The Trojan Women *Hackett Publishing* This is an English translation of Euripides' tragedy **The Trojan Women about the consequences of war; the victors and the fate of those defeated in war.** Focus Classical Library provides close translations with notes and essays to provide access to understanding Greek culture. **The Trojan Women and Other Plays** *OUP Oxford* Hecuba **The Trojan Women Andromache** In the three great war plays contained in this volume Euripides subjects the sufferings of Troy's survivors to a harrowing examination. **The horrific brutality which both women and children undergo evokes a response of unparalleled intensity in the playwright whom Aristotle called the most tragic of the poets.** Yet the new battleground of the aftermath of war is one in which the women of Troy evince an overwhelming greatness of spirit. We weep for the aged Hecuba in her name play and in **The Trojan Women**, yet we respond with an at times appalled admiration to her resilience amid unrelieved suffering. **Andromache, the slave-concubine of her husband's killer, endures her existence in the victor's country with a Stoic nobility.** Of their time yet timeless, these plays insist on the victory of the female spirit amid the horrors visited on them by the gods and men during war. **The Trojan Women: A Comic** *New Directions Publishing* **A fantastic comic-book collaboration between the artist Rosanna Bruno and the poet Anne Carson, based on Euripides's famous tragedy** Here is a new comic-book version of Euripides's classic **The Trojan Women**, which follows the fates of Hekabe, **Andromache, and Cassandra** after Troy has been sacked and all its men killed. This collaboration between the visual artist Rosanna Bruno and the poet and classicist Anne Carson attempts to give a genuine representation of how human beings are affected by warfare. Therefore, all the characters take the form of animals (except Cassandra, whose mind is in another world). **The Trojan Women** *Bloomsbury Publishing* **A modern-day version of Euripides' anti-war play, The Trojan Women has been rewritten and is set in a mother-and-baby unit of a prison.** The war is over. Beyond the prison walls, Troy and its people burn. Inside the prison, the city's captive women await their fate. Stalking the antiseptic confines of its mother and baby unit is Hecuba, the fallen Trojan queen, whilst the pregnant Chorus is shackled to her bed. But their grief at what has been before will soon be drowned out by the horror of what is to come, as the Greek lust for vengeance consumes everything - man, woman and baby - in its path. This caustic and radical new version of Euripides' classic tragedy comes from one of the UK's most exciting young poets, Caroline Bird. It is an intense, gripping look at what happens when the world collapses. **Trojan Women** *Oxford University Press* Among surviving Greek tragedies only Euripides' **Trojan Women** shows us the extinction of a whole city, an entire people. Despite its grim theme, or more likely because of the centrality of that theme to the deepest fears of our own age, this is one of the relatively few Greek tragedies that regularly finds its way to the stage. Here the power of Euripides' theatrical and moral imagination speaks clearly across the twenty-five centuries that separate our world from his. The theme is really a double one: the suffering of the victims of war, exemplified by the woman who survive the fall of Troy, and the degradation of the victors, shown by the Greeks' reckless and ultimately self-destructive behavior. It offers an enduring picture of human fortitude in the midst of despair. **Trojan Women** gains special relevance, of course, in times of war. It presents a particularly intense account of human suffering and uncertainty, but one that is also rooted in considerations of power and policy, morality and expedience. Furthermore, the seductions of power and the dangers both of its exercise and of resistance to it as portrayed in **Trojan Women** are not simply philosophical or rhetorical gambits but part of the lived experience of Euripides' day. And their analogues in our own day lie all too close at hand. This new powerful translation of **Trojan Women** includes an illuminating introduction, explanatory notes, a glossary, and suggestions for further reading. **Trojan Women** *Cornell University Press* This free and eloquent translation skillfully reproduces the imagery, power, and frequent irony and sarcasm of Seneca's language. **The Women of Troy A Novel** *Anchor* **A daring and timely feminist retelling of The Iliad from the perspective of the women of Troy who endured it—an extraordinary follow up to The Silence of the Girls from the Booker Prize-winning author of The Regeneration Trilogy and “one of contemporary literature's most thoughtful and compelling writers” (The Washington Post).