Foro Abierto Para la Lectura

Unit Assessment Workbook

With the introduction of Foro abierto para la lectura, a parallel program to Open Court Reading, we make our comprehensive reading program available to bilingual educators. Because children have the best chance for reading mastery when they learn to read first in their native language, Foro abierto para la lectura is designed to teach children how to read, write, and communicate in Spanish. It also gives educators the chance to provide instruction in the primary language of their students. With outstanding authentic literature, songs, poems, and artwork, Foro abierto para la lectura builds on students' strength in their native language.
