing is essential to effective communication. In this hilarious and illuminating guide, you will learn just how to do it - no f\*cking problem. Whether you want to succeed in business, school, or social circles, a strong command of vocabulary is absolutely necessary. Just imagine a stranger to our shores, trying to comprehend the following conversation: John: Mary, would you like to attend the opera this evening? Mary: F\*cking-A. should I wear my black dress? John: Why the f\*ck not? Mary: F\*cked if I know-Oh, f\*ck! I just remembered. It got f\*cked up in the wash. John: Well, f\*ck the opera. Let's stay home and f\*ck. Mary: Good f\*cking idea. *English as a Second F\*cking Language (ESF\*L)* is the perfect way for nonnative speakers to learn the basics of swearing. At the same time, it also offers native speakers a wide variety of twists and new refinements. Page after page, *ESF\*L* provides a smorgasbord of swearing synonyms designed to boost your vocabulary-everything from the conventional d\*mn and sh\*t to a host of more inventive terms that would make any truck driver blush. And when you're finished reading, our *Final F\*cking Exam* is the perfect test of your swearing skills. You'll be surprised by how much you've learned! "Great f\*cking book!"  
—Stephen King

With contexts and stories they can easily relate to, this book offers insights into English in a fun way. It will help you speak and write English with clarity and confidence. This book:*

- Can be used either by self-learners or in a classroom
- Is based on modern concepts of second language acquisition
- Deals with linguistic challenges and cultural aspects from a South Asian perspective

---

## VOCABULARY STRATEGY TRAINING TO ENHANCE SECOND LANGUAGE ACQUISITION IN ENGLISH AS A FOREIGN LANGUAGE

---

*Cambridge Scholars Publishing This volume brings together three important aspects within strategy studies. First, it reviews the most outstanding previous studies in the field of vocabulary learning and communication strategies and their role in the second language acquisition and teaching process. Second, it provides empirical research testing general hypotheses in the field on how vocabulary learning strategies are a key component of vocabulary development and how their training improves their frequency of use and effectiveness. Finally, the book proposes a program for strategy training in the L2 classroom and illustrates it with examples from concrete vocabulary learning strategies and proposes exercises to apply them in an autonomous way. This volume will shed light on the field of vocabulary learning strategies and illustrate their practical utility in the foreign language classroom in order to improve the knowledge that teachers and learners have of them.*

---

## TEACHING ENGLISH AS A SECOND LANGUAGE, SECOND EDITION

---

### A NEW PEDAGOGY FOR A NEW CENTURY

---

*PHI Learning Pvt. Ltd. English Language Teaching (ELT), especially English as a Second Language (ESL) and English as a Foreign Language (EFL), has been witnessing unprecedented changes in curriculum, teaching methodology, and the application of learning theories. This has created a demand for teachers who can teach English to learners of varied cultural, socio-economic and psychological backgrounds. The book, in its second edition, continues to discuss the modern trends, innovations, as well as the difficulties and challenges in teaching and learning ESL in a non-native context. The book, with contributions from many experts (each one specializing in a particular field) from countries such as UK, USA, Australia, New Zealand, India, Nigeria, Sri Lanka, China, and Japan, provides new methods, strategies and application-oriented solutions to overcome the problems in*

*a practical way. The book deals with all topics pertinent to English as a Second Language or English for the non-native speakers, and these are further reinforced by a large number of examples and quotations from different sources. The new edition comes along with thoroughly improvised chapters on Narrative Inquiry for Teacher Development (Chapter 13) and Mass Media, Language Attitudes and Language Interaction Phenomena (Chapter 23): to provide an insight on the innovative approaches in Teacher training and in classrooms, and new approaches and changing language dimensions in the world of media, and in general. What distinguishes the text is its focus on modern innovations and use of technology in ELT/CLT (Communicative Language Teaching). Postgraduate Students of English, teachers, teacher-trainees (B.Ed./M.A. Education/M.Ed.), and teacher-educators who are concerned with teaching English as a Second Language (ESL) should find this book immensely helpful.*

### **VOCABULARY FLASHCARDS**

---

*Research & Education Assoc. REA's TOEFL Flashcard Book with Audio CD Gets English Language Learners Ready for the Exam! New! International First Edition! The popularity of the TOEFL is exploding worldwide and REA's Flashcard Book is the perfect way for English Language Learners all over the globe to prepare for the TOEFL (Test of English as a Foreign Language). Written by a professor of Linguistics, this test prep specifically targets the English language as it is used in the United States. Filled with 1,000 flashcards taken from actual TOEFL exams, English Language Learners will benefit from our extensive list of TOEFL-tested vocabulary words. Each word is used in a sentence and comes with a definition and a pronunciation guide to help test-takers increase their knowledge and understanding. The flashcards are grouped and labeled according to the five TOEFL subject categories: Arts, Life Science, Physical Science, Social Studies, and College Life, and feature words commonly used in academic settings. REA's flashcards come bound in a handy book and are perfect for individual, group, or classroom study. ELL students can write their answer to a question on the front of the flashcard, and then compare it to the answer on the back of the card. Our interactive audio CD allows test-takers to practice their vocabulary and pronunciation skills before test day! This book is a must for any English Language Learner preparing for the TOEFL!*