** Troy has fallen and the victorious Greeks are eager to return home with the spoils of an endless war—including the women of Troy themselves. They await a fair wind for the Aegean. It does not come, because the gods are offended. The body of King Priam lies unburied and desecrated, and so the victors remain in suspension, camped in the shadows of the city they destroyed as the coalition that held them together begins to unravel. Old feuds resurface and new suspicions and rivalries begin to fester. Largely unnoticed by her captors, the one time Trojan queen Briseis, formerly Achilles's slave, now belonging to his companion Alcimus, quietly takes in these developments. She forges alliances when she can, with Priam's aged wife the defiant Hecuba and with the disgraced soothsayer Calchas, all the while shrewdly seeking her path to revenge. Hecuba in a version *Faber & Faber* **Children, lead this old woman outside. A slave like the rest of you, She once was your queen. Troy has fallen to the Greeks, and Hecuba, its beloved queen, is widowed and enslaved. She mourns her great city and the death of her husband, but when fresh horrors emerge, her grief turns to rage and a lust for revenge. A savage indictment of the devastation of war, Hecuba is brought to life in this thrillingly visceral new version. Hecuba** premiered at the Donmar Warehouse, London in September 2004. Euripides: **Trojan Women A&C Black** Set at the end of the Trojan war, "Euripides' Trojan Women" depicts the women of Troy as they wait to be taken into slavery. While choral songs recall the death-throes of the great city, the scenes between the old queen, Hekabe, and the women of her family explore the consequences of the defeat, from the rape of Cassandra, through the triumphant self-exculpation of Helen, to the pitiful death of the child Astyanax, who is thrown from the walls of his ravaged city. Barbara Goff sets the play in its historical, dramatic and literary contexts, and provides a scene-by-scene analysis which brings out the pace and intellectual vigour of the play. The main themes are fully discussed, and the book also introduces readers to the issues that have divided critics, such as the extent to which the play responds to the historical events of the Peloponnesian War. The final chapter, which deals with the reception of the play, offers new insights into several modern works. **Trojan Women** A fantastic comic-book collaboration between the artist Rosanna Bruno and the poet Anne Carson, based on Euripides's famous tragedy **Euripidean Polemic The Trojan Women and the Function of Tragedy** *Cambridge University Press* This book sets out to interpret Euripides' **The Trojan Women** in the light of a view of tragedy which sees its function, as it was understood in classical Athens, as being didactic. This function, the author argues, was carried out by an examination of the ideology to which the audience subscribed. **The Trojan Women**, powerfully exploiting the dramatic context of the aftermath of the Trojan War, is a remarkable example of tragic teaching. The play questions a series of mutually reinforcing polarities (man/god; man/woman; Greek/barbarian; free/slave) through which an Athenian citizen defined himself, and also examines the dangers of rhetoric and the value of victory in war. By making the didactic function of tragedy the basis of interpretation, the author is able to offer a coherent view of a number of long-standing problems in Euripidean and tragic criticism, namely the relation of Euripides to the sophists, the pervasive self-reference and anachronism in Euripides, the problem of contemporary reference, and the construction and importance of the tragic scene. The book, which makes use of recent scholarship both in Classics and in critical theory, should be read by all those interested in Greek tragedy and in the culture of late fifth-century Athens. **Trojan Women** *Liverpool University Press* Text with facing translation, commentary and notes. (Aris and Phillips 1986) **Essays on Trojan Women** *Actors of Dionysus* Inside the Walls of Troy **A Novel of the Women Who Lived the Trojan War** *Simon and Schuster* The events surrounding the famous battle between the Greeks and the Trojans are told from the points of view of two women, the beautiful Helen and the prophetic Cassandra. **An ALA Best Book for Young Adults. Reprint. The Women of Troy** *Doubleday Books* **From the Booker Prize-winning Pat Barker, author of The Silence of the Girls ("An important, powerful, memorable book" --Emily Wilson, translator