SPEAKING BOLDLY

SHARING GOD'S WORD EVERY DAY

We are all called to speak God's Word with one another, yet this can be an extremely daunting task. We are afraid of saying the wrong thing, not having the right answers, or even coming across as judgmental. Rev. Dr. Grimenstein's work is here to help Lutherans gain confidence in speaking God's Law and Gospel with both boldness and love to those around us. Learn how to teach the distinctly Lutheran teachings of Law and Gospel through each chapter, using information and theology from Luther's Small Catechism, Scriptures, and most importantly, God's Word for us all.

BOLD & CONTAGIOUS

A CONTAGIOUS LIFE IN JESUS

Xlibris Corporation **The Lord gave me this title in 2008. We as Christians must be bold for him by faith and contagious with his love. We must have knowledge in his word, and we must have a relationship with him to be filled with his spirit so we can spread his love wherever we go. To be bold, we must know him in the power of His resurrection. To be contagious, we must live according to what is written in John 3:16. Love is the foundation of everything that is needed on this Christian journey.**

GOD'S BOLD CALL TO WOMEN

EMBRACE YOUR GOD GIVEN DESTINY WITH KINGDOM AUTHORITY

Baker Books **Jane Hanson, Jean Hodges, Chuck D. Pierce, Wanda Studdard and Barbara Yoder Encourage You to Embrace Your Future Over the years, there has been a rising call to women to step forward and embrace the great destiny that God has in store for each of them. In recognition of this, Barbara Yoder has come together with a handful of others, both men and women, who sense the growing importance to release women into their God-given purpose. While some women may feel unworthy of their dreams because of past sins, God tells them to let go and look forward. When she is bathed in His glory, there is no obstacle that can stand in such a woman's way, and there is nothing that will keep her from the magnificent fulfillment of God's plan.**

BEING MISSIONAL, BECOMING MISSIONAL

A BIBLICAL-THEOLOGICAL STUDY OF THE MISSIONAL CONVERSION OF THE CHURCH

Wipf and Stock Publishers This book explores the theme of the missional conversion of the church, namely how the church is transformed toward its missionary vocation, from a biblical-theological perspective. The purpose of this book is to find biblically grounded, theologically sound, and practically applicable principles helpful for the church which seeks to be continuously shaped into a missional community which authentically and fully participates in God's mission today. The biblical-theological findings on how the triune God in the biblical narrative shapes the people of God toward their missionary vocation demonstrates, first, that, in Scripture, the missional conversion of the church is primarily the consequence of its continuous encounter with the triune God, and, second, that this divine-human encounter for the missional conversion of the church is ineluctable in view of the ongoing tension between the missional faithfulness of God in fulfilling the missionary vocation of the church, on the one hand, and the missional failure of the church in its missionary vocation, on the other hand.

BOLD FAITH

A CLOSER LOOK AT THE FIVE KEY IDEAS OF CHARISMATIC CHRISTIANITY

Wipf and Stock Publishers **Bill Johnson, Joyce Meyer, Heidi Baker.** The fame of these names is evidence enough that, though the controversies are less intense, the Charismatic Movement is alive and well today. It continues to attract thousands of adherents who find its vision of a supernatural lifestyle uniquely compelling. Now, for the first time, all

that is most theologically innovative about the movement is synthesized into five distinct and original ideas. These five brand new theologies have been created, not by theologians, but by practitioners who believed their concepts were inspired by the Spirit: Inner Healing, Shepherding, Word of Faith, Spiritual Warfare, and Signs and Wonders. Plenty of studies have been written by Pentecostal scholars about Pentecostal theology, but these tend to group the very distinct approaches of Charismatics together with Classical Pentecostals. Bold Faith aims to analyze and evaluate the ways in which practitioners within independent Charismatic networks, especially in their Anglo-American expressions, have responded to the challenges of secular modernity.

CAN YOU FORGIVE HER?

ROMANCE NOVEL

DigiCat The novel follows three parallel stories of courtship and marriage and the decisions of three women: Alice Vavator, her cousin Glencora Palliser, and her aunt Arabella Greenow. Alice Vavator, a young woman of twenty-four, is engaged to the wealthy, respectable, dependable if unambitious and bland, John Grey. She had previously been engaged to her cousin George, but she broke it off after he went through a wild period. A second story involves the comic rivalry between the wealthy farmer Cheesacre and the pauper soldier Captain Bellfield for the affections (and substantial inheritance) of the widow Mrs Greenow. The third story deals with the marriage of the extremely rich Plantagenet Palliser to the even wealthier heiress, Lady Glencora M'Cluskie. They are not very well suited. He is a stiff-

necked, hardworking politician in line to be Chancellor of the Exchequer, while she has a lively, fun-loving personality and a well-developed sense of humour. Early on, Alice asks the question "What should a woman do with her life?" This theme repeats itself in the dilemmas faced by the other women in the novel. _x000D_ _x000D_ _x000D_ _x000D_