## **CONNECTED WORDS**

---

### **WORD ASSOCIATIONS AND SECOND LANGUAGE VOCABULARY ACQUISITION**

---

*John Benjamins Publishing What words come into your head when you think of SUN? For native English speakers, the most common responses are MOON, SHINE and HOT, and about half of all native speaker responses to SUN are covered by these three words. L2 English speakers are much less obliging, and produce patterns of association that are markedly different from those produced by native speakers. Why? What does this tell us about the way L2 speakers' vocabularies grow and*

*develop? This volume provides a user-friendly introduction to a research technique which has the potential to answer some long-standing puzzles about L2 vocabulary. The method is easy to use, even for inexperienced researchers, but it produces immensely rich data, which can be analysed on many different levels. The book explores how word association data can be used to probe the development of vocabulary depth, productive vocabulary skills and lexical organisation in L2 speakers.*

---

## **THE CAMBRIDGE GUIDE TO LEARNING ENGLISH AS A SECOND LANGUAGE**

---

*Cambridge University Press This volume provides an up-to-date and comprehensive coverage of second language learning. The focus throughout the book is primarily on language learning, but each chapter also discusses the implications for teaching and assessment, thus informing both understanding and practice. The book contains nine sections, which aim to organise and reflect different dimensions of the diverse and complex scope of learning English as a second or additional language. Four themes which permeate the chapters are: learning and learners; learning and language; learning and language development; learning and learning context. The 36 chapters are up-to-date and authoritative, written by experts in the field. The content is accessibly written, with questions for discussion and follow-up reading suggestions provided.*

## **ENGLISH LANGUAGE WORD BUILDER**

---

---

### **SECOND EDITION**

---

*Trafford Publishing The English Language Word Builder organizes English words in a way that is beneficial to anyone wishing to improve their vocabulary, from those learning the English language through to those wishing to excel at word games such as Scrabble. The book contains the basic form of some 82,500 words from two to nine letters in length, and is organized in chapters depending on the word length. Within each chapter, words are designated as either familiar or less familiar, with the familiar words deemed to be those of most use when communicating in English. With the exception of less familiar nine-letter words, each word is assigned a part of speech which is evident from formatting applied. For example, underlining indicates verbs while bold type indicates adjectives and other words that cannot be pluralized. Symbols are used to indicate additional forms of each basic word, with a special symbol being used to designate irregular verbs. Within sections of familiar words in each chapter, words are grouped in accordance with their part of speech. Within sections of less familiar words, words are grouped firstly into those which are built from shorter words, and then into all other words with various groupings depending on the word length. Available single letter extensions of basic words are shown by a lower case letter at the end of each capitalized main word. This enables users of the book to build on their existing vocabulary to make new words, either for use in word games or in communicating in English.*

---

**LEXICAL AVAILABILITY IN ENGLISH AND SPANISH AS A SECOND LANGUAGE**

---

*Springer Science & Business Media* This volume contributes to the research in two different research areas: lexical availability studies and vocabulary research in second or foreign languages. Lexical availability is defined as the words that immediately come to mind as a response to a stimulus provided by topics related to domains closely connected to daily life: for instance animals, food and drink, daily activities, politics, or poverty. Lexical availability is a dimension of learners' receptive and productive lexical competence, and, consequently, an important variable of learners' communicative competence. Written by leading researchers in Spanish and English applied linguistics, the studies presented in this volume offer the reader findings and insights from studies conducted in learners with different mother tongues, who learn English or Spanish as their second or third language. "This book made me aware of an approach to vocabulary acquisition which has a long tradition in European research, but has been somewhat neglected by English-speaking researchers. The methodology was pioneered in France where it developed into the Francais Fondamental project - an influential approach to the vocabulary needs of learners of French. It was also taken up by Spanish researchers, and more recently developed by the team at La Rioja University. Where English-language research has focused on the frequency of words in large corpora and the implications of this feature for L2 vocabulary acquisition, the lexical availability tradition takes a much more learner-centred approach to L2 vocabulary skills, directly reflecting learners' needs and learners' ability to do things with small, effective vocabularies. This leads to a set of research priorities that look refreshingly different from the ones we are used to. Read this book. It might change the way you think about vocabulary research." Paul Meara, Swansea University, Wales, UK

---

## **BUILDING LITERACY WITH ENGLISH LANGUAGE LEARNERS, SECOND**

## **EDITION**

---

### **INSIGHTS FROM LINGUISTICS**

---

*Guilford Publications* How can linguistics help teachers of English language learners (ELLs) improve their instruction? What specific competencies do ELLs need to build in order to speak, listen, read, and write in a new language? Now revised and expanded with a broader view of literacy, this book has guided thousands of inservice and preservice teachers to understand the processes involved in second-language acquisition and help ELLs succeed. The authors explain relevant linguistic concepts with a focus on what works in today's diverse PreK-12 classrooms. Effective teaching strategies are illustrated with engaging classroom vignettes; the volume also features instructive discussion questions and a glossary. (First edition title: *Teaching Reading to English Language Learners*.) **New to This Edition** \*Broader view of literacy; increased attention to oral language and writing as well as reading. \*Chapter on digital learning, plus new content on digital technology throughout the book. \*Even more user friendly--additional classroom suggestions from real teachers, vignettes, and examples and graphics illustrating linguistic concepts. \*End-of-chapter "challenge questions" that inspire deeper reflection. \*Coverage of timely topics, such as numeracy and the language innovations of text messages.