of The Odyssey), a retelling of the Trojan War from the perspective of the women who endured it** Troy has fallen and the victorious Greeks are eager to return home with the spoils of an endless war--including the women of Troy themselves. They await a fair wind for the Aegean. It does not come, because the gods are offended. The body of King Priam lies unburied and desecrated, and so the victors remain in suspension, camped in the shadows of the city they destroyed as the coalition that held them together begins to unravel. Old feuds resurface and new suspicions and rivalries begin to fester. Largely unnoticed by her captors, the one-time Trojan queen Briseis, formerly Achilles' mistress, now belonging to his companion Alcimus, quietly takes in these developments. She forges alliances when she can, with Priam's aged wife the defiant Hecuba and with the disgraced soothsayer Calchas, all the while shrewdly seeking her path to revenge. **Hecuba The Trojan Women ; Andromache** *Oxford University Press on Demand* This is the final in a series of three volumes of a new prose translation of Euripides' most popular plays. In the three great war plays contained in this volume Euripides subjects the sufferings of Troy's survivors to a harrowing examination. **The horrific brutality which both women and children undergo evokes a response of unparalleled intensity in the playwright whom Aristotle called the most tragic of the poets.** Yet the new battle-ground of the aftermath of war is one in which the women of Troy evince an overwhelming greatness of spirit. We weep for the aged Hecuba in her name play and in **the Trojan Women**, yet we respond with an at times appalled admiration to her resilience amid unrelieved suffering. And in her name play **Andromache, the slave-concubine of her husband's killer, endures her existence in the victor's country with a Stoic nobility.** Of their time yet timeless, these plays insist on the victory of the female spirit amid the horrors visited on them by the gods and men during war. **Euripides' The Trojan Women A New Version** *Bloodaxe Books Limited* **Follows the fates of Hecuba, Andromache, Cassandra and the other women of Troy after their city has been sacked, their husbands killed, and their remaining families about to be taken away as slaves (it runs parallel to the events in Euripides' play "Hecuba")** It is often considered one of Euripides' greatest works, and among the best anti-war plays ever written. **Andromache, Hecuba, Trojan Women** *Hackett Publishing Company Incorporated* Diane Arnson Svarlien's translation of Euripides' **Andromache , Hecuba , and Trojan Women** exhibits the same scholarly and poetic standards that have won praise for her **Alcestis , Medea , Hippolytus . Ruth Scodel's Introduction examines the cultural and political context in which Euripides wrote, and provides analysis of the themes, structure, and characters of the plays included. Her notes offer expert guidance to readers encountering these works for the first time. The Trojan Women of Euripides** **The Trojan Women** *Dramatists Play Service, Inc.* **After ten long years of war, the great city of Troy has fallen. Only the mothers, wives, and daughters of its slaughtered warriors survive. Nothing worse can befall them. Then it does, blow after blow. Their previous lives in ruins, the women find unimagined resources in each other and themselves. THE TROJAN WOMEN** is a thousands-year-old tale of courage, resilience, and hope in the face of utter devastation. **The Trojan Women** National tour under the auspices of the Woman's Peace Party of the world's greatest peace play "The Trojan Women" of Euripides, translated by

Gilbert Murray, presented by the Chicago Little Theatre Company. The Trojan Women adapted from the play by Euripides *Stage Partners* Euripides' classic tragedy follows the fate of the women of Troy after their devastating loss in the Trojan War. Brought to the stage by theatrical master Jon Jory, this taut, accessible adaptation with a flexible, large female cast is the perfect one-act drama for competition. Drama One-act. 25-30 minutes 12-24 actors, flexible, mostly female Trojan Women The Trojan Women by Euripides and Helen and Orestes by Ritsos *Exile Editions, Ltd.* With a stunning command of the Greek language and a mastery of poetic nuance, this translation of Euripides' play breathes unparalleled life into an ancient masterpiece. Using vocabulary that gives the sense that the play was written with an appreciation of and application to the 20th and 21st centuries, this adaptation goes beyond the timeless plot of the consequences of war and the fate of both the victors and the losers and focuses on the modern day issues of feminism and women's rights. Also included in this volume are two long poems "Helen" and "Orestes" by contemporary Greek poet Yannis Ritsos, who was nominated for the Nobel Prize. The Trojan women of Euripides *Good Press* "The Trojan women of Euripides" by Euripides (translated by Gilbert Murray). Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format. Hecuba *Greek Tragedy in New Translati* A translation of Euripides' play, "Hecuba," in which Hecuba grieves over the loss of a daughter and takes revenge for her fallen son. The Trojan Women *Ivan R Dee* As bleak and agonizing a portrait of war as ever to appear on the stage, The Trojan Women is a masterpiece of pathos as well as a timeless and chilling indictment of war's brutality. Plays for Performance Series The Trojan Women *Createspace Independent Publishing Platform* The Trojan Women, also known as Troades, is a tragedy by the Greek playwright Euripides. Produced in 415 BC during the Peloponnesian War, it is often considered a commentary on the capture of the Aegean island of Melos and the subsequent slaughter and subjugation of its populace by the Athenians earlier that year (see History of Melos). 415 BC was also the year of the scandalous desecration of the hermai and the Athenians' second expedition to Sicily, events which may also have influenced the author. The Trojan Women was the third tragedy of a trilogy dealing with the Trojan War. The first tragedy, Alexandros, was about the recognition of the Trojan prince Paris who had been abandoned in infancy by his parents and rediscovered in adulthood. The second tragedy, Palamedes, dealt with Greek mistreatment of their fellow Greek Palamedes. This trilogy was presented at the Dionysia along with the comedic satyr play Sisyphos. The plots of this trilogy were not connected in the way that Aeschylus' Oresteia was connected. Euripides did not favor such connected trilogies. Euripides won second prize at the City Dionysia for his effort, losing to the obscure tragedian Xenocles. The four Trojan women of the play are the same that appear in the final book of the Iliad lamenting over the corpse of Hector. Taking place near the same time is Hecuba, another play by Euripides. The Silence of the Girls A Novel *Anchor* A Washington Post Notable Book One of the Best Books of the Year: NPR, The Economist, Financial Times Shortlisted for the Costa Novel Award Finalist for the Women's Prize for Fiction Here is the story of the Iliad as we've never heard it before: in the words of Briseis, Trojan queen and captive of Achilles. Given only a few words in Homer's epic and largely erased by history, she is nonetheless a pivotal figure in the Trojan War. In these pages she comes fully to life: wry, watchful, forging connections among her fellow female prisoners even as she is caught between Greece's two most powerful warriors. Her story pulls back the veil on the thousands of women who lived behind the scenes of the Greek army camp—concubines, nurses, prostitutes, the women who lay out the dead—as gods and mortals spar, and as a legendary war hurtles toward its inevitable conclusion. Brilliantly written, filled with moments of terror and beauty, The Silence of the Girls gives voice to an extraordinary woman—and makes an ancient story new again. Trojan Women *Lulu.com* Hercules ; Trojan Women ; Phoenician Women ; Media ; Phaedra In this new translation John Fitch conveys the force of Seneca's dramatic language and the lyric quality of his choral odes."--BOOK JACKET. Virgin Sacrifice in Classical Art Women, Agency, and the Trojan War *Routledge* The Trojan War begins and ends with the sacrifice of a virgin princess. The gruesome killing of a woman must have captivated ancient people because the myth of the sacrificial virgin resonates powerfully in the arts of ancient Greece and Rome. Most scholars agree that the Greeks and Romans did not practice human sacrifice, so why then do the myths of virgin sacrifice appear persistently in art and literature for over a millennium? Virgin Sacrifice in Classical Art: Women, Agency, and the Trojan War seeks to answer this question. This book tells the stories of the sacrificial maidens in order to help the reader discover the meanings bound up in these myths for historical people. In exploring the representations of Iphigeneia and Polyxena in Greek, Etruscan, and Roman art, this book offers a broader cultural history that reveals what people in the ancient world were seeking in these stories. The result is an interdisciplinary study that offers new interpretations on the meaning of the sacrificial virgin as a cultural and ideological construction. This is the first book-length study of virgin sacrifice in ancient art and