### **TEACHING ENGLISH LANGUAGE LEARNERS IN SECONDARY SUBJECT MATTER CLASSES**

---

#### **2ND EDITION**

---

*IAP* This book is for secondary subject matter teachers and administrators who work with English language learners (ELLs) in subject matter classes. It is also for college professors who prepare pre-service teachers to work with those students. The book brings together insights from linguistic, socio-cultural, educational, cognitive, developmental perspectives of what it means for ELLs to learn both English and subject matter knowledge in English as a second language. It delineates unique challenges that ELLs experience, offers ELLs' learning stories, and suggests concrete strategies with classroom teaching examples across academic disciplines. The 2nd edition broadens the scope of the 1st edition in several aspects. Specifically, it includes two chapters about secondary ELLs' previous educational experiences in their home countries, a chapter on subject matter lesson planning with ELLs in mind with teacher collaborative strategies, and more principle-based and field-tested effective instructional and assessment strategies for working with ELLs.

---

## **DECLINING GRAMMAR AND OTHER ESSAYS ON THE ENGLISH VOCABULARY**

---

*National Council of Teachers This book contains 25 essays about English words, and how they are defined, valued, and discussed. The book is divided into four sections. The first section, "Language Lore," examines some of the myths and misconceptions that affect attitudes toward language--and towards English in particular. The second section, "Language Usage," examines some specific questions of meaning and usage. Section 3, "Language Trends," examines some controversial trends in English vocabulary, and some developments too new to have received comment before. The fourth section, "Language Politics," treats several aspects of linguistic politics, from special attempts to deal with the ethnic, religious, or sex-specific elements of vocabulary to the broader issues of language both as a reflection of the public consciousness and the U.S. Constitution and as a refuge for the most private forms of expression. (MS)*

## **THE ENGLISH BUNNY**

---

## **YOUR FASTEST ENGLISH VOCABULARY LEARNING PAL**

---

*Kamiya Maini English is a global language spoken worldwide by nearly 400 million native speakers and 750 million people of different ethnicities as a second language, making it the largest spoken language in the world. While there are multiple dialects and accents including North American, British English, Australian, African and Asian to name a few, it can often be interpreted by people using a different dialect and accent which makes communicating in English, one of the most essential skills to have. Being able to read, write, speak and understand English is necessary for business, travel, education, career and for maintaining international relations. The most successful people in the world have mastered their communication skills in English. It helps them have a better life not only professionally but also personally. These people can express themselves better and maintain good relations with their family and friends. Every language comprises of two parts - grammar and*

vocabulary. While grammar can be learnt at schools, colleges, universities, private institutions or using English grammar books, learning vocabulary and being able to remember it and utilize it in everyday communication has always been a challenge. Dictionaries have been the oldest and most basic source of learning English vocabulary. They provide word meanings and sentences. Thesaurus provides synonyms of words. Other English books provide antonyms, idioms and phrases. But all these serve more as a reference than a learning source since memorizing a plethora of words from these sources is almost impractical. And yet most books for competitive exams in the market today list thousands of words and meanings and expect people to memorize them. Institutes and Universities encourage people to read novels or fiction books voraciously in the hope that people will be able to improve their vocabulary. What they fail to understand is readers must read hundreds of books to learn hundreds of words. There is never a certainty that the books they read will have a disjoint set of words. Even if they do, it will only take several years before a reader will be able to master hundreds of words. In order to resolve the above conundrum and make it convenient for readers to learn thousands of words with just one book and in a span of only two to three months, an attempt has been made in the form of *The English Bunny*. *The English Bunny* is a collection of short stories and prides itself on covering close to 2500 words and their meanings in just about 150 pages with 1 story per page and each story not exceeding 20 lines. Like never before, *The English Bunny* is here to revolutionize the way you learn and improve your English Vocabulary. If you are a student preparing for any competitive exam like GMAT, GRE, TOEFL, IELTS, MCAT, SAT or ACT, you are hard pressed on time and would want to master a lot of words in a short span of time. *The English Bunny* will help you memorize these words in a sure shot fun way with very little effort. If you are a business professional, looking to enhance your communication skills by improving your vocabulary, *The English Bunny* will help you in your pursuit. If your first language is not English and you have difficulty in understanding complex English or if you are interested in improving your confidence, *The English Bunny* will help you in your pursuit. It is your fastest English vocabulary learning pal.