the first to provide an interpretive framework within which to understand its imagery. Trojan Women A Novel of the Fall of Troy *Createspace Independent Pub* In the "Iliad" Homer tells the story of the last days of the War at Troy, and of the men who fought in it. "Trojan Women" creates previously unheard voices of the brave women of Troy, for whose possession the war began and tells their intimate, passionate, and tragic story. Helen, for whom the war was fought, Cassandra, the mad daughter of Priam King of Troy whose prophecies were dangerously ignored until the all came true, Hecabe, Queen of Troy who saw her world destroyed and her husband, King Priam, slain, and Andromache, perhaps the most tragic figure of all who lost parents, husband, and child. Through the eyes of the principle characters, Chryseis and Briseis, captured by Achilles as spoils of war and held for ransom, for slavery, or as playthings for men's pleasure, we see the last terrible days of battle and the capture and final destruction of Troy, the richest city in the world. Written in the tradition of Mary Renault's "Bull from the Sea," Yourcenar's "Memoirs of Hadrian," and Vidal's "Julian," reader/ reviewers have said of "Trojan Women," "I read it non-stop; I could not put it aside until I had finished it." Three Greek Plays *W. W. Norton & Company* Three classic Greek tragedies are translated and critically introduced by Edith Hamilton. The Trojan Women and Hippolytus *Courier Corporation* Two literary classics of human self-understanding: The Trojan Women, one of the most powerful indictments of war ever written, and Hippolytus, a gripping depiction of the struggle to master human passion. A Study Guide for Euripides's "The Trojan Women" *Gale, Cengage Learning* A Study Guide for Euripides's "The Trojan Women," excerpted from Gale's acclaimed Drama For Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Drama For Students for all of your research needs. Trojan Women *Lulu.com* The characters are women from the Greek myths, the style is surreal, poetic, witty, hectic and full of challenging insight. The Trojan Women In the wake of their devastating defeat, the women of Troy, all now widows, wait on the beach below the ravaged city to be claimed by their Greek conquerors as slaves and concubines. Though the war is over, exile and degradation lie ahead and the fates of these women, including Queen Hecuba, her daughter Cassandra, the doomed, mad prophetess, and her daughter-in-law Andromache, widow of the great Hector, are still in the balance. Odysseus at Troy Ajax, Hecuba and Trojan Women *Hackett Publishing* This book contains translations of three plays: Ajax, Hecuba, and Trojan Women. They are all centered around the mythological theme of the Greek warrior, Odysseus, hero of the Trojan War. All three plays are complete, with notes and introductions, plus an introduction to the volume with background to the story which was one of the most popular themes and one of the most written about Greek hero in Greek literature. Written during a tumultuous age of sophists and demagogues, these three plays (c. 450-425 BCE) bear witness to the gradual degradation of Odysseus' character. In presenting the unexpected devolution of a renowned mythic figure, the plays examine numerous themes relevant to contemporary American political life: the profound psychological consequences of brought on by the stress of war and why a once proud and noble warrior might commit suicide; and the dehumanizing darkness that descends upon innocent female war-victims when victors use act on false political necessity. The Tragedies of Seneca The Complete Euripides Volume I: Trojan Women and Other Plays *Oxford University Press* Based on the conviction that only translators who write poetry themselves can best re-create the celebrated and timeless tragedies of Aeschylus, Sophocles, and Euripides, the Greek Tragedy in New Translations series offers new translations that go beyond the literal meaning of the Greek in order to evoke the poetry of the originals. The tragedies collected here were originally available as single volumes. This new collection retains the informative introductions and explanatory notes of the original editions, with Greek line numbers and a single combined glossary added for easy reference. This volume collects Euripides' Andromache, a play that challenges the concept of tragic character and transforms expectations of tragic structure; Hecuba, a powerful story of the unjustifiable sacrifice of Hecuba's daughter and the consequent destruction of Hecuba's character; Trojan Women, a particularly intense account of human suffering and uncertainty; and Rhesos, the story of a futile quest for knowledge.
